LAW ENFORCEMENT CODE OF ETHICS

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against abuse or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or abuse and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

Chapter 1 - Law Enforcement Role and Authority

Law Enforcement Authority

100.1 PURPOSE AND SCOPE

The purpose of this policy is to affirm the authority of the members of the Brooklyn Center Police Department to perform their functions based on established legal authority.

100.2 PEACE OFFICER POWERS

Licensed officers of this department are peace officers pursuant to Minn. Stat. § 626.84 Subd. 1.

100.2.1 ARREST AUTHORITY WITHIN THE JURISDICTION OF THE BROOKLYN CENTER POLICE DEPARTMENT

Arrest authority of a full-time officer or part-time officer extends to any place within the jurisdiction of the department when (Minn. Stat. § 629.34, Subd. 1 and Minn. Stat. § 629.40):

- (a) Made pursuant to a warrant.
- (b) The person is being arrested for a felony.
- (c) The person is being arrested for a non-felony crime that was attempted or committed in the officer's presence.
- (d) The person is being arrested for a non-felony crime that was not attempted or committed in the officer's presence but an arrest is permitted by statute (e.g., domestic abuse, restraining order, and no contact order violations).
- (e) The person is a juvenile committed to the custody of the commissioner of corrections and committed a felony after he/she escaped from custody (Minn. Stat. § 609.485).
- (f) There is reasonable cause to believe that the person to be arrested has committed or attempted to commit theft from a merchant (Minn. Stat. § 629.366).

The arrest authority of a part-time peace officer is applicable only while on-duty (Minn. Stat. § 629.34, Subd. 1(b)).

100.2.2 ARREST AUTHORITY OUTSIDE THE JURISDICTION OF THE BROOKLYN CENTER POLICE DEPARTMENT

Full- and part-time, on-duty officers may make an arrest outside the jurisdiction of the Brooklyn Center Police Department (Minn. Stat. § 629.40):

- (a) Anytime the officer may by law make an arrest for a criminal offense committed within the jurisdiction of the Brooklyn Center Police Department, and the person to be arrested escapes from custody or flees out of the officer's jurisdiction.
- (b) Whenever the officer is authorized by a court order.
- (c) Under the same conditions as if the officer was in the jurisdiction of the department, whenever the officer is acting in the course and scope of employment.

A full-time officer's warrantless arrest authority when off-duty and outside the jurisdiction of the department is limited to circumstances that would permit the officer to use deadly force under Minn. Stat. § 609.066 (see the Use of Force Policy) (Minn. Stat. § 629.40, Subd. 4). Under any

other circumstances, the full-time off-duty officer is limited to the same power as are members of the general public.

An officer making an arrest should, as soon as practicable after making the arrest, notify the agency having jurisdiction where the arrest was made.

100.2.3 GRANTING AUTHORITY TO OTHERS

An officer may summon the aid of private persons when making an arrest pursuant to a warrant (Minn. Stat. § 629.30).

100.3 INTERSTATE PEACE OFFICER POWERS

Peace officer powers may be extended within other states:

- (a) As applicable under interstate compacts and memorandums of understanding in compliance with the laws of each state.
- (b) When an officer enters Iowa or Wisconsin in fresh pursuit of a felony subject (Iowa Code § 806.1; Wis. Stat. § 976.04).
- (c) When an officer enters North Dakota or South Dakota in pursuit of a subject who committed any offense (N.D.C.C. § 29-06-05; SDCL 23A-3-9; SDCL 23A-3-10).

Whenever an officer makes an arrest in another state, the officer shall take the offender to a magistrate or judge in the county where the arrest occurred as soon as practicable (Iowa Code § 806.2; N.D.C.C. § 29-06-06; SDCL 23A-3-12; Wis. Stat. § 976.04).

100.4 CONSTITUTIONAL REQUIREMENTS

All members shall observe and comply with every person's clearly established rights under the United States and Minnesota Constitutions.

100.5 POLICY

It is the policy of the Brooklyn Center Police Department to limit its members to only exercise the authority granted to them by law.

While this department recognizes the power of peace officers to make arrests and take other enforcement action, officers are encouraged to use sound discretion in the enforcement of the law. This department does not tolerate abuse of law enforcement authority.

Chief Executive Officer

101.1 PURPOSE AND SCOPE

The Minnesota Legislature acting through the Minnesota Board of Peace Officer Standards and Training (POST Board) has mandated that all peace officers employed within the State of Minnesota shall hold a POST Board license (Minn. Stat. § 626.846).

101.1.1 CHIEF LAW ENFORCEMENT OFFICER REQUIREMENTS

Any chief law enforcement officer of this department, as defined in Minn. R. 6700.0100, shall as a condition of employment hold a license as a peace officer with the POST Board (Minn. R. 6700.0800; Minn. R. 6700.0501). The peace officer license shall be renewed every three years as required by Minn. R. 6700.1000.

Oath of Office

102.1 PURPOSE AND SCOPE

Officers of this department are sworn to uphold the federal and state constitutions and to enforce federal, state and local laws.

102.1.1 OATH OF OFFICE

Upon employment, all employees shall be required to affirm, sign and date the oath of office expressing commitment and intent to respect constitutional rights in discharging the duties of the position, regardless of whether law mandates such an oath. The oath shall be as follows:

I, (employee name), do solemnly swear to support the Constitution of the United States and of this State, and to discharge faithfully the duties devolving upon me as a police officer of the City of Brooklyn Center to the best of my judgement and ability. I will never betray my badge, my integrity, my character, or the public interest. I will always have the courage to hold myself and others accountable for our actions.

102.1.2 MAINTENANCE OF RECORDS

Oaths mandated by law shall be filed as required by law (Minn. Stat. § 358.11, Minn. Stat. § 387.01 and Minn. Stat. § 387.14). Other oaths shall be maintained consistent with other personnel employment records.

Policy Manual

103.1 PURPOSE AND SCOPE

The manual of the Brooklyn Center Police Department is hereby established and shall be referred to as the Policy Manual or the manual. The manual is a statement of the current policies, rules and guidelines of this department. All members are to conform to the provisions of this manual.

All prior and existing manuals, orders and regulations that are in conflict with this manual are rescinded, except to the extent that portions of existing manuals, procedures, orders and other regulations that have not been included herein shall remain in effect, provided that they do not conflict with the provisions of this manual.

103.2 POLICY

Except where otherwise expressly stated, the provisions of this manual shall be considered as guidelines. It is recognized that the work of law enforcement is not always predictable and circumstances may arise which warrant departure from these guidelines. It is the intent of this manual to be viewed from an objective standard, taking into consideration the sound discretion entrusted to members of this department under the circumstances reasonably available at the time of any incident.

103.2.1 DISCLAIMER

The provisions contained in the Policy Manual are not intended to create an employment contract nor any employment rights or entitlements. The policies contained within this manual are for the internal use of the Brooklyn Center Police Department and shall not be construed to create a higher standard or duty of care for civil or criminal liability against the City, its officials or members. Violations of any provision of any policy contained within this manual shall only form the basis for department administrative action, training or discipline. The Brooklyn Center Police Department reserves the right to revise any policy content, in whole or in part.

103.3 AUTHORITY

The Chief of Police shall be considered the ultimate authority for the content and adoption of the provisions of this manual and shall ensure compliance with all applicable federal, state and local laws. The Chief of Police or the authorized designee is authorized to issue Departmental Directives, which shall modify those provisions of the manual to which they pertain. Departmental Directives shall remain in effect until such time as they may be permanently incorporated into the manual.

Chapter 2 - Organization and Administration

Organizational Structure and Responsibility

200.1 PURPOSE AND SCOPE

The organizational structure of the Department is designed to create an efficient means to accomplish the mission and goals and to provide for the best possible service to the public.

200.2 DIVISIONS

The Chief of Police is responsible for administering and managing the Brooklyn Center Police Department. There are four divisions in the Police Department as follows:

- Community Services Division
- Patrol Division
- Investigation Division
- Support Services Division

200.2.1 COMMUNITY SERVICES DIVISION

The Community Services Division is supervised by a Commander whose primary responsibility is to provide general management, direction and control for the Community Services Division. The Community Services Division consists of a Commander, a Sergeant, three Street Crimes Officers, a Juvenile officer, a School Resource officer, a Crime Analyst, a Crime Prevention Specialist and a Community Liaison.

200.2.2 PATROL DIVISION

The Patrol Division is supervised by a Commander whose primary responsibility is to provide general management, direction and control for the Patrol Division. The Patrol Division consists of Uniformed Patrol.

200.2.3 INVESTIGATION DIVISION

The Investigative Division is supervised by a Commander whose primary responsibility is to provide general management, direction and control for the Investigative Division. Organizational Structure and Responsibility

The Property Room Technician is responsible for the proper receiving, tracking, storage, and return or disposal of all property. Property is classified as found, recovered, confiscated, or evidence.

200.3 COMMAND PROTOCOL

200.3.1 SUCCESSION OF COMMAND

The Chief of Police exercises command over all personnel in the Department. During planned absences the Duty Command Officer or designee shall act with the authority of the Chief of Police. For circumstances in which the Chief of Police is absent, the Chief of Police will designate a Division Commander to serve as the acting commander of the Police Department.

Except when designated as above, the order of command authority in the absence or unavailability of the Chief of Police is as follows:

- (a) Commander
- (b) Sergeant
- (c) Senior Officer

200.3.2 UNITY OF COMMAND

The principles of unity of command ensure efficient supervision and control within the Department. Generally, each employee shall be accountable to one supervisor at any time for a given assignment or responsibility. Except where specifically delegated authority may exist by policy or special assignment (e.g., Training, FTO, EOU), any supervisor may temporarily direct any subordinate if an operational necessity exists.

200.3.3 ORDERS

Members shall respond to and make a good faith and reasonable effort to comply with the lawful order of superior officers and other proper authority.

200.3.4 UNLAWFUL AND CONFLICTING ORDERS

No member is required to obey any order that outwardly appears to be in direct conflict with any federal law, state law or local ordinance. If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or confer with a higher authority. Responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with an order that is in conflict with a previous order, department policy or other directive, shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the order is intended to countermand the previous order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting order after having given the issuing supervisor the opportunity to correct the conflict are not held accountable for disobedience of the order or directive that was initially issued.

Organizational Structure and Responsibility

The person countermanding the original order shall notify, in writing when practical or necessary, the person issuing the original order, indicating the action taken and the reason therefore.

Departmental Directive and Special Orders

201.1 PURPOSE AND SCOPE

Departmental Directives and Special Orders establish an interdepartmental communication that may be used by the Chief of Police to make immediate changes to policy and procedure consistent with the current Memorandum of Understanding or other collective bargaining agreement. Departmental Directives will immediately modify or change and supersede sections of this manual to which they pertain.

201.1.1 DEPARTMENTAL DIRECTIVES PROTOCOL

Departmental Directives will be incorporated into the manual as required upon approval of staff. Departmental Directives will modify existing policies or create a new policy as appropriate and will be rescinded upon incorporation into the manual.

All existing Departmental Directives have now been incorporated in the updated Policy Manual as of the below revision date.

Any Departmental Directives issued after publication of the manual shall be numbered consecutively starting with the last two digits of the year, followed by the number "01." For example, 10-01 signifies the first Departmental Directive for the year 2010.

201.1.2 SPECIAL ORDERS PROTOCOL

Special Orders establish a temporary policy or procedure on a given subject for a specific length of time. Special Orders are issued to the organization as a whole, to a division, to a unit or to an individual thereof and are temporary in nature. Special Orders become inoperative with the passing of the incident or situation that caused the order's issuance.

201.2 RESPONSIBILITIES

201.2.1 STAFF

The staff shall review and approve revisions of the Policy Manual, which will incorporate changes originally made by Departmental Directive.

201.2.2 CHIEF OF POLICE

The Chief of Police or designee shall issue all Departmental Directives and Special Orders.

201.3 ACCEPTANCE OF DEPARTMENTAL DIRECTIVES AND SPECIAL ORDERS

All employees are required to read and obtain any necessary clarification of all Departmental Directives or special orders. All employees are required to acknowledge in writing the receipt and review of any new Departmental Directive or special order.

Signed acknowledgement forms and/or e-mail receipts showing an employee's acknowledgement will be facilitated by the Training Sergeant and the Administrative Assistant.

Emergency Operations Plan

202.1 PURPOSE AND SCOPE

The City has prepared, in compliance with the Minnesota Emergency Management Act of 1996 (Minn. Stat. § 12.09), an Emergency Operations Plan Manual. This manual is for the guidance and use by all employees in the event of a major disaster, civil disturbance, mass arrest or other emergency event. The manual provides for a strategic response by all employees and assigns specific responsibilities in the event the plan is activated.

202.2 ACTIVATING THE EMERGENCY OPERATIONS PLAN

The Emergency Operations Plan can be activated in a number of ways. For the Police Department, the Chief of Police, the highest ranking official on-duty or an on-scene responder may activate the Emergency Operations Plan in response to a major emergency.

202.2.1 RECALL OF PERSONNEL

In the event that the Emergency Operations Plan is activated, all employees of the Brooklyn Center Police Department are subject to immediate recall. Employees may also be subject to recall during extraordinary circumstances as deemed necessary by the Chief of Police or the authorized designee.

Failure to promptly respond to an order to report for duty may result in discipline.

202.3 LOCATION OF MANUALS

The manual for employees is available in the "S" drive under Emergency Management. A physical copy will be maintained in the Fire Chief's office and the three (3) Commanders offices.

202.4 PLAN REVIEW

The Community Services Commander or designee shall annually review the Emergency Operation Plan and recommend updates when applicable. The annual review, update, and approval of the plan and supporting documents must be in accord with the guidance provided by the Department of Public Safety, Division of Emergency Management and should incorporate a full or partial exercise, tabletop or command staff discussion (Min. Stat. § 299J.10).

202.5 PLAN TRAINING

The Department shall provide training in the Emergency Operations Plan for all supervisors and other appropriate personnel. All supervisors should familiarize themselves with the Emergency Operations Plan and the roles police personnel will play when the plan is implemented.

Training

203.1 PURPOSE AND SCOPE

This policy establishes general guidelines for how training is to be identified, conducted, and documented. This policy is not meant to address all specific training endeavors or identify every required training topic.

203.2 OBJECTIVES

The objectives of the training program are to:

- (a) Enhance the level of law enforcement service to the public.
- (b) Increase the technical expertise and overall effectiveness of department members.
- (c) Provide for continued professional development of department members.
- (d) Ensure compliance with POST rules and regulations concerning law enforcement training.

203.3 TRAINING PLAN

The training plan should include the anticipated costs associated with each type of training, including attendee salaries and backfill costs. The plan should include a systematic and detailed method for recording all training for members.

Updates and revisions may be made to any portion of the training plan at any time it is deemed necessary.

The plan will address all required training.

203.3.1 GOVERNMENT-MANDATED TRAINING

The following lists, while not all inclusive, identify training that is required under state and federal laws and regulations. Additional required training may be identified in individual policies.

- (a) Federally mandated training:
 1. National Incident Management System (NIMS) training
- (b) State-mandated training:
 1. State training requirements include but are not limited to 48 hours of POST-approved law enforcement related courses every three years.

203.4 TRAINING COMMITTEE

The Training Sergeant shall establish a Training Committee, on a temporary or as-needed basis, which will assist with identifying training needs.

The Training Committee should be composed of at least three members, with the senior ranking member of the committee acting as the chairperson. Committee members should be elected based on their abilities at post-incident evaluation and at assessing related training needs. The Training Sergeant may remove or replace members of the committee at the Training Sergeant's discretion.

Training

The Training Committee should review certain incidents to determine whether training would likely improve future outcomes or reduce or prevent the recurrence of the undesirable issues related to the incident. Specific incidents the Training Committee should review include but are not limited to:

- (a) Any incident involving the death or serious injury of a member.
- (b) Incidents involving a high risk of death, serious injury, or civil liability.
- (c) Incidents identified by the Department to determine possible training needs.

The Training Committee should convene on a regular basis, as determined by the Training Sergeant, to review the identified incidents. The committee shall determine by consensus whether a training need exists and then submit written recommendations of its findings to the Training Sergeant. The recommendation should not identify specific facts of any incidents, such as identities of members involved or the date, time, and location of the incident, but should focus on the type of training being recommended.

The Training Sergeant will consider the recommendations of the committee and determine what training should be addressed, taking into consideration the mission of the Department and available resources. Training recommendations as determined by the Training Sergeant shall be submitted to the command staff for review.

203.5 DAILY TRAINING BULLETINS

The Lexipol Daily Training Bulletins (DTBs) are contained in a web-accessed system that provides training on the Brooklyn Center Police Department Policy Manual and other important topics. Generally, one training bulletin is available for each day of the month. However, the number of DTBs may be adjusted by the Training Sergeant.

Members assigned to participate in DTBs shall only use login credentials assigned to them by the Training Sergeant. Members should not share their password with others and should frequently change their password to protect the security of the system. After each session, members should logoff the system to prevent unauthorized access. The content of the DTBs is copyrighted material and shall not be shared with others outside of the Department.

Members who are assigned to participate in the DTB program should complete each DTB at the beginning of their shift, or as otherwise directed by their supervisor. Members should not allow uncompleted DTBs to build up over time, and may be required to complete DTBs missed during extended absences (e.g., vacation, medical leave) upon returning to duty. Although the DTB system can be accessed from any internet-enabled computer, members shall only take DTBs as part of their on-duty assignments, unless directed otherwise by a supervisor.

Supervisors will be responsible for monitoring the progress of those under their command to ensure compliance with this policy.

203.7 POLICY

The Department shall administer a training program that will meet the standards of federal, state, local, and POST training requirements. It is a priority of this department to provide continuing education and training for the professional growth and development of its members.

203.8 TRAINING SERGEANT

The Training Sergeant shall ensure that all sworn members annually review the department policies identified in Minn. R. 6700.1615 (Minn. R. 6700.1615, Subd. 2).

203.9 TRAINING ATTENDANCE

- (a) All members assigned to attend training shall attend as scheduled unless previously excused by their immediate supervisor. Excused absences should be limited to:
 - 1. Court appearances.
 - 2. Previously approved vacation or time off.
 - 3. Illness or medical leave.
 - 4. Physical limitations preventing the member's participation.
 - 5. Emergency situations or department necessity.
- (b) Any member who is unable to attend training as scheduled shall notify the member's supervisor as soon as practicable but no later than one hour prior to the start of training and shall:
 - 1. Document the member's absence in a memorandum to the member's supervisor.
 - 2. Make arrangements through the member's supervisor or the Training Sergeant to attend the required training on an alternate date.

203.10 TRAINING RECORDS

The Training Sergeant is responsible for the creation, filing, and storage of all training records. Training records shall be retained in accordance with the established records retention schedule.

Officers are responsible for responding to these requests in a timely manner and otherwise maintaining their licensed status.

Electronic Mail

204.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper use and application of the electronic mail (email) system provided by the Department. Email is a communication tool available to employees to enhance efficiency in the performance of job duties. It is to be used in accordance with generally accepted business practices and current law (e.g., Minnesota Data Practices Act). Messages transmitted over the email system must only be those that involve official business activities or contain information essential to employees for the accomplishment of business-related tasks and/or communication directly related to the business, administration or practices of the Department.

204.2 EMAIL RIGHT OF PRIVACY

All email messages, including attachments, transmitted over the Department computer network or accessed through a web browser accessing the Department system are considered Department records and, therefore, are the property of the Department. The Department has the right to access, audit and disclose for whatever reason, all messages, including attachments, transmitted or received through its email system or placed into its storage.

Unless it is encrypted, the email system is not a confidential system since all communications transmitted on, to or from the system are the property of the Department. Therefore, the email system is not appropriate for confidential or personal communication. If a communication must be private, an alternative method to communicate the message should be used instead of email. Employees using the Department email system shall have no expectation of privacy concerning communications utilizing the system.

204.3 PROHIBITED USE OF E-MAIL

The City email system is a tool to be used for matters directly related to the business activities of the City and as a means to provide services that are efficient, accurate, timely and complete. Email messages are subject to regulation under the Minnesota Data Practices Act. The content of the message determines whether a message is public or non-public/private. Email is intended as a medium of communication, not for information storage; therefore, email should not be used for the storage of maintenance of official City records or other City information. Users may receive inappropriate and unsolicited email messages. Such messages should be forwarded immediately to SPAM (listed in the City's Outlook Global Address List). If the activity continues, the user must notify the IT Director. [Amended 10/07/09]

The City has the right to use management software to eliminate the delivery of junk email (SPAM), including emails that contain profanity or sexually explicit or adult content material or which are otherwise deemed inappropriate or non-business oriented.

Outlook stationery options should remain at default, which is no stationery. The city is to maintain a professional image. Email background should remain without color and ornamentation that would occur by selecting stationery. Non-business related clipart, images, emoticons, or tag lines should

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Electronic Mail

not be used in the email (i.e. a clipart picture in the signature portion of the email, a graphical smiley face, a belief statement).

All items moved to the Deleted Items folder will permanently delete when the item is more than 7 days old (i.e. an email message moved to the Deleted Items folder today that was received two weeks ago will delete in that night's maintenance; an email message moved to the Deleted Items folder today that was received today will delete 7 days from now in that night's maintenance). The time criterion is when the user receives the item, not when the item is placed into the Deleted Items folder. The City backs-up City mailboxes for 5 business days.

Personal email accounts are not to be accessed from a City computer (i.e. AOL, Hotmail, Yahoo, Comcast, etc.). Personal email accounts are not to be used for City business. NO instant messaging is allowed.

204.4 MANAGEMENT OF E-MAIL

Because the email system is not designed for long-term retention of messages, email that the employee desires to save or that becomes part of an official record should be printed and/or stored in another database. Users of email are solely responsible for the management of their mailboxes. Messages should be purged manually by the user at least once per week. All messages in excess of one month may be deleted or archived automatically at regular intervals from the system.

204.5 REVIEWING E-EMAIL

All department members shall be required to check and review their email and calendar appointments at least once per shift.

Administrative Communications

205.1 PURPOSE AND SCOPE

Administrative communications of this department are governed by the following policies.

205.2 DEPARTMENT E-MAILS

Department E-mails may be issued periodically by the Chief of Police or designee, to announce and document all promotions, transfers, hiring of new personnel, separations, individual and group awards and commendations or other changes in status. Such orders are personnel data under Minn. Stat. 13.43 and shall be treated accordingly.

205.3 CORRESPONDENCE

In order to ensure that the letterhead and name of the Department are not misused, all official external correspondence shall be on Department letterhead. All Department letterhead shall bear the signature element of the Chief of Police. Official correspondence and use of letterhead requires approval of a supervisor. Department letterhead may not be used for personal use or purposes.

Internal correspondence should use the appropriate format. These may be from line employee to employee, supervisor to employee or any combination of employees.

205.4 SURVEYS

All surveys made in the name of the Department shall be authorized by the Chief of Police, his/her designee or a Division Commander.

205.5 OTHER COMMUNICATIONS

Departmental Directives and other communications necessary to ensure the effective operation of the Department shall be promulgated by the Chief of Police, his/her designee or Division Commanders.

Supervision Staffing Levels

206.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that proper supervision is available for all shifts. The Department intends to balance the employee's needs against its need and inherent managerial right to have flexibility and discretion in using personnel to meet operational needs. While balance is desirable, the paramount concern is the need to meet operational requirements of the Department.

206.2 MINIMUM STAFFING LEVELS

Minimum staffing levels should result in the scheduling of at least one regular supervisor on-duty whenever possible.

206.2.1 SUPERVISION DEPLOYMENTS

In order to accommodate training and other unforeseen circumstances, an officer may be used as a senior officer in place of a shift sergeant.

With prior authorization from the Patrol Division Commander, an officer may act as a temporary Sergeant for a limited period of time, consistent with the terms of applicable collective bargaining agreements.

Permit to Carry a Pistol

207.1 PURPOSE AND SCOPE

The Sheriff is given the statutory authority to issue a permit to carry a pistol to residents within the county and persons who do not reside in Minnesota. This policy will provide a written process for the application and issuance of such permits.

207.2 CARRYING FIREARMS IN RESTRICTED AREAS

Firearm permittees, other than peace officers, are prohibited from carrying firearms within the following locations:

- (a) Secure areas of a public airport.
- (b) School property except as authorized by Minn. Stat. § 609.66, Subd. 1d.
- (c) A child care center while children are present except as authorized by Minn. Stat. § 609.66, Subd. 1d.
- (d) In a public place while under the influence of alcohol, or a controlled substance, or an intoxicating substance that the person has reason to know could cause impairment (Minn. Stat. § 624.7142, Subd. 1).
- (e) Public colleges and universities following implementation of a policy restricting the carrying or possession of firearms on their premises by employees and students while on campus. However, under Minn. Stat. § 624.714, Subd. 18 such prohibitions apply only to faculty and students. A violation of such restrictions by a person with a carry permit is not an arrestable offense and only subjects the violator to administrative sanctions.
- (f) Private establishments that have posted a sign banning firearms on their premises, provided the posting meets the requirements of Minn. Stat. § 624.714, Subd. 17.
- (g) Private establishments whose personnel inform the permit holder that firearms are prohibited and demand compliance. This provision is violated only after the permit holder refuses to depart the premises.
- (h) Places of employment, public or private, if the employer restricts the carrying or possession of firearms by employees. A violation of such restrictions by a person with a carry permit is not an arrestable offense and only subjects the violator to administrative sanctions.
- (i) State correctional facilities or state hospitals and grounds (Minn. Stat. § 243.55).
- (j) Any jail, lockup, or correctional facility (Minn. Stat. § 641.165).
- (k) Offices and courtrooms of the Minnesota Supreme Court and Court of Appeals as established by order of the court. Violation of such a ban by a permit holder may be enforced as civil or criminal contempt of court but is not a violation of the carry permit law.
- (l) In a field while hunting big game by archery unless permitted by Department of Natural Resources regulations. (Minn. Stat. § 97B.211; Minn. Stat. § 97B.411).

Permit to Carry a Pistol

(m) In federal court facilities or other federal facilities (18 USC § 930).

Pistol permittees are required to comply with notices requiring presentation of the permit upon demand of a peace officer when carrying a firearm.

207.3 RECOGNITION OF PERMITS FROM OTHER STATES

A person who possesses a firearms permit from another state that is on the annual list of states with firearm regulations similar to Minnesota, published by the Commissioner of Public Safety, and that has reciprocity to carry a firearm in Minnesota has lawful authority to carry a pistol in Minnesota. The permit issued from another state is not valid if the holder is or becomes prohibited by law from possessing a firearm. The Chief of Police may file a petition with the appropriate court to suspend or revoke a license from another state when there is a substantial likelihood that the license holder is a danger to him/herself or the public (Minn. Stat. § 624.714, Subd. 16)

Retiree Concealed Firearms

208.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the issuance, denial, suspension or revocation of Brooklyn Center Police Department identification cards under the Law Enforcement Officers' Safety Act (LEOSA) (18 USC § 926C).

208.2 POLICY

It is the policy of the Brooklyn Center Police Department to provide identification cards to qualified former or retired officers as provided in this policy.

208.3 LEOSA

The Chief of Police may issue an identification card for LEOSA purposes to any former officer of this department who (18 USC § 926C(c)):

- (a) Separated from service in good standing from this department as an officer.
- (b) Before such separation, had regular employment as an officer for an aggregate of 10 years or more or, if employed as an officer for less than 10 years, separated from service after completing any applicable probationary period due to a service-connected disability as determined by this department.
- (c) Has not been disqualified for reasons related to mental health.
- (d) Has not entered into an agreement with this department where the officer acknowledges that he/she is not qualified to receive a firearm qualification certificate for reasons related to mental health.
- (e) Is not prohibited by federal law from receiving or possessing a firearm.

208.3.1 LEOSA IDENTIFICATION CARD FORMAT

The LEOSA identification card should contain a photograph of the former officer and identify him/her as having been employed as an officer.

If the Brooklyn Center Police Department qualifies the former officer, the LEOSA identification card or separate certification should indicate the date the former officer was tested or otherwise found by the Department to meet the active duty standards for qualification to carry a firearm.

208.3.2 AUTHORIZATION

Any qualified former law enforcement officer, including a former officer of this department, may carry a concealed firearm under 18 USC § 926C when he/she is:

- (a) In possession of photographic identification that identifies him/her as having been employed as a law enforcement officer, and one of the following:
 - 1. An indication from the person's former law enforcement agency that he/she has, within the past year, been tested or otherwise found by the law enforcement agency to meet agency-established active duty standards for qualification in firearms training to carry a firearm of the same type as the concealed firearm.

208.4.1 RESPONSIBILITIES UNDER LEOSA

In order to obtain or retain a LEOSA identification card, the former officer shall:

- (a) Sign a waiver of liability of the Department for all acts taken related to carrying a concealed firearm, acknowledging both his/her personal responsibility as a private person for all acts taken when carrying a concealed firearm as permitted by LEOSA and also that these acts were not taken as an employee or former employee of the Department.
- (b) Remain subject to all applicable department policies and federal, state and local laws.
- (c) Demonstrate good judgment and character commensurate with carrying a loaded and concealed firearm.
- (d) Successfully pass an annual criminal history background check indicating that he/she is not prohibited by law from receiving or possessing a firearm.

208.5 DENIAL, SUSPENSION OR REVOCATION

208.6 FIREARM QUALIFICATIONS

The Armorer may provide former officers from this department an opportunity to qualify. Written evidence of the qualification and the weapons used will be provided and will contain the date of the qualification. The Armorer will maintain a record of the qualifications and weapons used.

Handgun Purchase and Transfer Permit

209.1 PURPOSE AND SCOPE

The Chief of Police is given the statutory authority to issue a permit to purchase or transfer a pistol to persons within the community. This policy provides a written process for the application and issuance of such permits.

209.2 APPLICATION PROCESS

To apply for a permit to purchase or transfer a pistol, the applicant must complete and submit a signed and dated Minnesota Uniform Firearm Application/Receipt to the Department (Minn. Stat. § 624.7131, Subd. 1). These forms shall be freely available to members of the community at locations determined by the Chief of Police. Applications are also available on the internet (Minn. Stat. § 624.7131, Subd. 3).

Incomplete applications are not suitable for processing and may not be accepted.

The Department shall provide the applicant a dated receipt upon the presentation of the application (Minn. Stat. § 624.7131, Subd. 1).

209.3 INVESTIGATION

The Department shall conduct an investigation of the applicant to determine if he/she is eligible for a permit (Minn. Stat. § 624.7131, Subd. 2). The investigation shall include no less than:

- (a) A check of criminal histories, records, and warrants regarding the applicant through Minnesota crime information systems, the national criminal record repository, and the National Instant Criminal Background Check System.
- (b) A reasonable effort to check other available state and local record-keeping systems.
- (c) A check for any commitment history through the Minnesota Department of Human Services of the applicant.

209.4 GROUNDS FOR DISQUALIFICATION

The Chief of Police shall deny a permit to an applicant when the applicant is prohibited by state or federal law from possessing a pistol or semiautomatic military-style assault weapon, determined to be a danger to themselves or the public when in possession of a firearm, or listed in the criminal gang investigative data system (Minn. Stat. § 624.7131, Subd. 4).

209.5 GRANTING OR DENIAL OF PERMIT

The Chief of Police shall issue a transferee permit or deny the application within 30 days of application for the permit. The permits and their renewal shall be granted free of charge (Minn. Stat. § 624.7131, Subd. 5).

The Chief of Police shall provide an applicant with written notification of a denial and the specific reason for the denial (Minn. Stat. § 624.7131, Subd. 5).

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Handgun Purchase and Transfer Permit

When the refusal to grant a permit is due to a substantial likelihood that the applicant is a danger to themselves or the public when in possession of a firearm, the written notification shall provide the specific factual basis justifying the denial, including the source, and inform the applicant that they may submit additional documentation within 20 business days (Minn. Stat. § 624.7131, Subd. 4).

Upon receipt of additional documentation, the Chief of Police shall reconsider the denial and inform the applicant within 15 business days of the result of the reconsideration. A notice of denial after reconsideration must be in the same form and substance as the original denial, specifically address any continued deficiencies, and inform the applicant of the right to judicial review of the denial (Minn. Stat. § 624.7131, Subd. 4).

A permit holder whose permit was denied may seek a judicial review by filing a petition in the district court for the county in which the application was submitted (Minn. Stat. § 624.7131, Subd. 8).

209.6 VOIDING OR REVOKING PERMIT

The permit becomes void at the time that the holder becomes prohibited from possessing or receiving a pistol under Minn. Stat. § 624.713, in which event the holder is required to return the permit within five days to the Department.

The Chief of Police shall revoke a permit once they become aware the permit holder is ineligible to possess firearms and shall provide the holder with written notice (Minn. Stat. § 624.7131, Subd. 7).

Chapter 3 - General Operations

Use of Force

300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this department is expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner (Minn. Stat. § 626.8452).

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of force contained in this policy shall apply to all policies addressing the potential use of force, including but not limited to the Control Devices and Conducted Energy Device policies.

300.1.1 DEFINITIONS

Definitions related to this policy include:

Bodily harm - Physical pain or injury.

Deadly force - Force reasonably anticipated and intended to create a substantial likelihood of causing death or great bodily harm.

Feasible - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the officer or another person.

Force - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed, or restrained.

Great bodily harm - Bodily injury which creates a high probability of death, or which causes serious, permanent disfigurement, or which causes a permanent or protracted loss or impairment of the function of any bodily member or organ or other serious bodily harm.

Imminent - Ready to take place; impending. Note that imminent does not mean immediate or instantaneous.

Totality of the circumstances - All facts and circumstances known to the officer at the time, taken as a whole, including the conduct of the officer and the subject leading up to the use of force.

300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Use of Force

The Brooklyn Center Police Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation, and a careful balancing of all interests.

The Chief of Police's intention for all staff during encounters with the public includes consideration of alternative tactics and de-escalation.

300.2.1 ALTERNATIVE TACTICS - DE-ESCALATION

When circumstances reasonably permit, officers should use non-violent strategies and techniques to decrease the intensity of a situation, improve decision-making, improve communication, reduce the need for force, and increase voluntary compliance (e.g., summoning additional resources, formulating a plan, attempting verbal persuasion).

300.2.2 DUTY TO INTERCEDE AND REPORT

Any officer present and observing another law enforcement officer or a member using force that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intercede to prevent the use of unreasonable force (Minn. Stat. § 626.8452; Minn. Stat. § 626.8475).

Any officer who observes another law enforcement officer or a member use force that is potentially beyond that which is objectively reasonable under the circumstances shall report these observations to a supervisor as soon as feasible (Minn. Stat. § 626.8452; Minn. Stat. § 626.8475).

300.2.3 ADDITIONAL REQUIREMENTS

An officer reporting a use of force by another law enforcement officer or member pursuant to this policy shall also make the report in writing to the Chief of Police within 24 hours without fear of reprisals for reporting (Minn. Stat. § 626.8475).

300.2.4 PERSPECTIVE

When observing or reporting force used by a law enforcement officer, each officer should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject.

300.3 USE OF FORCE

Officers shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose.

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Use of Force

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident.

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the tools, weapons, or methods provided by this department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 USE OF FORCE TO EFFECT AN ARREST

An officer may use reasonable force (Minn. Stat. § 609.06 and Minn. Stat. § 629.33):

- (a) In effecting a lawful arrest.
- (b) In the execution of a legal process.
- (c) In enforcing an order of the court.
- (d) In executing any other duty imposed by law.
- (e) In preventing the escape, or to retake following the escape, of a person lawfully held on a charge or conviction of a crime.
- (f) In restraining a person with a mental illness or a person with a developmental disability from self-injury or injury to another.
- (g) In self-defense or defense of another.

An officer who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of resistance or threatened resistance of the person being arrested; nor shall such officer be deemed the aggressor or lose his/her right to self-defense by the use of reasonable force to effect the arrest or to prevent escape or to overcome resistance.

300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit.

These factors include but are not limited to:

- (a) Immediacy and severity of the threat to officers or others.
- (b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time.
- (c) Officer/subject factors (e.g., age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).

Use of Force

- (d) The effects of suspected drug or alcohol use.
- (e) The individual's mental state or capacity.
- (f) The individual's ability to understand and comply with officer commands.
- (g) Proximity of weapons or dangerous improvised devices.
- (h) The degree to which the individual has been effectively restrained and his/her ability to resist despite being restrained.
- (i) The availability of other reasonable and feasible options and their possible effectiveness (Minn. Stat. § 626.8452).
- (j) Seriousness of the suspected offense or reason for contact with the individual.
- (k) Training and experience of the officer.
- (l) Potential for injury to officers, suspects, and others.
- (m) Whether the individual appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.
- (n) The risk and reasonably foreseeable consequences of escape.
- (o) The apparent need for immediate control of the individual or a prompt resolution of the situation.
- (p) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
- (q) Prior contacts with the individual or awareness of any propensity for violence.
- (r) Any other exigent circumstances.

300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed department-approved training. Officers utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the individual can comply with the direction or orders of the officer.
- (c) Whether the individual has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

300.3.4 USE OF FORCE TO SEIZE EVIDENCE

In general, officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration

Use of Force

or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Officers are encouraged to use techniques and methods taught by the Brooklyn Center Police Department for this specific purpose.

300.3.5 STATE RESTRICTIONS ON THE USE OF OTHER RESTRAINTS

Officers may not use any of the following restraints unless the use of deadly force is authorized (Minn. Stat. § 609.06; Minn. Stat. § 609.066):

- (a) A chokehold. For purposes of this policy, a chokehold only refers to the method of applying sufficient pressure to an individual to make breathing difficult or impossible, and includes but is not limited to any pressure to the neck, throat, or windpipe that may prevent or hinder breathing, or reduce intake of air.
 1. If applied, a chokehold is subject to the same guidelines and requirements as a carotid control hold.
- (b) Tying all of an individual's limbs together behind the person's back to render the person immobile.
- (c) Securing an individual in any way that results in transporting the person face down in a vehicle.

300.4 DEADLY FORCE APPLICATIONS

When reasonable, the officer shall, prior to the use of deadly force, make efforts to identify as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts.

Use of deadly force is justified only if an objectively reasonable officer would believe, based on the totality of the circumstances known to the officer at the time and without the benefit of hindsight, that such force is necessary (Minn. Stat. § 609.066):

- (a) To protect the officer or another from death or great bodily harm.
- (b) To effect the arrest or capture, or prevent the escape, of an individual whom the officer knows or has reasonable grounds to believe has committed or attempted to commit a felony and the officer reasonably believes that the person will cause death or great bodily harm to another person unless immediately apprehended.

In both scenarios, the use of deadly force is only authorized provided that the threat (Minn. Stat. § 609.066):

- Can be articulated with specificity.
- Is reasonably likely to occur absent action by the officer.
- Must be addressed through the use of deadly force without unreasonable delay.

An officer shall not use deadly force against an individual based on the danger the individual poses to self unless the use of deadly force is justified (Minn. Stat. § 609.066).

300.4.1 MOVING VEHICLES

Shots fired at or from a moving vehicle involve additional considerations and risks, and are rarely effective.

When feasible, officers should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants.

An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others.

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

300.5 REPORTING THE USE OF FORCE

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances.

To collect data for purposes of training, resource allocation, analysis, and related purposes, the Department may require the completion of additional report forms, as specified in department policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

300.5.1 NOTIFICATIONS TO SUPERVISORS

Supervisory notification shall be made as soon as practicable following the application of force in any of the following circumstances:

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of the conducted energy device or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.
- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

300.5.2 STATE REPORTING REQUIREMENTS

The Chief of Police shall provide for the filing of a report with the Bureau of Criminal Apprehension (BCA) on a monthly basis and in the form required by BCA (Minn. Stat. § 626.5534).

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Use of Force

There may be additional reporting requirements regarding misconduct (see the Standards of Conduct Policy) (Minn. Stat. § 626.8457).

300.6 MEDICAL CONSIDERATIONS

Once it is reasonably safe to do so, medical assistance shall be obtained for any person who exhibits signs of physical distress, has sustained visible injury, expresses a complaint of injury or continuing pain, or was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until the individual can be medically assessed. Individuals should not be placed on their stomachs for an extended period, as this could impair their ability to breathe.

Based upon the officer's initial assessment of the nature and extent of the individual's injuries, medical assistance may consist of examination by an emergency medical services provider or medical personnel at a hospital or jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Individuals who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain, or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away.

See the Medical Aid and Response Policy for additional guidelines.

300.7 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to a reported application of force resulting in visible injury, if reasonably available. When a supervisor is able to respond to an incident in which there has been a reported application of force, the supervisor is expected to:

- (a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Use of Force

- (c) When possible, separately obtain a recorded interview with the individual upon whom force was applied. If this interview is conducted without the individual having voluntarily waived his/her *Miranda* rights, the following shall apply:
 - 1. The content of the interview should not be summarized or included in any related criminal charges.
 - 2. The fact that a recorded interview was conducted should be documented in a property or other report.
 - 3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.
- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas.
 - 1. These photographs should be retained until all potential for civil litigation has expired.
- (e) Identify any witnesses not already included in related reports.
- (f) Review and approve all related reports.
- (g) Determine if there is any indication that the individual may pursue civil litigation.
 - 1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy noncompliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.7.1 SHIFT SERGEANT RESPONSIBILITY

The Shift Sergeant shall review each use of force by any personnel within his/her command to ensure compliance with this policy and to address any training issues.

300.8 TRAINING

Officers will receive training on this policy, including the learning objectives as provided by POST, at least annually (Minn. Stat. § 626.8452, Subd. 3).

Subject to available resources, officers should receive periodic training on:

- (a) Guidelines regarding vulnerable populations, including but not limited to children, elderly, pregnant persons, and individuals with physical, mental, or intellectual disabilities.
- (b) De-escalation tactics, including alternatives to force.

Brooklyn Center Police Department

Use of Force

300.8.1 PROHIBITED TRAINING

Warrior-style training, as defined in Minn. Stat. § 626.8434, whether provided directly by the Department or through a third party, is prohibited (Minn. Stat. § 626.8434).

300.9 USE OF FORCE ANALYSIS

At least annually, the Patrol Division Commander should prepare an analysis report on use of force incidents. The report should be submitted to the Chief of Police. The report should not contain the names of officers, suspects, or case numbers, and should include:

- (a) The identification of any trends in the use of force by members.
- (b) Training needs recommendations.
- (c) Equipment needs recommendations.
- (d) Policy revision recommendations.

300.10 POLICY REVIEW

The Chief of Police or the authorized designee should annually review and update this policy to reflect developing practices and procedures.

Handcuffing and Restraints

301.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

301.2 POLICY

The Brooklyn Center Police Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy and department training. Restraint devices shall not be used to punish, to display authority or as a show of force.

301.3 USE OF RESTRAINTS

Only members who have successfully completed Brooklyn Center Police Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include, but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

301.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain an individual who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to assure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

301.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg irons, waist chains, or handcuffs behind the body should not be used unless the officer has a reasonable suspicion that the person may resist, attempt escape, injure self or others, or damage property.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Handcuffing and Restraints

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized determination that such restraints are necessary for the safety of the arrestee, officers, or others.

301.3.3 RESTRAINT OF JUVENILES

A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the officer has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the officer or damage property.

301.3.4 NOTIFICATIONS

Whenever an officer transports a person with the use of restraints other than handcuffs, the officer shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during transportation to the jail.

301.4 HANDCUFFS OR PLASTIC CUFFS

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the individual or may cause unreasonable discomfort due to the person's size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

301.5 SPIT HOODS

Spit hoods/masks/socks are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and that the restrained person can breathe normally. Officers should provide

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Handcuffing and Restraints

assistance during the movement of restrained individuals due to the potential for impaired or distorted vision on the part of the individual. Officers should avoid comingling individuals wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with chemical restraint spray should be thoroughly decontaminated including hair, head and clothing prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

301.6 AUXILIARY RESTRAINT DEVICES

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

301.7 LEG RESTRAINT DEVICES

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest or transportation. Only restraint devices approved by the department shall be used.

In determining whether to use the leg restraint, officers should consider:

- (a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a suspect.
- (b) Whether it is reasonably necessary to protect the suspect from his/her own actions (e.g., hitting his/her head against the interior of the patrol unit, running away from the arresting officer while handcuffed, kicking at objects or officers).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol unit).

301.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS

When applying leg restraints the following guidelines should be followed:

- (a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Handcuffing and Restraints

- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain on his/her stomach.
- (e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (f) When transported by ambulance/paramedic unit, the restrained person should be accompanied by an officer when requested by medical personnel. The transporting officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).
- (g) At no time shall the hands and feet of the restrained person be bound together.

301.8 REQUIRED DOCUMENTATION

If an individual is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If an individual is arrested, the use of restraints other than handcuffs shall be documented in the related report. The officer should include, as appropriate:

- (a) The amount of time the suspect was restrained.
- (b) How the suspect was transported and the position of the suspect.
- (c) Observations of the suspect's behavior and any signs of physiological problems.
- (d) Any known or suspected drug use or other medical problems.

301.9 TRAINING

Subject to available resources, the Training Sergeant should ensure that officers receive periodic training on the proper use of handcuffs and other restraints, including:

- (a) Proper placement and fit of handcuffs and other restraint devices approved for use by the Department.
- (b) Response to complaints of pain by restrained persons.
- (c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.
- (d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.

Control Devices

302.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

302.2 POLICY

In order to control subjects who are violent or who demonstrate the intent to be violent, the Brooklyn Center Police Department authorizes officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

302.3 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief of Police or the authorized designee.

Only officers who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, officers should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

302.4 RESPONSIBILITIES

302.4.1 RANGEMASTER RESPONSIBILITIES

The Training Sergeant shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the officer or the designated instructor for a particular control device.

302.4.2 USER RESPONSIBILITIES

All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the designated instructor or Training Sergeant for disposition. A report may be required and forwarded through the chain of command, when appropriate, explaining the cause of damage.

302.5 BATON GUIDELINES

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

302.6 TEAR GAS GUIDELINES

Tear gas may be used for crowd control, crowd dispersal or against barricaded suspects based on the circumstances. Only the Chief of Police or designee may authorize the delivery and use of tear gas, and only after evaluating all conditions known at the time and determining that such force reasonably appears justified and necessary.

When practicable, fire personnel should be alerted or summoned to the scene prior to the deployment of tear gas to control any fires and to assist in providing medical aid or gas evacuation if needed.

302.7 CHEMICAL RESTRAINT GUIDELINES

As with other control devices, chemical restraint may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. Chemical restraint should not be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

302.7.1 OC SPRAY

Uniformed personnel carrying OC spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

302.7.2 TREATMENT FOR EXPOSURE

Persons who have been sprayed with or otherwise affected by chemical restraint should be decontaminated in accordance with the recommendations of the products manufacturer. Persons requesting water to cleanse the affected area shall be provided with it when practical. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

302.8 POST-APPLICATION NOTICE

Whenever tear gas or OC has been introduced into a residence, building interior, vehicle, or other enclosed area, officers should provide the owners or available occupants with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that cleanup will be at the owner's expense.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Information regarding the method of notice and the individuals notified should be included in related reports.

302.9 KINETIC ENERGY PROJECTILE GUIDELINES

This department is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

302.9.1 DEPLOYMENT AND USE

Only department-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and officers takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

- (a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
- (b) The suspect has made credible threats to harm him/herself or others.
- (c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or officers.
- (d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

302.9.2 DEPLOYMENT CONSIDERATIONS

Before discharging projectiles, the officer should consider such factors as:

- (a) Distance and angle to target.
- (b) Type of munitions employed.
- (c) Type and thickness of subject's clothing.
- (d) The subject's proximity to others.
- (e) The location of the subject.
- (f) Whether the subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other officers and individuals that the device is being deployed.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Control Devices

Officers should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, officers are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the officer reasonably believes the use of deadly force is appropriate. See the Use of Force Policy for additional guidance.

302.9.3 SAFETY PROCEDURES

Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such.

Officers will inspect the shotgun and projectiles at the beginning of each shift and ensure the shotgun is in proper working order and the projectiles are of the approved type and appear to be free from defects.

When it is not deployed, the shotgun will be unloaded and properly and securely stored. When deploying the kinetic energy projectile shotgun, the officer shall visually inspect the kinetic energy projectiles to ensure that conventional ammunition is not being loaded into the shotgun.

At no time will conventional ammunition be used.

302.10 TRAINING FOR CONTROL DEVICES

The Training Sergeant shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary. Officers will receive training on the use of issued control devices and this policy, including the learning objectives as provided by POST, at least annually (Minn. Stat. § 626.8452, Subd. 3).

- (a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the officer's training file.
- (c) Officers who fail to demonstrate proficiency with the control device or knowledge of this agency's Use of Force Policy will be provided remedial training. If an officer cannot demonstrate proficiency with a control device or knowledge of this agency's Use of Force Policy after remedial training, the officer will be restricted from carrying the control device and may be subject to discipline.

302.11 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

Use of Force - Administrative Review

303.1 PURPOSE AND SCOPE

This policy establishes a process for the Brooklyn Center Police Department to review the use of force by its employees.

This review process shall be in addition to any other review or investigation that may be conducted by any outside or multi-agency entity having jurisdiction over the investigation or evaluation of the use of deadly force.

303.2 POLICY

The Brooklyn Center Police Department will objectively evaluate the use of force by its members to ensure that their authority is used lawfully, appropriately and is consistent with training and policy.

303.3 REMOVAL FROM LINE DUTY ASSIGNMENTS

Generally, whenever an employee's actions or use of force in an official capacity, or while using department equipment, results in death or very serious injury to another, that employee will be placed in a temporary administrative assignment pending an administrative review. The Chief of Police may exercise discretion and choose not to place an employee in an administrative assignment in any case.

303.4 REVIEW

The Investigative Commander will conduct an administrative review when the use of force by a member results in great bodily harm or death to another.

The Use of Force Review will also investigate and review the circumstances surrounding every discharge of a firearm, whether the employee was on- or off-duty, excluding training, recreational use, or routine dispatching of an animal.

The Chief of Police may request the Investigative Commander to investigate the circumstances surrounding any use of force incident.

303.4.1 RESPONSIBILITIES

The Investigative Commander is empowered to conduct an administrative review and inquiry into the circumstances of an incident.

The Investigative Commander may request further investigation, request reports be submitted for review.

The Chief of Police will determine whether the Investigative Commander should delay its review until after completion of any criminal investigation, review by any prosecutorial body, filing of criminal charges, the decision not to file criminal charges or any other action. The Investigative Commander should be provided all relevant available material from these proceedings for its consideration.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Use of Force - Administrative Review

The review shall be based upon those facts which were reasonably believed or known by the officer at the time of the incident, applying any legal requirements, department policies, procedures and approved training to those facts. Facts later discovered but unknown to the officer at the time shall neither justify nor call into question an officer's decision regarding the use of force.

Any questioning of the involved employee conducted by the Investigative Commander will be in accordance with the Department's disciplinary procedures, the Personnel Complaints Policy, the current collective bargaining agreement and any applicable state or federal law.

The Investigative Commander shall make one of the following recommended findings:

- (a) The employee's actions were within department policy and procedure.
- (b) The employee's actions were in violation of department policy and procedure.
- (c) There are deficiencies in policies, practices or training.

The Investigative Commander will submit a summary review to the Chief of Police.

The Chief of Police shall review the recommendation, make a final determination as to whether the employee's actions were within policy and procedure and will determine whether any additional actions, investigations or reviews are appropriate. The Chief of Police's final findings will be forwarded to the involved employee's Division Commander for review and appropriate action. If the Chief of Police concludes that discipline should be considered, a disciplinary process will be initiated.

At the conclusion of any additional reviews, copies of all relevant reports and information will be filed with the Chief of Police.

Conducted Energy Device

304.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of the conducted energy device (CED).

304.2 POLICY

The CED is used in an attempt to control a violent or potentially violent individual. The appropriate use of such a device may result in fewer serious injuries to officers and suspects.

304.3 ISSUANCE AND CARRYING CEDS

Only members who have successfully completed department-approved training may be issued and may carry the CED.

The Armorer should keep a log of issued CED devices and the serial numbers of cartridges/magazines issued to members.

CEDs are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department inventory.

Officers shall only use the CED and cartridges/magazines that have been issued by the Department. Cartridges/magazines should not be used after the manufacturer's expiration date.

Uniformed officers who have been issued the CED shall wear the device in an approved holster.

Officers who carry the CED while in uniform shall carry it in a holster on the side opposite the duty weapon.

- (a) All CEDs shall be clearly distinguishable to differentiate them from the duty weapon and any other device.
- (b) For single-shot devices, whenever practicable, officers should carry an additional cartridge on their person when carrying the CED.
- (c) Officers should not hold a firearm and the CED at the same time.

Non-uniformed officers may secure the CED in a concealed, secure location in the driver's compartment of their vehicles.

304.3.1 USER RESPONSIBILITIES

Officers shall be responsible for ensuring that the issued CED is properly maintained and in good working order. This includes a function test and battery life monitoring, as required by the manufacturer, and should be completed prior to the beginning of the officer's shift.

CEDs that are damaged or inoperative, or cartridges/magazines that are expired or damaged, shall be returned to the Armorer for disposition. Officers shall submit documentation stating the reason for the return and how the CED or cartridge/magazine was damaged or became inoperative, if known.

304.4 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the CED should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances.

The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other officers and individuals with a warning that the CED may be deployed.

If, after a verbal warning, an individual fails to voluntarily comply with an officer's lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, activate any warning on the device, which may include display of the electrical arc, an audible warning, or the laser in a further attempt to gain compliance prior to the application of the CED. The laser should not be intentionally directed into anyone's eyes.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the CED in the related report.

304.5 USE OF THE CED

The CED has limitations and restrictions requiring consideration before its use. The CED should only be used when its operator can safely deploy the device within its operational range. Although the CED may be effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

If sufficient personnel are available and can be safely assigned, an officer designated as lethal cover for any officer deploying a CED may be considered for officer safety.

304.5.1 APPLICATION OF THE CED

The CED may be used when the circumstances reasonably perceived by the officer at the time indicate that such application reasonably appears necessary to control a person who:

- (a) Is violent or is physically resisting.
- (b) Has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, themselves, or others.

Mere flight from a pursuing officer, without additional circumstances or factors, is not good cause for the use of the CED to apprehend an individual.

The CED shall not be used to psychologically torment, to elicit statements, or to punish any individual.

304.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS

The use of the CED on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the officer, the subject, or others, and the officer reasonably believes that the need to control the individual outweighs the potential risk of using the device. This includes:

- (a) Individuals who are known to be pregnant.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Conducted Energy Device

- (b) Elderly individuals or obvious juveniles.
- (c) Individuals with obviously low body mass.
- (d) Individuals who are handcuffed or otherwise restrained.
- (e) Individuals known to have been recently sprayed with a flammable chemical agent or who are otherwise known to be in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.
- (f) Individuals whose position or activity is likely to result in collateral injury (e.g., falls from height, located in water, operating vehicles).

Any CED capable of being applied in the drive-stun mode (i.e., direct contact without probes as a primary form of pain compliance) should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

304.5.3 TARGETING CONSIDERATIONS

Recognizing that the dynamics of a situation and movement of the subject may affect target placement of probes, when practicable, officers should attempt to target the back, lower center mass, and upper legs of the subject, and avoid intentionally targeting the head, neck, area of the heart, or genitals. If circumstances result in one or more probes inadvertently striking an area outside of the preferred target zones, the individual should be closely monitored until examined by paramedics or other medical personnel.

304.5.4 MULTIPLE APPLICATIONS OF THE TASER DEVICE

Officers should apply the TASER device for only one standard cycle and then evaluate the situation before applying any subsequent cycles. Multiple applications of the TASER device against a single individual are generally not recommended and should be avoided unless the officer reasonably believes that the need to control the individual outweighs the potentially increased risk posed by multiple applications.

If the first application of the TASER device appears to be ineffective in gaining control of an individual, the officer should consider certain factors before additional applications of the TASER device, including:

- (a) Whether the probes are making proper contact.
- (b) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (c) Whether verbal commands, other options or tactics may be more effective.

Officers should generally not intentionally apply more than one TASER device at a time against a single subject.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Conducted Energy Device

304.5.5 ACTIONS FOLLOWING DEPLOYMENTS

Officers should take appropriate actions to control and restrain the individual as soon as reasonably practicable to minimize the need for longer or multiple exposures to the CED. As soon as practicable, officers shall notify a supervisor any time the CED has been discharged. If needed for evidentiary purposes, the expended cartridge, along with any probes and wire, should be submitted into evidence (including confetti tags, when equipped on the device). The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

304.5.6 DANGEROUS ANIMALS

The CED may be deployed against an animal if the animal reasonably appears to pose an imminent threat to human safety.

304.5.7 OFF-DUTY CONSIDERATIONS

Officers are not authorized to carry department CEDs while off-duty.

Officers shall ensure that CEDs are secured while in their homes, vehicles, or any other area under their control, in a manner that will keep the device inaccessible to others.

304.6 DOCUMENTATION

Officers shall document all CED discharges in the related arrest/crime reports and Report of Resistance forms. Photographs should be taken of any obvious probe impact or drive-stun application sites and attached to the incident report. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, audible warning, laser activation, and arcing the device, other than for testing purposes, will also be documented on the report form. Data downloads from the CED after use on a subject should be done as soon as practicable using a department-approved process to preserve the data.

304.6.1 REPORT OF RESISTANCE FORM

As applicable based on the device type, items that shall be included in the Report of Resistance form are:

- (a) The brand, model, and serial number of the CED and any cartridge/magazine.
- (b) Date, time, and location of the incident.
- (c) Whether any warning, display, laser, or arc deterred a subject and gained compliance.
- (d) The number of probes deployed, CED activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
- (e) The range at which the CED was used.
- (f) The type of mode used (e.g., probe deployment, drive-stun).
- (g) Location of any probe impact.
- (h) Location of contact in drive-stun mode.
- (i) Description of where missed probes went.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Conducted Energy Device

- (j) Whether medical care was provided to the subject.
- (k) Whether the subject sustained any injuries.
- (l) Whether any officers sustained any injuries.

The Training Sergeant should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Training Sergeant should also conduct audits of CED device data downloaded to an approved location and reconcile CED report forms with recorded activations. CED information and statistics, with identifying information removed, should periodically be made available to the public.

304.6.2 REPORTS

The officer should include the following in the arrest/crime report:

- (a) Identification of all personnel firing CEDs
- (b) Identification of all witnesses
- (c) Medical care provided to the subject
- (d) Observations of the subject's physical and physiological actions
- (e) Any known or suspected drug use, intoxication, or other medical problems

304.7 MEDICAL TREATMENT

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel or officers trained in probe removal and handling should remove CED probes from a person's body. Probes located in sensitive areas such as the head, neck, face, groin, female breast should only be removed by the appropriate medical personnel. Used CED probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by CED probes, who have been subjected to the electric discharge of the device, or who sustained direct exposure of the laser to the eyes shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The CED probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications shall be transported to a medical facility for examination or medically evaluated prior to booking. If

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio/video recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the CED.

304.8 SUPERVISOR RESPONSIBILITIES

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the TASER device may be used. A supervisor should respond to all incidents where the TASER device was activated.

A supervisor should review each incident where a person has been exposed to an activation of the TASER device. The device's onboard memory should be downloaded through the data port by a supervisor or designee and saved with the related arrest/crime report. Photographs of probe sites should be taken and witnesses interviewed.

304.9 TRAINING

Personnel who are authorized to carry the CED shall be permitted to do so only after successfully completing the initial department-approved training. Any personnel who have not carried the CED as a part of their assignments for a period of one year or more shall be recertified by a qualified CED instructor prior to again carrying or using the device.

Personnel who have been issued CEDs will receive training on this policy, including the learning objectives as provided by POST, at least annually (Minn. Stat. § 626.8452, Subd. 3).

A reassessment of an officer's knowledge and/or practical skills may be required at any time, if deemed appropriate, by the Training Sergeant. All training and proficiency for CEDs will be documented in the officer's training files.

Command staff, supervisors, and investigators should receive CED training as appropriate for the investigations they conduct and review.

Officers who do not carry CEDs should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Training Sergeant is responsible for ensuring that all members who carry CEDs have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of CEDs during training could result in injuries and should not be mandatory for certification.

The Training Sergeant should include the following training:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.
- (c) Performing weak-hand draws or cross-draws until proficient to reduce the possibility of unintentionally drawing and firing a firearm.

- (d) Target area considerations, to include techniques or options to reduce the unintentional application of probes to the head, neck, area of the heart, and groin.
- (e) Scenario-based training, including virtual reality training when available.
- (f) Handcuffing a subject during the application of the CED and transitioning to other force options.
- (g) De-escalation techniques.
- (h) Restraint techniques that do not impair respiration following the application of the CED.
- (i) Proper use of cover and concealment during deployment of the CED for purposes of officer safety.
- (j) Proper tactics and techniques related to multiple applications of CEDs.

Officer-Involved Shootings and Deaths

305.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of another action of an officer.

In other incidents not covered by this policy, the Chief of Police may decide that the investigation will follow the process provided in this policy.

305.2 POLICY

The policy of the Brooklyn Center Police Department is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair and impartial manner.

305.3 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer's actions.
- An administrative investigation as to policy compliance by involved officers.
- A civil investigation to determine potential liability.

305.4 CONTROL OF INVESTIGATIONS

Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

305.4.1 CRIMINAL INVESTIGATION OF SUSPECT ACTIONS

The investigation of any possible criminal conduct by the suspect is controlled by the agency in whose jurisdiction the suspect's crime occurred. For example, the Brooklyn Center Police Department would control the investigation if the suspect's crime occurred in Brooklyn Center.

If multiple crimes have been committed in multiple jurisdictions, identification of the agency that will control the investigation may be reached in the same way as with any other crime. The investigation may be conducted by the agency in control of the criminal investigation of the involved officer, at the discretion of the Chief of Police and with concurrence from the other agency.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Officer-Involved Shootings and Deaths

305.4.2 CRIMINAL INVESTIGATION OF OFFICER ACTIONS

The control of the criminal investigation into the involved officer's conduct during the incident will be determined by the employing agency's protocol. When an officer from this department is involved, the criminal investigation will be handled according to the Criminal Investigation section of this policy.

Requests made of this department to investigate a shooting or death involving an outside agency's officer shall be referred to the Chief of Police or the authorized designee for approval.

305.4.3 ADMINISTRATIVE AND CIVIL INVESTIGATION

Regardless of where the incident occurs, the administrative and civil investigation of each involved officer is controlled by the respective employing agency.

305.4.4 INVESTIGATION RESPONSIBILITY MATRIX

The following table identifies the possible scenarios and responsibilities for the investigation of officer-involved shootings:

	Criminal Investigation of Suspect(s)	Criminal Investigation of Peace Officer(s)	Civil Investigation	Administrative Review
BCPD Officer in This Jurisdiction	BCPD Investigators or Outside Agency	BCPD Investigators or Outside Agency	BCPD or designee	BCPD Commander of Investigations
Outside Agency's Peace Officer in This Jurisdiction	BCPD Investigators or Outside Agency	BCPD Investigators or Outside Agency	Involved Peace Officer's Agency	Involved Peace Officer's Agency
BCPD Officer in Another Jurisdiction	Agency where incident occurred	Decision made by agency where incident occurred	BCPD or designee	BCPD Commander of Investigations

305.4.5 POST ADMINISTRATIVE INVESTIGATIONS

The Minnesota POST Board may require an administrative investigation based on a complaint alleging a violation of a statute or rule that the board is empowered to enforce. An officer-involved shooting may result in such an allegation. Any such complaint assigned to this department shall be completed and a written summary submitted to the POST executive director within 30 days of the order for inquiry (Minn. Stat. § 214.10, Subd. 10).

305.5 INVESTIGATION PROCESS

The following procedures are guidelines used in the investigation of an officer-involved shooting or death.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Officer-Involved Shootings and Deaths

305.5.1 UNINVOLVED OFFICER RESPONSIBILITIES

Upon arrival at the scene of an officer-involved shooting or death, the first uninvolved BCPD officer will be the officer-in-charge and will assume the responsibilities of a supervisor until properly relieved. This officer should, as appropriate:

- (a) Secure the scene and identify and eliminate hazards for all those involved.
- (b) Take reasonable steps to obtain emergency medical attention for injured individuals.
- (c) Request additional resources from the Department or other agencies.
- (d) Coordinate a perimeter or pursuit of suspects.
- (e) Check for injured persons and evacuate as needed.
- (f) Brief the supervisor upon arrival.

305.5.2 SUPERVISOR RESPONSIBILITIES

Upon arrival at the scene, the first uninvolved BCPD supervisor should ensure completion of the duties as outlined above, plus:

- (a) Attempt to obtain a brief overview of the situation from any uninvolved officers.
 1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) If necessary, the supervisor may administratively order any BCPD officer to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.
 1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident scene, identity of known or potential witnesses and any other pertinent information.
 2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.
- (c) Provide all available information to the Shift Sergeant and Dispatch. If feasible, sensitive information should be communicated over secure networks.
- (d) Take command of and secure the incident scene with additional BCPD members until properly relieved by another supervisor or other assigned personnel or investigator.
- (e) As soon as practicable, ensure that involved officers are transported (separately, if feasible) to a suitable location for further direction.
 1. Each involved BCPD officer should be given an administrative order not to discuss the incident with other involved officers or BCPD members pending further direction from a supervisor.
 2. When an involved officer's weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that he/she is provided with a comparable replacement weapon or transported by other officers.

Officer-Involved Shootings and Deaths

305.5.3 SHIFT SERGEANT RESPONSIBILITIES

Upon learning of an officer-involved shooting or death, the Shift Sergeant shall be responsible for coordinating all aspects of the incident until he/she is relieved by the Chief of Police or a Division Commander.

All outside inquiries about the incident shall be directed to the Shift Sergeant.

305.5.4 NOTIFICATIONS

The following person(s) shall be notified as soon as practicable:

- DCO
- Chief of Police
- All Divisional Commanders
- Outside agency investigators (if appropriate)
- Psychological/peer support personnel
- Medical Examiner (if necessary)
- Officer representative (union and legal)

All outside inquiries about the incident shall be directed to the PIO.

305.5.5 INVOLVED OFFICERS

The following shall be considered for the involved officer:

- (a) Any request for legal or union representation will be accommodated.
 1. Involved BCPD officers shall not be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.
 2. Requests from involved non-BCPD officers should be referred to their employing agency.
- (b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.
- (c) Discussions with agency representatives/employee groups will be privileged only as to the discussion of non-criminal information.
- (d) A licensed psychotherapist shall be provided by the Department to each involved BCPD officer. A licensed psychotherapist may also be provided to any other affected BCPD members, upon request.
 - (a) Interviews with a licensed psychotherapist will be considered privileged.
 - (b) An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report. However, involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.

Brooklyn Center Police Department

Officer-Involved Shootings and Deaths

- (c) A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).
- (e) Communications with peer counselors are confidential and shall not be disclosed except as provided in Minn. Stat. § 181.9731, Subd. 4.

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until investigators or lab personnel can properly retrieve it.

Each involved BCPD officer shall be given reasonable paid administrative leave following an officer-involved shooting or death. It shall be the responsibility of the Shift Sergeant to make schedule adjustments to accommodate such leave.

305.6 CRIMINAL INVESTIGATION

The County Attorney's Office is responsible for the criminal investigation into the circumstances of any officer-involved shooting involving injury or death.

If available, investigative personnel from this department may be assigned to partner with investigators from outside agencies or the County Attorney's Office to avoid duplicating efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

- (a) BCPD supervisors and Commander of Investigations personnel should not participate directly in any voluntary interview of BCPD officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of the officer's choosing or an attorney prior to speaking with criminal investigators. However, in order to maintain the integrity of each involved officer's statement, involved officers shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.
- (c) If any involved officer is physically, emotionally, or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.
- (d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

305.6.1 REPORTS BY INVOLVED BCPD OFFICERS

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved BCPD officers to provide sufficient

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Officer-Involved Shootings and Deaths

information for related criminal reports to facilitate the apprehension and prosecution of those individuals.

While the involved BCPD officer may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved BCPD officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

305.6.2 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available law enforcement personnel for the following:

- (a) Identification of all persons present at the scene and in the immediate area.
 1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, attempts to identify the witness prior to his/her departure should be made whenever feasible.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the Department.
 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.
- (c) Promptly contacting the suspect's known family and associates to obtain any available and untainted background information about the suspect's activities and state of mind prior to the incident.

305.6.3 INVESTIGATIVE PERSONNEL

Once notified of an officer-involved shooting or death, it shall be the responsibility of the designated Investigations Division supervisor to assign appropriate investigative personnel to

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Officer-Involved Shootings and Deaths

handle the investigation of related crimes. Department investigators will be assigned to work with investigators from the County Attorney's Office and may be assigned to separately handle the investigation of any related crimes not being investigated by the County Attorney's Office.

All related department reports, except administrative and/or privileged reports, will be forwarded to the designated Investigations Division supervisor for approval. Privileged reports shall be maintained exclusively by members who are authorized such access. Administrative reports will be forwarded to the appropriate Division Commander.

305.7 ADMINISTRATIVE INVESTIGATION

In addition to all other investigations associated with an officer-involved shooting or death, this department will conduct an internal administrative investigation of involved BCPD officers to determine conformance with department policy. This investigation will be conducted under the supervision of the Commander of Investigations and will be considered a confidential officer personnel file.

Interviews of members shall be subject to department policies and applicable laws (Personnel Complaints Policy; Minn. Stat. § 626.89).

- (a) Any officer involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening in accordance with the drug and alcohol testing guidelines in the Drug- and Alcohol-Free Workplace Policy adopted under the authority of Minn. Stat. § 181.950 to Minn. Stat. § 181.957. Absent consent from the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.
- (b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.
 1. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved officer has elected not to provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information (Minn. Stat. § 626.89).
 1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer's physical and psychological needs have been addressed before commencing the interview.
 2. The interview must be taken at the BCPD or at a place agreed to by the interviewer and the involved officer.
 3. The interview must be of reasonable duration and provide the involved officer reasonable periods for rest and personal necessities. When practicable, the

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

interview must be held during the involved officer's regularly scheduled work shift. If not, the involved officer must be compensated at his/her current pay rate.

4. If requested, the officer shall have the opportunity to select an uninvolved representative or an attorney, or both, to be present during the interview. However, in order to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative collectively or in groups prior to being interviewed.
5. Administrative interviews shall be recorded electronically or otherwise by the investigator. The officer may also record the interview. A complete copy or transcript of the interview must be provided to the involved officer upon written request without charge or undue delay.
6. The officer shall be informed of the nature of the investigation. If an officer refuses to answer questions, he/she should be given his/her *Garrity* rights and ordered to provide full and truthful answers to all questions. The officer shall be informed in writing or on the record that the interview will be for administrative purposes only and that the statement cannot be used criminally.
7. The Commander of Investigations shall compile all relevant information and reports necessary for the Department to determine compliance with applicable policies.
8. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings as to whether there was compliance with the Use of Force Policy.
9. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

305.8 CIVIL LIABILITY RESPONSE

A member of this department may be assigned to work exclusively under the direction of the legal counsel for the Department to assist in the preparation of materials deemed necessary in anticipation of potential civil litigation.

All materials generated in this capacity shall be considered attorney work product and may not be used for any other purpose. The civil liability response is not intended to interfere with any other investigation but shall be given reasonable access to all other investigations.

305.9 AUDIO AND VIDEO RECORDINGS

Any officer involved in a shooting or death may be permitted to review their available Mobile Audio/Video (MAV) which includes their body-worn video prior to providing a recorded statement or completing reports but only after the involved officer has met with the investigative entity or designee regarding the process for a critical incident.

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

to review available MAV, body-worn video, or other video or audio recordings with the approval of assigned investigators or a supervisor.

Any MAV, body-worn and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or City Attorney's Office, as appropriate.

305.9.1 AUDIO AND VIDEO RECORDINGS OF USE OF FORCE INCIDENTS INVOLVING DEATHS OF INDIVIDUALS

When a person dies as a result of the use of force by an officer, the Department shall allow certain individuals as identified in Minn. Stat. § 13.825, upon request, to inspect all portable recording system data that documents the incident within five days of the request and pursuant to the provisions of Minn. Stat. § 13.825.

305.10 DEBRIEFING

Following an officer-involved shooting or death, the Brooklyn Center Police Department should conduct both a critical incident/stress debriefing and a tactical debriefing.

305.10.1 CRITICAL INCIDENT/STRESS DEBRIEFING

A critical incident/stress debriefing should occur as soon as practicable. The Administration Division Commander is responsible for organizing the debriefing. Notes and recorded statements should not be taken because the sole purpose of the debriefing is to help mitigate the stress-related effects of a traumatic event (Minn. Stat. § 181.9732).

The debriefing is not part of any investigative process. Communications with critical incident stress management team members, as defined in Minn. Stat. § 181.9732, are confidential and shall not be disclosed except as provided in Minn. Stat. § 181.9732, Subd. 4 (Minn. Stat. § 181.9732).

Members who witness a critical incident are prohibited from providing critical incident stress management services at a debriefing about the incident that they witnessed (Minn. Stat. § 181.9732).

Attendance at the debriefing shall only include those members of the Department directly involved in the incident, which can include support personnel (e.g., dispatchers, other non-sworn personnel). Family or other support personnel may attend with the concurrence of those involved in the incident. The debriefing shall be closed to the public and should be closed to all other members of the Department, including supervisory and Commander of Investigations personnel.

305.10.2 TACTICAL DEBRIEFING

A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Chief of Police should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to criminal and/or administrative investigators.

Officer-Involved Shootings and Deaths

305.11 REPORTING

If an officer discharges a firearm in the course of duty, the Chief of Police shall notify the Commissioner of Public Safety within 30 days of the reason for and the circumstances surrounding the discharge of the firearm (Minn. Stat. § 626.553).

305.12 MEDIA RELATIONS

Any media release shall be prepared with input and concurrence from the supervisor and department representative responsible for each phase of the investigation. Releases will be available to the Shift Sergeant, Investigation Division Commander and Public Information Officer in the event of inquiries from the media.

No involved BCPD officer shall make any comment to the media unless he/she is authorized by the Chief of Police or a Division Commander.

Department members receiving inquiries regarding officer-involved shootings or deaths occurring in other jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

Firearms

306.1 PURPOSE AND SCOPE

This policy provides guidelines for issuing firearms, the safe and legal carrying of firearms, firearms maintenance and firearms training.

This policy does not apply to issues related to the use of firearms that are addressed in the Use of Force or Officer-Involved Shootings and Deaths policies.

This policy only applies to those members who are authorized to carry firearms.

306.1.1 AUTHORIZATION TO CARRY FIREARMS

All licensed personnel shall successfully complete department training regarding the use of force, deadly force, and the use of firearms before being issued a firearm or being authorized to carry a firearm in the course of their duties (Minn. Stat. § 626.8452, Subd. 3; Minn. Stat. § 626.8463).

306.2 POLICY

The Brooklyn Center Police Department will equip its members with firearms to address the risks posed to the public and department members by violent and sometimes well-armed persons. The Department will ensure firearms are appropriate, in good working order and that relevant training is provided as resources allow.

306.2.1 SAFETY CONSIDERATIONS

- (a) Officers shall not unnecessarily display or handle any firearm.
- (b) Officers shall be governed by all rules and regulations pertaining to the use of the range and shall obey all orders issued by the Armorer. Officers shall not dry fire or practice quick draws except under Armorer supervision.
- (c) Officers shall not clean, repair, load or unload a firearm anywhere in the Department, except where clearing barrels are present.
- (d) Rifles removed from vehicles or the armory shall be loaded and unloaded in a safe manner.
- (e) Officers shall not place or store any firearm or other weapon on Department premises except where the place of storage is locked. No one shall carry firearms into the jail section or any part thereof when securing or processing a prisoner, but shall place all firearms in a secured location. It shall be the responsibility of the officer to make sure that persons from outside agencies do not enter the jail section with any firearm.
- (f) Officers shall not use any automatic weapon, heavy caliber rifle, gas or other type of chemical weapons from the armory, except with approval of a supervisor or when an emergency or exigency reasonably requires immediate use of the weapon.
- (g) Any weapon authorized by the Department to be carried on- or off-duty, that is found by the officer to be malfunctioning or needing service, shall not be carried. It shall be

promptly presented to the Department Armorer for inspection. Any weapon determined to be in need of service or repair during an inspection by the Department Armorer will be immediately removed from service. If the weapon is the officer's primary duty weapon, a replacement weapon will be issued to the officer until the duty weapon is serviceable.

306.3 AUTHORIZED FIREARMS, AMMUNITION AND OTHER WEAPONS

Members shall only use firearms that are issued or approved by the Department and have been thoroughly inspected by the Armorer. Except in an emergency or as directed by a supervisor, no firearm shall be carried by a member who has not qualified with that firearm at an authorized department range.

All other weapons not provided by the Department, including, but not limited to, edged weapons, chemical or electronic weapons, impact weapons or any weapon prohibited or restricted by law or that is not covered elsewhere by department policy, may not be carried by members in the performance of their official duties without the express written authorization of the member's Division Commander. This exclusion does not apply to the carrying of a single folding pocketknife that is not otherwise prohibited by law.

306.3.1 DUTY FIREARMS

The authorized department-issued handgun is the Glock 17, 19 & 26.

Only issued or approved shotguns and rifles are authorized for on-duty use.

306.3.2 PATROL RIFLES

The authorized department-issued patrol rifle is the M&P 15.

Members may deploy the patrol rifle in any circumstance where the member can articulate a reasonable expectation that the rifle may be needed. Examples of some general guidelines for deploying the patrol rifle may include, but are not limited to:

- (a) Situations where the member reasonably anticipates an armed encounter.
- (b) When a member is faced with a situation that may require accurate and effective fire at long range.
- (c) Situations where a member reasonably expects the need to meet or exceed a suspect's firepower.
- (d) When a member reasonably believes that there may be a need to fire on a barricaded person or a person with a hostage.
- (e) When a member reasonably believes that a suspect may be wearing body armor.
- (f) When authorized or requested by a supervisor.
- (g) When needed to euthanize an animal.

When not deployed, the patrol rifle shall be properly secured in a locking weapons rack in the patrol vehicle with the chamber empty, magazine loaded and inserted into the magazine well.

306.3.3 PERSONALLY OWNED DUTY FIREARMS

Members desiring to carry an authorized but personally owned duty firearm must receive written approval from the Chief of Police or the authorized designee. Once approved, personally owned duty firearms are subject to the following restrictions:

- (a) The firearm shall be in good working order and on the department list of approved firearms.
- (b) The firearm shall be inspected by the Armorer prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.
- (c) Prior to carrying the firearm, members shall qualify under range supervision and thereafter shall qualify in accordance with the department qualification schedule. Members must demonstrate proficiency and safe handling, and that the firearm functions properly.
- (d) Members shall provide written notice of the make, model, color, serial number and caliber of the firearm to the Armorer, who will maintain a list of the information.
- (e) The purchase of the firearm and ammunition shall be the responsibility of the officer.
- (f) The firearm shall be carried concealed at all times and in such a manner as to prevent unintentional cocking, discharge or loss of physical control.
- (g) If any member desires to use more than one firearm while off-duty they may do so, as long as the officer meets all requirements set forth in this policy for each firearm used.
- (h) When armed, whether on or off-duty, officers shall carry their badge and department identification.

306.3.4 AMMUNITION

Members shall carry only department-authorized ammunition. Members shall be issued fresh duty ammunition in the specified quantity for all department-issued firearms during the member's firearms qualification. Replacements for unserviceable or depleted ammunition issued by the Department shall be dispensed by the Armorer when needed, in accordance with established policy.

Members carrying personally owned authorized firearms of a caliber differing from department-issued firearms shall be responsible for obtaining fresh duty ammunition in accordance with the above, at their own expense. Replacements for unserviceable or depleted ammunition issued by the Department shall be dispensed by the Armorer when needed, in accordance with established policy.

306.4 EQUIPMENT

Firearms carried on- or off-duty shall be maintained in a clean, serviceable condition. Maintenance and repair of authorized personally owned firearms are the responsibility of the individual member.

306.4.1 REPAIRS OR MODIFICATIONS

Each member shall be responsible for promptly reporting any damage or malfunction of an assigned firearm to a supervisor or the Armorer.

Firearms

Firearms that are the property of the Department or personally owned firearms that are approved for department use may be repaired or modified only by a person who is department-approved and certified as an armorer or gunsmith in the repair of the specific firearm. Such modification or repair must be authorized in advance by the Armorer.

Any repairs or modifications to the member's personally owned firearm shall be done at his/her expense and must be approved by the Armorer.

306.4.2 HOLSTERS

Only department-approved holsters shall be used and worn by members. Members shall periodically inspect their holsters to make sure they are serviceable and provide the proper security and retention of the handgun.

306.4.3 TACTICAL LIGHTS

Tactical lights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Armorer. Once the approved tactical lights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

306.4.4 OPTICS OR LASER SIGHTS

Optics or laser sights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Armorer. Any approved sight shall only be installed in strict accordance with manufacturer specifications. Once approved sights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

Except in an approved training situation, a member may only sight in on a target when the member would otherwise be justified in pointing a firearm at the target.

306.5 SAFE HANDLING, INSPECTION AND STORAGE

Members shall maintain the highest level of safety when handling firearms and shall consider the following:

- (a) Members shall not unnecessarily display or handle any firearm.
- (b) Members shall be governed by all rules and regulations pertaining to the use of the range and shall obey all orders issued by the Armorer. Members shall not dry fire or practice quick draws except under Armorer supervision.
- (c) Members shall not clean, repair, load or unload a firearm anywhere in the Department, except where clearing barrels are present.
- (d) Shotguns or rifles removed from vehicles or the equipment storage room shall be loaded and unloaded in the parking lot and outside of the vehicle, using clearing barrels.
- (e) Members shall not place or store any firearm or other weapon on department premises except where the place of storage is locked. No one shall carry firearms into the jail

section or any part thereof when securing or processing an arrestee, but shall place all firearms in a secured location. Members providing access to the jail section to persons from outside agencies are responsible for ensuring firearms are not brought into the jail section.

- (f) Members shall not use any automatic firearm, heavy caliber rifle, gas or other type of chemical weapon or firearm from the armory, except with approval of a supervisor.
- (g) Any firearm authorized by the Department to be carried on- or off-duty that is determined by a member to be malfunctioning or in need of service or repair shall not be carried. It shall be promptly presented to the Department or a Armorer approved by the Department for inspection and repair. Any firearm deemed in need of repair or service by the Armorer will be immediately removed from service. If the firearm is the member's primary duty firearm, a replacement firearm will be issued to the member until the duty firearm is serviceable.

306.5.1 INSPECTION AND STORAGE

Handguns shall be inspected regularly and upon access or possession by another person. Shotguns and rifles shall be inspected at the beginning of the shift by the member to whom the weapon is issued. The member shall ensure that the firearm is carried in the proper condition and loaded with approved ammunition. Inspection of the shotgun and rifle shall be done while standing outside of the patrol vehicle. All firearms shall be pointed in a safe direction or into clearing barrels.

Personally owned firearms may be safely stored in lockers at the end of the shift. Department-owned firearms shall be stored in the appropriate equipment storage room. Handguns may remain loaded if they are secured in an appropriate holster. Shotguns and rifles shall be unloaded in a safe manner outside the building and then stored in the appropriate equipment storage room.

306.5.2 STORAGE AT HOME

Members shall ensure that all firearms and ammunition are locked and secured while in their homes, vehicles or any other area under their control, and in a manner that will keep them inaccessible to children and others who should not have access. Members shall not permit department-issued firearms to be handled by anyone not authorized by the Department to do so. Members should be aware that negligent storage of a firearm could result in civil and criminal liability (Minn. Stat. § 609.666; Minn. Stat. § 609.378).

306.5.3 ALCOHOL AND DRUGS

Firearms shall not be carried by any member, either on- or off-duty, who has consumed an amount of an alcoholic beverage, taken any drugs or medication, or has taken any combination thereof that would tend to adversely affect the member's senses or judgment.

306.6 FIREARMS TRAINING AND QUALIFICATIONS

All members who carry a firearm while on-duty are required to successfully complete training with their duty firearms. In addition to quarterly training, all members will qualify at least annually with their duty firearms (Minn. Stat. § 626.8452). Members will qualify with off-duty and secondary firearms at least once a year. Training and qualifications must be on an approved range course.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Firearms

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations including low-light shooting.

306.7 FIREARM DISCHARGE

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to his/her supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with his/her Division Commander or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.
- (b) If off-duty at the time of the incident, a written report shall be submitted or recorded statement provided no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

306.7.1 DESTRUCTION OF ANIMALS

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, conducted energy device, oleoresin capsicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed, becomes impractical, or if the animal reasonably appears to pose an imminent threat to human safety.

306.7.2 WARNING AND OTHER SHOTS

Generally, warning shots or shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective and reasonably safe.

306.7.3 REPORTING FIREARMS DISCHARGE

The Chief of Police shall notify the Commissioner of Public Safety within 30 days of an on-duty firearm discharge, except when the discharge is in the course of training or destruction of animals (described in this policy). The notification shall contain information concerning the reason for and circumstances surrounding the discharge (Minn. Stat. § 626.553).

306.8 ARMORER DUTIES

The range will be under the exclusive control of the Armorer. All members attending will follow the directions of the Armorer. The Armorer will maintain a roster of all members attending the range and will submit the roster to the Training Sergeant after each range date. Failure of any member to sign in and out with the Armorer may result in non-participation or non-qualification.

The range shall remain operational and accessible to department members during hours established by the Department.

The Armorer has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this department to verify proper operation. The Armorer has the authority to deem any department-issued or privately owned firearm unfit for service. The member will be responsible for all repairs to his/her personally owned firearm; it will not be returned to service until inspected and approved by the Armorer.

The Armorer has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning and safety of all firearms the member is authorized to carry.

The Armorer shall complete and submit to the Training Sergeant documentation of the courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided and, on a form that has been approved by the Department, a list of each member who completes the training. The Armorer should keep accurate records of all training shoots, qualifications, repairs, maintenance or other records as directed by the Training Sergeant.

306.9 MAINTENANCE AND REPAIR

Personal and Department-owned duty firearms shall be inspected annually to determine the safety and functioning of the weapon.

Firearms carried on duty shall be maintained in a clean, serviceable condition. Since the use of personally owned weapons is at the option of the individual officer, that officer will be responsible for the furnishing, maintenance and repair of such weapon.

306.9.1 REPAIR OR MODIFICATIONS OF DUTY WEAPONS

The Armorer or designee shall be the only person authorized to repair or modify any Department-owned weapon for which they are certified as an armorer.

All repairs and/or modifications of Department-issued weapons not performed by the Armorer must be authorized in advance by the Armorer and accomplished by a Department-approved gunsmith who is certified to repair such firearm.

Any repairs or modifications to the officer's personally owned weapon shall be done at his/her expense and must be approved by the Armorer.

306.10 FLYING WHILE ARMED

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to personnel who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

- (a) Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the Department based on the law and published TSA rules.
- (b) Officers must carry their Brooklyn Center Police Department identification card, bearing the officer's name, a full-face photograph, identification number, the officer's signature, and the signature of the Chief of Police or the official seal of the Department and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver's license, passport).
- (c) The Brooklyn Center Police Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the officer's travel. If approved, TSA will send the Brooklyn Center Police Department an NLETS message containing a unique alphanumeric identifier. The officer must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Chief of Police authorizing armed travel may also accompany the officer. The letter should outline the officer's need to fly armed, detail the itinerary, and include that the officer has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Officers must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the department-appointed instructor.
- (f) It is the officer's responsibility to notify the air carrier in advance of the intended armed travel. This notification can be accomplished by early check-in at the carrier's check-in counter.
- (g) Any officer flying while armed should discreetly contact the flight crew prior to take-off and notify them of the officer's assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The officer must keep the firearm concealed on the officer's person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.
- (i) Officers should resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative, or other management representative of the air carrier.
- (j) Officers shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

306.11 CARRYING FIREARMS OUT OF STATE

Qualified, active, full-time officers of this department are authorized to carry a concealed firearm in all other states subject to the following conditions (18 USC § 926B):

- (a) The officer shall carry the officer's Brooklyn Center Police Department identification card whenever carrying such weapon.
- (b) The officer is not the subject of any current disciplinary action.
- (c) The officer may not be under the influence of alcohol or any other intoxicating or hallucinatory drug.
- (d) The officer will remain subject to this and all other department policies (including qualifying and training).

Officers are cautioned that individual states may enact local regulations that permit private persons or entities to prohibit or restrict the possession of concealed firearms on their property, or that prohibit or restrict the possession of firearms on any state or local government property, installation, building, base, or park. Federal authority may not shield an officer from arrest and prosecution in such locally restricted areas.

Active law enforcement officers from other states are subject to all requirements set forth in 18 USC § 926B.

Vehicle Pursuits

307.1 PURPOSE AND SCOPE

Vehicle pursuits expose innocent citizens, law enforcement officers and fleeing violators to the risk of serious injury or death. The primary purpose of this policy is to provide officers with guidance in balancing the safety of the public and themselves against law enforcement's duty to apprehend violators of the law. Another purpose of this policy is to minimize the potential for pursuit-related collisions. Vehicular pursuits require officers to exhibit a high degree of common sense and sound judgment. Officers must not forget that the immediate apprehension of a suspect is generally not more important than the safety of the public and pursuing officers (Minn. Stat. § 626.8458 Subd. 1).

307.2 PHILOSOPHY

Deciding whether or not to pursue an offender fleeing in a motor vehicle is a critical assessment which must be made quickly and under difficult and unpredictable circumstances. In recognizing the risk to public safety created by vehicle pursuits, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a vehicle pursuit or for terminating a pursuit already underway, even if permitted by State Statute and Department Policy. It is recognized that vehicle pursuits are never predictable and decisions made pursuant to this policy will be evaluated according to the totality of the circumstances as reasonably known by the participating officers at the time of the pursuit (Minn. Stat. § 626.8458 Subd. 1).

307.3 DEFINITIONS

Definitions related to this policy include:

Vehicle Intercept - A slow-speed coordinated maneuver where two or more law enforcement vehicles simultaneously intercept and block the movement of an offender's vehicle, the driver of which may be unaware of the impending enforcement stop, with the goal of containment and preventing a pursuit.

Boxing-in - A tactic designed to stop a violator's vehicle by surrounding it with law enforcement vehicles and then slowing all vehicles to a stop.

Imminent Safety Risk- Any situation a reasonable officer would anticipate death or great bodily harm is likely to occur if the offender(s) are not immediately apprehended.

Pursuit Intervention Technique (PIT) - A maneuver intended to terminate the pursuit by causing the fleeing offender's vehicle to spin out and come to a stop.

Ramming - The deliberate act of impacting a fleeing offender's vehicle with another vehicle to functionally damage or otherwise force the violator's vehicle to stop.

Ride-Along- An individual riding in a police vehicle with an officer during their shift including Explorer Scouts. For the purposes of this policy a Community Service Officer (CSO), Cadet or other non-sworn member of this department shall not be considered a ride-along.

Brooklyn Center Police Department

Vehicle Pursuits

Roadblocks - A tactic designed to stop a fleeing offender's vehicle by intentionally placing a vehicle or other immovable object in the path of the offender's vehicle.

Spikes Strips - A device that extends across the roadway and is designed to puncture the tires of the fleeing offender's pursued vehicle.

Termination- A pursuit is terminated when the pursuing officer(s) notify dispatch and; turn off their emergency lights and sirens, reduce speed to the posted speed limit and turn off the pursuit route at the next available opportunity to lawfully and safely do so.

Vehicle pursuit - An event in which a peace officer initiates a vehicular stop and a driver resists the signal or order to stop by increasing speed, taking evasive action or in any other way refuses to stop the vehicle.

Pursuit Alternative Tracking Device (PATD) - A device that projects from a police vehicle and attaches to a vehicle that allows for officers to track the location of the vehicle through GPS technology.

307.4 OFFICER RESPONSIBILITIES

It is the policy of this department that a vehicle pursuit shall be conducted with at least one flashing red warning lamp visible from the front and a siren that is sounded when necessary to warn pedestrians or other drivers (Minn. Stat. § 169.17 and Minn. Stat. § 169.68). Operating an emergency vehicle in a pursuit with emergency lights and siren does not relieve the operator of an authorized emergency vehicle of the duty to drive with due regard for the safety of all persons, and does not protect the driver from the consequences of a reckless disregard for the safety of others.

307.5 WHEN TO INITIATE

Officers are authorized to initiate a pursuit under the following circumstances:

1. The pursuing officer(s) have reason to believe the driver or another occupant of the vehicle has committed, attempted to commit or is wanted for any of the following offenses:
 - Murder 1st Degree – Minn. Stat. §609.185
 - Murder 2nd Degree – Minn. Stat. §609.19
 - Murder 3rd Degree – Minn. Stat. §609.195
 - Manslaughter 1st Degree – Minn. Stat. §609.20
 - Manslaughter 2nd Degree – Minn. Stat. §609.205
 - 1st Deg. Assault – Minn. Stat. §609.221
 - 2nd Deg. Assault – Minn. Stat. §609.222
 - 3rd Deg. Assault – Minn. Stat. §609.223

 - 2nd Degree Burglary (residential only) – Minn. Stat. § 609.582 subd.2
 - Drive by Shooting – Minn. Stat. § 609.66.1(e) OR;
2. The pursuing officer(s) has reason to believe there is an imminent safety risk to the public or an officer if the driver or one of the occupants of the vehicle is not immediately apprehended.

307.5.1 SUICIDAL PERSONS

Officers shall not engage in a vehicle pursuit of a suicidal person(s) unless any of the following conditions exist:

- (a) There is an immediate and significant need to protect an officer or the public, excluding the suicidal person(s) from great bodily harm or death.
- (b) The suicidal person(s) are wanted for or have committed any of the offenses outlined in the section 307.5

307.5.2 SPIKE STRIP DEPLOYMENT

Considering the potential public safety risks of a motor vehicle operating after a successful spike strip deployment, an officer may initiate a pursuit for a reasonable distance even if the reason for the pursuit does not meet the criteria outlined in Section 307.5. An officer pursuing a motor vehicle after a spike strip deployment shall:

- (a) Assess the impact the spike strip deployment had at reducing the vehicle's mobility. If officers identify the vehicle's mobility has been successfully impaired, officers may consider whether or not an immediate PIT maneuver would be successful. If officers do attempt a PIT maneuver they shall do so under the safety considerations and guidelines set forth in other sections of this policy, but do not need to meet the pursuit criteria in Section 307.5
- (b) If a spike strip is deployed and officer pursuing the vehicle determine if was not successful at reducing the mobility of the motor vehicle, officers shall immediately terminate their pursuit of the vehicle unless the underlying crime meets the criteria in Section 307.5

307.5.3 PATD DEPLOYMENT

Officers shall terminate any ongoing pursuit upon deployment of the PATD where successful GPS tracking has been established even if the circumstances surrounding the stolen vehicle would meet pursuit criteria (e.g. carjacked vehicle).

If a PATD is deployed and GPS tracking is successful, officers may trail the pursuit route a safe distance away from the fleeing vehicle in order to assist with the apprehension of the suspect(s) and recovery of the vehicle. If an officer trails the pursuit route they should do so without lights and sirens and by going the posted speed limit unless articulable facts dictate an alternative emergency response.

If a PATD is deployed and enters another jurisdiction, officers should notify those agencies of the PATD deployment and follow all other policy guidelines set forth in Section 307.10.

307.6 ADDITIONAL FACTORS TO ASSESS IN INITIATING OR CONTINUING A PURSUIT

The following factors individually and collectively shall be considered in deciding whether or not to initiate or continue a pursuit (Minn. Stat. § 626.8458 Subd. 2(2); Minn. R. § 6700.2701):

- (a) The degree of recklessness exhibited by the pursued driver weighed against the nature and seriousness of the reported offense.
- (b) The density of vehicular and pedestrian traffic.
- (c) The presence of special hazards such as parades, road construction, school zones, etc.
- (d) The road and weather conditions.
- (e) The lack of available assistance and support reasonably necessary to effect the apprehension of the suspect(s).
- (f) The ability of the officer to identify the driver at a later time.

As a general rule, officers should not pursue a vehicle driving on the wrong way on a roadway or freeway. In the event the pursued vehicle does so, the pursuing officer(s) should maintain visual contact by paralleling on the correct side of the roadway.

307.7 WHEN TO TERMINATE

In addition to the factors listed above, the following should be considered when deciding whether or not to terminate a pursuit (Minn. Stat. § 626.8458 Subd. 2 (2); Minn. R. § 6700.2701):

- (a) The distance between the pursuing officers and the fleeing vehicle becomes so great that further pursuit would be futile.
- (b) The pursued vehicle's location becomes unknown.
- (c) The identity of the offender is known and delaying apprehension does not create a known and substantial risk of injury or death to another.
- (d) The participating officers are directed to terminate the pursuit by a supervisor.
- (e) The pursuit vehicle suffers an emergency equipment failure which causes the vehicle to no longer qualify for emergency use.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Vehicle Pursuits

- (f) The danger that the continued pursuit poses to the public, the officers or the suspect exceeds the risk of allowing the suspect to remain at large.

307.8 SPEED LIMITS

The speed of a pursuit is a factor that should be evaluated on a continuing basis by the officer and the supervisor. Evaluation of vehicle speeds shall take into consideration public safety, officer safety and the safety of the occupants of the fleeing vehicle

307.9 PURSUING UNITS

Pursuit units should generally be limited to three vehicles (two officers and a supervisor). However, this number may increase given the circumstances (Minn. R. § 6700.2701 (B)). An officer or supervisor may request additional units if it appears the number of officers involved would be insufficient to safely arrest the suspect(s). All other officers shall not engage in the pursuit but should remain alert to its progress and location. Distinctively marked patrol vehicles should replace unmarked vehicles involved in a pursuit whenever practicable.

Officers involved in a pursuit should not attempt to pass other pursuing units unless the situation indicates otherwise or they are requested to do so by the primary unit and a clear understanding of the maneuver exists between the involved officers.

Vehicles not equipped with red lights and sirens are prohibited from initiating or participating in any pursuit.

307.9.1 PRIMARY UNIT RESPONSIBILITIES

The initial pursuing officer will be designated as the primary pursuit unit and will be responsible for the conduct of the pursuit unless the officer is unable to remain reasonably close enough to the violator's vehicle to do so. The primary responsibility of the officer initiating the pursuit is the apprehension of the suspect(s) without unreasonable danger to him/herself or other persons (Minn. Stat. § 626.8458 Subd. 2 (4)). The primary unit should notify dispatch that a vehicle pursuit has been initiated and as soon as practicable provide information including, but not limited to:

- (a) Reason for the pursuit.
- (b) Location and direction of travel.
- (c) Speed of the fleeing vehicle.
- (d) Description of the fleeing vehicle and license number, if known.
- (e) Number of occupants.
- (f) The identity or description of the occupants.
- (g) Weather, road and traffic conditions.
- (h) Information concerning the use of firearms, threat of force, injuries, hostages or other unusual hazards.
- (i) Request for medical assistance for any person injured in the course of the pursuit (Minn. Stat. § 626.8458 Subd. 2 (6); Minn. R. § 6700.2701).

Brooklyn Center Police Department

Vehicle Pursuits

Unless relieved by a supervisor or secondary unit, the officer in the primary unit shall be responsible for broadcasting all information about the pursuit. Unless circumstances reasonably indicate otherwise, the primary unit should relinquish the responsibility of broadcasting the progress of the pursuit to a secondary unit or aircraft joining the pursuit to minimize distractions and to allow the officer in the primary unit to concentrate on safe pursuit tactics (Minn. R. § 6700.2701).

307.9.2 SECONDARY UNIT RESPONSIBILITIES

The officer in the second unit of the pursuit is responsible for the following (Minn. R. § 6700.2701):

- (a) Immediately notifying the dispatcher of entry into the pursuit.
- (b) Remaining at a safe distance behind the primary unit unless directed or required to assume the role of the primary unit.
- (c) Broadcasting the progress of the pursuit unless the situation indicates otherwise.
- (d) Serving as backup to the primary unit once the subject has been stopped.

307.9.3 NON-PURSUING UNITS

There should be no paralleling of the pursuit route. Officers are authorized to use emergency equipment along the pursuit path to clear the area of vehicular and pedestrian traffic to protect the public.

307.9.4 UNMARKED VEHICLES

Officers operating unmarked vehicles shall make reasonable attempts to avoid becoming involved in a pursuit. If a vehicle flees from an unmarked vehicle the officer driving the unmarked vehicle shall become a secondary unit upon the arrival of a marked vehicle. The officer operating the unmarked vehicle shall exit the pursuit upon the arrival of a second marked vehicle unless more than two officers are necessary.

307.9.5 RENDERING AID

If an injury is sustained during the course of a pursuit at least one officer shall leave the pursuit and render assistance as necessary and appropriate. Rendering assistance includes, but is not limited to:

- (a) Calling an ambulance
- (b) Rendering first aid until the officers are no longer needed at the injury scene
- (c) Summoning additional units to the injury scene for assistance with injured persons and or traffic control.

307.9.6 SUPERVISORY RESPONSIBILITIES

It is the policy of this department that available supervisory and management control will be exercised over all vehicle pursuits involving officers from this department (Minn. Stat. § 626.8458 Subd. 2 (4); Minn. R. § 6700.2701).

The Duty Sergeant or senior officer will be responsible for the following:

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Vehicle Pursuits

- (a) Upon becoming aware of a pursuit, immediately notify involved officers and dispatch of supervisory presence and ascertaining all reasonably available information to continuously assess the pursuit in order to ensure that the pursuit is conducted within established Department guidelines.
- (b) Ensure that no more than the number of required units needed are involved in the pursuit under the guidelines set forth in this policy.
- (c) Direct that the pursuit be terminated if, in his/her judgment, the pursuit has or will depart from the guidelines of this policy.
- (d) Ensure the notification and/or coordination of outside agencies if the pursuit either leaves or is likely to leave The City of Brooklyn Center.
- (e) Control and manage units when a pursuit enters another jurisdiction.
- (f) Prepare a post-pursuit summary.

307.10 INTER-JURISDICTIONAL CONSIDERATIONS

When a pursuit enters another agency's jurisdiction, the primary officer or supervisor, taking into consideration distance traveled, unfamiliarity with the area and other pertinent facts, should determine whether or not to request another agency to broadcast the progress of the pursuit.

Unless entry into another jurisdiction is expected to be brief, it is generally recommended that the primary officer or supervisor ensure that notification is provided to the dispatcher and to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether such jurisdiction is expected to assist (Minn. Stat. § 626.8458 Subd. 2 (5); Minn. R. § 6700.2701). If a pursuit leaves the city of Brooklyn Center no more than two Brooklyn Center units shall be involved unless prior approval has been granted by a supervisor or senior officer.

307.10.1 PURSUITS ENTERING INTO BROOKLYN CENTER

Officers shall not become involved in another agency's pursuit unless their assistance is requested and also specifically authorized by the Duty Sergeant or Senior Officer. In these instances, all department pursuit policies are in effect.

307.11 PASSENGERS

Under no circumstances will an officer initiate or become involved in a pursuit while a ride-along, prisoner, crime victim, or other transported subject is in the pursuit vehicle.

307.12 COMMUNICATIONS

If the pursuit is confined within the city limits, radio communications will be conducted on the primary channel unless instructed otherwise by a supervisor or communications dispatcher. If the pursuit leaves or is likely to leave the jurisdiction of this department, involved units should, whenever available, switch radio communications to an emergency channel most accessible by participating agencies and units (Minn. R. § 6700.2701).

307.13 AIRCRAFT ASSISTANCE

When available, aircraft assistance should be requested. Once the air unit has established visual contact with the pursued vehicle, it should assume control over the pursuit (Minn. Stat. § 626.8458 Subd. 2 (4)).

307.14 PURSUIT INTERVENTION

Pursuit intervention is an attempt to terminate the ability of a suspect to continue to flee in motor vehicle through tactical application of technology, road spikes, blocking, boxing, PIT (Pursuit Intervention Technique), ramming or roadblock procedures.

307.14.1 WHEN USE AUTHORIZED

Use of pursuit intervention tactics should be employed after approval of a supervisor, or senior officer, when such approval is practicable. In deciding whether or not to use intervention tactics, officers/supervisors should balance the risks of allowing the pursuit to continue with the potential hazards arising from the use of each tactic to the public, the officers, and persons in or on the pursued vehicle. With these risks in mind, the decision to use any intervention tactic should be reasonable in light of the circumstances apparent to the officer at the time of the decision (Minn. Stat. § 626.8458 Subd. 2; Minn. R. § 6700.2701).

307.14.2 INTERVENTION STANDARDS

Any pursuit intervention tactic, depending upon the conditions and circumstances under which it is used, may present dangers to the officers, the public or anyone in or on the vehicle being pursued. Pursuing officers should obtain supervisor or senior officer approval, when such approval is practicable prior to initiating any of the pursuit intervention tactics outlined below.

Certain applications of intervention tactics may be construed to be a use of force, including deadly force, and are subject to Department policies guiding such use. Officers who have not received Department-approved training in the application and use of any intervention tactic or equipment shall consider these facts and requirements prior to deciding how, when, where and if an intervention tactic should be employed.

- (a) **Blocking or Vehicle Intercept-** This tactic should only be considered in cases where drivers pose a threat to public safety and when officers reasonably believe that attempting a conventional enforcement stop will likely result in the driver attempting to flee in the vehicle. Because of the potential risks involved, this technique should only be employed by officers who have received training in such tactics and after giving consideration to the following:
 1. The need to immediately stop the suspect vehicle or prevent it from leaving substantially outweighs the risks of injury or death to occupants of the suspect vehicle, officers or other members of the public.
 2. Employing the blocking maneuver does not unreasonably increase the risk to officer safety.
 3. The target vehicle is stopped or traveling at a low speed.
 4. At no time should civilian vehicles be used in the deployment of this technique.

- (b) PIT- This tactic will be employed only by those trained to use this procedure and they shall do so only upon consideration of the circumstances and conditions presented at the time, including the potential for risk of injury to officers, the public and occupants of the pursued vehicle. Officers shall not attempt to perform a PIT maneuver if the pursued vehicle is a motorcycle unless the use of deadly force is justified.
- (c) Ramming- This tactic should be done only after other reasonable tactical means at the officer's disposal have been exhausted or are apparently impractical. This tactic should be reserved for situations where there does not appear to be another reasonable alternative method.
- (d) Boxing In- This technique must be carefully coordinated with all involved units, taking into consideration the circumstances and conditions apparent at the time, as well as the potential risk of injury to officers, the public and occupants of the pursued vehicle. This tactic may only be employed by those officers trained in this technique.
- (e) Spike Strips- This tactic should only occur when it is reasonably apparent that only the pursued vehicle will be affected. Prior to the deployment of spike strips, the officer shall notify pursuing units of the intent and location. Officers should carefully consider the limitations of such devices as well as the potential risks to officers, the public and occupants of the pursued vehicle. If the pursued vehicle is a motorcycle, a vehicle transporting hazardous materials or a school bus transporting children, officers and supervisors should weigh the potential consequences against the need to immediately stop the vehicle. Only officers who have received prior training in this technique may deploy this equipment.
- (f) Roadblocks- This tactic presents a potential for serious injury or death to occupants of the pursued vehicle if the suspect does not stop. The intentional placement of roadblocks in the direct path of a pursued vehicle is generally discouraged and shall not be deployed without prior approval of a supervisor or senior officer, and only then under extraordinary conditions when all other reasonable intervention techniques have failed or reasonably appear ineffective and the need to immediately stop the pursued vehicle substantially outweighs the risks of injury or death to occupants of the pursued vehicle, officers or other members of the public.

307.14.3 USE OF FIREARMS

The use of firearms to disable a pursued vehicle is not generally an effective tactic and involve all the dangers associated with the discharging of firearms. Officers should not utilize firearms during an ongoing pursuit unless the conditions and circumstances meet the requirements authorizing the use of deadly force. Nothing in this section shall be construed to prohibit any officer from using a firearm to stop a suspect from using a vehicle as a deadly weapon.

307.15 PURSUIT REPORT

All appropriate reports shall be completed to comply with appropriate local and state regulations. The Records Supervisor shall ensure the appropriate forms are filed with the Department of Public Safety within 30 days (Minn. Stat. § 626.5532):

- (a) The primary officer shall complete appropriate crime/arrest reports.
- (b) The primary officer or supervisor shall complete the appropriate pursuit report.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

- (c) After first obtaining available information, the on-duty supervisor shall promptly complete an interoffice memorandum, briefly summarizing the pursuit to the Chief of Police or designee. This memo should minimally contain the following information (Minn. Stat. § 626.5532):
1. Date and time of pursuit.
 2. Length of pursuit in distance and time.
 3. Involved units and officers.
 4. Initial reason and circumstances surrounding the pursuit.
 5. Starting and termination points.
 6. Alleged offense, charges filed or disposition: arrest, citation or other release.
 7. Arrestee information should be provided if applicable.
 8. Injuries and/or property damage.
 9. Medical treatment.
 10. The outcome of the pursuit.
 11. Name of supervisor handling or at the scene.
- (d) After receiving copies of reports, logs and other pertinent information, the Chief of Police or designee shall conduct or assign the completion of a post-pursuit review as appropriate to the circumstances.

307.16 PURSUIT TRAINING

All officers in this department shall complete an Emergency Vehicle Operators Course (EVOC) training as required by the Minnesota POST Board or State Law.

307.17 POLICY REVIEW

Each licensed member of this department shall certify in writing that they have received, read and understand this policy initially and upon any amendments. Each member of this department shall review and acknowledge this policy annually (Minn. Stat. § 626.8458 Subd. 3).

Officer Response to Calls

308.1 PURPOSE AND SCOPE

The State of Minnesota finds that emergency vehicle operations are an integral part of law enforcement's commitment to public safety. This policy provides for the safe and appropriate response to all emergency and nonemergency situations (Minn. Stat. § 626.8458 Subd. 1).

308.2 HOLDING OF CALLS DURING SHIFT TRANSITION

Routine non-priority calls for service will be held for the oncoming shift, if those calls are received 30 minutes or less prior to the shift change. This impacts both 6:00 AM and 6:00 PM shift changes.

As the call is dispatched the duty sergeant or senior officer will direct dispatch to place the call in pending for the oncoming shift. The on-duty sergeant (or in their absence the senior officer) will obtain a phone number for the reporting person. A call will be made to inform the reporting person that their call for service has been received but there will be a short delay in response. It is imperative for either the sergeant (or in their absence the senior officer) to check for pending calls at the beginning of their assigned shift to ensure a timely response.

This has no impact on priority calls which will be taken by the current on-duty staff.

308.2.1 RESPONSE TO EMERGENCY CALLS

Officers responding to an emergency call shall proceed immediately as appropriate. Officers responding to an emergency call shall sound the siren or display at least one lighted red light to the front of the vehicle. Whenever practicable, during an emergency call response the officer should continuously operate emergency lighting equipment and/or sound the siren (Minn. Stat. § 169.03 et seq.; Minn. Stat. § 169.17).

Responding with a red light, emergency lighting and/or siren does not relieve the operator of an authorized emergency vehicle or a law enforcement vehicle of the duty to drive with due regard for the safety of all persons and does not protect the driver from the consequences of his/her reckless disregard for the safety of others. The use of any other warning equipment without emergency lights and siren does not provide an exemption under Minnesota law (Minn. Stat. § 169.17).

Officers should only respond with a red light, emergency lights and/or siren when so dispatched or when circumstances reasonably indicate an emergency response is appropriate. Officers not responding with a red light, emergency lights and/or siren shall observe all traffic laws.

308.2.2 LIGHTING EXEMPTION OF LAW ENFORCEMENT VEHICLES

An officer may operate a vehicle without lights as otherwise required while performing law enforcement duties when the officer reasonably believes that operating the vehicle without lights is necessary to investigate a criminal violation or suspected criminal violation of state laws, rules or orders, or local laws, ordinances or regulations. The operation of a vehicle without lights must be consistent with the standards adopted by Minnesota Peace officer Standards and Training Board (POST) (Minn. Stat. § 169.541).

Brooklyn Center Police Department

Officer Response to Calls

308.3 REQUESTING EMERGENCY ASSISTANCE

Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an imminent threat to the safety of officers, or assistance is needed to prevent imminent serious harm to a citizen. Where a situation has stabilized and emergency response is not required, the requesting officer shall promptly notify Dispatch.

If circumstances permit, the requesting officer should give the following information:

- The unit number
- The location
- The reason for the request and type of emergency
- The number of units required (if appropriate)

308.3.1 NUMBER OF UNITS PARTICIPATING

Normally, only those units reasonably necessary should respond to an emergency as an emergency call response. The sergeant or the senior officer should monitor all emergency responses, and reduce or enhance the response as warranted.

308.4 RESPONSIBILITIES OF RESPONDING OFFICER(S)

Officers shall exercise sound judgment and care with due regard for life and property when responding to an emergency call. During a response to an emergency call, officers may (Minn. Stat. § 169.03):

- (a) Proceed cautiously past a red or stop signal, or stop sign, but only after slowing down as may be necessary for safe operation.
- (b) Exceed any speed limits, provided this does not endanger life or property.
- (c) Disregard regulations governing direction of movement or turning in specified directions as authorized by law.
- (d) Disregard regulations governing parking or standing.

The decision to continue an emergency call response is at the discretion of the officer. If, in the officer's judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the officer may elect to respond to the call without the use of red lights and siren at the legal speed limit. In such an event, the officer should immediately notify other officers. An officer shall also discontinue an emergency call response when directed by a supervisor or as otherwise appropriate.

Upon determining that an emergency call response is appropriate, an officer shall immediately give the location from which he/she is responding, when practical.

When emergency vehicles are on the scene of an emergency and pose any hazard, or when the vehicle operators seek exemption to park, stop, or stand contrary to any law or ordinance pursuant to Minn. Stat. § 169.541, adequate warning lights shall be operated whenever practicable.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Officer Response to Calls

308.5 SUPERVISORY RESPONSIBILITIES

Upon being notified that an emergency response has been initiated, the sergeant or senior officer shall verify the following:

- (a) The proper response has been initiated.
- (b) No more than those units reasonably necessary under the circumstances are involved in the response.
- (c) Affected outside jurisdictions are being notified as practicable.

The sergeant or senior officer shall, whenever practicable, monitor the response until it has been stabilized or terminated and assert control by directing units into or out of the response if necessary. If, in the sergeant or senior officer's judgment, the circumstances require additional units to be assigned an emergency response, the supervisor may do so.

It is the sergeant or senior officer's responsibility to terminate an emergency response that, in his/her judgment, is inappropriate due to the circumstances.

When evaluating an emergency call response, the sergeant or senior officer should consider the following:

- The type of call or crime involved.
- The necessity of a timely response.
- Traffic and roadway conditions.
- The location of the responding units.

308.6 FAILURE OF EMERGENCY EQUIPMENT

If all emergency equipment on the vehicle should fail to operate, the officer must terminate the emergency call response and respond accordingly. The officer shall notify the sergeant or senior officer of the equipment failure so that another unit may be assigned to the emergency response.

308.7 TRAINING

The Training Sergeant shall ensure the frequency and content of emergency vehicle operations training meets or exceeds that required by law (Minn. Stat. § 626.8458).

308.8 POLICY

It is the policy of this department to appropriately respond to emergency and nonemergency calls for service or requests for assistance, whether these are dispatched or self-initiated.

Domestic Abuse

309.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent, and reduce domestic abuse through vigorous enforcement and to address domestic abuse as a serious crime against society. The policy specifically addresses the commitment of this department to take enforcement action when appropriate, to provide assistance to victims and to guide officers in the investigation of domestic abuse.

309.1.1 DEFINITIONS

Definitions related to this policy include:

Court order - All forms of orders related to domestic abuse, that have been issued by a court of this state or another, whether civil or criminal, regardless of whether service has been made.

Domestic abuse - Commission of any of the following if committed against a family or household member by another family or household member (Minn. Stat. § 518B.01, Subd. 2):

- (a) Actual or fear of imminent physical harm, bodily injury, or assault
- (b) Threats of violence with intent to terrorize as specified by Minn. Stat. § 609.713, Subd.1.
- (c) Criminal sexual conduct (Minn. Stat. § 609.342 to Minn. Stat. § 609.3451)
- (d) Interference with an emergency call as specified by Minn. Stat. § 609.78, Subd.2.

Qualified Domestic Violence-Related Offense - Has the meaning given in Minn. Stat. 609.02, subd. 16 and includes a violation of or an attempt to violate a domestic abuse order for protections; first or second degree murder; first through fifth degree assault; domestic assault; female genital mutilation; domestic assault by strangulation; first through fourth degree criminal sexual conduct; malicious punishment of a child; terroristic threats; violation of a harassment restraining order; stalking; interference with an emergency call; nonconsensual dissemination of private sexual images; and violation of a domestic abuse no contact order; and similar laws of other states, the United States, the District of Columbia, tribal lands, and United States territories.

309.2 POLICY

The Brooklyn Center Police Department's response to incidents of domestic abuse and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic abuse is criminal behavior. It is also the policy of this department to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

309.3 OFFICER SAFETY

The investigation of domestic abuse cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Domestic Abuse

the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

309.4 INVESTIGATIONS

The following guidelines should be followed by officers when investigating domestic abuse cases:

- (a) Calls of reported, threatened, imminent, or ongoing domestic abuse and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, officers should obtain and document statements from the victim, the suspect, and any witnesses, including children, in or around the household or location of occurrence.
- (c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.
- (d) When practicable and legally permitted, video or audio record all significant statements and observations.
- (e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Investigations Division in the event that the injuries later become visible.
- (f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.
- (g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement and make an arrest or seek an arrest warrant if appropriate.
- (h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence.
- (i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.
- (j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:
 1. Whether the suspect lives on the premises with the victim.
 2. Claims by the suspect that the victim provoked or perpetuated the violence.
 3. The potential financial or child custody consequences of arrest.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Domestic Abuse

4. The physical or emotional state of either party.
5. Use of drugs or alcohol by either party.
6. Denial that the abuse occurred where evidence indicates otherwise.
7. A request by the victim not to arrest the suspect.
8. Location of the incident (public/private).
9. Speculation that the complainant may not follow through with the prosecution.
10. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or marital status of the victim or suspect.
11. The social status, community status, or professional position of the victim or suspect.

309.4.1 IF A SUSPECT IS ARRESTED

If a suspect is arrested, officers should:

- (a) Advise the victim that there is no guarantee the suspect will remain in custody.
- (b) Provide the victim's contact information to the jail staff to enable notification of the victim upon the suspect's release from jail (Minn. Stat. § 629.72 Subd. 6).
- (c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

309.4.2 IF NO ARREST IS MADE

If no arrest is made, the officer should:

- (a) Advise the parties of any options, including but not limited to:
 1. Voluntary separation of the parties.
 2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit).
- (b) Document the resolution in a report or CAD comments when appropriate.

309.5 VICTIM ASSISTANCE

Because victims may be traumatized or confused, officers should be aware that a victim's behavior and actions may be affected.

- (a) Victims should be provided with the department's domestic abuse information handout, even if the incident may not rise to the level of a crime.
- (b) Victims should be alerted to any available victim advocates, shelters, and community resources.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Domestic Abuse

- (c) When an involved person requests law enforcement assistance while removing essential items of personal property, officers should stand by for a reasonable amount of time.
- (d) If the victim has sustained injury or complains of pain, officers should seek medical assistance as soon as practicable.
- (e) Officers should ask the victim whether he/she has a safe place to stay and assist in arranging transportation to an alternate shelter if the victim expresses a concern for his/her safety or if the officer determines that a need exists.
- (f) Officers should make reasonable efforts to ensure that any children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- (g) If appropriate, officers should seek or assist the victim in obtaining an emergency order.

309.6 DISPATCH ASSISTANCE

Officers should request that dispatchers check whether any of the involved persons are subject to the terms of a court order.

309.7 FOREIGN COURT ORDERS

Various types of orders may be issued in domestic abuse cases. Any foreign court order properly issued by a court of another state, Indian tribe or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court order shall be enforced, regardless of whether the order has been properly registered with this state.

309.7.1 CANADIAN ORDERS FOR PROTECTION

An order for protection issued by Canada or a Canadian province shall be enforced as if it were the order of a court in this state and afforded the same consideration as foreign court orders with respect to proper issuance and registration (Minn. Stat. § 518F.03).

309.8 VERIFICATION OF COURT ORDERS

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and, where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
- (b) Check available records or databases that may show the status or conditions of the order.
- (c) Contact the issuing court to verify the validity of the order.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Domestic Abuse

- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.

309.9 LEGAL MANDATES AND RELEVANT LAWS

Minnesota law provides for the following:

309.9.1 STANDARDS FOR ARRESTS

Officers investigating a domestic abuse report should consider the following:

- (a) An officer has the authority to arrest a person without a warrant, including at the person's residence, if the peace officer has probable cause to believe that the person has, within the preceding 72 hours, exclusive of the day probable cause was established, assaulted, threatened with a dangerous weapon, or placed in fear of immediate bodily harm any person covered by the "family or household member" definition, even if the assault did not rise to the level of a felony or did not take place in the presence of the peace officer (Minn. Stat. § 629.34; Minn. Stat. § 629.341).
- (b) Officers should generally not make dual arrests but may make an arrest of a primary aggressor. Where there are allegations that each party assaulted the other, the officer shall determine whether there is sufficient evidence to conclude that one of the parties was the primary aggressor based on the following criteria and the officer's judgment (Minn. Stat. § 629.342, Subd. 2):
 1. Comparative extent of any injuries inflicted
 2. Fear of physical injury because of past or present threats

The person shall be held in custody whenever the Shift Sergeant determines that it reasonably appears the release of the person (Minn. Stat. § 629.72):

309.9.3 SERVICE OF COURT ORDERS

Officers, when reasonably safe and in a position to do so, shall serve copies or short forms of court orders as directed in Minn. Stat. § 518B.01 and Minn. Stat. § 609.748.

309.9.4 COURT-ORDERED FIREARM SURRENDERS

Although not required, this department generally will accept firearms surrendered by a court order from an abusing party or defendant. A decision to refuse a surrendered firearm should be approved by a supervisor.

Firearms will normally be surrendered at the Brooklyn Center Police Department; however, when encountering someone in the field who wishes to surrender a firearm, officers should make reasonable efforts to accommodate the request.

Surrendered firearms should be collected and submitted to the Property Room in accordance with the Property and Evidence Policy.

Search and Seizure

310.1 PURPOSE AND SCOPE

Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Brooklyn Center Police Department personnel to consider when dealing with search and seizure issues.

310.2 POLICY

It is the policy of the Brooklyn Center Police Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

310.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

Search and Seizure

310.4 SEARCH PROTOCOL

Although conditions will vary, and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances reasonably permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Officers should explain to the person being searched, the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests, and in a manner that minimizes damage.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations, or access codes when a search of locked property is anticipated, unless this may endanger officers serving the warrant, compromise the investigation, alert offenders to officers intent, or allow for the potential destruction of police evidence.
- (e) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, the following guidelines should be followed:
 1. Another officer or a supervisor should witness the search.
 2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

310.5 DOCUMENTATION

Officers are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

- Reason for the search
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
- What, if any, injuries or damage occurred
- All steps taken to secure property
- The results of the search, including a description of any property or contraband seized
- If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and department policy have been met.

Temporary Custody of Juveniles

311.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Brooklyn Center Police Department (34 USC § 11133; Minn. Stat. § 260B.176; Minn. Stat. § 260C.176).

This policy does not apply to secure detention facilities, shelter care facilities, or the juvenile portion of an adult facility authorized to hold juveniles, but rather applies to the temporary custody of a juvenile before a juvenile is released, delivered to a court, or delivered to any of these other facilities (Minn. Stat. § 260B.176, Subd. 3; Minn. Stat. § 260C.176, Subd. 3).

311.1.1 DEFINITIONS

Definitions related to this policy include:

Custodian or Guardian - A person who is under a legal obligation or who is in fact providing care and support for a minor (Minn. Stat. § 260B.007, Subd. 13; Minn. Stat. § 260C.007, Subd. 10).

Juvenile non-offender - An abused, neglected, dependent, or alien juvenile who may be legally held for his/her own safety or welfare. This includes those held as runaways (Minn. Stat. § 260C.175), truancy violators (Minn. Stat. § 260C.143), and juveniles 15 years old or younger in custody related to their engaging in prostitution or related activities (Minn. Stat. § 260B.007 Subd. 6(c)). This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for his/her protection or for purposes of reuniting the juvenile with a parent, guardian, or other responsible person.

Juvenile offender - A juvenile 17 years of age or younger who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense). It also includes possession of a handgun in violation of Minn. Stat. § 624.713 (28 CFR 31.303). This does not include a juvenile petty offender under Minn. Stat. § 260B.007.

Non-secure custody - When a juvenile is held in the presence of an officer or other custody employee at all times and is not placed in a locked room, cell, or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring, and audio two-way communication is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation.

Secure custody - When a juvenile offender is held in a locked room, a set of rooms, or a cell. Secure custody also includes being physically secured to a stationary object.

Examples of secure custody include:

- (a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.
- (b) A juvenile handcuffed to a rail.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Temporary Custody of Juveniles

- (c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.
- (d) A juvenile being processed in a secure booking area when a non-secure booking area is available.
- (e) A juvenile left alone in a secure booking area after being photographed and fingerprinted.
- (f) A juvenile placed in a cell within the adult temporary holding area whether or not the cell door is locked.
- (g) A juvenile placed in a room that is capable of being locked or contains a fixed object designed for cuffing or restricting movement.

Sight and sound separation - Located or arranged to prevent physical, visual, or auditory contact.

Status offender - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include underage possession of tobacco or curfew violation. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender. Juvenile petty offenders taken into custody should be considered a status offender for purposes of this policy (Minn. Stat. § 260B.007; Minn. Stat. § 260B.143).

311.2 POLICY

The Brooklyn Center Police Department is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the Brooklyn Center Police Department. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer, or release.

311.3 JUVENILES WHO SHOULD NOT BE HELD

Juveniles who exhibit any of the following conditions should not be held at the Brooklyn Center Police Department:

- (a) Unconscious
- (b) Seriously injured
- (c) A known suicide risk or obviously severely emotionally disturbed
- (d) Significantly intoxicated
- (e) Extremely violent or continuously violent

Officers taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation.

These juveniles should not be held at the Brooklyn Center Police Department unless they have been evaluated by a qualified medical and/or mental health professional.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Temporary Custody of Juveniles

If the officer taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release, or a transfer is completed.

311.3.1 SUICIDE PREVENTION OF JUVENILES IN CUSTODY

The arresting officer should be alert to potential symptoms based upon exhibited behavior that may indicate the juvenile is a suicide risk. These symptoms may include depression, refusal to communicate, verbally threatening to kill him/herself, or any unusual behavior that may indicate the juvenile may harm him/herself while in custody.

311.4 CUSTODY OF JUVENILES

Officers should take custody of a juvenile and temporarily hold the juvenile at the Brooklyn Center Police Department when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile that is suspected of being a victim.

No juvenile should be held in temporary custody at the Brooklyn Center Police Department without authorization of the arresting officer's supervisor or the senior officer.

Any juvenile taken into custody shall be released to the care of the juvenile's parent or other responsible adult, or transferred to a juvenile custody facility or to other authority as soon as practicable, and in no event shall a juvenile be held beyond six hours from the time of his/her entry into the Brooklyn Center Police Department (34 USC § 11133).

311.4.1 CUSTODY OF JUVENILE NON-OFFENDERS

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Brooklyn Center Police Department. Custodial arrangements should be made for non-offenders as soon as reasonably possible (Minn. Stat. § 260B.175; Minn. Stat. § 260C.143; Minn. Stat. § 260C.176). Juvenile non-offenders may not be held in secure custody (34 USC § 11133).

Juveniles detained for truancy violations may be (Minn. Stat. § 260C.143):

- (a) Transported to the juvenile's home and released to a parent or guardian.
- (b) Transported to the juvenile's school of enrollment and delivered to the school superintendent or a teacher.
- (c) Transported to a child truancy center under Minn. Stat. § 260A.04, Subd. 3.

311.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS

Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However officers may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders may not be held in secure custody (34 USC § 11133).

Brooklyn Center PD Policy Manual

Temporary Custody of Juveniles

311.4.3 CUSTODY OF JUVENILE OFFENDERS

Juvenile offenders should be held in non-secure custody while at the Brooklyn Center Police Department unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Generally juvenile offenders may be taken into custody under the authority of Minn. Stat. § 260B.175 when a court order authorizes the custody, when the juvenile has committed an offense that would warrant the arrest of an adult, or when it is reasonably believed that the child has violated the terms of probation, parole, or other field supervision.

An officer who takes a juvenile offender of any age or gender into custody or could take the juvenile into custody under Minn. Stat. § 260B.175 is authorized to perform a protective pat-down search of the juvenile offender in order to protect the officer's safety (Minn. Stat. § 260B.175, Subd. 4).

The parent, guardian, or custodian of the juvenile shall be notified as soon as possible when a juvenile offender is taken into custody. Juvenile offenders shall be released to the custody of a parent, guardian, custodian, or other suitable person unless there is reason to believe that the juvenile would (Minn. Stat. § 260B.176):

- (a) Endanger themselves or others.
- (b) Not return for a court hearing.
- (c) Run away from or otherwise not remain in the care or control of their parent, guardian, or custodian.
- (d) Face immediate endangerment to the juvenile's health or welfare.

If a juvenile offender is not released to a parent, guardian, custodian, or other suitable person, the officer taking the juvenile offender into custody shall communicate with or deliver the juvenile to a secure detention facility to determine whether the juvenile should be released or detained. The officer shall also notify the court as soon as possible of the detention of the juvenile and the reasons for detention (Minn. Stat. § 260B.176).

311.5 ADVISEMENTS

When a juvenile is taken into custody on a warrant, the juvenile and his/her parent, guardian, or custodian, if present, shall immediately be informed of the existence of the warrant for immediate custody and, as soon as practicable, of the reasons why the juvenile is being taken into custody (Minnesota Rules of Juvenile Delinquency Procedure 4.03, Subd. 10).

If it is determined that a juvenile taken into custody is going to be placed into a secure detention facility or a shelter care facility, the officer shall advise both the juvenile and the juvenile's parent, guardian, or custodian as soon as possible (Minn. Stat. § 260B.176, Subd. 3; Minn. Stat. § 260C.176, Subd. 3):

- (a) Of the reasons for custody and the reasons for placement.
- (b) Of the location of the facility unless there is reason to believe that disclosure would place the juvenile's health and welfare in immediate endangerment. If so, the disclosure shall not be made (Minn. Stat. § 260B.176, Subd. 5).

- (f) That the juvenile may not be detained under Minn. Stat. § 260C.175, Subd. 1, clause (1) or (2), item (ii) longer than 72 hours at a shelter care facility excluding weekends and holidays unless a petition has been filed pursuant to Minn. Stat. § 260C.178.
- (g) That the juvenile may not be detained for acts under Minn. Stat. § 260B.007, Subd. 6 for longer than 24 hours in an adult jail or municipal lockup excluding weekends and holidays or longer than six hours if the adult jail or municipal lockup is a standard metropolitan statistical area, unless a petition has been filed pursuant to Minn. Stat. § 260B.178 and a motion made to refer the juvenile for adult prosecution.

- (i) That the juvenile and the juvenile's parent, guardian, or custodian have the right to be present and to be represented by counsel, at the detention hearing and that if they cannot afford counsel it will be appointed at public expense.

311.6 JUVENILE CUSTODY LOGS

Any time a juvenile is held in custody at the Department the custody shall be promptly and properly documented in the custody log, including:

- (a) Identifying information about the juvenile being held.
- (b) Date and time of arrival, and release from the Brooklyn Center Police Department.
- (c) Supervisor notification and approval to temporarily hold the juvenile.

311.7 NO-CONTACT REQUIREMENTS

Sight and sound separation shall be maintained between all juveniles and adults while in custody at the Department (34 USC § 11133). There should also be sight and sound separation between non-offenders and juvenile or status offenders.

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the Brooklyn Center Police Department shall maintain a constant, immediate presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact.

311.8 TEMPORARY CUSTODY REQUIREMENTS

Members and supervisors assigned to monitor or process any juvenile at the Brooklyn Center Police Department shall ensure the following:

- (a) The Shift Sergeant should be notified if it is anticipated that a juvenile may need to remain at the Brooklyn Center Police Department more than four hours. This will enable the Shift Sergeant to ensure no juvenile is held at the Brooklyn Center Police Department more than six hours.
- (b) A staff member of the same sex shall supervise personal hygiene activities and care, such as changing clothing or using the restroom, without direct observation to allow for privacy.
- (c) Personal visual checks and significant incidents/activities shall be noted on the log.
- (d) There shall be no viewing devices, such as peep holes or mirrors, of which the juvenile is not aware. Therefore an employee should inform a juvenile under his/her care that the juvenile will be monitored at all times unless he/she is using the toilet. This does not apply to surreptitious and legally obtained recorded interrogations.
- (e) Juveniles shall have reasonable access to toilets and wash basins.
- (f) Food should be provided if a juvenile has not eaten within the past four hours or is otherwise in need of nourishment, including any special diet required for the health of the juvenile.
- (g) Juveniles shall have reasonable access to a drinking fountain or water.
- (h) Juveniles shall have reasonable opportunities to stand and stretch, particularly if handcuffed or restrained in any way.
- (i) Juveniles should have privacy during family, guardian, and/or lawyer visits.
- (j) Juveniles should be permitted to remain in their personal clothing unless the clothing is taken as evidence or is otherwise unsuitable or inadequate for continued wear while in custody.
- (k) Blankets should be provided as reasonably necessary.
- (l) Adequate shelter, heat, light, and ventilation should be provided without compromising security or enabling escape.
- (m) Juveniles shall have adequate furnishings, including suitable chairs or benches.

- (n) Juveniles shall have the right to the same number of telephone calls as an adult in custody.
- (o) No discipline may be administered to any juvenile nor may juveniles be subjected to corporal or unusual punishment, humiliation, or mental abuse.

311.9 USE OF RESTRAINT DEVICES

Juvenile offenders may be handcuffed in accordance with the Handcuffing and Restraints Policy. A juvenile offender may be handcuffed at the Brooklyn Center Police Department when the juvenile presents a heightened risk. However, non-offenders and status offenders should not be handcuffed unless they are combative or threatening.

Restraints shall only be used after less restrictive measures have failed.

Juveniles in restraints shall be kept away from other unrestrained juveniles or monitored in such a way as to protect the juvenile from abuse.

311.10 PERSONAL PROPERTY

The officer taking custody of a juvenile offender or status offender at the Brooklyn Center Police Department shall ensure a thorough search of the juvenile's property is made and all property is removed from the juvenile, especially those items that could compromise safety, such as pens, pencils, and belts.

The personal property of a juvenile should be placed in a property bag. The property should be inventoried in the juvenile's presence and sealed into the bag. The property should be kept in a monitored or secure location until the juvenile is released from the custody of the Brooklyn Center Police Department.

311.11 SECURE CUSTODY

Only juvenile offenders 14 years of age or older may be placed in secure custody.

Secure custody should only be used for juvenile offenders when there is a reasonable belief that the juvenile is a serious risk of harm to himself/herself or others.

Members of this department should not use secure custody for convenience when non-secure custody is or later becomes a reasonable option.

When reasonably practicable, handcuffing one hand of a juvenile offender to a fixed object while otherwise maintaining the juvenile in non-secure custody should be considered as the method of secure custody rather than the use of a locked enclosure. An employee must be present at all times to ensure the juvenile's safety while secured to a stationary object.

Generally, juveniles should not be secured to a stationary object for more than 60 minutes. Supervisor approval is required to secure a juvenile to a stationary object for longer than 60 minutes and every 30 minutes thereafter. Supervisor approval should be documented.

- (b) Notification of the parent, guardian, or person standing in loco parentis of the juvenile.
- (c) Notification of the appropriate prosecutor.
- (d) Notification of the City attorney.
- (e) Evidence preservation.

311.13 INTERVIEWING OR INTERROGATING JUVENILE SUSPECTS

No interview or interrogation of a juvenile should occur unless the juvenile has the apparent capacity to consent and does consent to an interview or interrogation.

311.13.1 SCHOOL NOTIFICATION

Minnesota law requires that the Chief of Police or the authorized designee notify the superintendent or chief administrative officer of a juvenile's school of an incident occurring within our jurisdiction if (Minn. Stat. § 260B.171 Subd. 5):

- (b) For certain serious crimes regardless of whether the victim is a student or staff member.

However the Department is not required to notify the school if it is determined that notice would jeopardize an ongoing investigation.

311.14 RESTRICTION ON PHOTOGRAPHING

Photographing of juveniles taken into custody will only occur with the consent of the juvenile court, except when the photograph is taken related to a violation of driving while impaired or is taken pursuant to the laws of arrest (Minn. Stat. § 260B.171, Subd. 5; Minn. Stat. § 260B.175; Minn. Stat. § 169A.20).

Adult Abuse

312.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation and reporting of suspected abuse of certain adults who may be more vulnerable than others. This policy also addresses mandatory notification for Brooklyn Center Police Department members as required by law (Minn. Stat. § 626.557).

312.1.1 DEFINITIONS

Definitions related to this policy include (Minn. Stat. § 626.5572):

Adult abuse - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult's care, or any other act that would mandate reporting or notification to a social service agency or law enforcement.

312.2 POLICY

The Brooklyn Center Police Department will meet Minnesota mandates related to adults who may need heightened protection due to their age or infirmities. Members of the Brooklyn Center Police Department will treat these persons with a high level of compassion and care.

312.3 MANDATORY NOTIFICATION

Members of the Brooklyn Center Police Department shall notify the entity responsible for receiving such reports when they have reason to believe that a vulnerable adult is being or has been maltreated, or has sustained a physical injury which is not reasonably explained. Members shall also report suspected negligent care by a service or health care provider that resulted in injury or harm requiring the care of a physician (Minn. Stat. § 626.557).

For purposes of notification, a vulnerable adult is a person age 18 or older who has physical, mental or emotional disabilities that make it difficult for the person to care for or to protect him/herself from maltreatment. It also refers to adults who reside at a facility, or receive care at a facility or through home care (Minn. Stat. § 626.5572).

Maltreatment includes abuse, neglect and financial exploitation. Abuse can be physical, emotional or sexual. Financial exploitation may include any instance where vulnerable adults' money, assets or property are not used for their benefit or are stolen or kept from them (see Minn. Stat. § 626.5572 for full definitions).

312.3.1 NOTIFICATION PROCEDURE

Notification should be made as soon as possible, but in all cases within 24 hours (Minn. Stat. § 626.557; Minn. Stat. § 626.5572). To the extent possible, the following should be included in the notification:

- (a) The identity of the vulnerable adult and any caregiver
- (b) The nature and extent of the suspected maltreatment

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Adult Abuse

- (c) Any evidence of previous maltreatment
- (d) The name and addresses of the person initiating the report or other witnesses
- (e) The time, date, and location of the incident
- (f) Any other information that might be helpful in investigating the suspected maltreatment

If notification of maltreatment is first made to the Brooklyn Center Police Department, the member receiving the notification shall complete and forward the intake form to the entity responsible for receiving such reports.

312.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available to investigate cases of adult abuse. These investigators should:

- (a) Conduct interviews in appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to adult abuse investigations.
- (c) Present all cases of alleged adult abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and facility administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians and support for the victim and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable (Minn. Stat. § 626.5571).

312.5 INVESTIGATIONS AND REPORTING

All reported or suspected cases of adult abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated. Investigations should be initiated as soon as possible, but in all cases within 24 hours (Minn. Stat. § 626.557).

Investigations and reports related to suspected cases of adult abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected adult abuse victim is contacted.
- (b) Any relevant statements the victim may have made and to whom he/she made the statements.
- (c) If a person is taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (d) Documentation of any visible injuries or any injuries identified by the victim. This should include photographs of such injuries, if practicable.
- (e) Whether the victim was transported for medical treatment or a medical examination.

Brooklyn Center Police Department

Adult Abuse

- (f) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other potential victims or witnesses who may reside in the residence.
- (g) Identification of any prior related reports or allegations of abuse, including other jurisdictions, as reasonably known.
- (h) Previous addresses of the victim and suspect.
- (i) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

Any unexplained death of an adult who was in the care of a guardian or caretaker should be considered as potential adult abuse and investigated similarly.

Assigned members shall initiate an investigation of vulnerable adult abuse as soon as possible, but in all cases within 24 hours when there is reason to believe a crime has been committed (Minn. Stat. § 626.557).

312.6 PROTECTIVE CUSTODY

Before taking an adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the officer should make reasonable attempts to contact an appropriate protective services agency. Generally, removal of an adult abuse victim from his/her family, guardian or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove an adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking an adult abuse victim into protective custody, the officer should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the officer shall ensure that the adult is delivered to an appropriate protective services agency or medical facility.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking an adult abuse victim into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking the adult into protective custody.

When adult abuse victims are under state control, have a state-appointed guardian or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

312.7 MEDICAL EXAMINATIONS

When an adult abuse investigation requires a medical examination, the investigating officer should obtain consent for such examination from the victim, guardian, agency or entity having legal custody of the adult. The officer should also arrange for the adult's transportation to the appropriate medical facility.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Adult Abuse

In cases where the alleged offender is a family member, guardian, agency or entity having legal custody and is refusing to give consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the adult for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.

312.8 DRUG-ENDANGERED VICTIMS

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of an adult abuse victim who has been exposed to the manufacturing, trafficking or use of narcotics.

312.8.1 SUPERVISOR RESPONSIBILITIES

The Investigations Division supervisor should:

- (a) Work with professionals from the appropriate agencies, including the applicable adult protective services agency, other law enforcement agencies, medical service providers and local prosecutors, to develop community-specific procedures for responding to situations where there are adult abuse victims endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an officer notifies the Investigations Division supervisor that he/she has responded to a drug lab or other narcotics crime scene where an adult abuse victim is present or where evidence indicates that an adult abuse victim lives.
- (c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the adult.

312.9 STATE MANDATES AND OTHER RELEVANT LAWS

Minnesota requires or permits the following:

312.9.1 SUPPORT SERVICES RESPONSIBILITIES

The Support Services is responsible for:

- (a) Providing a copy of the adult abuse report to the applicable entity in the county responsible for receiving such reports as required by law.
- (b) Retaining the original adult abuse report with the initial case file.

312.9.2 RELEASE OF REPORTS

Information related to incidents of adult abuse or suspected adult abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (Minn. Stat. § 626.557).

312.10 INTERVIEWS

Adult Abuse

312.10.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should audio record the preliminary interview with a suspected adult abuse victim. Officers should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available.

312.10.2 DETAINING VICTIMS FOR INTERVIEWS

An officer should not detain an adult involuntarily who is suspected of being a victim of abuse solely for the purpose of an interview or physical exam without his/her consent or the consent of a guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
 - 1. A reasonable belief that medical issues of the adult need to be addressed immediately.
 - 2. A reasonable belief that the adult is or will be in danger of harm if the interview or physical exam is not immediately completed.
 - 3. The alleged offender is a family member or guardian and there is reason to believe the adult may be in continued danger.
- (b) A court order or warrant has been issued.

Discriminatory Harassment

313.1 PURPOSE AND SCOPE

This policy is intended to prevent department members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

313.2 POLICY

The Brooklyn Center Police Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation. The Department will not tolerate, discrimination against employees in hiring, promotion, discharge, compensation, fringe benefits, and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights it is designed to protect.

The non-discrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

313.3 DEFINITIONS

Definitions related to this policy include:

313.3.1 DISCRIMINATION

The Department prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment can include making derogatory comments; making crude and offensive statements or remarks; making slurs or off-color jokes; stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters, or material; making inappropriate physical contact; or using written material or department equipment and/or systems to transmit or receive offensive material, statements, or pictures. Such conduct is contrary to department policy and to a work environment that is free of discrimination.

Discriminatory Harassment

313.3.2 SEXUAL HARASSMENT

The Department prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly a term or condition of employment, position, or compensation.
- (b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.
- (c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

313.3.3 ADDITIONAL CONSIDERATIONS

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles, or standards including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission (EEOC) and the Minnesota Department of Human Rights.
- (b) Bona fide requests or demands by a supervisor that the member improve the member's work quality or output, that the member report to the job site on time, that the member comply with City or department rules or regulations, or any other appropriate work-related communication between supervisor and member.

313.3.4 RETALIATION

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because the person has engaged in protected activity, filed a charge of discrimination, participated in an investigation, or opposed a discriminatory practice. Retaliation will not be tolerated.

313.4 RESPONSIBILITIES

This policy applies to all department personnel. All members shall follow the intent of these guidelines in a manner that reflects department policy, professional standards, and the best interest of the Department and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory, or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to the member's immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Chief of Police, the Director of Human Services, or the City Manager.

Any member who believes, in good faith, that the member has been discriminated against, harassed, or subjected to retaliation, or who has observed harassment, discrimination, or

retaliation, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with resolution as stated below.

313.4.1 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors and managers shall include but are not limited to:

- (a) Continually monitoring the work environment and striving to ensure that it is free from all types of unlawful discrimination, including harassment or retaliation.
- (b) Taking prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment, or retaliation.
- (c) Ensuring that their subordinates understand their responsibilities under this policy.
- (d) Ensuring that members who make complaints or who oppose any unlawful employment practices are protected from retaliation and that such matters are kept confidential to the extent possible.
- (e) Making a timely determination regarding the substance of any allegation based upon all available facts.
- (f) Notifying the Chief of Police or the Director of Human Services in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment, or retaliation no later than the next business day.

313.4.2 SUPERVISOR'S ROLE

Supervisors and managers shall be aware of the following:

- (a) Behavior of supervisors and managers should represent the values of the Department and professional standards.
- (b) False or mistaken accusations of discrimination, harassment, or retaliation can have negative effects on the careers of innocent members.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members, or issuing discipline in a manner that is consistent with established procedures.

313.5 INVESTIGATION OF COMPLAINTS

Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved members should take prompt and reasonable steps to mitigate or eliminate any continuing abusive or hostile work environment. It is the policy of the Department that all complaints of discrimination, retaliation, or harassment shall be fully documented, and promptly and thoroughly investigated.

313.5.1 SUPERVISOR RESOLUTION

Members who believe they are experiencing discrimination, harassment, or retaliation should be encouraged to inform the individual that the behavior is unwelcome, offensive, unprofessional, or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing the member's concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

313.5.2 FORMAL INVESTIGATION

If the complaint cannot be satisfactorily resolved through the process described above, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint, or for offering testimony or evidence in an investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include but is not limited to details of the specific incident, frequency and dates of occurrences, and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed, or retaliated against because of their protected status are encouraged to follow the chain of command but may also file a complaint directly with the Chief of Police, the Director of Human Services or the City Manager.

313.5.3 ALTERNATIVE COMPLAINT PROCESS

No provision of this policy shall be construed to prevent any member from seeking legal redress outside the Department. Members who believe that they have been harassed, discriminated against, or retaliated against are entitled to bring complaints of employment discrimination to federal, state, and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

313.6 DOCUMENTATION OF COMPLAINTS

All complaints or allegations shall be thoroughly documented on the appropriate forms and in a manner designated by the Chief of Police. The outcome of all reports shall be:

- (a) Approved by the Chief of Police, the City Manager, or the Director of Human Services, depending on the ranks of the involved parties.
- (b) Maintained in accordance with the established records retention schedule.

313.6.1 NOTIFICATION OF DISPOSITION

The complainant and/or victim will be notified in writing of the disposition of the investigation and the actions taken to remedy or address the circumstances giving rise to the complaint.

313.7 TRAINING

All new members shall be provided with a copy of this policy as part of their orientation. The policy shall be reviewed with each new member. The member shall certify by signing the prescribed form that the member has been advised of this policy, is aware of and understands its contents, and agrees to abide by its provisions during the member's term with the Department.

All members shall receive annual training on the requirements of this policy and shall certify by signing the prescribed form that they have reviewed the policy, understand its contents, and agree that they will continue to abide by its provisions.

- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable.

314.5 INVESTIGATIONS AND REPORTING

In all reported or suspected cases of child abuse, a report will be written. Officers shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected child abuse victim was contacted.
- (b) The exigent circumstances that existed if officers interviewed the child victim without the presence of a parent or guardian.
- (c) Any relevant statements the child may have made and to whom he/she made the statements.
- (d) If a child was taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.

314.6 PROTECTIVE CUSTODY

Before taking any child into protective custody, the officer should make reasonable attempts to contact the county social services agency (First Response).

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Child Abuse

Generally, members of this department should remove a child from his/her parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the officer should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the officer shall ensure that the child is delivered to the county social services agency.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations (Minn. Stat. § 260C.175):

- (a) When a court has issued an order for removal.
- (b) When a child is found in surroundings or conditions that pose an imminent threat to the child's health or welfare, or that a peace officer reasonably believes pose an imminent threat to the child's health or welfare.
- (c) If an Indian child is a resident of a reservation or is domiciled on a reservation but temporarily located off the reservation, taking the child into custody under this clause shall be consistent with the Indian Child Welfare Act (25 USC § 1922).

314.6.1 NOTICE TO PARENT OR CUSTODIAN AND CHILD

Whenever an officer takes a child into protective custody, the officer shall notify the parent or custodian, and the child (age 10 years or older) that they may request that the child be placed with a relative instead of in a shelter care facility. The officer also shall give the parent or custodian a list, published by the Minnesota Department of Human Services, of names, addresses, and telephone numbers of social services agencies that offer child welfare services. When placement with a relative is requested, the [officer/deputy] will coordinate with the responsible social services agency to ensure the child's safety and well-being in compliance with Minn. Stat. § 260C.181 (Minn. Stat. § 260C.175).

If the parent or custodian was not present when the child was removed from the residence, the list shall be left with an adult who is on the premises or left in a conspicuous place on the premises if no adult is present. If the officer has reason to believe the parent or custodian is not able to read and understand English, the officer must provide a list that is written in the language of the parent or custodian (Minn. Stat. § 260C.175; Minn. Stat. § 260C.181).

314.6.2 SAFE PLACE FOR NEWBORNS

A person may leave an unharmed newborn less than seven days old with the staff of a hospital, urgent care facility or ambulance service without being subject to prosecution (Minn. Stat. § 609.3785). The responsible social service agency is charged with addressing these matters but

may contact law enforcement if child abuse is suspected (Minn. Stat. § 145.902; Minn. Stat. § 609.3785).

314.7 INTERVIEWS

314.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should record the preliminary interview with suspected child abuse victims. Officers should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

314.7.2 DETAINING ABUSE VICTIMS FOR INTERVIEW

An officer should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
 1. A reasonable belief that medical issues of the child need to be addressed immediately.
 2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
 3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

314.7.3 NOTIFICATION TO PARENTS

Generally, officers should cooperate with parents and guardians and seek consent prior to conducting interviews of children. However, when reasonably necessary, state law grants officers the authority to interview a child who is the alleged victim of abuse or neglect, and any other children who currently reside or have resided with the alleged victim, without parental consent (Minn. Stat. § 260E.22, Subd. 1).

The interview may take place at school or at any facility or other place where the alleged victim or other children might be found, or the child may be transported to, and the interview conducted at, a place that is appropriate for the interview and has been designated by the local welfare agency or law enforcement agency. When it is possible and substantial child endangerment or sexual abuse is alleged, the interview may take place outside the presence of the alleged offender and prior to any interviews of the alleged offender (Minn. Stat. § 260E.22).

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Child Abuse

The officer shall notify the parent, legal custodian, or guardian that the interview occurred as soon as reasonably practicable after the interview, unless the juvenile court has determined that reasonable cause exists to withhold the information (Minn. Stat. § 260E.22).

314.7.4 INTERVIEWS AT SCHOOL

If officers assigned to investigate a report of maltreatment determine that an interview should take place on school property, written notification of the intent to interview the child on school property must be received by school officials prior to the interview. The notification shall include the name of the child to be interviewed, the purpose of the interview, and a reference to the statutory authority to conduct an interview on school property (Minn. Stat. § 260E.22, Subd. 7).

The investigating officer shall determine who may attend the interview, although school officials may set reasonable conditions as to the time, place, and manner of the interview (Minn. Stat. § 260E.22, Subd. 7).

314.7.5 DOCUMENTING AND RECORDING INTERVIEWS

Any statement made by an alleged child abuse victim during the course of a criminal investigation shall be documented. The documentation of the interview must contain, at a minimum (Minn. Stat. § 260E.23):

- (a) The date, time, place, and duration of the interview.
- (b) The identity of the persons present at the interview.
- (c) A summary of the information obtained during the interview if it was not audio recorded.

Members should follow the written guidelines of the county attorney's office regarding recording interviews of a child abuse victim.

314.8 MEDICAL EXAMINATIONS

If the child has been the victim of abuse that requires a medical examination, the investigating officer should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The officer should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

314.9.1 SUPERVISOR RESPONSIBILITIES

The Investigations Division supervisor should:

- (b) Activate any available interagency response when an officer notifies the Investigations Division supervisor that the officer has responded to a drug lab or other narcotics crime scene where a child is present or where evidence indicates that a child lives there.
- (c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the child.

314.9.2 OFFICER RESPONSIBILITIES

Officers responding to a drug lab or other narcotics crime scene where a child is present or where there is evidence that a child lives should:

- (a) Document the environmental, medical, social and other conditions of the child using photography as appropriate and the checklist or form developed for this purpose.

314.10 STATE MANDATES AND OTHER RELEVANT LAWS

Minnesota requires or permits the following:

314.10.1 RELEASE OF REPORTS

314.10.2 CHILD MORTALITY REVIEW PANELS

Child mortality review panels are entitled to access all investigative information of law enforcement agencies regarding the death of a child. This department shall cooperate fully with any such team and investigation (Minn. Stat. § 256.01, Subd. 12).

314.10.3 COORDINATION WITH SOCIAL SERVICES

In every case of child abuse that would require notification to a local county social services agency, the investigating officer shall coordinate the planning and execution of the investigation and assessment efforts to avoid a duplication of fact-finding efforts and multiple interviews. The investigating officer shall prepare a report separate from the social services agency (Minn. Stat. § 260E.12; Minn. Stat. § 260E.14, Subd. 5).

314.10.4 NOTIFICATION PROCESS

The Patrol Supervisor is responsible for ensuring the mandatory notifications to the county social service agency are carried out. This should be achieved, in part, by establishing and reviewing related procedures and through ongoing training (Minn. Stat. § 260E.01 et seq.).

314.10.5 COURT-ORDERED FIREARM SURRENDERS

Although not required, this department generally will accept firearms surrendered by a court order from an abusing party or defendant. A decision to refuse a surrendered firearm should be approved by a supervisor.

315.2 POLICY

The Brooklyn Center Police Department does not consider any report of a missing person to be routine and assumes that the missing person is in need of immediate assistance until an investigation reveals otherwise. The Investigations Division supervisor shall ensure the following forms and kits are developed and available:

315.4 ACCEPTANCE OF REPORTS

Public Alerts

316.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for alerting the public to important information and soliciting public aid when appropriate.

316.2 POLICY

Public alerts may be employed using the Emergency Alert System (EAS), local radio, television and press organizations and other groups to notify the public of incidents, or enlist the aid of the public, when the exchange of information may enhance the safety of the community. Various types of alerts may be available based upon each situation and the alert system's individual criteria.

316.3 RESPONSIBILITIES

316.3.1 EMPLOYEE RESPONSIBILITIES

Employees of the Brooklyn Center Police Department should notify their supervisor, Shift Sergeant or Investigations Division Supervisor as soon as practicable upon learning of a situation where public notification, a warning or enlisting the help of the media and public could assist in locating a missing person, apprehending a dangerous person or gathering information.

316.3.2 SUPERVISOR RESPONSIBILITIES

A supervisor apprised of the need for a public alert is responsible to make the appropriate notifications based upon the circumstances of each situation. The supervisor shall promptly notify the Chief of Police, the appropriate Division Commander and the Public Information Officer when any public alert is generated.

The supervisor in charge of the investigation to which the alert relates is responsible for the following:

Utilizing the assistance of local radio, television and press affiliates, the public will be notified of the circumstances of a child's abduction and how it can assist law enforcement in the child's recovery. The goal of the AMBER Alert program is the safe return of an abducted child by establishing an effective partnership between the community, the media and law enforcement through the Minnesota Crime Alert Network (Minn. Stat. § 299A.61 Subd. 1).

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Public Alerts

316.4.1 CRITERIA

Any non-familial case in which an individual is abducted and the public can assist will trigger the activation of either the AMBER Alert and/or the Minnesota Crime Alert Network (MCAN) to inform the public and request its assistance in locating the individual.

The criteria for issuance of an Amber Alert are as follows:

- (a) A child 17 years of age or younger was abducted and there is reason to believe the victim is in imminent danger of serious bodily injury or death.
- (b) There is information available to disseminate to the general public that could assist with the safe recovery of the victim and/or the apprehension of the suspect.

An AMBER Alert should not be requested if there is no information to distribute.

316.4.2 PROCEDURE

The supervisor shall review the AMBER Alert checklist provided by the Bureau of Criminal Apprehension (BCA) to determine whether the abduction meets the AMBER Alert criteria.

As soon as possible, Support Services personnel shall enter the child's name and other critical data into the National Crime Information Center (NCIC), with appropriate flags.

If the AMBER Alert criteria is met, the supervisor, Shift Sergeant or Investigations Division supervisor will notify the Operations Center at the BCA. The BCA will determine whether an AMBER Alert will be issued and, if so, will activate the Minnesota Emergency Alert System (EAS) through the Minnesota Department of Public Safety (DPS) Division of Homeland Security and Emergency Management (HSEM).

BCA will manage press notifications through the EAS.

As additional information becomes available, the BCA shall be apprised and they will disseminate the information, as appropriate.

When the child is found, or the alert should be cancelled for other reasons, the Investigations Division supervisor shall immediately notify BCA with the pertinent information.

316.5 MINNESOTA CRIME ALERT NETWORK (MCAN)

MCAN is a statewide communications network that enables law enforcement agencies to quickly alert the public (Minn. Stat. § 299A.61). In cases where the AMBER Alert criteria are not met, the supervisor shall issue a missing person alert through MCAN to notify the public and request information on the case (Minn. Stat. § 299C.53). Law enforcement agencies, businesses, schools, and community members participate in the network.

316.5.1 CRITERIA

MCAN is available for disseminating information regarding the commission of crimes, including information on missing and endangered children or vulnerable adults, or attempts to reduce theft and other crime.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Public Alerts

316.5.2 PROCEDURE

The Public Information Officer should prepare a press release that includes all available information that might strengthen the assistance by the public or other law enforcement agencies. It should be updated with additional information as it becomes available and useful. All media releases should be coordinated with the BCA. In the event of a confirmed child abduction, whether or not an AMBER Alert or MCAN alert is activated, procedures designed to inform the media should be followed. Initial information to release may include but is not limited to:

- (a) The nature of the crime that has occurred.
- (b) The victim's identity, age, and description, if relevant.
- (c) Photograph if available.
- (d) The suspect's identity, age, and description, if known.

As additional information pertinent to the case becomes available, it shall be forwarded to the BCA.

316.6 PUBLIC MEETING CHECKLIST

In an effort to make sure all of the department's public speaking events are as successful as possible, a checklist of essential items must be completed. This list can be expanded on, but serves as the minimum. The person requesting the meeting is also responsible for assigning or completing each item on the checklist.

A public meeting is any meeting held with an open invitation to the public no matter how large or small.

Checklist:

- 1) Complete topic of discussion and agenda.

316.7 BLUE ALERTS

Blue Alerts are used to provide a statewide system for the rapid dissemination of information regarding a violent criminal who has seriously injured or killed a local, state or federal law enforcement officer.

316.7.1 CRITERIA

The following criteria should be utilized to determine if a request to activate a Blue Alert will be made:

It is expressly prohibited for an employee to allow an unauthorized user to access the system at any time or for any reason.

Report Preparation

321.1 PURPOSE AND SCOPE

Report preparation is a major part of each employee's job. 321.1.1 REPORT PREPARATION

Employees should ensure that their reports are sufficient for their purpose, and reasonably free of errors prior to submission. Generally, reports of a serious nature requiring prompt follow-up action on active leads, or arrest reports where the suspect remains in custody should not be held.

Employees who dictate reports shall use appropriate grammar, as content is not the responsibility of the typist. Employees who generate reports on computers are subject to all requirements of this policy.

All reports shall accurately reflect the identity of the persons involved, all pertinent information seen, heard, or assimilated by any other sense, and any actions taken. Employees shall not suppress, conceal, or distort the facts of any reported incident, nor shall any employee make a false report orally or in writing. News Media Relations

322.1 PURPOSE AND SCOPE

This policy provides guidelines for media releases and media access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities.

322.2 RESPONSIBILITIES

The ultimate authority and responsibility for the release of information to the media shall remain with the Chief of Police. However, in situations not warranting immediate notice to the Chief of Police and in situations where the Chief of Police has given prior approval, Division Commanders, Shift Sergeants and designated Public Information Officer(s) may prepare and release information to the media in accordance with this policy and the applicable law.

322.2.1 MEDIA REQUEST

Any media request for information or access to a law enforcement situation shall be referred to the designated Department media representative, or if unavailable, to the first available supervisor. Prior to releasing any information to the media, employees shall consider the following:

- (a) At no time shall any employee of this department make any comment or release any official information to the media without prior approval from a supervisor or the designated Department media representative.
- (b) In situations involving multiple law enforcement agencies, every reasonable effort should be made to coordinate media releases with the authorized representative of each involved agency prior to the release of any information by this department.
- (c) Under no circumstance should any member of this department make any comment(s) to the media regarding any law enforcement incident not involving this department without prior approval of the Chief of Police.

322.3 MEDIA ACCESS

Authorized members of the media shall be provided access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities subject to the following conditions:

News Media Relations

- (c) No member of this department shall be required to submit to media visits or interviews without the consent of the involved employee.
- (d) Media interviews with individuals who are in custody shall not be permitted unless in compliance with a jail facility policy. Exceptions are only permitted with the approval of the Chief of Police and the express written consent of the person in custody.

A tactical operation should be handled in the same manner as a crime scene, except the news media shall be permitted within the outer perimeter of the scene, subject to any restrictions as determined by the supervisor in charge. Department members shall not jeopardize a tactical operation in order to accommodate the news media. All comments to the media shall be coordinated through a supervisor or the Public Information Officer.

322.3.1 TEMPORARY FLIGHT RESTRICTIONS

Whenever the presence of media or other aircraft poses a threat to public or officer safety or significantly hampers incident operations, the field supervisor should consider requesting a Temporary Flight Restriction (TFR). All requests for a TFR should be routed through a supervisor. The TFR request should include specific information regarding the perimeter and altitude necessary for the incident and should be requested through the appropriate control tower. If the control tower is not known, the Federal Aviation Administration should be contacted (14 CFR § 91.137).

322.3.2 PROVIDING ADVANCE INFORMATION

To protect the safety and rights of officers and other persons, advance information about planned actions by law enforcement personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the news media nor should media representatives be invited to be present at such actions except with the prior approval of the Chief of Police.

Any exceptions to the above should only be considered for the furtherance of legitimate law enforcement purposes. Prior to approving any exception, the Chief of Police will consider, at minimum, whether the release of information or presence of the media would unreasonably endanger any individual, prejudice the rights of any person or is otherwise prohibited by law.

322.4 SCOPE OF INFORMATION SUBJECT TO RELEASE

The Department will maintain a daily information log of significant law enforcement activities that shall be made available, upon request, to media representatives through the Shift Sergeant. This log will consist of data classified as public and should generally contain the following information (Minn. Stat. § 13.82):

- (a) The date, time, location, case number, type of crime, extent of injury or loss and names of individuals (except confidential informants) involved in crimes occurring within this jurisdiction, unless the release of such information would endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation.

At no time shall identifying information pertaining to a victim be publicly released without prior approval of a competent court when access to the data would reveal the identity of a victim or alleged victim of criminal sexual conduct or a violation of Minn. Stat. § 617.246, Subd. 2 (Minn. Stat. § 13.82 Subd. 17 (b)).

At no time shall identifying information pertaining to a juvenile witness be publicly released without prior approval of a competent court when this department has determined that the identity of a juvenile witness reasonably requires protection (Minn. Stat. § 13.82, Subd. 17 (g)).

Information concerning incidents involving persons whose identities are classified as private data under Minn. Stat. § 13.82, Subd. 17, shall be restricted from disclosure in accordance with that statute. Further detail is available in the Records Maintenance and Release Policy.

Identifying information concerning deceased individuals should only be released to the media when the decedent's identity has been verified and the release is approved by a supervisor.

Any requests for copies of related reports or additional information not contained in this log shall be referred to the designated media representative, the custodian of records, or if unavailable, to the Shift Sergeant. Such requests will generally be processed in accordance with the provisions of the Minnesota Data Practices Act (Minn. Stat. § 13.03).

322.4.1 STATE RESTRICTED INFORMATION

It shall be the responsibility of the authorized employee dealing with media requests to ensure that restricted information is not inappropriately released to the media by this department (See the Records Release and Security Policy and the Personnel Files Policy). When in doubt, authorized and available legal counsel should be obtained. Examples of such restricted information include, but are not limited to:

Mutual Aid and Outside Agency Assistance

324.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to officers in the request of, or answering the request for, assistance involving another law enforcement agency.

It is the policy of this department to provide assistance whenever reasonably possible, in accordance with the applicable laws of arrest and detention policies of this department, when another law enforcement agency requests assistance with an arrest or detention of any person. This department may also request an outside agency to provide assistance.

The Department may, at the discretion of the Chief of Police, establish an agreement with another agency to (Minn. Stat. § 626.76 Subd. 1):

324.1.1 ASSISTING OUTSIDE AGENCIES

Generally, calls for assistance from other agencies are received via radio transmission. Any such response to assist an outside agency may be considered for authorization regardless of whether an agreement for reciprocal aid under Minn. Stat. § 626.76 Subd. 1 exists.

When an authorized employee of an outside agency requests the assistance of this department in taking a person into custody, available officers shall respond and assist in making a lawful arrest. If an officer receives a request in the field for assistance, that officer shall notify a supervisor as soon as practical. Arrestees may be temporarily detained by this department until arrangements for transportation are made by the outside agency. Only in exceptional circumstances will this department provide transportation of arrestees to other county facilities.

When such assistance is rendered, action taken will be documented in a report or CAD comments.

324.1.2 REQUESTING ASSISTANCE FROM OUTSIDE AGENCIES

If assistance is needed from another agency, the employee requesting assistance should, if practicable, first notify a supervisor of his/her intentions, except in those situations where the employee or another is in imminent danger and there is an immediate need for assistance. The handling officer or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

The requesting officer should secure radio frequencies for use by all involved agencies so that communication can be coordinated as needed. If necessary, reasonable effort should be taken to provide radio equipment capable of communicating on the assigned frequency to any personnel who do not have compatible radios.

The incident commander is charged with making an immediate appraisal of the situation and its potential in compliance with mutual aid response guidelines. The All-Hazards Response and Recovery Base Plan base elements recommends that responders should:

Copies of the list should be provided to Dispatch and the shift sergeant to ensure proper use in compliance with agreements.

Registered Predatory Offender

325.1 PURPOSE AND SCOPE

This policy establishes guidelines by which the Brooklyn Center Police Department will address issues associated with certain offenders who are residing in the jurisdiction and how the Department will disseminate information and respond to public inquiries for information about registered offenders.

325.2 POLICY

It is the policy of the Brooklyn Center Police Department to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

325.3 REGISTRATION

The support services supervisor shall establish a process to reasonably accommodate registration of certain offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome or difficult for compliance. If it is reasonable to do so, an investigator assigned to related investigations should conduct the registration in order to best evaluate any threat the person may pose to the community. Those assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the support services supervisor shall ensure that the registration information is provided to the Bureau of Criminal Apprehension (BCA) in accordance with Minn. Stat. § 243.166 within three days of the registration. Registration and updated information from a person who lacks a primary residence shall be forwarded within two business days. Updated primary address information from any registered predatory offender shall also be forwarded within two business days (Minn. Stat. § 243.166).

The refusal of a registrant to provide any of the required information or complete the process should initiate a criminal investigation for failure to register.

325.3.1 REGISTRATION PROCESS

When an offender arrives to register with this department, the assigned investigator should:

- (a) Determine in what state the offense was committed.
- (b) Confirm the individual is required to register by reviewing the list of Minnesota offenses on the BCA's Predatory Offender Registration website or in the BCA Predatory Offender Registration (POR) Manual that is available on the BCA's secure website.
- (c) If a person is required to register, search the BCA's secure website to verify whether the offender is already registered and a DNA sample has been submitted.
- (d) If the offender is already registered, complete a Change of Information Form (available on the BCA's secure website).
- (e) If the offender is not registered, complete a POR Form (available at BCA's secure website).

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Registered Predatory Offender

- (f) If the offender is from another state, contact the state (information for each state is listed on the BCA's website) and request a copy of the offender's original registration form, criminal complaint and sentencing documents.
 - 1. Documents obtained should be submitted to the BCA with a registration form.
 - 2. The BCA will determine if registration is required and inform the department and the offender.

Additional information regarding offender registration is available in the POR Manual or by contacting the Predatory Offender Unit by phone or through the BCA secure website.

325.3.2 GUIDELINES AND FORMS

The registration process shall be in accordance with Minn. Stat. § 243.166 and follow the guidelines implemented by the BCA. Forms used in the registration process are available from the secure website operated by the BCA.

325.3.3 NOTIFICATION TO REGISTRANTS

The registration process established by the Support Services Manager should include procedures for determining whether an individual requires notification of his/her requirement to register because the individual was not otherwise notified of the requirement by the sentencing court or assigned a corrections agent (Minn. Stat. § 243.166).

325.4 MONITORING OF REGISTERED OFFENDERS

The Support Services Manager should establish a system to periodically, and at least once annually, verify that a registrant remains in compliance with his/her registration requirements after the initial registration. This verification should include:

- (a) Efforts to confirm residence by conducting periodic home visits. During home visits all registrant information will be verified.
- (b) Review of information on the Department of Corrections Offender Information website.
- (c) Contact with a registrant's parole or probation officer.

Any discrepancies should be reported to BCA.

The Support Services Manager should also establish a procedure to routinely disseminate information regarding registered offenders to Brooklyn Center Police Department personnel, including timely updates regarding new or relocated registrants.

325.5 DISSEMINATION OF PUBLIC INFORMATION

Members will not make a public notification advising the community of a particular registrant's presence in the community without permission from the Chief of Police. Members who believe notification is appropriate should promptly advise their supervisor. The supervisor should evaluate the request and forward the information to the Chief of Police if warranted. A determination will be made by the Chief of Police based on statutory requirements, with the assistance of legal counsel as necessary, whether such a public alert should be made.

The Department shall provide an offender's change of status to the entities and individuals who were initially notified if the Department becomes aware that the area where notification was made is no longer where the offender resides, is employed, or is regularly found (Minn. Stat. § 244.052, Subd. 4).

325.5.3 LEVEL 1 DISCLOSURE

325.5.9 VICTIM NOTIFICATION

If a predatory offender resides, expects to reside, is employed or is regularly found in this jurisdiction, the Department shall provide victims who have requested notification with data that is relevant and necessary to protect the victim. Information disclosed should be obtained from the risk assessment report provided by DOC (Minn. § Stat. 244.052, Subd. 3).

Members of the Department may contact other victims, witnesses and other individuals who are likely to be victimized by the offender.

325.5.10 HOMELESS NOTIFICATION PROCESS

If public notice (Level 2 or 3) is required on a registered homeless offender, that notice should be as specific as possible. These offenders are required to check in weekly with local law enforcement, unless an alternative reporting procedure is approved by the Investigations Division supervisor (Minn. Stat. § 243.166, Subd. 3a).

325.5.11 LIMITATIONS OF RELEASE OF DATA

The broadest disclosures authorized under Minn. Stat. § 244.052, Subd. 4 may still be made for certain offenders (sexually dangerous persons or persons with a sexual psychopathic personality) even though still residing in a residential facility (Minn. Stat. § 253D.32, Subd. 1).

325.6 DISCLOSURE TO LOCAL WELFARE AGENCY

Upon request, members may disclose the status of an individual as a predatory offender to a child protection worker who is conducting an assessment of child safety, risk of subsequent child maltreatment, and family strengths and needs under Chapter 260E (Minn. Stat. § 243.166).

326.4.1 STAFF NOTIFICATION

In the event an incident occurs as identified in the Minimum Criteria for Notification, the duty command officer and commander of patrol shall be notified.

This policy provides guidelines for the administration of intranasal opioid antagonist in emergency situations where opioid overdose is suspected.

327.2 DEFINITIONS

These include but are not limited to the following: Morphine, heroin, hydromorphone (e.g. Dilaudid®), hydrocodone, oxycodone, and oxymorphone.

Opioid Antagonist: A synthetic drug that blocks opiate receptors in the nervous system.

327.3 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION

Only officers who receive training in the recognition of signs of opiate overdose and the use of opiate antagonists may administer opioid overdose medication. Officers may administer opioid overdose medication in accordance with protocol specified by the physician who prescribed the overdose medication for use by the officer (Minn. Stat. § 151.37; Minn. Stat. § 604A.04).

327.4 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES

All licensed officers are required to receive training in the administration of opioid antagonist medication prior to being assigned the medication and associated administration equipment and prior to administering such medication.

North Memorial Emergency Medical Services (E.M.S.) Education, will provide training to officers authorized to administer opioid medication as authorized by North Memorial Medical Director. (Minn. Stat. § 151.37).

Death Investigation

328.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers initially respond to and investigate the circumstances of a deceased person.

Some causes of death may not be readily apparent and some cases differ substantially from what they appeared to be initially. The thoroughness of death investigations and the use of appropriate resources and evidence gathering techniques is critical.

328.2 INVESTIGATION CONSIDERATIONS

Death investigation cases require certain actions be taken. Emergency Medical Services shall be called in all suspected death cases unless the death is obvious (e.g., decapitated or decomposed). Peace officers are not authorized to pronounce death unless they are also Coroners or deputy coroners. A supervisor shall be notified in all death investigations.

328.2.1 MEDICAL EXAMINER REQUEST

The Medical Examiner shall be called in all sudden or unexpected deaths or deaths due to other than natural causes, including, but not limited to (Minn. Stat. § 390.11):

328.2.2 SEARCHING DEAD BODIES

The Medical Examiner or his/her assistants and authorized investigators are generally the only persons permitted to move, handle, or search a body known to be dead.

An officer is permitted to make a reasonable search of an individual who it is reasonable to believe is dead, or near death, for a document of gift or other information identifying the individual as a donor or as an individual who made a refusal (Minn. Stat. § 525A.12 (a) (1)). If a donor document is located, the Medical Examiner shall be promptly notified.

Should exigent circumstances indicate to an officer that any other search of a known dead body is warranted prior to the arrival of the Medical Examiner, the investigating officer shall first obtain verbal consent from the Medical Examiner.

The Medical Examiner is required to release property or articles to law enforcement that are necessary for conducting an investigation unless reasonable basis exists pursuant to Minn. Stat. § 390.225 Subd. 2 to not release the property or articles (Minn. Stat. § 390.221).

Whenever reasonably possible, a witness, preferably a relative of the deceased or a member of the household, should be requested to remain nearby the scene and available to the officer, pending the arrival of the Medical Examiner.

The name and address of this person shall be included in the narrative of the death report. Whenever personal effects are removed from the body of the deceased by the Medical Examiner, a receipt shall be obtained. This receipt shall be attached to the death report.

328.2.3 DEATH NOTIFICATION

Should a human death result from a fire, this department shall immediately notify the state fire marshal (Minn. Stat. § 299F.04 Subd. 5 (b)).

If not handled by the Medical Examiner, notification to the next-of-kin of the deceased person shall be made, in person, by the officer assigned to the incident. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification. If the relatives live outside this county, the Medical Examiner may be requested to make the notification. The Medical Examiner needs to know if notification has been made. Assigned investigators may need to talk to the next-of-kin.

If a deceased person has been identified as a missing person, this department shall attempt to locate family members and inform them of the death and the location of the deceased missing person's remains once identity has been confirmed by the Medical Examiner. All efforts to locate and notify family members shall be recorded in appropriate reports, and properly retained (Minn. Stat. § 390.25 Subd. 2 (b)).

328.2.4 UNIDENTIFIED DEAD BODIES

If the identity of a dead body cannot be established after the Medical Examiner arrives, the Medical Examiner will issue a "John Doe" or "Jane Doe" number for the report.

328.2.5 UNIDENTIFIED BODIES DATA ENTRY

As soon as reasonably possible, but no later than 30 working days after the date a death is reported to the Department, any information or items pertaining to identifying features of the unidentified body, dental records, fingerprints, any unusual physical characteristics, description of clothing or personal belongings found on or with the body, that are in the possession of BCPD shall be forwarded to the Medical Examiner for transmission to the BCA for eventual entry into systems designed to assist in the identification process, such as the Missing Children and Missing Persons Information Clearinghouse and the National Crime Information Center (NCIC) files (Minn. Stat. § 390.25 Subd. 2 (a)).

328.2.6 DEATH INVESTIGATION REPORTING

All incidents involving a death shall be documented on the appropriate form.

328.2.7 SUSPECTED HOMICIDE

If the initially assigned officer suspects that the death involves a homicide or other suspicious circumstances, the officer shall take steps to protect the scene, and the on-call detective and DCO shall be notified to determine the possible need for an investigator to respond to the scene for further immediate investigation.

If the on-scene supervisor, through consultation with the DCO or Investigations Division supervisor, is unable to determine the manner of death, the investigation shall proceed as though it is a homicide.

Death Investigation

The investigator of a homicide or suspicious-circumstances death may, with the approval of his/her supervisor, request the Medical Examiner to conduct physical examinations and tests and provide a report with the costs borne by the Department (Minn. Stat. § 390.251).

328.2.8 EMPLOYMENT RELATED DEATHS OR INJURIES

Any member of this agency who responds to and determines that a death, serious illness or serious injury has occurred as a result of an accident at or in connection with the victim's employment, should ensure that the nearest office of the Minnesota Department of Labor and Industry is notified with all pertinent information.

Identity Theft

329.1 PURPOSE AND SCOPE

Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

329.2 REPORTING

- (a) A report shall be taken any time a person living within the jurisdiction of the Brooklyn Center Police Department reports that he/she has been a victim of identity theft (Minn. Stat. § 609.527, Subd. 5). This includes:
 1. Taking a report even if the location of the crime is outside the jurisdiction of this department or has not been determined.
 2. Providing the victim with department information, as set forth in the Victim and Witness Assistance Policy. Officers should encourage the individual to review the material, and assist with any questions.
- (b) A report should also be taken if a person living outside the department jurisdiction reports an identity theft that may have been committed or facilitated within this jurisdiction (e.g., use of a post office box in Brooklyn Center to facilitate the crime).
- (c) Officers should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application).
- (d) Officers should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, U.S. Postal Service and the Department of Public Safety's Driver and Vehicle Services Division) with all known report numbers.
- (e) Following supervisory review and Department processing, the initial report should be forwarded to the appropriate investigator for follow-up investigation, coordination with other agencies and prosecution as circumstances dictate.

329.3 PREVENTATIVE MEASURES

The victim should be advised to place a security freeze on his/her consumer report as allowed by law (Minn. Stat. § 13C.016 Subd. 2). A victim may also access the Minnesota Attorney General's office for additional detailed information.

329.4 VICTIM DATA

The victim may be provided the Consent to Create an FBI Identity Theft File Form and a Notice About Providing Your Social Security Number. These completed forms should be submitted to the Support Services for appropriate filing and entry into the NCIC Identity Theft File. Forms and details are available on the Bureau of Criminal Apprehension identity theft website.

The victim should also be encouraged to contact the Federal Trade Commission (FTC), which is responsible for receiving and processing complaints under the Identity Theft and Assumption

Private Persons/Citizen's Arrests

330.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the handling of private person's arrests made pursuant to Minn. Stat. § 629.30 Subd. 2 (4).

330.2 ADVISING PRIVATE PERSONS OF THE ARREST PROCESS

All officers shall advise civilians of the right to make a private person's arrest, including advice on how to safely execute such an arrest. In all situations, officers should use sound discretion in determining whether to advise an individual of the arrest process.

- (a) When advising any individual regarding the right to make a private person's arrest, officers should refrain from encouraging or dissuading any individual from making such an arrest, and should instead limit advice to the legal requirements for such an arrest, as listed below.
- (b) Private individuals should be discouraged from using force to effect a private person's arrest. Absent immediate threat to their own safety or the safety of others, private individuals should be encouraged to refer matters to law enforcement officials for further investigation or arrest.
- (c) Private individuals shall be informed of the requirement to take the arrested person before a judge or to a peace officer without unnecessary delay (Minn. Stat. § 629.39).

330.3 ARRESTS BY PRIVATE PERSONS

A private person may arrest another under the following circumstances (Minn. Stat. § 629.37):

- (a) For a public offense committed or attempted in his/her presence.
- (b) When the person arrested has committed a felony, although not in his/her presence.
- (c) When a felony has been committed, and he/she has reasonable cause for believing the person to be arrested committed the felony.
- (d) When directed by a judge or a peace officer to arrest another person (Minn. Stat. § 629.403).

330.4 OFFICER RESPONSIBILITIES

Any officer presented with a private person wishing to make an arrest must determine whether there is reasonable cause to believe that such an arrest would be lawful.

- (a) Should any officer determine that there is no reasonable cause to believe that a private person's arrest is lawful, the officer should take no action to further detain or restrain the individual beyond that which reasonably appears necessary to investigate the matter, determine the lawfulness of the arrest, and protect the public safety.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Private Persons/Citizen's Arrests

1. Any officer who determines that a private person's arrest appears to be unlawful should promptly release the arrested individual. The officer must include the basis of such a determination in a related report.
 2. Absent reasonable cause to support a private person's arrest or other lawful grounds to support an independent arrest by the officer, the officer should advise the parties that no arrest will be made and that the circumstances will be documented.
- (b) Whenever an officer determines that there is reasonable cause to believe that a private person's arrest is lawful, the officer may exercise any of the following options:
1. Take the individual into physical custody for booking.
 2. Release the individual upon a misdemeanor citation or pending formal charges.

330.5 REPORTING REQUIREMENTS

In all circumstances in which a private person is claiming to have made an arrest, the individual must complete and sign a Department Citizen's Arrest Form. If the person fails or refuses to do so, the arrest subject shall be released unless the officer has an independent reason to take the person into custody.

In addition to the Citizen's Arrest Form (and any other related documents, such as citations and booking forms), officers shall complete a narrative report regarding the circumstances and disposition of the incident.

Limited English Proficiency Services

331.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

331.1.1 DEFINITIONS

Definitions related to this policy include:

Authorized interpreter - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

Interpret or interpretation - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

Limited English proficient (LEP) - Any individual whose primary language is not English and who has a limited ability to read, write, speak, or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding), but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting, but these skills may be insufficient in other situations. This includes individuals who, because of difficulty in speaking or comprehending the English language, cannot fully understand any charges made against them, the seizure of their property, or they are incapable of presenting or assisting in the presentation of a defense (Minn. Stat. § 611.31).

Qualified bilingual member - A member of the Brooklyn Center Police Department, designated by the Department, who has the ability to communicate fluently, directly, and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language, but may not be sufficiently fluent to interpret or translate from one language into another.

Translate or translation - The replacement of written text from one language (source language) into an equivalent written text (target language).

331.2 POLICY

It is the policy of the Brooklyn Center Police Department to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs, and activities, while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights, or programs based upon national origin or any other protected interest or right.

331.3 FOUR-FACTOR ANALYSIS

Since there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Limited English Proficiency Services

Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by Department members, or who may benefit from programs or services within the jurisdiction of the Department or a particular geographic area.
- (b) The frequency with which LEP individuals are likely to come in contact with Department members, programs, or services.
- (c) The nature and importance of the contact, program, information, or service provided.
- (d) The cost of providing LEP assistance and the resources available.

331.4 TYPES OF LEP ASSISTANCE AVAILABLE

Brooklyn Center Police Department members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept Department-provided LEP services at no cost, or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

331.5 WRITTEN FORMS AND GUIDELINES

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The Department will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

331.6 AUDIO RECORDINGS

The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals who are representative of the community being served.

331.7 QUALIFIED BILINGUAL MEMBERS

Bilingual members may be qualified to provide LEP services when they have demonstrated through established Department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator, and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Limited English Proficiency Services

communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence, or conveying rights or responsibilities.

When a qualified bilingual member from this department is not available, personnel from other city departments, who have been identified by the Department as having the requisite skills and competence may be requested.

331.8 AUTHORIZED INTERPRETERS

Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process which demonstrates that their skills and abilities include:

- (a) The competence and ability to communicate information accurately in both English and in the target language.
- (b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.
- (c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (d) Knowledge of the ethical issues involved when acting as a language conduit.

331.8.1 SOURCES OF AUTHORIZED INTERPRETERS

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other City departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

331.8.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

331.9 CONTACT AND REPORTING

While all law enforcement contacts, services, and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation, and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized, and whether the individual elected to use services provided by the Department or some other identified source.

331.10 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE

The Brooklyn Center Police Department will take reasonable steps, and will work with the Department of Human Resources to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

331.11 FIELD ENFORCEMENT

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control, and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals, and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information, and the meaning

or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

331.12 INVESTIGATIVE FIELD INTERVIEWS

In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual, and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses, and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:

- An authorized Department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors, or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

331.13 CUSTODIAL INTERROGATIONS

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

331.13.1 OTHER TIMING AND NOTIFICATION MANDATES

The investigating or arresting officer shall immediately make necessary contacts to get an authorized interpreter for an in-custody LEP person at the earliest possible time in order to assist the person throughout the interrogation or taking of a statement. This applies even when the interrogation will be conducted by a bilingual member (Minn. Stat. § 611.32).

The following shall be explained to the LEP person with the assistance of the authorized interpreter (Minn. Stat. § 611.32):

- (a) All charges filed against the person
- (b) All procedures relating to the person's detention and release
- (c) In the case of any seizure under the provisions of the Asset Forfeiture Policy:
 - 1. The possible consequences of the seizure
 - 2. The person's right to judicial review

331.13.2 OATH

Every authorized interpreter shall be administered and take the following oath prior to assisting in taking a statement related to a criminal matter from an in-custody LEP person (Min. Stat. § 611.33):

"I will make, to the best of my skill and judgment, a true interpretation to the disabled person being examined of all the proceedings, in a language which said person understands, and to repeat the statements, in the English language, of said person to the officials before whom the proceeding is taking place."

331.14 BOOKINGS

When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained, or that booking instructions may not be properly understood by an LEP individual.

331.15 COMPLAINTS

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party, pursuant to the Personnel Complaints Policy, should be translated or otherwise communicated in a language-accessible manner.

331.16 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses, and neighborhoods to provide equal access to such programs and services.

331.17 TRAINING

To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access Department-authorized telephonic and in-person interpreters and other available resources.

The training sergeant shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The training sergeant shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

331.17.1 TRAINING FOR AUTHORIZED INTERPRETERS

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

Communications with Persons with Disabilities

332.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

332.1.1 DEFINITIONS

Definitions related to this policy include:

Auxiliary aids - Tools used to communicate with people who have a disability or impairment. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

Disability or impairment - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102). This includes those who, because of a hearing, speech or other communication disorder, cannot fully understand any charges made against them, the seizure of their property or they are incapable of presenting or assisting in the presentation of a defense (Minn. Stat. § 611.31).

Qualified Interpreter - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, transliterators, sign language interpreters and intermediary interpreters.

332.2 POLICY

It is the policy of the Brooklyn Center Police Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects, and arrestees have equal access to law enforcement services, programs, and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights, or programs based upon disabilities.

332.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Chief of Police shall delegate certain responsibilities to an ADA coordinator (28 CFR 35.107). The ADA coordinator shall be appointed by and directly responsible to the Community Services division commander, or the authorized designee.

The responsibilities of the ADA coordinator shall include, but not be limited to:

- (a) Working with the City ADA coordinator regarding the Brooklyn Center Police Department's efforts to ensure equal access to services, programs, and activities.

- (b) Developing reports, new procedures, or recommending modifications to this policy.
- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to Department services, programs, and activities.
- (d) Ensuring that a list of qualified interpreter services is maintained and available to each Department member. The list should include information regarding the following:
 - 1. Contact information
 - 2. Availability
 - 3. Type of services provided
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are available free of charge to people with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to Department services, programs, and activities.

332.4 FACTORS TO CONSIDER

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs, and activities. These factors may include, but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

Communications with Persons with Disabilities

332.5 INITIAL AND IMMEDIATE CONSIDERATIONS

Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

Members should exercise special care in the use of all gestures and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length, and complexity of the communication involved.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference, and give primary consideration to that preference.

If an individual who is deaf, hard of hearing, or has impaired speech must be handcuffed while in the custody of the Brooklyn Center Police Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

332.6 TYPES OF ASSISTANCE AVAILABLE

Brooklyn Center Police Department members shall never refuse to assist an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

A person who is disabled may choose to accept Department-provided auxiliary aids or services, or they may choose to provide their own.

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

332.7 AUDIO RECORDINGS AND ENLARGED PRINT

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form; for example, a personnel complaint form, or provide forms with enlarged print.

332.8 QUALIFIED INTERPRETERS

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect, or arrestee), if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or the investigation. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available by some means, even remotely, within a reasonable amount of time, but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to law enforcement matters.
- (c) Familiar with the use of VRS or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use Department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made, or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

332.9 TTY AND RELAY SERVICES

In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing, or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time as needed for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing, and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

332.10 COMMUNITY VOLUNTEERS

Interpreter services may be available from community volunteers who have demonstrated competence in communication services such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, Department members must carefully consider the nature of the contact, and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

332.11 FAMILY AND FRIENDS

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact, and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon, except in emergency or critical situations, when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

332.12 REPORTING

Whenever any member of this department is required to complete a report or other documentation and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized, and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

332.13 FIELD ENFORCEMENT

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control, and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Communications with Persons with Disabilities

The Department recognizes it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and supervisors must assess each situation and consider the length, complexity, and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information, and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

332.13.1 FIELD RESOURCES

Examples of methods that may be sufficient for transactions such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress may, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

332.14 CUSTODIAL INTERROGATIONS

In an effort to ensure the rights of individuals who are deaf, hard of hearing, or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter, or by providing a written *Miranda* warning card.

To ensure that communications during custodial investigations are accurately documented and are admissible as evidence, as with all custodial interviews, interrogations should be

recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

332.14.1 OTHER TIMING AND NOTIFICATION MANDATES

The investigating or arresting officer shall immediately make necessary contacts to get a qualified interpreter for a person in custody at the earliest possible time (Minn. Stat. § 611.32).

The following shall be explained with the assistance of the qualified interpreter (Minn. Stat. § 611.32):

- (a) All charges filed against the person
- (b) All procedures relating to the person's detention and release
- (c) In the case of any seizure under the Asset Forfeiture Policy:
 1. The possible consequences of the seizure
 2. The person's right to judicial review

332.14.2 OATH

Every qualified interpreter shall be administered and take the following oath prior to assisting in taking a statement related to a criminal matter from an in-custody deaf or hard of hearing person (Minn. Stat. § 611.33):

"I will make, to the best of my skill and judgment, a true interpretation to the disabled person being examined of all the proceedings, in a language which said person understands, and to repeat the statements, in the English language, of said person to the officials before whom the proceeding is taking place."

332.15 ARRESTS AND BOOKINGS

If an individual with speech or hearing disabilities is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the officer reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process members should remain alert to the impediments that often exist when communicating with those who are deaf, hard of hearing, who have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

332.16 COMPLAINTS

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the department ADA Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Department.

332.17 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses, and neighborhoods to provide equal access to such programs and services.

332.18 TRAINING

To ensure that all members who may have contact with individuals who are disabled are properly trained, the Department will provide periodic training that should include:

- (a) Awareness and understanding of this policy and related procedures, related forms, and available resources.
- (b) Procedures for accessing qualified interpreters and other available resources.
- (c) Working with in-person and telephone interpreters and related equipment.

The training sergeant shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including individuals who are deaf, hard of hearing, who have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The training supervisor shall maintain records of all training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

332.18.1 CALL-TAKER TRAINING

Emergency call-takers shall be trained in the use of TTY equipment protocols for communicating with individuals who are deaf, hard of hearing or who have speech impairments. Such training and information should include:

- (a) The requirements of the ADA and Section 504 of the Rehabilitation Act for telephone emergency service providers.
- (b) ASL syntax and accepted abbreviations.
- (c) Practical instruction on identifying and processing TTY or TDD calls, including the importance of recognizing silent TTY or TDD calls, using proper syntax, abbreviations and protocol when responding to TTY or TDD calls.

- (d) Hands-on experience in TTY and TDD communications, including identification of TTY or TDD tones.

Training should be mandatory for all Dispatch members who may have contact with individuals from the public who are deaf, hard of hearing or have impaired speech. Refresher training should occur every six months.

School Employee Arrest Reporting

333.1 PURPOSE AND SCOPE

The purpose of this policy is to describe the procedures to follow when a public or private school employee, teacher, and non-teacher, has been arrested under certain circumstances.

333.2 SCHOOL EMPLOYEE ARREST REPORTING

In the event a school employee is arrested for any controlled substance offense, a felony involving moral turpitude, child abuse, or sexual abuse offense, the Chief of Police or designee should report the arrest as follows:

333.2.1 ARREST OF PUBLIC SCHOOL TEACHER

Upon arrest for one of the above crimes, the Chief of Police or designee may notify by telephone the superintendent of the school district employing the teacher, and give written notice of the arrest to the superintendent of schools in the county where the person is employed.

333.2.2 ARREST OF PUBLIC SCHOOL NON-TEACHER EMPLOYEE

Upon arrest for one of the above crimes, the Chief of Police or designee may notify by telephone the superintendent of the school district employing the non-teacher, and may give written notice of the arrest to the governing board of the school district employing the person.

333.2.3 ARREST OF PRIVATE SCHOOL OR LICENSED DAY-CARE TEACHER

Upon arrest for one of the above crimes, the Chief of Police or designee may notify by telephone the private school or licensed day-care authority employing the teacher, and may give written notice of the arrest to the private school authority employing the teacher.

333.2.4 ARREST OF PRIVATE SCHOOL OR LICENSED DAY-CARE EMPLOYEE

Upon arrest for one of the above crimes, the Chief of Police or designee may notify by telephone the private school or licensed day-care authority employing the non-teacher, and may give written notice of the arrest to the private school authority employing the person.

333.2.5 ALL OTHER LICENSED CHILD CARE WORKERS

Upon arrest for one of the above crimes, the Chief of Police or designee may notify by telephone the licensing authority.

Pupil Arrest Reporting

334.1 PURPOSE AND SCOPE

The purpose of this policy is to describe the procedures to follow when a pupil is arrested on school grounds and during school hours.

334.2 PUPIL ARREST REPORTING

In the event a school pupil is arrested, the arresting officer shall include the necessary information in the report to ensure that the Support Services notifies the chief administrative officer of the school, or an appropriate designee, of the pupil's arrest.

If there is probable cause to believe an incident involved alcohol or a controlled substance, the Support Services shall complete the appropriate form and submit the form with the report. The Support Services shall ensure the form is distributed to the chemical abuse pre-assessment team of the school within two weeks of the occurrence (Minn. Stat. § 121A.28).

334.2.1 PUPIL ARREST AFTER NOTIFICATION

Based upon the circumstances of the investigation, it may be appropriate to notify the school prior to the arrest. Prior notification and assistance from the school may reduce disruption to school operations and other students.

334.2.2 PUPIL ARREST BEFORE NOTIFICATION

Based upon the circumstances of the investigation, it may be appropriate to arrest the pupil before notifying the school. This may be appropriate if the pupil is a flight risk, if prior notification will impede the investigation, or if notification creates additional risks to students, faculty, the officer, or the public.

Proper notification to the school after the pupil's arrest should then be made when circumstances reasonably allow.

334.2.3 PARENTAL NOTIFICATION

Upon arrest, it is the arresting officer's responsibility to ensure the parents of the arrested pupil are properly notified. Notification shall be made by the officer, regardless of subsequent notifications by the juvenile detention facility. Notifications should be documented, and include the charges against the pupil and where the pupil will be taken.

Biological Samples

335.1 PURPOSE AND SCOPE

This policy provides guidelines for the collection of biological samples from those individuals required to provide samples upon conviction for certain offenses. This policy does not apply to biological samples collected at a crime scene or taken from a person in conjunction with a criminal investigation. Nor does it apply to biological samples collected from those required to register, for example, as sex offenders.

335.2 POLICY

The Brooklyn Center Police Department will assist in the expeditious collection of required biological samples from offenders in accordance with the laws of this state, and with as little reliance on force as practicable.

335.3 PERSONS SUBJECT TO BIOLOGICAL SAMPLE COLLECTION

The following persons must submit a biological sample:

- (a) Adults who are subject to a court order requiring a biological sample after sentencing (Minn. Stat. § 609.117).
- (b) Juveniles who are subject to a court order requiring a biological sample after being adjudicated delinquent (Minn. Stat. § 609.117).

335.4 PROCEDURE

When an individual is required to provide a biological sample, a trained employee shall attempt to obtain the sample in accordance with this policy.

335.4.1 COLLECTION

The following steps should be taken to collect a sample:

- (a) Verify that the individual is required to provide a sample pursuant to Minn. Stat. § 609.117.
- (b) Verify that a biological sample has not been previously collected from the offender by querying the person's criminal history. There is no need to obtain a biological sample if one has been previously obtained.
- (c) Use the designated collection kit provided by the Minnesota Bureau of Criminal Apprehension to perform the collection, and take steps to avoid cross contamination.

335.5 USE OF FORCE TO OBTAIN SAMPLES

If a person refuses to cooperate with the sample collection process, officers should attempt to identify the reason for refusal and seek voluntary compliance without resorting to using force. Force will not be used in the collection of samples except as authorized by court order or approval of legal counsel and only with the approval of a supervisor. Methods to consider when seeking voluntary compliance include contacting:

336.9.1 UNIFORMS AND BADGES

A distinct uniform, identification, and the necessary safety equipment will be provided for the chaplains. This uniform may be similar to that worn by the personnel of this department.

Child and Dependent Adult Safety

337.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department.

This policy does not address the actions to be taken during the course of a child abuse or vulnerable adult investigation. These are covered in the Child Abuse and Adult Abuse.

337.2 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when a parent or caregiver is arrested. The Brooklyn Center Police Department will endeavor to create a strong cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected.

337.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken:

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, officers should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be nonproductive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

Child and Dependent Adult Safety

337.3.1 AFTER AN ARREST

Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
 - 1. Officers should consider allowing the person to use his/her cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
 - 1. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (d) Notify the county social services agency, if appropriate.
- (e) Notify the field supervisor or Shift Sergeant of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

337.3.2 DURING THE BOOKING PROCESS

During the booking process, the arrestee shall be allowed to make additional telephone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any child or dependent adult. These telephone calls should be given as soon as practicable and are in addition to any other telephone calls allowed by law.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Child and Dependent Adult Safety

If an arrestee is unable to resolve the care of any child or dependent adult through this process, a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.

337.3.3 REPORTING

- (a) For all arrests where children are present or living in the household, the reporting employee will document the following information:
 - 1. Name
 - 2. Sex
 - 3. Age
 - 4. How, where and with whom or which agency the child was placed
- (b) For all arrests where dependent adults are present or living in the household, the reporting employee should document the following information about the dependent adult:
 - 1. Name
 - 2. Sex
 - 3. Age
 - 4. Whether he/she reasonably appears able to care for him/herself
 - 5. Disposition or placement information if he/she is unable to care for him/herself

337.3.4 SUPPORT AND COUNSELING REFERRAL

If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

337.4 DEPENDENT WELFARE SERVICES

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service entity to determine whether protective custody is appropriate (Minn. Stat. § 260C.007; Minn. Stat. § 260C.175).

Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked patrol car or taken into formal protective custody.

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

337.5 TRAINING

The Training Sergeant is responsible to ensure that all personnel of this department who may be involved in arrests affecting children or dependent adults receive approved training on effective safety measures when a parent, guardian or caregiver is arrested.

Service Animals

338.1 PURPOSE AND SCOPE

Service animals play an important role in helping to overcome the limitations often faced by people with disabilities. The Brooklyn Center Police Department recognizes this need and is committed to making reasonable modifications to its policies, practices and procedures in accordance with Title II of the Americans with Disabilities Act (ADA) to permit the use of service animals that are individually trained to assist a person with a disability.

338.1.1 DEFINITIONS

Definitions related to this policy include:

Service animal - A dog that is trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler's control, the facility can accommodate the horse's type, size and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

338.2 POLICY

It is the policy of the Brooklyn Center Police Department to provide services and access to persons with service animals in the same manner as those without service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

338.3 MEMBER RESPONSIBILITIES

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Brooklyn Center Police Department affords to all members of the public (see generally Minn. Stat. § 256C.02; Minn. Stat. § 363A.19).

338.3.1 REMOVAL

If an animal exhibits vicious behavior, poses a direct threat to the health of others or unreasonably disrupts or interferes with normal business operations, an officer may direct the owner to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the animal. Each incident must be considered individually. Past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services as are reasonably available to an individual with the disability.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Service Animals

338.3.2 INQUIRY

If it is apparent or if an officer is aware the animal is a service animal, the owner should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the officer should ask the individual only the following questions:

- Is the animal required because of a disability?
- What task or service has the animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal, and no further question as to the animal's status should be asked. The person should not be questioned about his/her disabilities nor should the person be asked to provide any license, certification or identification card for the service animal.

338.3.3 CONTACT

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

338.3.4 COMPLAINTS

When handling calls of a complaint regarding a service animal, members of this department should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the concerned parties. Businesses are required to allow service animals to accompany their owner into all areas that other customers or members of the public are allowed.

Absent a violation of law independent of the ADA, officers should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice or the Minnesota Department of Human Rights.

338.4 IDENTIFICATION AND USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar. Service animals are not pets and may be trained by an individual or organization to assist people with disabilities.

Examples of the ways service animals may be used to provide assistance include:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.

339.1 PURPOSE AND SCOPE

It is the policy of this department to use qualified volunteers for specified tasks and duties in order to create efficiencies for the Department and improve services to the community. All volunteers shall comply with the rules of conduct and with all orders and directives, either oral or written, issued by the Department. Whenever a rule, regulation, or guideline in this manual refers to a licensed officer, it shall also apply to a volunteer unless by its nature it is inapplicable.

339.2.6 FITNESS FOR DUTY

Volunteers shall conform to approved dress consistent with their duty assignment. Uniforms authorized for volunteers should be readily distinguishable from those worn by licensed officers. No volunteer shall wear his/her uniform or identifiable parts of that uniform while off-duty.

Volunteers shall be required to return any issued uniform or department property at the termination of service.

339.3 SUPERVISION OF VOLUNTEERS

Volunteer Program

A volunteer may be assigned as, and act as, a supervisor of other volunteers provided that the supervising volunteer is under the direct supervision of a paid staff member.

Functional supervision of volunteers is the responsibility of the supervisor in charge of the unit where the volunteer is assigned. Following are some considerations to keep in mind while supervising volunteers:

- (a) A driving safety briefing.
- (b) Verification that the volunteer possesses a valid driver's license.
- (c) Verification that the volunteer carries current vehicle insurance.

The Volunteer Coordinator should ensure that all volunteers receive safety briefing updates and license and insurance verification at least once a year.

When operating a Department vehicle, volunteers shall obey all rules of the road, including seat belt requirements.

Volunteers should not operate a marked patrol car unless there is a prominently placed sign indicating that it is out of service and is being operated for maintenance purposes only; that it is

The interview should ascertain why the volunteer is leaving the position and solicit the volunteer's suggestions on improving the position. When appropriate, the interview should also include a discussion on the possibility of involvement in some other capacity with the Department.

339.7 EVALUATION

An evaluation of the overall volunteer program will be conducted on an annual basis by the Volunteer Coordinator. Regular evaluations should be conducted with volunteers to ensure the best use of human resources available, to ensure personnel problems can be identified and dealt with promptly and fairly and to ensure optimum job satisfaction on the part of volunteers.

Off-Duty Law Enforcement Actions

341.1 PURPOSE AND SCOPE

The decision to become involved in a law enforcement action when off-duty can place an officer as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for officers of the Brooklyn Center Police Department with respect taking law enforcement action while off-duty.

341.2 POLICY

Officers generally should not initiate law enforcement action while off-duty. Officers should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

When the safety of the public or the prevention of major property damage requires immediate action, officers should first consider reporting and monitoring the activity and only take direct action as a last resort.

Officers are not expected to place themselves in unreasonable peril. However, any licensed member of this department who becomes aware of an incident or circumstance that the member reasonably believes would justify the use of deadly force or result in significant property damage may take reasonable action to minimize or eliminate the threat. See the Use of Force Policy for additional guidance.

341.3 FIREARMS

Officers of this department may carry firearms while off-duty in accordance with federal regulations, state law and department policy. All firearms and ammunition must meet guidelines as described in the Firearms Policy. When carrying firearms while off-duty, officers shall also carry their department-issued badge and identification.

Officers should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any officer who has consumed an amount of an alcoholic beverage or taken any drugs that would tend to adversely affect the officer's senses or judgment.

341.4 DECISION TO INTERVENE

There is no legal requirement for off-duty officers to take law enforcement action. However, should officers decide to intervene, they must evaluate whether the action is necessary or desirable and should take into consideration:

- (a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.
- (b) The inability to communicate with responding units.
- (c) The lack of equipment, such as handcuffs, Oleoresin Capsicum (OC) spray or a baton.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Off-Duty Law Enforcement Actions

- (d) The lack of cover.
- (e) The potential for increased risk to bystanders if the off-duty officer were to intervene.
- (f) Unfamiliarity with the surroundings.
- (g) The potential for the off-duty officer to be misidentified by other peace officers or members of the public.

Officers should consider waiting for on-duty uniformed officers to arrive and gather as much accurate intelligence as possible instead of immediately intervening.

341.4.1 INTERVENTION PROCEDURE

If involvement is reasonably necessary, the officer should attempt to call or have someone else call 9-1-1 to request immediate assistance. The operator should be informed that an off-duty officer is on-scene and should be provided a description of the officer if reasonably possible.

Whenever reasonably practicable, the officer should loudly and repeatedly identify him/herself as an Brooklyn Center Police Department officer until acknowledged. Official identification should also be displayed.

341.4.2 INCIDENTS OF PERSONAL INTEREST

Officers should refrain from handling incidents of personal interest (e.g., family or neighbor disputes) and should remain neutral. In such circumstances, officers should call the responsible agency to handle the matter.

341.4.3 NON-SWORN RESPONSIBILITIES

Non-sworn personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and reasonably practicable.

341.4.4 OTHER CONSIDERATIONS

When encountering a non-uniformed officer in public, uniformed officers should wait for acknowledgement by the non-uniformed officer in case he/she needs to maintain an undercover capability.

341.5 REPORTING

Officers should cooperate fully with the agency having jurisdiction in providing statements or reports, as requested or as appropriate.

When an officer becomes physically involved in the event, an on-duty sergeant or the duty command officer shall be notified as soon as practical.

Response to Drug Overdoses

345.1 PURPOSE AND SCOPE

In order to provide a clear and consistent response, the Brooklyn Center Police Department has adopted the following guidelines when responding to suspected drug overdoses (non-fatal and fatal). Along with providing a consistent response it is also the goal of the Brooklyn Center Police Department to treat all overdoses as potential criminal investigations until determined otherwise.

345.1.1 DEFINITIONS

Drug Related Overdose - Any acute condition, including mania, hysteria, extreme physical illness, or coma, resulting from the consumption or use of a controlled substance, or another substance with which a controlled substance was combined, and that a person would reasonably believe to be a drug overdose that requires immediate medical attention.

345.2 POLICY

When responding to all medicals and suspected overdoses, officers should place a priority on employing life saving measures consistent with their training and department policies. In order to ensure that all available resources are utilized a supervisor shall respond to the scene of all suspected overdoses, if available.

345.3 VICTIM INFORMATION

When responding to overdoses officers should attempt to voluntarily obtain the following information regarding the victim(s):

- Their full name and contact information to include current telephone number(s) and address(es).
- Information about the drug they used (how much they used, how often they use it, how they administer the drug, etc.).
- Who did they get the drug from? Including any street names of suppliers.
- Contact information regarding their supplier (phone number(s), vehicle information, street address(es), social media information, frequency in which they buy from this person, etc.).
- What medical facility the victim(s) were transported to and by whom.
- Officers should also document in their reports the results of any life-saving measures such as CPR, AED or Narcan usage and their effect on the victim(s).
- Officers should document in their reports any noticeable trauma on the victim(s) and additional observations such as needle marks, injuries, bruising or bleeding.
- If the victim(s) dies at the hospital, investigative staff will coordinate with the Medical Examiner's Office to retrieve any of the victim(s) personal property that may be of evidentiary value.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Response to Drug Overdoses

If the victim is unable or unwilling to provide detailed information, officers should attempt to obtain a name and telephone information from the victim(s) so an investigator may attempt to obtain a voluntary statement later.

345.4 911 CALLER AND WITNESS INFORMATION

Officers should interview any 9-1-1 callers and all available witnesses to obtain the following information:

- Name and contact information of all callers/witnesses.
- Observations of the victim(s) behavior prior to the overdose.
- Any information related to where and who the victim(s) obtained the drugs from (see previously listed victim questions).
- Any information on other narcotics (prescribed and non-prescribed) the victim may have taken and in what amounts.
- Did anyone else use the same narcotics?
- In the event that the incident occurred in a public place, officers should attempt to obtain a statement from additional identified witnesses who may have left the scene.
- Victim's drug history, rehabilitation efforts and method of ingestion.
- Without disclosing the drug that caused the overdose, determine what friends and family thought the victim(s) knew what he/she was using.
- What is the impression of friends and family regarding the victim(s) drug of choice (help determine whether victim(s) knew what he/she was using).
- What is the witness' knowledge of victim's financial situation, employment, personal affairs, etc.? This information will help determine the possibility of an intentional vs. accidental overdose.

The Minnesota Good Samaritan Law (Minn. Stat 604A.05) provides immunity for any person, who summons medical assistance for someone suffering from a "drug-related overdose" so long as the person provides their full name, stays on scene and cooperates with authorities. Immunity is provided up to a 2nd Degree Controlled Substance Crime.

345.5 CRIME SCENE AND EVIDENCE COLLECTION

Officers should make every attempt to document and collect evidence relevant to the investigation pursuant to department policies. Potential evidence should include but is not limited to:

- Any illegal controlled substances, including any special packaging or markings on the narcotics.
- Any drug paraphernalia at the scene.

and any other electronic devices. If it is suspected that the phone contains evidence of the crime of possession or distribution of a controlled substance, cellular phones should be collected as evidence and the evidentiary value can be assessed at a later time.

- If necessary, contact the on-call detective and DTF investigator to obtain a search warrant for the premise and associated vehicle(s).

345.5.1 FATAL OVERDOSES

In the event of a fatal overdose, officers/detectives should employ the following measures in order to preserve the crime scene and evidence:

- When reasonable to do so, and without disturbing the crime scene, attempt to obtain preliminary photographs via department issued cameras of the scene and evidence.
- Contact HCCL and the Hennepin County Medical Examiner for processing of the crime scene.
- HCCL will process and package suspected narcotics and paraphernalia, and sign those items over to the Brooklyn Center Police Department. These items will be sent to the MN BCA for testing.
- Collect all available cell phones in addition to obtaining pass codes (if possible), the owner(s) information, cell phone number and provider.
- Officers/Detectives must communicate with HCCL and Medical Examiner staff regarding what evidence they will collect vs. what evidence Brooklyn Center Police Department staff will collect.

Note: Medical Examiner staff will not collect drug evidence.

345.6 CASE HANDLING PROCEDURES

The following section will outline the follow-up response to the initial investigation:

- All suspected non-fatal drug overdoses will be forwarded to the Investigative Commander for review.
- In all non-fatal cases the DTF investigator will attempt to follow-up on information obtained from the voluntary statements given by the victim(s). In the event the victim(s) did not provide a voluntary statement the assigned investigator will attempt to contact the victim(s) in order to obtain a statement.
- In non-fatal cases if there is immediate follow-up that can be completed the DTF investigator shall be contacted. If the DTF investigator is unavailable the on-call detective should be contacted. Immediate follow-up may include, but is not limited to:
 - Immediate ability to recover additional narcotics at other locations.
 - Immediate ability to locate and arrest any drug suppliers related to the investigation.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Response to Drug Overdoses

- Any arrests made by officers related to the investigation (excluding warrant arrests; if applicable).
- Fatal overdoses will be jointly run by the Investigative Division and the DTF investigator with detectives focusing on the circumstances and causes surrounding the death (if applicable) and DTF focusing on the identification and location of any supplier(s).

All non-fatal overdoses shall be classified as MEDOD Medical Overdose.

Any instances of fatal overdoses should primarily be considered a death investigation with a narcotics investigation being secondary. Response to fatal overdoses should include all instances where the victim(s) dies on scene as a result of the overdose or dies after being transported to the hospital.

Public Safety Video Surveillance System

346.1 PURPOSE AND SCOPE

This policy provides guidance for the placement and monitoring of department public safety video surveillance, as well as the storage and release of the captured images.

Video surveillance equipment shall not be used to harass, intimidate, or discriminate against any individual or group.

346.4 STORAGE AND RETENTION OF MEDIA

The Department may elect to integrate its public safety video surveillance system with other technology to enhance available information. Systems such as gunshot detection, incident mapping, crime analysis, license plate recognition, facial recognition and other video-based analytical systems may be considered based upon availability and the nature of department strategy.

The Department should evaluate the availability and propriety of networking or otherwise collaborating with appropriate private sector entities and should evaluate whether the use of certain camera systems, such as pan-tilt-zoom systems and video enhancement or other analytical technology, requires additional safeguards.

- Any time they feel doing so is necessary, such as when suspects or others present a safety concern;
- When suspects do not possess Minnesota State issued photo identification;
- When an employee is in custody for theft, the merchant is required to contact the Police Department and the report will be handled by the responding officer. The merchant is not allowed to submit a Shoplifter Referral form for internal thefts;
- If the suspect requests police response;
- Merchants may opt, at their own discretion, to check suspects they detain for warrants via the public warrant line (612-348-2000). Warrant arrests resulting in this manner will be handled as described in the paragraph under Officers' Responsibilities.

347.3.2 OFFICER RESPONSIBILITIES

When suspects do not possess Minnesota State issued photo identification:

Brooklyn Center Police Department

Online, Electronic and Telephone Reporting

- An officer will respond to assist in verifying the suspect's identity via identification materials issued by other states or countries, DVS records and photos, previous booking photos, previous contacts, or any other means available.
- After doing so, the responding officer will clear without a report and the case will be submitted by the merchant via the referral form.

If the responding officer finds it necessary to make a custodial arrest, in accordance with the Rules of Criminal Procedure such as circumstances where bail would be necessary for release, the officer will complete a report documenting the theft, the reason for the custodial arrest, and refer the case for charging via the appropriate method.

The responding officer must handle all internal thefts regardless of value. In these cases, the merchant will not submit a Shoplifter Referral Form.

If the responding officer assists in the apprehension (i.e. suspect left in a vehicle so the responding officers enacted a traffic stop, the suspect fled on foot and then brought the suspect back to the store or the officer used force in apprehending the suspect), the officer will generate a case number and handle the entire report.

If the officer arrives to assist Loss Prevention for whatever reason and the suspect flees the officer in any capacity (vehicle or on foot) the officer shall complete the report.

NOTE: If the responding officer writes a report relating to the theft, they need to advise the merchant that they are not to submit the Shoplifter Referral Form.

347.3.3 SUPPORT SERVICES DIVISION RESPONSIBILITIES

- E-mail submissions will receive an e-mail response confirming receipt of the case and providing the BCPD case number.
- Records staff receiving the Shoplifter Referral Form will generate a case number and incident report before submitting the case for prosecution.
 - NOTE: Cases will no longer be submitted by Formal Complaint, but will rather be submitted by citation.
- Records staff will complete a Hennepin County Citation using a citation book issued to the Records unit and filed via e-Charging.
- Records staff will fill out an envelope addressed to the suspect for the citation to later be mailed using the address given to the merchant or on file with DVS.
- The citation will be attached to the incident report for the reviewing sergeant.
- This report will be assigned to the e-theft sergeant.

347.3.4 REVIEWING SERGEANT RESPONSIBILITIES

- The e-theft sergeant will be the reviewing supervisor
- The reviewing sergeant will verify that all of the elements are included and described in the report, including positive identification of the suspect. If any items are missing,

the reviewing sergeant will follow up with the merchant or suspect as appropriate. If the sergeant feels all elements are present, he/she will approve the case for Records staff to submit for prosecution.

347.4 TELEPHONE REPORTING UNIT

The Brooklyn Center Police Department will provide the service of telephone reporting for the purpose of generating an official report. This service will be provided if the specific conditions contained in this policy section are met.

The TRU will be assigned to the Support Services Manager. It will be staffed by sworn police personnel who are either in a light-duty capacity or for any other reason unable to perform patrol functions on the street.

The patrol sergeants and their staff will be notified of the availability of the TRU. In the event no one is assigned to work during that shift, calls normally handled by the TRU will be redirected to an on-duty patrol officer.

347.4.1 CASE CRITERIA

TRU may handle a call for service if all of the following criteria are met:

- The suspect is unknown and must have left the scene.
- The incident is not in progress.
- There must be no evidence left on the scene to be processed or gathered.
- No damage to city property may have occurred.
- The incident does not meet the criteria for the online reporting system.

Chapter 4 - Patrol Operations

Patrol Function

400.1 PURPOSE AND SCOPE

The purpose of this policy is to define the functions of the patrol unit of the Department to ensure intra-organization cooperation and information sharing.

400.1.1 FUNCTION

Officers will generally patrol in clearly marked vehicles, patrol assigned jurisdictional areas of Brooklyn Center, respond to calls for assistance, act as a deterrent to crime, enforce state, local and, when authorized or empowered by agreement or statute, federal laws, and respond to emergencies 24 hours per day, 7 days per week.

Patrol will generally provide the following services within the limits of available resources:

- (a) Patrol that is directed at the prevention of criminal acts, traffic violations and collisions, the maintenance of public order, and the discovery of hazardous situations or conditions.
- (b) Crime prevention activities, such as residential inspections, business inspections, and community presentations.
- (c) Calls for service, both routine and emergency.
- (d) Investigation of both criminal and non-criminal acts.
- (e) The apprehension of criminal offenders.
- (f) Community Oriented Policing and problem-solving activities, such as citizen assists and individual citizen contacts of a positive nature.
- (g) The application of resources to specific problems or situations within the community that may be improved or resolved by Community Oriented Policing and problem-solving strategies.

The sharing of information between the Patrol and other divisions within the Department, as well as other government agencies.

- (h) Traffic direction and control.

400.1.2 TERRORISM

It is the goal of the Brooklyn Center Police Department to make every reasonable effort to accurately and appropriately gather and report any information that may relate to either foreign or domestic terrorism. Officers should advise a supervisor as soon as practicable of any activity believed to be terrorism related and should document such incidents with a written report. The supervisor should ensure that all terrorism-related reports are forwarded to the Investigations Division Supervisor in a timely fashion.

400.2 PATROL INFORMATION SHARING PROCEDURES

The following guidelines are intended to develop and maintain intra-organization cooperation and information flow between the various divisions of the Brooklyn Center Police Department.

400.2.1 CRIME ANALYSIS UNIT

The Crime Analysis Unit will be the central unit for information exchange. Criminal information and reports can be submitted to the Support Services for distribution to all divisions within the Department.

400.2.2 CRIME REPORTS

A crime report may be completed by any patrol officer who receives criminal information. The report will be processed and forwarded to the appropriate division for retention or follow-up investigation.

400.2.3 PATROL BRIEFINGS

Patrol supervisors, detectives, and officers assigned to other assignments are encouraged to share information as much as reasonably possible. All supervisors and/or officers will be provided an opportunity to share information through daily patrol briefings as time permits.

400.3 CROWDS, EVENTS AND GATHERINGS

Officers may encounter gatherings of people, including but not limited to, civil demonstrations, civic, social and business events, public displays, parades, and sporting events. Officers should monitor such events as time permits in an effort to keep the peace and protect the safety and rights of those present. A patrol supervisor should be notified when it becomes reasonably foreseeable that such an event may require increased monitoring, contact, or intervention.

Officers responding to an event or gathering that warrants law enforcement involvement should carefully balance the speech and association rights of those present with applicable public safety concerns before taking enforcement action. Officers are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety/order concerns.

Officers should consider enforcement of applicable state and local laws, when the activity blocks the entrance or egress of a facility or location, and when voluntary compliance with the law is not achieved.

Bias-Based Policing

401.1 PURPOSE AND SCOPE

This policy provides guidance to department members that affirms the Brooklyn Center Police Department's commitment to policing that is fair and objective.

Nothing in this policy prohibits the use of specified characteristics in law enforcement activities designed to strengthen the department's relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach, partnerships).

401.1.1 DEFINITIONS

Definitions related to this policy include:

Bias-based policing - An inappropriate reliance on actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or affiliation with any non-criminal group (protected characteristics) as the basis for providing differing law enforcement service or enforcement.

This includes use of racial or ethnic stereotypes as factors in selecting whom to stop and search. It does not include law enforcement's use of race or ethnicity to determine whether a person matches a specific description of a particular subject (Minn. Stat. § 626.8471).

401.2 POLICY

The Brooklyn Center Police Department is committed to providing law enforcement services to the community with due regard for the racial, cultural or other differences of those served. It is the policy of this department to provide law enforcement services and to enforce the law equally, fairly, objectively and without discrimination toward any individual or group (Minn. Stat. § 626.8471, Subd. 3).

401.3 BIAS-BASED POLICING PROHIBITED

Bias-based policing is strictly prohibited.

However, nothing in this policy is intended to prohibit an officer from considering protected characteristics in combination with credible, timely and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns or specific schemes.

401.4 MEMBER RESPONSIBILITIES

Every member of this department shall perform his/her duties in a fair and objective manner and is responsible for promptly reporting any suspected or known instances of bias-based policing to a supervisor. Members should, when reasonable to do so, intervene to prevent any biased-based actions by another member.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Bias-Based Policing

401.4.1 REASON FOR CONTACT

Officers contacting a person shall be prepared to articulate sufficient reason for the contact, independent of the protected characteristics of the individual.

To the extent that written documentation would otherwise be completed (e.g., arrest report), the involved officer should include those facts giving rise to the contact, as applicable.

Except for required data-collection forms or methods, nothing in this policy shall require any officer to document a contact that would not otherwise require reporting.

401.4.2 INFORMATION TO BE PROVIDED

Officers shall (Minn. Stat. § 626.8471, Subd. 3):

- (a) Introduce or identify themselves and state the reason for a contact as soon as practicable unless providing the information could compromise officer or public safety.
- (b) Attempt to answer questions the person may have regarding the contact, including relevant referrals to other agencies when appropriate.
- (c) Explain the reason for the contact if it is determined the reasonable suspicion was unfounded.
- (d) When requested, provide their name and badge number and identify this department during routine stops.
- (e) When requested, officers should inform a member of the public of the process to file a misconduct complaint for bias-based policing against a member of the Department, and that bias-based policing complaints may be made by calling the Attorney General's office (Minn. Stat. § 626.9514).

401.5 SUPERVISOR RESPONSIBILITIES

Supervisors should monitor those individuals under their command for compliance with this policy and shall handle any alleged or observed violations in accordance with the Personnel Complaints Policy.

- (a) Supervisors should discuss any issues with the involved officer and his/her supervisor in a timely manner.
 1. Supervisors should document these discussions, in the prescribed manner.
- (b) Supervisors should periodically review MAV recordings, portable audio/video recordings, Mobile Digital Computer (MDC) data and any other available resource used to document contact between officers and the public to ensure compliance with this policy.
 1. Supervisors should document these periodic reviews.
 2. Recordings that capture a potential instance of bias-based policing should be appropriately retained for administrative investigation purposes.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Bias-Based Policing

- (c) Supervisors shall initiate investigations of any actual or alleged violations of this policy.
- (d) Supervisors should take prompt and reasonable steps to address any retaliatory action taken against any member of this department who discloses information concerning bias-based policing.

401.6 ADMINISTRATION

Each year, the Patrol Division Commander shall review the efforts of the Department to prevent racial- or bias-based profiling.

401.7 TRAINING

Training on fair and objective policing and review of this policy should be conducted as directed by the Training Services.

The Chief of Police and supervisors should receive and review training materials prepared by the Board of Peace Officer Standards and Training (POST) (Minn. Stat. § 626.8471, Subd. 7).

Training should also include in-service training on recognizing and valuing community diversity and cultural differences, including implicit bias, as required by Minn. Stat. § 626.8469, Subd. 1.

Roll Call Training

402.1 PURPOSE AND SCOPE

Roll Call training is generally conducted at the beginning of the officer's assigned shift. Roll Call provides an opportunity for important exchange between employees and supervisors. A supervisor generally will conduct Roll Call. However, officers may conduct Roll Call in the absence of a supervisor or for training purposes with supervisor approval.

Roll Call should accomplish, at a minimum, the following basic tasks:

- (a) Briefing officers with information regarding daily patrol activity, with particular attention given to unusual situations and changes in the status of wanted persons, stolen vehicles and major investigations.
- (b) Notifying officers of changes in schedules and assignments.
- (c) Notifying officers of new Departmental Directives or changes in Departmental Directives.
- (d) Reviewing recent incidents for training purposes.
- (e) Providing training on a variety of subjects.

402.2 PREPARATION OF MATERIALS

The supervisor conducting Roll Call, or the officer if the supervisor is unable to participate in a group briefing session, is responsible for collection and preparation of the materials necessary for a constructive briefing. Supervisors may delegate this responsibility to a subordinate officer in his/her absence or for training purposes.

402.3 RETENTION OF BRIEFING TRAINING RECORDS

Roll Call training materials and a curriculum or summary shall be forwarded to the Training Sergeant for inclusion in training records as appropriate.

Crime and Disaster Scene Integrity

403.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance in handling a major crime or disaster.

403.2 CRIME SCENE RESPONSIBILITIES

The first officer at the scene of a crime or major incident is generally responsible for the preservation of the scene. Officers shall also consider officer safety and public safety issues, including rendering medical aid to any injured parties. Once an officer has assumed or been assigned to maintain the integrity of the crime/disaster scene, it shall be maintained until the officer is relieved by a supervisor.

403.2.1 FIRST RESPONDER CONSIDERATIONS

The following list generally describes the first responder's function at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order, and may be altered according to the demands of each situation:

- (a) Ensure no suspects are still in the area.
- (b) Broadcast emergency information including all requests for additional assistance.
- (c) Provide first aid to injured parties if it can be done safely.
- (d) Secure the inner perimeter with crime scene tape.
- (e) Protect items of apparent evidentiary value.
- (f) Start a chronological log noting critical times and personnel allowed access.

403.2.2 EXECUTION OF HEALTH ORDERS

Any licensed member of this department may assist in the enforcement of all directives of the local health officer issued for the purpose of preventing the spread of any contagious, infectious, or communicable disease (Minn. Stat. § 144.4195 Subd. 2).

403.3 SEARCHES AT CRIME OR DISASTER SCENES

Officers arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims and to determine if suspects are present and pose a threat. Once officers are satisfied that no additional suspects are present and/or there are no injured persons to be treated, those exigent circumstances will likely no longer exist. Officers should thereafter secure the scene and conduct no further search until proper authority for the search is obtained.

Emergency Operations Unit

404.1 PURPOSE AND SCOPE

The Emergency Operations Unit (EOU) is comprised of two specialized teams: the Crisis Negotiation Team (CNT) and the Special Weapons and Tactics team (SWAT). The unit has been established to provide specialized support in handling critical field operations where intense negotiations and/or special tactical deployment methods beyond the capacity of field officers appear to be necessary.

404.1.1 OPERATIONAL AND ADMINISTRATIVE POLICY

The Policy Manual sections pertaining to the Emergency Operations Unit are divided into Administrative and Operational Policy and Procedures. Since situations that necessitate the need for such a law enforcement response vary greatly from incident to incident and such events often demand on-the-scene evaluation, the Operational Policy outlined in this manual section serves as a guideline to department personnel, allowing for appropriate on-scene decision-making as required. The Administrative Procedures, however, are more restrictive and few exceptions should be taken.

404.1.2 SWAT TEAM DEFINED

SWAT team - A designated unit of law enforcement officers, including a multi-jurisdictional team, that is specifically trained and equipped to work as a coordinated team to resolve critical incidents that are so hazardous, complex or unusual that they may exceed the capabilities of first responders or investigative units. This includes, but is not limited to, hostage taking, barricaded suspects, snipers, terrorist acts and other high-risk incidents. As a matter of department policy, such a unit may also be used to serve high-risk warrants, both search and arrest, where public and officer safety issues warrant the use of such a unit.

404.2 LEVELS OF CAPABILITY/TRAINING

404.2.1 LEVEL I

Level I SWAT team - Is a basic team capable of providing containment and intervention with critical incidents that exceed the training and resources available to line-level officers. This does not include ad hoc teams of officers that are formed around a specific mission, detail or incident (e.g. active shooter response). Generally 5 percent of the basic team's on-duty time should be devoted to training.

404.2.2 LEVEL II

Level II SWAT team - Is an intermediate level team capable of providing containment and intervention. These teams possess tactical capabilities above the Level I teams. These teams may or may not work together on a daily basis, but are intended to respond to incidents as a team. At least 5 percent of their on-duty time should be devoted to training, with supplemental training for tactical capabilities above the Level I team.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Emergency Operations Unit

404.2.3 LEVEL III

Level III SWAT team - Is an advanced level team whose personnel function as a full-time unit. Generally 25 percent of their on-duty time is devoted to training. Level III teams operate in accordance with contemporary best practices. Such units possess both skills and equipment to utilize tactics beyond the capabilities of Level I and Level II teams.

404.3 POLICY

It is the policy of this department to maintain a SWAT team and to provide the equipment, manpower and training necessary to maintain a SWAT team. The SWAT team should develop sufficient resources to perform three basic operational functions:

- (a) Command and control
- (b) Containment
- (c) Entry/apprehension/rescue

It is understood it is difficult to categorize specific capabilities for critical incidents. Training needs may vary based on the experience level of the team personnel, team administrators and potential incident commanders. Nothing in this policy shall prohibit individual teams from responding to a situation that exceeds their training levels due to the exigency of the circumstances. The preservation of innocent human life is paramount.

404.3.1 POLICY CONSIDERATIONS

A needs assessment should be conducted to determine the type and extent of SWAT missions and operations appropriate to this department. The assessment should consider the team's capabilities and limitations and should be reviewed annually by the SWAT commander or designee.

404.3.2 ORGANIZATIONAL PROCEDURES

This department shall develop a separate written set of organizational procedures that should address, at minimum, the following:

- (a) Locally identified specific missions the team is capable of performing.
- (b) Team organization and function.
- (c) Personnel selection and retention criteria.
- (d) Training and required competencies.
- (e) Procedures for activation and deployment.
- (f) Command and control issues, including a clearly defined command structure.
- (g) Multi-agency response.
- (h) Out-of-jurisdiction response.
- (i) Specialized functions and supporting resources.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Emergency Operations Unit

404.3.3 OPERATIONAL PROCEDURES

This department shall develop a separate written set of operational procedures, in accordance with its level of capability, using sound risk reduction practices. The operational procedures should be patterned after the National Tactical Officers Association Suggested SWAT Best Practices. Because such procedures are specific to EOU members and will outline tactical and officer safety issues, they are classified as confidential security data and are not included within this policy. The operational procedures should include, at minimum, the following:

- (a) Designated personnel responsible for developing an operational or tactical plan prior to, and/or during SWAT operations (time permitting).
 - 1. All SWAT team members should have an understanding of operational planning.
 - 2. SWAT team training should consider planning for both spontaneous and planned events.
 - 3. SWAT teams should incorporate medical emergency contingency planning as part of the SWAT operational plan.
- (b) Plans for mission briefings should be conducted prior to an operation, unless circumstances require immediate deployment.
 - 1. When reasonably possible, briefings should include the specialized units and supporting resources.
- (c) Protocols for a sustained operation should be developed. These may include relief, rotation of personnel and augmentation of resources.
- (d) A generic checklist to be worked through prior to initiating a tactical action, as a means of conducting a threat assessment to determine the appropriate response and resources necessary, including the use of SWAT.
- (e) The appropriate role for a trained negotiator.
- (f) A standard method of determining whether a warrant should be regarded as high risk.
- (g) A method for deciding how best to serve a high-risk warrant with all reasonably foreseeable alternatives being reviewed in accordance with risk/benefit criteria prior to selecting the method of response.
- (h) Post-incident scene management including:
 - 1. Documentation of the incident.
 - 2. Transition to investigations and/or other units.
 - 3. Debriefing after every deployment of the SWAT team.
 - (a) After-action team debriefing provides evaluation and analysis of critical incidents and affords the opportunity for individual and team assessments,

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

helps to identify training needs and reinforces sound risk management practices.

- (b) Such debriefing should not be conducted until involved officers have had the opportunity to individually complete necessary reports or provide formal statements.
- (c) To maintain candor and a meaningful exchange, debriefing will generally not be recorded.
- (d) When appropriate, debriefing should include specialized units and resources.
 - (i) Sound risk management analysis.
 - (j) Standardization of equipment.

404.4 TRAINING NEEDS ASSESSMENT

The SWAT/EOU commander shall conduct an annual SWAT training needs assessment to ensure that training is conducted within team capabilities and department policy.

404.4.1 INITIAL TRAINING

SWAT team operators and SWAT supervisors/team leaders should not be deployed until successful completion of an approved Basic SWAT Course or its equivalent.

- (a) To avoid unnecessary or redundant training, previous training completed by members may be considered equivalent when the hours and content or topics meet or exceed requirements determined by the Department.

404.4.2 UPDATED TRAINING

Appropriate team training for the specialized SWAT functions and other supporting resources should be completed prior to full deployment of the team.

SWAT team operators and SWAT supervisors/team leaders should complete update or refresher training.

404.4.3 SUPERVISION AND MANAGEMENT TRAINING

Command and executive personnel are encouraged to attend training for managing the SWAT function at the organizational level. This is to ensure personnel who provide active oversight at the scene of SWAT operations understand the purpose and capabilities of the teams.

Command personnel who may assume incident command responsibilities should attend a SWAT or Critical Incident Commander course or its equivalent. SWAT command personnel should attend a department-approved SWAT commander or tactical commander course or its equivalent.

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Emergency Operations Unit

404.4.4 SWAT ONGOING TRAINING

Training shall be coordinated by the EOU commander. The EOU commander may conduct monthly training exercises that include a review and critique of personnel and their performance in the exercise in addition to specialized training. Training shall consist of the following:

- (a) Annually each SWAT team member shall perform the mandatory SWAT handgun qualification course. The qualification course shall consist of the SWAT Basic Drill for the handgun. Failure to qualify will require the officer to seek remedial training from a Armorer approved by the EOU commander. Team members who fail to qualify will not be used in SWAT operations until qualified. Team members who fail to qualify must retest within 30 days. Failure to qualify within 30 days with or without remedial training may result in dismissal from the team.
- (b) Annually each SWAT team member shall perform a mandatory SWAT qualification course for any specialty weapon issued to or used by the officer during SWAT operations. Failure to qualify will require the officer to seek remedial training from a Armorer approved by the EOU commander. Team members who fail to qualify on their specialty weapon may not utilize the specialty weapon on SWAT operations until qualified. Team members who fail to qualify must retest within 30 days. Failure to qualify with specialty weapons within 30 days may result in the team member being removed from the team or permanently disqualified from use of that particular specialty weapon.

404.4.5 TRAINING SAFETY

Use of a designated safety officer should be considered for all tactical training.

404.4.6 SCENARIO-BASED TRAINING

SWAT teams should participate in scenario-based training that simulates the tactical operational environment. Such training is an established method of improving performance during an actual deployment.

404.4.7 TRAINING DOCUMENTATION

Individual and team training shall be documented and records maintained by the Training Services. Such documentation shall be maintained in each member's individual training file. A separate agency SWAT training file shall be maintained with documentation and records of all team training.

404.5 UNIFORMS, EQUIPMENT AND FIREARMS

404.5.1 UNIFORMS

SWAT teams from this department should wear uniforms that clearly identify team members as law enforcement officers. It is recognized that certain tactical conditions may require covert movement. Attire may be selected appropriate to the specific mission.

404.5.2 EQUIPMENT

SWAT teams from this department should be adequately equipped to meet the specific mission(s) identified by the Department.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Emergency Operations Unit

404.5.3 FIREARMS

Weapons and equipment used by SWAT, the specialized units and the supporting resources should be Department-issued or approved, including any modifications, additions or attachments.

404.5.4 OPERATIONAL READINESS INSPECTION

The commander of the EOU shall appoint a EOU Supervisor to perform an operational readiness inspection of all unit equipment at least annually. The results of the inspection will be forwarded to the EOU commander. The inspections will include personal equipment issued to members of the unit as well as special use equipment maintained for periodic or occasional use in the SWAT vehicle.

404.6 MANAGEMENT/SUPERVISION OF EMERGENCY OPERATIONS UNIT

The commander of the EOU shall be selected by the Chief of Police upon recommendation of Staff.

404.6.1 PRIMARY UNIT MANAGER

Under the direction of the Chief of Police, through the EOU Commander, the Emergency Operations Unit shall be managed by a sergeant.

404.6.2 TEAM SUPERVISORS

The Crisis Negotiation Team and each SWAT team will be supervised by a sergeant.

The team supervisors shall be selected by the Chief of Police upon specific recommendation by Staff and the EOU Commander.

The following represent the supervisor responsibilities for the Emergency Operations Unit.

- (a) The Crisis Negotiation Team supervisor's primary responsibility is to supervise the operations of the team, to include deployment, training, first-line participation, and other duties as directed by the EOU Commander.
- (b) The SWAT team supervisor's primary responsibility is to supervise the operations of the team, which will include deployment, training, first-line participation, and other duties as directed by the EOU Commander.

404.7 CRISIS NEGOTIATION TEAM ADMINISTRATIVE PROCEDURES

The Crisis Negotiation Team has been established to provide skilled verbal communicators who may be utilized to attempt to de-escalate and effect surrender in critical situations where suspects have taken hostages, barricaded themselves or have suicidal tendencies.

The following procedures serve as directives for the administrative operation of the Crisis Negotiation Team.

404.7.1 SELECTION OF PERSONNEL

Interested licensed personnel who are off probation shall submit a request to their appropriate Division Commander. A copy will be forwarded to the EOU Commander and the Crisis Negotiation Team supervisor. Qualified applicants will then be asked to submit a Letter of Interest. 404.7.2 TRAINING OF NEGOTIATORS

Those officers selected as members of the Crisis Negotiation Team should attend a department-approved Basic Negotiators Course prior to deployment in an actual crisis situation. Untrained officers may be used in a support or training capacity. Additional training will be coordinated by the team supervisor.

A minimum of one training day per 6 months will be required to provide the opportunity for role playing and situational training that is necessary to maintain proper skills. This will be coordinated by the team supervisor.

Continual evaluation of a team member's performance and efficiency as it relates to the positive operation of the unit shall be conducted by the team supervisor. Performance and efficiency levels established by the team supervisor will be met and maintained by all team members. Any member of the Crisis Negotiation Team who performs or functions at a level less than satisfactory shall be subject to dismissal from the unit.

404.8 SWAT TEAM ADMINISTRATIVE PROCEDURES

The SWAT team was established to provide a skilled and trained team that may be deployed during events requiring specialized tactics, in situations where suspects have taken hostages and/or barricaded themselves, as well as prolonged or predictable situations in which persons who are armed or suspected of being armed pose a danger to themselves or others.

The following procedures serve as directives for the administrative operation of the SWAT team.

404.8.1 SELECTION OF PERSONNEL

The performance and efficiency level, as established by the team supervisor, will be met and maintained by all SWAT team members. Any member of the SWAT team who performs or functions at a level less than satisfactory shall be subject to dismissal from the team.

404.9 OPERATIONAL GUIDELINES FOR EMERGENCY OPERATIONS UNIT

The following procedures serve as guidelines for the operational deployment of the Emergency Operations Unit. Generally, the SWAT team and the Crisis Negotiation Team will be activated together. It is recognized, however, that a tactical team may be used in a situation not requiring the physical presence of the Crisis Negotiation Team, such as warrant service operations. This shall be at the discretion of the EOU Commander.

404.9.1 ON-SCENE DETERMINATION

The supervisor in charge at the scene of a particular event will assess whether the Emergency Operations Unit should respond. Upon final determination, whenever possible, he/she will notify the Duty Command Officer.

404.9.2 APPROPRIATE SITUATIONS FOR USE OF EMERGENCY OPERATIONS UNIT

The following are examples of incidents that may result in the activation of the Emergency Operations Unit:

- (a) Barricaded suspects who refuse an order to surrender.
- (b) Incidents where hostages have been taken.
- (c) Cases of suicide threats.

404.9.4 MULTI-JURISDICTIONAL SWAT OPERATIONS

The SWAT team, including relevant specialized units and supporting resources, should develop protocols, agreements, memorandums of understanding, collective bargaining agreements or working relationships to support multi-jurisdictional or regional responses.

The on-scene supervisor shall make a request to the Duty Command Officer when possible for the Emergency Operations Unit to respond. The Shift Sergeant shall then notify the EOU Commander. If unavailable, a team supervisor shall be notified. A current mobilization list shall be maintained in the Sergeant's office by the EOU Commander.

The Shift Sergeant should advise the EOU Commander/DCO with as much of the following information as is available at the time:

- (a) The number of suspects, known weapons, and resources.
- (b) If the suspect is in control of hostages.
- (c) If the suspect is barricaded.
- (d) The type of crime involved.
- (e) If the suspect has threatened or attempted suicide.
- (f) The location and safe approach to the command post.

The DCO or Sergeant shall then initiate a team call out if warranted.

404.9.6 FIELD UNIT RESPONSIBILITIES

While waiting for the Emergency Operations Unit, field personnel should if safe, practicable, and if sufficient resources exist:

- (a) Establish an inner and outer perimeter.
- (b) Establish a command post outside of the inner perimeter.

 - 1. Securing any subject or suspect who may surrender.

2. Taking action to mitigate a deadly threat or behavior.
 - (d) Evacuate any injured persons or citizens in the zone of danger.
 - (e) Attempt to establish preliminary communication with the suspect. Once the EOU has arrived, all negotiations should generally be halted to allow the negotiators and SWAT time to set up.
 - (f) Be prepared to brief the EOU Commander/Team Leaders on the situation.
 - (g) Plan for and stage anticipated resources.

404.9.7 ON-SCENE COMMAND RESPONSIBILITIES

Upon arrival of the Emergency Operations Unit, the DCO shall brief the EOU Commander and team supervisors. Upon review, it will be the DCO's decision, with input from the EOU Commander, whether to deploy the Critical Response Unit. Once the DCO or EOU Commander authorizes deployment, the EOU Commander will be responsible for the tactical portion of the operation. The Incident Commander shall continue supervision of the command post operation, outer perimeter security, and support for the Critical Response Unit. The Incident Commander and the EOU Commander or designee shall maintain communications at all times.

404.9.8 COMMUNICATION WITH EMERGENCY OPERATIONS UNIT PERSONNEL

All of those persons who are non-Emergency Operations Unit personnel should refrain from any non-emergency contact or from interference with any member of the unit during active negotiations. Operations require the utmost in concentration by involved personnel. No one should interrupt or communicate with EOU personnel directly. All non-emergency communications shall be channeled through the DCO or designee.

Ride-Along Policy

405.1 PURPOSE AND SCOPE

The Ride-Along Program provides an opportunity for persons to experience the law enforcement function first hand. This policy provides the requirements, approval process, and hours of operation for the Ride-Along Program.

405.1.1 ELIGIBILITY

The Brooklyn Center Police Department Ride-Along Program is offered to residents, those employed within the City, and requests by members of the department. Every reasonable attempt will be made to accommodate interested persons. Any applicant may be disqualified with or without cause from participating in the program.

The following factors may be considered in disqualifying an applicant and are not limited to:

- Being under 18 years of age (without parental consent).
- Prior criminal history.
- Pending criminal action.
- Pending lawsuit against the Department.
- Denial by any supervisor.

405.1.2 AVAILABILITY

The Ride-Along Program is available on most days of the week. The ride-along times are to be determined by the Shift Supervisor. Exceptions to this schedule may be made as approved by the Chief of Police, Division Commander, or Shift Sergeant. All ride along participants must be a minimum of 14 years of age or older.

405.1.3 OFFICER'S IMMEDIATE FAMILY

During the calendar year, each member of an officer's immediate family may ride along once. Family members are subject to the same conditions listed in section 405.1.1.

405.2 PROCEDURE TO REQUEST A RIDE-ALONG

Generally, ride-along requests will be scheduled by the Patrol Division Commander. The participant will complete and sign a ride-along waiver form. Information requested will include a valid driver's license, address, and telephone number.

A Sergeant will schedule a date, based on availability, at least one week after the date of application. If approved, a copy of the ride-along waiver form will be forwarded to the respective Shift Sergeant as soon as possible for his/her scheduling considerations.

If the ride-along is denied after the request has been made, a representative of the Department will contact the applicant and advise him/her of the denial.

Ride-Along Policy

405.2.1 PROGRAM REQUIREMENTS

Once approved, civilian ride-alongs will be allowed to ride no more than once every year. An exception would apply to the following: cadets, Explorers, chaplains, police applicants, and all others with approval of the Shift Sergeant.

An effort will be made to ensure that no more than one citizen will participate in a ride-along during any given time period.

Ride-along requirements for police cadets are covered in Policy Manual § 1048 "Police Cadet Program."

405.2.2 SUITABLE ATTIRE

Any person approved to ride-along is required to be suitably dressed. Sandals, tank tops, and ripped or torn blue jeans are not permitted. The Shift Sergeant or field supervisor may refuse a ride-along to anyone not properly dressed.

405.2.3 PEACE OFFICER RIDE-ALONGS

Off-duty members of this department or any other law enforcement agency will not be permitted to ride-along with on-duty officers without the express consent of the Patrol Division Commander.

405.2.4 RIDE-ALONG CRIMINAL HISTORY CHECK

All ride-along applicants are subject to a criminal history check. The criminal history check may include a local records check and a Minnesota Bureau of Criminal Apprehension Criminal History System check prior to approval (provided that the ride-along is not an employee of the Brooklyn Center Police Department).

405.3 OFFICER'S RESPONSIBILITIES

Officers shall consider the safety of the ride-along at all times.

Officers should use sound discretion when encountering a potentially dangerous situation, and if necessary let the participant out of the vehicle in a place of safety. The ride-along may be continued or terminated at this time.

Conduct by a person participating in a ride-along that results in termination of the ride or is otherwise inappropriate should be immediately reported to the Shift Sergeant or senior officer.

The Patrol Division Commander is responsible for maintaining and scheduling ride-alongs. Upon completion of the ride-along, a copy of the ride-along waiver form shall be returned to the Patrol Division Commander with any comments that may be offered by the officer.

405.4 CONTROL OF RIDE-ALONG

The assigned employee shall maintain control over the ride-along at all times and instruct him/her in the conditions that necessarily limit participation. These instructions should include:

- (a) The ride-along will follow the directions of the officer.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Ride-Along Policy

- (b) The ride-along will not become involved in any investigation, handling of evidence, discussions with victims or suspects, or handling any police equipment.
- (c) The ride-along may terminate the ride at any time, and the officer may return the observer to his/her home or to the station.
- (d) The officer may terminate the ride-along and return the observer to their home or to the station if the ride-along interferes with the performance of any officer's duties.
- (e) Ride-alongs may be allowed to continue riding during the transportation and booking process provided this does not jeopardize their safety.
- (f) Officers will not allow any ride-alongs to be present in any residence or situation that would jeopardize their safety or cause undue stress or embarrassment to a victim or any other person.
- (g) Under no circumstance shall a civilian ride-along be permitted to enter a private residence with an officer without the expressed consent of the resident or other authorized person.

405.5 OFFICER PARTICIPATION

Participation in the Ride-Along Program is optional. Officers shall exercise their option annually.

- (a) Officers participating in the Ride-Along Program shall sign the Ride-Along waiver form and return it to the shift supervisor upon completion of the ride-along.
- (b) Officers who decline participation in the program shall not have riders or Explorer Scouts assigned to them. Officers who do not participate shall not be allowed to have family members ride with them.
- (c) Probationary patrol officers shall not participate in the Ride-Along Program.

Hazardous Material Response

406.1 PURPOSE AND SCOPE

Hazardous materials present a potential harm to employees as a result of their exposure. To comply with Minnesota law, the following represents the policy of this department.

406.1.1 HAZARDOUS MATERIAL DEFINED

Hazardous material - Any refuse, sludge or other waste material or combinations of refuse, sludge or other waste materials in solid, semisolid, liquid or contained gaseous form, which, because of its quantity, concentration, or chemical, physical or infectious characteristics may (Minn. Stat. § 116.06 Subd. 11):

- (a) Cause or significantly contribute to an increase in mortality or an increase in serious irreversible or incapacitating reversible illness.
- (b) Pose a substantial present or potential hazard to human health or the environment when improperly treated, stored, transported, disposed of or otherwise managed.

406.2 HAZARDOUS MATERIAL RESPONSE

Employees may encounter situations involving suspected hazardous materials, such as at the scene of a traffic collision, chemical spill or fire. When employees come into contact with a suspected hazardous material, certain steps should be taken to protect themselves and other persons.

The fire department is the agency trained and equipped to properly respond and mitigate most hazardous materials and biohazards.

Responders should not perform tasks or use equipment absent proper training. A responder entering the area may require decontamination before he/she is allowed to depart the scene and should be evaluated by appropriate technicians and medical professionals for signs of exposure.

The following steps should be considered at any scene involving suspected hazardous materials:

- (a) Attempt to identify the type of hazardous material. Identification can be determined by placard, driver's manifest or statements from the person transporting the material
- (b) Notify the appropriate fire department.
- (c) Provide first aid to injured parties if it can be done safely and without contamination.
- (d) Begin evacuation of the immediate and surrounding areas dependent on the material. Voluntary evacuation should be considered. Depending on the material, mandatory evacuation may be necessary.
- (e) Contact the Minnesota Duty Officer (800-422-0798).
- (f) Responders should remain uphill and upwind of the hazard until a zone of entry and a decontamination area are established.

Hazardous Material Response

406.3 REPORTING EXPOSURE(S)

Department personnel who believe that they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the employee in a report that shall be forwarded via chain of command to their Division Commander. Should the affected employee be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the report.

Injury or illness caused or believed to be caused from exposure to hazardous materials shall be reported the same as any other on-duty injury or illness, in addition to a crime report or incident report.

406.3.1 SUPERVISOR RESPONSIBILITIES

When a supervisor has been informed that an employee has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to lessen the exposure.

To ensure the safety of employees, safety equipment is available through supervisory personnel. Safety items not maintained by the Department will be obtained through the appropriate fire department.

Hostage and Barricade Incidents

407.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

407.1.1 DEFINITIONS

Definitions related to this policy include:

Barricade situation - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

Hostage situation - An incident where it is reasonable to believe a person is unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.

407.2 POLICY

It is the policy of the Brooklyn Center Police Department to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

407.3 COMMUNICATION

When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Officers should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect's surrender.

When available, department-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands and the available resources.

407.3.1 EMERGENCY COMMUNICATION

A supervisor with probable cause to believe that a person is being unlawfully confined may order a telephone company to cut, reroute, or divert telephone lines for the purpose of establishing and controlling communications with a suspect (Minn. Stat. § 609.774).

Brooklyn Center Police Department

Hostage and Barricade Incidents

407.4 FIRST RESPONDER CONSIDERATION

First responding officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding officer should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding officer shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The officer shall continually evaluate the situation, including the level of risk to officers, to the persons involved and to bystanders, and the resources currently available.

The handling officer should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

407.4.1 BARRICADE SITUATION

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. During the interim the following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (d) Provide responding emergency personnel with a safe arrival route to the location.
- (e) Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.
- (f) Attempt or obtain a line of communication and gather as much information on the subject as possible, including weapons, other involved parties, additional hazards or injuries.
- (g) Establish an inner and outer perimeter as circumstances require and resources permit to prevent unauthorized access.
- (h) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (i) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Public Information Officer.

Hostage and Barricade Incidents

- (j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.
- (k) Establish a command post.

407.4.2 HOSTAGE SITUATION

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats. The following options while not all-inclusive or in any particular order, should be considered:

- Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).
- Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated if practicable pending further interview.
- Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- Provide responding emergency personnel with a safe arrival route to the location.
- Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.
- Coordinate pursuit or surveillance vehicles and control of travel routes.
- Attempt or obtain a line of communication and gather as much information about the suspect as possible, including any weapons, victims and their injuries, additional hazards, other involved parties and any other relevant intelligence information.
- Establish an inner and outer perimeter as resources and circumstances permit to prevent unauthorized access.
- Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Public Information Officer.

Hostage and Barricade Incidents

- If necessary and available, establish a tactical or exclusive radio frequency for the incident.

407.5 SUPERVISOR RESPONSIBILITY

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command and assume the role of Incident Commander until properly relieved. This includes requesting a EOU response if appropriate and apprising the EOU Commander of the circumstances. In addition, the following options, listed here in no particular order, should be considered:

- (a) Ensure injured persons are evacuated and treated by medical personnel.
- (b) Ensure the completion of necessary first responder responsibilities or assignments.
- (c) Request crisis negotiators, specialized units, additional personnel, resources or equipment as appropriate.
- (d) Establish a command post location as resources and circumstances permit.
- (e) Designate assistants who can help with intelligence information and documentation of the incident.
- (f) If it is practicable to do so, arrange for video documentation of the operation.
- (g) Consider contacting utility and communication providers when restricting such services (e.g., restricting electric power, gas, telephone service).
- (h) Ensure adequate law enforcement coverage for the remainder of the City during the incident. The supervisor should direct non-essential personnel away from the scene unless they have been summoned by the supervisor or Dispatch.
- (i) Identify a media staging area outside the outer perimeter and have the department Public Information Officer or a designated temporary media representative provide media access in accordance with the News Media Relations Policy
- (j) Identify the need for mutual aid and the transition or relief of personnel for incidents of extended duration.
- (k) Debrief personnel and review documentation as appropriate.

407.6 CRISIS RESPONSE UNIT

It will be the Incident Commander's decision, with input from the EOU Commander, whether to deploy the EOU during a hostage or barricade situation. Once the Incident Commander authorizes deployment, the EOU Commander or the authorized designee will be responsible for the tactical portion of the operation. The Incident Commander shall continue supervision of the command post operation, outer perimeter security and evacuation, media access and support for the EOU. The Incident Commander and the EOU Commander or the authorized designee shall maintain communications at all times.

407.7 REPORTING

Unless otherwise relieved by a supervisor or Incident Commander, the handling officer at the scene is responsible for completion and/or coordination of incident reports.

Response to Bomb Calls

408.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to assist members of the Brooklyn Center Police Department in their initial response to incidents involving explosives, explosive devices, explosion/bombing incidents or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

408.2 FOUND EXPLOSIVES/SUSPECT DEVICES

When an officer responds to a call of a suspected explosive device, the following guidelines shall be followed:

- (a) The device should not be touched or transported to any other location.
- (b) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging. The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (c) A perimeter should be secured for a minimum of 300 feet around the location or an otherwise safe distance depending on the surrounding physical environment and allowing for an entrance for support personnel.
- (d) As much initial information as possible should be relayed to a supervisor without touching the device, including:
 1. The stated threat
 2. Exact comments
 3. Time of discovery
 4. Exact location of the device
 5. Full description (e.g., size, shape, markings, construction).
- (e) Officers should not transmit on any equipment that produces radio frequency energy within 300 feet. Consideration should be given to the possibility of evacuation if a device is located within a building.
- (f) An additional perimeter should be secured around any suspected device.
- (g) Officers should give consideration for the ingress/egress of additional support personnel, such as paramedics and fire department personnel.
- (h) A search of the area should be conducted for secondary devices or other objects that are either hazardous or foreign to the area.
- (i) Explosive or military ordnance of any type should be handled only by bomb squad technicians.

Brooklyn Center Police Department

Response to Bomb Calls

- (j) When in doubt, call for assistance from the bomb squad.

408.3 EXPLOSION/BOMBING INCIDENTS

When an explosion has occurred, there are multiple considerations that may confront an officer. As in other catastrophic incidents, a rapid response will help to minimize such things as further injury to victims, contamination of the scene by gathering crowds, additional damage from resulting fires, or unstable structures.

Whether the explosion was the result of an accident or a criminal act, the following concerns may confront the officer:

- Injury to victims
- First aid
- Evacuation of victims

408.3.1 NOTIFICATIONS

When an explosion has occurred, the following people shall be notified as soon as practicable if their assistance is needed:

- (a) Fire department and/or state fire marshal
- (b) Bomb squad
- (c) Additional officers
- (d) Shift Sergeant/Senior Officer
- (e) Duty Command Officer (DCO)
- (f) Investigators
- (g) Hennepin County Crime Lab
- (h) Bureau of Criminal Apprehension (BCA)

408.3.2 CROWD CONTROL

Scene access should be restricted to those with a legitimate public safety purpose.

408.3.3 SCENE OF INCIDENT

As in any other crime scene, steps should immediately be taken to preserve the scene. The scene could extend over a wide area. Evidence may be imbedded in nearby structures or hanging in trees and bushes.

408.4 BOMB THREATS AT POLICE FACILITY

This procedure shall be followed should a bomb threat be received at a police facility and a search made for a destructive device.

408.4.1 BOMB THREATS RECEIVED BY TELEPHONE

The following questions shall be asked if a call of a bomb threat is received at a Police facility:

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Response to Bomb Calls

- When is the bomb going to explode?
- When did you place the bomb?
- What would cause the bomb to explode?
- Where is the bomb?
- What kind of bomb is it?
- What does it look like?
- Why did you place the bomb?
- Who are you? To avoid possible termination of the call, this should be asked after the preceding questions.

Attempt to keep the caller on the line as long as possible and obtain expanded answers to these prior eight questions. Additionally, during this time, document the following:

- Time of the call
- Exact words of the person as accurately as possible
- Estimated age and gender of the caller
- Speech patterns and/or accents
- Background noises

If the threat is received at a police facility on a recorded line, steps should be taken to ensure that the recording is preserved in accordance with current Department evidence procedures. If at all possible attempts should be made to record the call.

408.4.2 RESPONSIBILITIES

As soon as a bomb threat has been received, the Duty Command Officer (DCO) or Sergeant will be advised and fully informed of the details. The Duty Command Officer (DCO) or Sergeant will then direct and assign officers as required for coordinating a general building search or evacuation as deemed appropriate.

408.5 BOMB THREATS AT PUBLIC OR PRIVATE FACILITY

This procedure shall be followed should a bomb threat occur at a private facility or another public facility and the Department is informed of the threat.

408.5.1 BOMB THREAT RESPONSE OPTIONS

The options available to the person in charge of the facility are generally:

- (a) No search and no evacuation
- (b) Search without evacuation
- (c) Evacuation without search

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Response to Bomb Calls

- (d) Evacuation and search

408.5.2 REQUEST FOR ASSISTANCE

Should the person in charge of the facility request assistance, the Sergeant or DCO shall be notified and will make the decision whether the Department renders assistance and to what level. Should the information and circumstances indicate a reasonably apparent imminent threat to safety, a more active approach, including law enforcement control over the facility, may be considered.

408.5.3 EVACUATION OR SEARCH ASSISTANCE

Should the Sergeant or DCO determine that the Department will assist or control a bomb threat incident, the Sergeant or DCO will determine:

- (a) The level of assistance
- (b) The plan for assistance
- (c) Whether to evacuate and/or search
- (d) The appropriate support necessary

Considerations regarding the involvement of the facility staff in searching and evacuating is important. A search or evacuation can be difficult without a working familiarity of the facility. The person in charge of the facility should be made aware of the possibility of damage to the facility as a product of a search. The safety of all participants is the paramount concern.

Support consideration should include notification and response, or standby notice, for fire, medical, and ambulance.

408.6 SECTION TITLE

Civil Commitments

409.1 PURPOSE AND SCOPE

This policy provides guidelines for when officers may place an individual in protective custody and request a 72-hour hold under the Minnesota Commitment and Treatment Act (Minn. Stat. § 253B.051).

409.2 POLICY

It is the policy of the Brooklyn Center Police Department to protect the public and individuals through legal and appropriate use of the 72-hour hold process.

409.3 AUTHORITY

An officer, having probable cause to believe that any individual because of mental illness, chemical dependency, or public intoxication is in danger of injuring him/herself or others if not immediately detained, may take, or cause to be taken, the individual to an appropriate treatment facility for a 72-hour evaluation (Minn. Stat. § 253B.051, Subd. 1).

The officer shall make written application for admission of the individual to an appropriate treatment facility. The application shall contain the officer's reasons for and circumstances under which the individual was taken into custody. If danger to specific individuals is a basis for the requested emergency hold, the statement must include identifying information for those individuals to the extent reasonably practicable. The officer shall also provide the department contact information for purposes of receiving notice if the individual is released prior to the 72-hour admission or leaves the facility without consent. The facility shall make a copy of the statement available to the individual taken into custody (Minn. Stat. § 253B.051, Subd. 1).

409.3.1 VOLUNTARY EVALUATION

If officers encounter an individual who may qualify for a 72-hour hold, they may inquire as to whether the person desires to voluntarily be evaluated at an appropriate facility. If the individual so desires, the officers should:

- (a) Request the appropriate ambulance service. Transport the individual to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to the Minnesota Commitment and Treatment Act.
- (b) If at any point the individual changes his/her mind regarding voluntary evaluation, officers should proceed with the application for a 72-hour hold, if appropriate.
- (c) Document the circumstances surrounding the individual's desire to pursue voluntary evaluation and/or admission.

409.4 CONSIDERATIONS AND RESPONSIBILITIES

Any officer handling a call involving an individual who may qualify for a 72-hour hold should consider, as time and circumstances reasonably permit:

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Civil Commitments

- (a) Available information that might assist in determining the cause and nature of the individual's action or stated intentions.
- (b) When appropriate forward a report to Hennepin County Adult/Child Protection (First Response).
- (c) Conflict resolution and de-escalation techniques.
- (d) Community or other resources available to assist in dealing with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others.

409.5 TRANSPORTATION

Absent exigent circumstances or Sergeant/DCO approval, all transports for mental health holds shall be conducted by medical personnel.

Officers may transport intoxicated individuals to a hospital or detox facility unless the individual is in need of immediate medical care.

409.5.1 TYPE OF TRANSPORTATION

When transporting any individual on a Minn. Stat. § 253B.051 admission, and if reasonably practicable, officers should not be in uniform and should not use a vehicle visibly marked as a law enforcement vehicle (Minn. Stat. § 253B.051, Subd. 1(e)).

409.6 TRANSFER TO APPROPRIATE FACILITY

Upon arrival at the facility, the officer will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking treatment voluntarily, the officer should provide the staff member with the written application for a 72-hour hold and remain present to provide clarification of the grounds for detention, upon request.

Absent exigent circumstances, the transporting officer should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported and delivered while restrained, the officer may assist with transferring the individual to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, officers will not apply facility-ordered restraints.

409.7 DOCUMENTATION

The officer should complete an application for emergency admission, provide it to the facility staff member assigned to that patient and retain a copy of the application for inclusion in the case report.

The officer should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

409.8 CRIMINAL OFFENSES

Officers investigating an individual who is suspected of committing a minor criminal offense and who is being taken into custody for purposes of a 72-hour hold should resolve the criminal matter by issuing a warning or a citation, as appropriate.

When an individual who may qualify for a 72-hour hold has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the officer should:

- (a) Arrest the individual when there is probable cause to do so.
- (b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the 72-hour hold.
- (c) Facilitate the individual's transfer to jail.
- (d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for a 72-hour hold.

In the supervisor's judgment, the individual may instead be arrested or booked and transported to the appropriate mental health facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this department to regain custody of the individual, department resources (e.g., posting a guard) and other relevant factors in making this decision.

409.9 FIREARMS AND OTHER WEAPONS

Whenever an individual is taken into custody for a 72-hour hold, the handling officers should seek to determine if the individual owns or has access to any firearm or other deadly weapon. Officers should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent).

Officers are cautioned that a search warrant may be needed before seizing weapons or entering a residence or other place to search unless lawful warrantless entry has already been made (e.g., exigent circumstances, consent).

The handling officers should further advise the individual of the procedure for the return of any firearm or other weapon that has been taken into custody.

409.10 TRAINING

This department will endeavor to provide department-approved training on interaction with mentally disabled persons, 72-hour holds and crisis intervention.

Cite and Release Policy

410.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of the Brooklyn Center Police Department with guidance on when to release adults who are suspected offenders on a citation for a criminal offense, rather than having the person held in custody for a court appearance or released on bail.

This policy also provides guidance on when a court orders that a person be released.

Additional release restrictions may apply to those detained for domestic violence, as outlined in the Domestic Abuse Policy.

410.2 POLICY

The Brooklyn Center Police Department will consider its resources and its mission of protecting the community when exercising any discretion to release suspected offenders on a citation, when authorized to do so.

410.3 RELEASE

A suspected offender shall be released on issuance of a citation:

- (a) When the offender has been arrested without a warrant and either a prosecutor or district court judge orders that the offender should be released (Minn. R. Crim. P. 4.02; Minn. R. Crim. P. 6.01).
 1. Release is not required if a reviewing supervisor determines that the offender should be held pursuant to Minn. R. Crim. P. 6.01 Subd. 1.
- (b) When the offender is charged with a petty or fine-only misdemeanor (Minn. R. Crim. P. 6.01).
- (c) In misdemeanor cases unless it reasonably appears to the arresting officer that the offender will (Minn. R. Crim. P. 6.01):
 1. Cause bodily injury to him/herself or another if he/she is not detained.
 2. Continue engaging in criminal conduct.
 3. Not respond to a citation.
- (d) When the offender is from another state which has a reciprocal agreement with Minnesota unless the offense is (Minn. Stat. § 169.91):
 1. One which would result in the revocation of the offender's driver's license under Minnesota law upon conviction.
 2. A violation of a highway weight limitation.
 3. A violation of a law governing the transportation of hazardous materials.
 4. That the offender was driving without a valid driver's license.

410.4 PROHIBITIONS

The release of a suspected offender on a citation is not permitted when:

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Cite and Release Policy

- (a) The offender has committed a driving while impaired (DWI) offense (Minn. Stat. § 169A.40; Minn. Stat. § 169.91).
- (b) The offender is arrested for a violation of state law or an ordinance related to the operation or registration of a vehicle punishable as a misdemeanor or felony and (Minn. Stat. § 169.91):
 - 1. The offender demands an immediate appearance before a judge.
 - 2. The offender is charged with:
 - (a) An offense involving an accident that resulted in injury or death.
 - (b) Criminal vehicular homicide.
 - (c) Failure to stop after being involved in an accident that resulted in death, personal injuries or damage to property.
 - 3. There is reasonable cause to believe that the offender may leave the state.

See the Domestic Abuse Policy for release restrictions related to those investigations.

410.5 REQUESTING CASE NUMBERS

Many cases involving a criminal citation release can be handled without requesting a case number. Traffic situations and local code violations can be documented on the reverse side of the records copy of the citation. Most Minnesota statute sections will require a case number to document the incident properly in a report. This section does not preclude an officer from requesting a case number if he/she feels the situation should be documented more thoroughly in a case report.

410.6 FISH AND GAME AND ENVIRONMENT-RELATED OFFENSES

In the case of game and fish laws or other environment-related offenses, as specified in Minn. Stat. § 97A.211, officers should release the offender unless there is reason to believe that criminal conduct will continue or that the offender will not respond as required by the citation (Minn. Stat. § 97A.211).

Foreign Diplomatic and Consular Representatives

411.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that members of the Brooklyn Center Police Department extend appropriate privileges and immunities to foreign diplomatic and consular representatives in accordance with international law.

411.1.1 DEFINITIONS

Foreign National - Anyone who is not a citizen of the United States. A person with dual U.S. and foreign citizenship is not a foreign national.

Immunity - Refers to various protections and privileges extended to the employees of foreign governments who are present in the U.S. as official representatives of their home governments. These privileges are embodied in international law and are intended to ensure the efficient and effective performance of their official missions (i.e., embassies and consulates) in foreign countries. Proper respect for the immunity to which an individual is entitled is necessary to ensure that U.S. diplomatic relations are not jeopardized and to maintain reciprocal treatment of U.S. personnel abroad.

Although immunity may preclude U.S. courts from exercising jurisdiction, it is not intended to excuse unlawful activity. It is the policy of the DOS Office of Foreign Missions (OFM) that illegal acts by foreign service personnel should always be pursued through proper channels. Additionally, the host country's right to protect its citizens supersedes immunity privileges. Peace officers may intervene to the extent necessary to prevent the endangerment of public safety or the commission of a serious crime, regardless of immunity claims.

411.2 POLICY

The Brooklyn Center Police Department respects international laws related to the special privileges and immunities afforded foreign diplomatic and consular representatives assigned to the United States.

All foreign diplomatic and consular representatives shall be treated with respect and courtesy, regardless of any privileges or immunities afforded them.

411.3 CLAIMS OF IMMUNITY

If a member comes into contact with a person where law enforcement action may be warranted and the person claims diplomatic or consular privileges and immunities, the member should, without delay:

- (a) Notify a supervisor.
- (b) Advise the person that his/her claim will be investigated and he/she may be released in accordance with the law upon confirmation of the person's status.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Foreign Diplomatic and Consular Representatives

- (c) Request the person's identification card, either issued by the U.S. Department of State (DOS), Office of the Chief of Protocol, or in the case of persons accredited to the United Nations, by the U.S. Mission to the United Nations. These are the only reliable documents for purposes of determining privileges and immunities.
- (d) Contact the DOS Diplomatic Security Command Center at 571-345-3146 or toll free at 866-217-2089, or at another current telephone number and inform the center of the circumstances.
- (e) Verify the immunity status with DOS and follow any instructions regarding further detention, arrest, prosecution and/or release, as indicated by the DOS representative. This may require immediate release, even if a crime has been committed.

Identity or immunity status should not be presumed from the type of license plates displayed on a vehicle. If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating "US" as the state.

411.4 ENFORCEMENT ACTION

If the DOS is not immediately available for consultation regarding law enforcement action, members shall be aware of the following:

- (a) Generally, all persons with diplomatic and consular privileges and immunities may be issued a citation or notice to appear. However, the person may not be compelled to sign the citation.
- (b) All persons, even those with a valid privilege or immunity, may be reasonably restrained in exigent circumstances for purposes of self-defense, public safety or the prevention of serious criminal acts.
- (c) An impaired foreign diplomatic or consular representative may be prevented from driving a vehicle, even if the person may not be arrested due to privileges and immunities.
 - 1. Investigations, including the request for field sobriety tests, chemical tests and any other tests regarding impaired driving may proceed but they shall not be compelled.
- (d) The following persons may not be detained or arrested, and any property or vehicle owned by these persons may not be searched or seized:
 - 1. Diplomatic-level staff of missions to international organizations and recognized family members
 - 2. Diplomatic agents and recognized family members
 - 3. Members of administrative and technical staff of a diplomatic mission and recognized family members
 - 4. Career consular officers, unless the person is the subject of a felony warrant
- (e) The following persons may generally be detained and arrested:

1. International organization staff; however, some senior officers are entitled to the same treatment as diplomatic agents.
2. Support staff of missions to international organizations.
3. Diplomatic service staff and consular employees; however, special bilateral agreements may exclude employees of certain foreign countries.
4. Honorary consular officers.

411.5 DOCUMENTATION

All contacts with persons who have claimed privileges and immunities afforded foreign diplomatic and consular representatives should be thoroughly documented and the related reports forwarded to DOS.

- (c) A small number of senior officers are entitled to be treated identically to diplomatic agents.
- (d) Note that consul residences are sometimes located within the official consular premises. In such cases, only the official office space is protected from police entry.

Rapid Response and Deployment

412.1 PURPOSE AND SCOPE

Violence in schools, workplaces, and other locations by any individual or group of individuals presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist officers implement rapid response and deployment to such situations.

412.2 POLICY

The policy of this department in dealing with a crisis situation shall be:

- (a) To obtain and maintain complete operative control of the incident.
- (b) To explore every reasonably available source of intelligence regarding the circumstances, location, and suspect(s) in the incident.
- (c) To attempt, by every means available, to attain any tactical advantage over the responsible individual(s).
- (d) To attempt, whenever feasible, a negotiated surrender of the suspect(s) and release of the hostages through the expertise of the members of this department and others.

Nothing in this policy shall preclude the use of necessary force, deadly or otherwise, by members of this department in protecting themselves or others from death or injury.

412.3 PROCEDURE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to immediately eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat, or wait for additional resources.

When deciding on a course of action officers should consider the following:

- (a) Whether sufficient personnel are available on-scene to advance on the suspect. Any advance on a suspect should be made using teams of two or more officers whenever reasonably possible.
- (b) Whether individuals who are under imminent threat can be moved out of danger with reasonable safety.
- (c) Whether the officers have the ability to effectively communicate with others in the field.
- (d) Whether planned tactics can be effectively deployed.
- (e) The availability of rifles, shields, control devices, and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Rapid Response and Deployment

- (f) In a case of a barricaded suspect with no hostages and no immediate threat to others, officers should consider summoning and waiting for additional assistance (Emergency Operations Unit (EOU) and/or hostage negotiation team response).
- (g) If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, the officer should take immediate action if reasonably possible to stop the threat presented by the suspect while calling for additional assistance.

Reporting Law Enforcement Activity Outside of Jurisdiction

413.1 PURPOSE AND SCOPE

This policy provides general guidelines for reporting law enforcement activity while on- or off-duty that is occurring outside the jurisdiction of the Brooklyn Center Police Department.

413.1.1 ASSISTANCE TO AGENCIES OUTSIDE THE CITY

When an officer is on-duty and is requested by an outside agency to participate in law enforcement activity in another jurisdiction, he/she shall obtain prior approval from a supervisor. If the request is of an emergency nature, the officer shall notify Dispatch before responding and thereafter notify a supervisor as soon as practicable.

413.1.2 LAW ENFORCEMENT ACTIVITY OUTSIDE THE CITY

Any on-duty officer who engages in law enforcement activities of any type outside the immediate jurisdiction of the Brooklyn Center shall notify a supervisor at the earliest possible opportunity. Any off-duty officer who engages in any law enforcement activities, regardless of jurisdiction, shall notify a supervisor as soon as reasonably practicable.

The supervisor shall determine if a case report or other documentation of the officer's activity is required. The report or other documentation shall be forwarded to the officer's Division Commander.

Immigration Violations

414.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to members of the Brooklyn Center Police Department relating to immigration and interacting with federal immigration officials.

414.2 POLICY

It is the policy of the Brooklyn Center Police Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

414.3 VICTIMS AND WITNESSES

To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and not in any way that would violate the United States or Minnesota constitutions.

414.3.1 BASIS FOR CONTACT

Unless immigration status is relevant to another criminal offense or investigation (e.g., harboring, smuggling, terrorism), the fact that an individual is suspected of being an undocumented alien shall not be the sole basis for contact, detention, or arrest.

414.3.2 SWEEPS

The Brooklyn Center Police Department does not conduct sweeps or other concentrated efforts to detain suspected undocumented aliens.

When enforcement efforts are increased in a particular area, equal consideration should be given to all suspected violations and not just those affecting a particular race, ethnicity, age, gender, sexual orientation, religion, socioeconomic status, or other group.

The disposition of each contact (e.g., warning, citation, or arrest), while discretionary in each case, should not be affected by such factors as race, ethnicity, age, gender, sexual orientation, religion, or socioeconomic status.

414.3.3 ICE REQUEST FOR ASSISTANCE

If a specific request is made by ICE or any other federal agency, this department will provide available support services, such as traffic control or peacekeeping efforts, during the federal operation.

Members of this department should not participate in such federal operations as part of any detention team unless it is in direct response to a request for assistance on a temporary basis

Brooklyn Center Police Department

Immigration Violations

or for officer safety. Any detention by a member of this department should be based upon the reasonable belief that an individual is involved in criminal activity.

414.3.4 IDENTIFICATION

Whenever any individual is reasonably suspected of a criminal violation (e.g., infraction, misdemeanor, or felony), the investigating officer should take reasonable steps to determine the individual's identity through valid identification or other reliable sources.

If an individual would have otherwise been released for an infraction or misdemeanor on a citation, the person should be taken to the station and given a reasonable opportunity to verify his/her true identity (e.g., telephone calls). If the person's identity is thereafter reasonably established, the original citation release should be completed without consideration of immigration status.

414.3.5 ARREST

If the officer intends to take enforcement action and the individual is unable to reasonably establish his/her true identity, the officer may take the person into custody on the suspected criminal violation if there is a substantial likelihood that the individual will not show up at a later date (Minn. R. Crim. P. § 6.01).

414.3.6 BOOKING

If there is a substantial likelihood that a person will not show up at a later date because he/she cannot reasonably establish his/her true identity, the individual may be booked into jail for the suspected criminal violation and held for bail (Minn. R. Crim. P. § 6.01).

414.3.7 DETENTION

A person detained exclusively for a misdemeanor should not be detained beyond what is reasonably necessary for establishing his/her identity. Regardless of the status of the person's identity, he/she should be released on a notice to appear in court for the violation or misdemeanor violation or be taken into custody as authorized by statute or court rule.

414.3.8 NOTIFICATION OF IMMIGRATION AND CUSTOMS ENFORCEMENT

Whenever an officer has reason to believe that any person arrested for any offense under the Minnesota law or any other felony may not be a citizen of the United States and the individual is not going to be booked into jail, ICE may be notified by the arresting officer so that ICE may consider placing an immigration hold on the individual.

If an officer has an articulable belief that an individual taken into custody for any misdemeanor is an undocumented alien, and after he/she is formally booked there is no intention to transport to the county jail, ICE may be informed by the arresting officer so that ICE may consider placing an immigration hold on the individual.

In making the determination whether to notify ICE in such circumstances, the officer should, in consultation with a supervisor, consider the totality of circumstances of each case including, but not limited to:

- (a) Seriousness of the offense

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Immigration Violations

- (b) Community safety
- (c) Impact on the immigrant community

Generally, officers will not need to notify ICE when booking arrestees at the county jail. Immigration officials routinely interview suspected undocumented aliens who are booked into the county jail on criminal charges and notification will be handled according to jail operation procedures.

414.4 DETENTIONS

An officer should not detain any individual, for any length of time, for a civil violation of federal immigration laws or a related civil warrant.

An officer who has a reasonable suspicion that an individual already lawfully contacted or detained has committed a criminal violation of federal immigration law may detain the person for a reasonable period of time in order to contact federal immigration officials to verify whether an immigration violation is a federal civil violation or a criminal violation. If the violation is a criminal violation, the officer may continue to detain the person for a reasonable period of time if requested by federal immigration officials (8 USC § 1357(g)(10)). No individual who is otherwise ready to be released should continue to be detained only because questions about the individual's status are unresolved.

If the officer has facts that establish probable cause to believe that a person already lawfully detained has committed a criminal immigration offense, he/she may continue the detention and may request a federal immigration official to respond to the location to take custody of the detained person (8 USC § 1357(g)(10)).

An officer is encouraged to forgo detentions made solely on the basis of a misdemeanor offense when time limitations, availability of personnel, issues of officer safety, communication capabilities, or the potential to obstruct a separate investigation outweigh the need for the detention.

An officer should notify a supervisor as soon as practicable whenever an individual is being detained for a criminal immigration violation.

414.4.1 SUPERVISOR RESPONSIBILITIES

When notified that an officer has detained an individual and established reasonable suspicion or probable cause to believe the person has violated a criminal immigration offense, the supervisor should determine whether it is appropriate to:

- (a) Transfer the person to federal authorities.
- (b) Lawfully arrest the person for a criminal offense or pursuant to a judicial warrant (see the Law Enforcement Authority Policy).

414.5 TRAINING

The Training Sergeant shall ensure that all appropriate members receive immigration training.

414.6 U VISA AND T VISA NONIMMIGRANT STATUS

Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)).

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)).

Any request for assistance in applying for U visa or T visa status should be forwarded in a timely manner to the Chief of Police. The Chief of Police should:

- (a) Consult with the assigned investigator to determine the current status of any related case and whether further documentation is warranted.
- (b) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the certification or declaration has not already been completed and whether a certification or declaration is warranted.
- (c) Address the request and complete the certification or declaration, if appropriate, in a timely manner.
 1. The instructions for completing certification and declaration forms can be found on the U.S. Department of Homeland Security (DHS) website.
- (d) Ensure that any decision to complete, or not complete, a certification or declaration form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed form in the case file.

414.7 INFORMATION SHARING

No member of this department will prohibit, or in any way restrict, any other member from doing any of the following regarding the citizenship or immigration status, lawful or unlawful, of any individual (8 USC § 1373):

- (a) Sending information to, or requesting or receiving such information from federal immigration officials
- (b) Maintaining such information in department records
- (c) Exchanging such information with any other federal, state, or local government entity

414.7.1 IMMIGRATION DETAINERS

No individual should be held based solely on a federal immigration detainer under 8 CFR 287.7 unless the person has been charged with a federal crime or the detainer is accompanied by a warrant, affidavit of probable cause, or removal order. Notification to the federal authority issuing the detainer should be made prior to the release.

414.8 ARREST NOTIFICATION TO IMMIGRATION AND CUSTOMS ENFORCEMENT

Generally, an officer should not notify federal immigration officials when booking arrestees at a county jail facility. Any required notification will be handled according to jail operation procedures. No individual who is otherwise ready to be released should continue to be detained solely for the purpose of notification.

414.9 FEDERAL REQUESTS FOR ASSISTANCE

Requests by federal immigration officials for assistance from this department should be directed to a supervisor. The Department may provide available support services, such as traffic control or peacekeeping efforts.

Emergency Utility Service

415.1 PURPOSE AND SCOPE

The City Public Works Department has personnel available to handle emergency calls 24 hours per day. Calls for service during non-business hours are frequently directed to the Police Department. Requests for such service received by this department should be handled in the following manner.

415.1.1 BROKEN WATER LINES

Patrol staff and CSOs need to properly notify City utility staff when emergencies arise. In situations where Hennepin Dispatch airs a call of an emergency sewer or water issue afterhours the following procedure must be followed. The responding officer or CSO must immediately notify Dispatch to contact the on-call utility person. They can be reached by pager at 612-648-9707. Dispatch will not notify the on-call unless instructed to do so by the assigned officer.

415.1.2 ELECTRICAL LINES

City Public Works does not maintain electrical lines to street light poles. When a power line poses a hazard, an officer should be dispatched to protect against personal injury or property damage that might be caused by power lines. The electric company or Public Works should be promptly notified, as appropriate.

415.1.3 RESERVOIRS, PUMPS AND WELLS

Public Works maintains the reservoirs and public water equipment, as well as several underpass and other street drainage pumps. In the event of flooding or equipment malfunctions, emergency personnel should be contacted as soon as possible.

415.1.4 EMERGENCY NUMBERS

A current list of emergency personnel who are to be called for municipal utility emergencies will be maintained by Dispatch.

415.2 TRAFFIC SIGNAL MAINTENANCE

The City of Brooklyn Center contracts with a private maintenance company to furnish maintenance for all traffic signals within the City, other than those maintained by the Minnesota Department of Transportation (Mn/DOT).

415.2.1 OFFICER'S RESPONSIBILITIES

Upon observing a damaged or malfunctioning signal, the officer will advise Dispatch of the location and problem with the signal. The dispatcher should make the necessary notification to the proper maintenance agency.

Patrol Rifles

416.1 PURPOSE AND SCOPE

To more effectively and accurately address the increasing level of firepower and body armor utilized by criminal suspects, the Brooklyn Center Police Department will make patrol rifles available to qualified officers as an additional and more immediate tactical resource.

416.2 PATROL RIFLE

416.2.1 DEFINITION

Patrol Rifle - An authorized weapon which is owned by the Department and which is made available to properly trained and qualified officers as a supplemental resource to their duty handgun. No personally owned rifles may be carried for patrol duty unless pre-approved in writing by the Chief of Police.

416.3 SPECIFICATIONS

Only weapons and ammunition that meet agency authorized specifications, approved by the Chief of Police and issued by the Department, may be used by officers in their law enforcement responsibilities. The authorized patrol rifle issued by the Department is the Smith and Wesson M&P 15.

416.4 RIFLE MAINTENANCE

- (a) Primary responsibility for maintenance of patrol rifles shall fall on the armorer, who shall inspect and service each patrol rifle on a monthly basis.
- (b) Each patrol officer shall be responsible for promptly reporting any damage or malfunction of an assigned patrol rifle to a supervisor or armorer.
- (c) Any patrol rifle found to be unserviceable shall also be clearly identified as non-serviceable, including details regarding the unserviceable condition.
- (d) Each patrol rifle shall be subject to inspection by a supervisor or armorer at any time.
- (e) No modification shall be made to any patrol rifle without approval of the Chief of Police or Division Commander and modification must be made by a department armorer.

416.5 TRAINING

Officers shall not carry or utilize the patrol rifle unless they have successfully completed Department training. This training shall consist of an initial patrol rifle user's course and qualification score with a certified patrol rifle instructor. Officers shall thereafter be required to successfully complete training and yearly firearms proficiency qualification conducted by a certified patrol rifle instructor.

416.6 DEPLOYMENT OF THE PATROL RIFLE

Officers may deploy the patrol rifle in any circumstance where the officer can articulate a reasonable expectation that the rifle may be needed. Examples of some general guidelines for deploying the patrol rifle may include, but are not limited to:

- (a) Situations where the officer reasonably anticipates an armed encounter.
- (b) When an officer is faced with a situation that may require the delivery of accurate and effective fire at long range.
- (c) Situations where an officer reasonably expects the need to meet or exceed a suspect's firepower.
- (d) When an officer reasonably believes that there may be a need to deliver fire on a barricaded suspect or a suspect with a hostage.
- (e) When an officer reasonably believes that a suspect may be wearing body armor.
- (f) When authorized or requested by a supervisor.
- (g) When appropriate to aid in the dispatch of an animal.

416.7 DISCHARGE OF THE PATROL RIFLE

The discharge of the patrol rifle shall be governed by the Use of Force Policy and the Shooting Policy.

416.8 PATROL READY

Any qualified officer carrying a patrol rifle in the field shall maintain the weapon in a patrol ready condition until deployed. A rifle is considered in a patrol ready condition when it has been inspected by the assigned officer, the fire selector switch is in the safe position, the chamber is empty, and a fully loaded magazine is inserted into the magazine well.

416.9 RIFLE STORAGE

- (a) When not in use, patrol rifles will be stored in the Department armory in rifle racks.
- (b) In-service patrol rifles should be secured in the vehicle gun lock or case.
- (c) At the end of the assigned officer's shift, the patrol rifle will be returned and secured in the Department armory.

Aircraft Crashes

417.1 PURPOSE AND SCOPE

The purpose of this policy is to provide department members with guidelines for handling aircraft accidents.

417.1.1 DEFINITIONS

Definitions related to this policy include:

Aircraft - Any fixed wing aircraft, rotorcraft, balloon, blimp/dirigible or glider that is capable of carrying a person or any unmanned aerial vehicle other than those intended for non-commercial recreational use.

417.2 POLICY

It is the policy of the Brooklyn Center Police Department to provide an appropriate emergency response to aircraft accidents. This includes emergency medical care and scene management.

417.2.1 OFFICER RESPONSIBILITY

Officers should treat an aircraft crash site as a crime scene until it is determined that such is not the case. If a military aircraft is involved, additional dangers, such as live ordnance or hazardous materials, may be present. The scene may require additional security due to the potential presence of confidential equipment or information.

The duties of the responding officers at the scene of an aircraft crash include the following:

- (a) Determine the nature and extent of the crash.
- (b) Request additional personnel and other resources to respond as needed.
- (c) Provide assistance for the injured parties until the arrival of emergency medical services.
- (d) Cordon off and contain the area to exclude unauthorized individuals as soon as practicable.
- (e) Provide crowd control and other assistance until directed otherwise by a supervisor.
- (f) Ensure the Medical Examiner's Office is notified if a death occurs.
- (g) Notify Hennepin County Crime Lab for assistance with documentation.

Entering an aircraft or tampering with parts or debris is only permissible for the purpose of removing injured or trapped occupants, protecting the wreckage from further damage, or protecting the public from danger. If reasonably possible, the investigating authority should first be consulted before entering or moving any aircraft or any crash debris. Photographs or sketches of the original positions should be made whenever feasible.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Aircraft Crashes

The fire department will be responsible for control of the crash scene until the injured parties are cared for and the crash scene has been rendered safe for containment. Thereafter, police personnel will be responsible for preserving the scene until relieved by the investigating authority.

Once the scene is relinquished to the investigating authority, personnel from this agency may assist in containment of the scene until the investigation is completed or assistance is no longer needed.

An airport service worker or the airport manager may respond to the scene to assist the on-scene commander with technical expertise, should it be needed during the operation.

417.2.2 NATIONAL TRANSPORTATION SAFETY BOARD

The National Transportation Safety Board (NTSB) has the primary responsibility for investigating crashes involving civil aircraft. In the case of a military aircraft incident, the appropriate branch of the military will be involved in the investigation. The NTSB is concerned with several aspects of a crash as described in this section.

Every effort should be made to preserve the scene to the extent reasonably possible in the condition in which it was found until such time as NTSB or other authorized personnel arrive to take charge of the scene.

Military personnel will respond to take charge of any military aircraft involved, regardless of any injury or death.

If the crash did not result in a death or injury and the NTSB elects not to respond, the pilot or owner may assume control of the aircraft.

Removal of the wreckage shall be done under the guidance of the NTSB or military authorities or, if the NTSB is not responding for an on-site investigation, at the discretion of the pilot or the owner.

417.2.3 SUPPORT SERVICES MANAGER RESPONSIBILITIES

The Support Services Supervisor is responsible for the following:

- (a) Forward and maintain an approved copy of the crash report to the Minnesota Department of Transportation Aeronautics and Aviation Section.
- (b) Forward a copy of the report to the Patrol Division Commander and the manager of the affected airport.

417.2.4 PUBLIC INFORMATION OFFICER RESPONSIBILITIES

The Police Department Public Information Officer is responsible for the following:

- (a) Obtain information for a press release from the on-scene commander or designee.
- (b) When practicable, the Department Public Information Officer should coordinate with the FAA Press Information Officer to prepare a press release for distribution to the media.

Aircraft Crashes

Information released to the press regarding any aircraft crash should be handled by the Department Public Information Officer or in accordance with existing policy.

417.3 DOCUMENTATION

Any aircraft crash within the City, regardless of whether injuries or deaths occur, shall be documented.

Field Training Officer Program

418.1 PURPOSE AND SCOPE

The Field Training Officer Program is intended to provide a standardized program to facilitate the officer's transition from the academic setting to the actual performance of general law enforcement duties of the Brooklyn Center Police Department.

It is the policy of this department to assign all new police officers to a structured Field Training Officer Program that is designed to prepare the new officer to perform in a patrol assignment, and to acquire all of the skills needed to operate in a safe, productive, and professional manner.

418.2 FIELD TRAINING OFFICER - SELECTION AND TRAINING

The Field Training Officer (FTO) is an experienced officer trained in the art of supervising, training, and evaluating entry-level and lateral police officers in the application of their previously acquired knowledge and skills.

418.2.2 CONTINUED TRAINING

All FTOs should complete a POST-approved FTO update course every five years while assigned to the position of FTO.

418.3 FIELD TRAINING OFFICER PROGRAM SUPERVISOR

The Field Training Officer Program supervisor will be selected by the division commander or designee.

The responsibilities of the FTO Program supervisor include the following:

The FTO Program supervisor will be required to obtain a Field Training Officer supervisory certificate from a Minnesota POST Board-approved course within one year of appointment to this position.

418.4 TRAINEE DEFINED

Trainee - Any entry level or lateral police officer newly appointed to the Brooklyn Center Police Department who possesses a Minnesota POST license, or is eligible to be licensed.

418.5 REQUIRED TRAINING

Entry level officers shall be required to successfully complete the Field Training Program.

The training period for lateral officers may be modified depending on the trainee's demonstrated performance and level of experience.

The required training will take place on at least two different shifts and with at least two different FTOs, if reasonably possible.

418.5.1 FIELD TRAINING MANUAL

Each new officer will be issued a Field Training Manual at the beginning of his/her Primary Training Phase. This manual is an outline of the subject matter and skills necessary to properly function as an officer with the Brooklyn Center Police Department. The officer shall become knowledgeable of the subject matter as outlined. He/she shall also become proficient with those skills as set forth in the manual.

The Field Training Manual will specifically cover those policies, procedures, rules, and regulations enacted by the Brooklyn Center Police Department.

418.6 EVALUATIONS

Evaluations are an important component of the training process and shall be completed as outlined below.

418.6.1 FIELD TRAINING OFFICER

The FTO will be responsible for the following:

- (a) Completing and submitting a written evaluation on the performance of the assigned trainee to the trainee's immediate FTO on a daily basis.
- (b) Reviewing the Daily Trainee Performance Evaluations with the trainee each day.
- (c) Completing a detailed end-of-phase performance evaluation on the assigned trainee at the end of each phase of training.

- (d) Signing off all completed topics contained in the Field Training Manual, noting the method of learning and evaluating the performance of the assigned trainee.

418.6.2 IMMEDIATE SUPERVISOR

The Field Training Supervisor shall review the Daily Trainee Performance Evaluations.

418.6.3 FIELD TRAINING ADMINISTRATOR

The Field Training Supervisor will review and approve the Daily Trainee Performance Evaluations submitted by the FTO.

The Field Training Administrator will hold periodic meetings with all FTOs to ensure understanding and compliance with the requirements of the Field Training Program. At least annually, the Field Training Administrator will hold a process review meeting with all FTOs to discuss changes needed in the FTO Program. A summary of this meeting, with any recommendations or changes made, will be documented and forward to the Patrol Division Commander.

418.7 DOCUMENTATION

All documentation of the Field Training Program will be retained in the officer's training files, and will consist of the following:

- (a) Daily Trainee Performance Evaluations.
- (b) End of phase evaluations.
- (c) A Certificate of Completion, certifying that the trainee has successfully completed the field training program.

Obtaining Air Support

419.1 PURPOSE AND SCOPE

The use of air support can be invaluable in certain situations. This policy specifies potential situations where the use of air support may be requested, and the responsibilities for making a request.

419.2 REQUEST FOR AIR SUPPORT ASSISTANCE

If a supervisor or officer in charge of an incident determines that the use of air support would be beneficial, a request to obtain air support assistance may be made.

419.2.1 REQUEST FOR ASSISTANCE FROM ANOTHER AGENCY

After consideration and approval of the request for air support, the supervisor or officer in charge will call the closest agency having air support available. The supervisor or officer in charge will apprise that agency of the specific details of the incident prompting the request.

419.2.2 CIRCUMSTANCES UNDER WHICH AID MAY BE REQUESTED

Law enforcement air support may be requested under any of the following conditions:

- (a) When the aircraft is activated under existing mutual aid agreements.
- (b) Whenever the safety of law enforcement personnel is in jeopardy and the presence of the aircraft may reduce such hazard.
- (c) When the use of aircraft will aid in the capture of a suspected fleeing felon whose continued freedom represents an ongoing threat to the community.
- (d) When an aircraft is needed to locate a person who has strayed or is lost, and whose continued absence constitutes a serious health or safety hazard.
- (e) Vehicle pursuits (Minn. Stat. § 626.8458).
- (f) When the shift supervisor or equivalent authority determines a reasonable need exists.

While it is recognized that the availability of air support will generally provide valuable assistance to ground personnel, the presence of air support will rarely replace the need for officers on the ground.

Contacts and Temporary Detentions

420.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for temporarily detaining but not arresting persons in the field, conducting field interviews (FI) and pat-down searches, and the taking and disposition of photographs.

420.1.1 DEFINITIONS

Definitions related to this policy include:

Consensual encounter - When an officer contacts an individual but does not create a detention through words, actions, or other means. In other words, a reasonable individual would believe that his/her contact with the officer is voluntary.

Field interview (FI) - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purpose of determining the individual's identity and resolving the officer's suspicions.

Field photographs - Posed photographs taken of a person during a contact, temporary detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Video Recorder (MVR) system, body-worn camera, or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

Pat-down search - A type of search used by officers in the field to check an individual for dangerous weapons. It involves a thorough patting-down of clothing to locate any weapons or dangerous items that could pose a danger to the [officer_deputy], the detainee, or others.

Reasonable suspicion - When, under the totality of the circumstances, an officer has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

Temporary detention - When an officer intentionally, through words, actions, or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when an officer actually restrains a person's freedom of movement.

420.2 FIELD INTERVIEWS

Based on observance of suspicious circumstances or upon information from investigation, an officer may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the officer's suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the Brooklyn Center Police Department to strengthen community involvement, community awareness, and problem identification.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Contacts and Temporary Detentions

420.2.1 INITIATING A FIELD INTERVIEW

When initiating the stop, the officer should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual's:

- (a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act.
- (b) Actions suggesting that he/she is engaged in a criminal activity.
- (c) Presence in an area at an inappropriate hour of the day or night.
- (d) Presence in a particular area is suspicious.
- (e) Carrying of suspicious objects or items.
- (f) Excessive clothes for the climate or clothes bulging in a manner that suggest he/she is carrying a dangerous weapon.
- (g) Location in proximate time and place to an alleged crime.
- (h) Physical description or clothing worn that matches a suspect in a recent crime.
- (i) Prior criminal record or involvement in criminal activity as known by the officer.

420.3 PAT-DOWN SEARCHES

Once a valid stop has been made, and consistent with the officer's training and experience, an officer may pat a suspect's outer clothing for weapons if the officer has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the officer to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to:

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of weapons is involved.
- (b) Where more than one suspect must be handled by a single officer.
- (c) The hour of the day and the location or area where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry weapons.
- (e) The actions and demeanor of the suspect.
- (f) Visual indications which suggest that the suspect is carrying a firearm or other dangerous weapon.

Whenever practicable, a pat-down search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.

420.4 FIELD PHOTOGRAPHS

Before photographing any field detainee, the officer shall carefully consider, among other things, the factors listed below.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Contacts and Temporary Detentions

420.4.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT

Field photographs may be taken when the subject of the photograph knowingly and voluntarily gives consent.

420.4.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT

Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The officer must be able to articulate facts that reasonably indicate that the subject was involved in, or was about to become involved in, criminal conduct.

If, prior to taking a photograph, the officer's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be retained in compliance with this policy.

420.4.3 SUPERVISOR RESPONSIBILITIES

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken. Field photographs shall be classified as law enforcement data under Minn. Stat. § 13.82, and shall be collected, maintained, and disseminated consistent with the Minnesota Government Data Practices Act. Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

420.4.4 DISPOSITION OF PHOTOGRAPHS

All detainee photographs must be adequately labeled and submitted to the Shift Sergeant with either an associated FI card or other documentation explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

If a photograph is not associated with an investigation where a case number has been issued, the Shift Sergeant should review and forward the photograph to one of the following locations:

- (a) If the photograph and associated FI or documentation is relevant to criminal organization/enterprise enforcement, the Shift Sergeant will forward the photograph and documents to the designated criminal intelligence system supervisor. The supervisor will ensure the photograph and supporting documents are retained as prescribed in the Criminal Organizations Policy.
- (b) Photographs that do not qualify for retention in a criminal intelligence system or temporary information file shall be forwarded to the Support Services.

When a photograph is taken in association with a particular case, the investigator may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs shall be retained in accordance with the established records retention schedule.

Contacts and Temporary Detentions

420.5 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, officers should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigator to utilize available members for the following:

- (a) Identifying all persons present at the scene and in the immediate area.
 - 1. When feasible, a recorded statement should be obtained from those who claim not to have witnessed the incident but who were present at the time it occurred.
 - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by department members.
 - 1. A written, verbal, or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if reasonably available, prior to transport.

420.6 POLICY

The Brooklyn Center Police Department respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the officer, the decision to temporarily detain a person and complete an FI, pat-down search, or field photograph shall be left to the officer based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.

Criminal Gangs

421.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that the Brooklyn Center Police Department appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

421.1.1 DEFINITIONS

Definitions related to this policy include:

Criminal intelligence system - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

421.2 POLICY

The Brooklyn Center Police Department recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this department to collect and share relevant information while respecting the privacy and legal rights of the public.

421.3 CRIMINAL INTELLIGENCE SYSTEMS

No Department member may create, submit to, or obtain information from a criminal intelligence system unless the Chief of Police has approved the system for Department use.

Any criminal intelligence system approved for Department use should meet or exceed the standards of 28 CFR 23.20.

A supervisor or designee will be responsible for maintaining each criminal intelligence system that has been approved for Department use. The supervisor or the authorized designee should ensure the following:

- (a) Members using any such system are appropriately selected and trained.
- (b) Use of every criminal intelligence system is appropriately reviewed and audited.
- (c) Any system security issues are reasonably addressed.

421.3.1 SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information from a report, photo, or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this department, such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by the Support Services. Any supporting documentation for an entry shall be retained by the Support Services in accordance with the

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Criminal Gangs

established records retention schedule, and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Support Services are appropriately marked as intelligence information. The support services manager may not purge such documents without the approval of the designated supervisor.

421.3.2 ENTRIES INTO CRIMINAL GANG INVESTIGATIVE DATA SYSTEM

It is the designated supervisor's responsibility to approve the entry of any information into the criminal gang investigative data system maintained by the Minnesota Bureau of Criminal Apprehension and authorized by Minn. Stat. § 299C.091. Entries may be made if the individual is 14 years of age or older and the Department documents the following:

- (a) The Department has reasonable suspicion to believe that the individual has met at least three of the criteria or identifying characteristics of gang membership, developed by the Violent Crime Coordinating Council.
- (b) The individual has been convicted of a gross misdemeanor or felony, or has been adjudicated or has a stayed adjudication as a juvenile for an offense that would be a gross misdemeanor or felony if committed by an adult.

421.4 TEMPORARY INFORMATION FILE

No member may create or keep files on individuals that are separate from the approved criminal intelligence system. However, members may maintain temporary information that is necessary to actively investigate whether a person or group qualifies for entry into the department-approved CIS only as provided in this section. Once information qualifies for inclusion, it should be submitted to the supervisor responsible for consideration of CIS entries.

421.4.1 FILE CONTENTS

A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:

- (a) Must only be included upon documented authorization of the responsible department supervisor.
- (b) Should not be originals that would ordinarily be retained by the Support Services or Property Room, but should be copies of, or references to, retained documents such as copies of reports, Dispatch records, or booking forms.
- (c) Shall not include opinions. No person, organization, or enterprise shall be labeled as being involved in crime beyond what is already in the document or information.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Criminal Gangs

- (d) May include information collected from publicly available sources or references to documents on file with another government agency. Attribution identifying the source should be retained with the information.

421.4.2 FILE REVIEW AND PURGING

The contents of a temporary information file shall not be retained longer than one year. At the end of one year, the contents must be purged or entered in an authorized criminal intelligence system, as applicable.

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.

421.5 INFORMATION RECOGNITION

Department members should document facts that suggest an individual, organization, or enterprise is involved in criminal activity, and should forward that information appropriately. Examples include, but are not limited to:

- (a) Gang indicia associated with a person or residence.
- (b) Information related to a drug-trafficking operation.
- (c) Vandalism indicating an animus for a particular group.
- (d) Information related to an illegal gambling operation.

Department supervisors who utilize an authorized criminal intelligence system should train members to identify information that may be particularly relevant for inclusion.

421.6 RELEASE OF INFORMATION

Department members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to Department members and other law enforcement agencies on a need-to-know basis and consistent with the Records Release and Security Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile's name is in a temporary information file, such information should be provided by the supervisor responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

421.7 CRIMINAL STREET GANGS

The Investigations Division supervisor should ensure that there are an appropriate number of Department members who can:

- (a) Coordinate with other agencies in the region regarding criminal street gang crimes and information.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Criminal Gangs

421.8 TRAINING

The Department should provide training on best practices in the use of each authorized criminal intelligence system to those tasked with investigating criminal organizations and enterprises.

Training should include:

- (a) The protection of civil liberties.
- (b) Participation in a multi-agency criminal intelligence system.
- (c) Submission of information into a multi-agency criminal intelligence system or the receipt of information from such a system, including any governing federal and state rules and statutes.
- (d) The type of information appropriate for entry into a criminal intelligence system or temporary information file.
- (e) The review and purging of temporary information files.

Shift Supervision

422.1 PURPOSE AND SCOPE

Each patrol shift must be directed by a supervisor who is capable of making decisions and communicating in a manner consistent with Department policies, procedures, practices, functions, and objectives.

422.2 DESIGNATION AS ACTING SHIFT SERGEANT

When a sergeant is unavailable for duty as shift sergeant, in most instances the senior officer shall be designated as acting shift supervisor.

Mobile Video Recorders

423.1 PURPOSE AND SCOPE

The Brooklyn Center Police Department has equipped patrol vehicles and law enforcement operators with Mobile Video Recording (MVR) systems. The purpose of this policy is to provide department members with guidelines for the use, management, access, storage, retrieval and retention of audio-visual media recorded by MVR systems.

423.1.1 DEFINITIONS

Definitions related to this policy include:

- **Activate** – Any process that causes the MVR system to transmit or store video or audio in an active mode.
- **Mobile Video Recorder (MVR)** – Any system that captures audio-visual signals that is capable of installation in a vehicle or worn by a law enforcement operator and that includes at a minimum, a camera, a microphone and recorder.
- **Law Enforcement Operator (LEO)** – Primarily a licensed peace officer but on occasion may be a non-licensed representative such as a Community Service Officer who is trained, authorized and assigned to operate MVR equipment.
- **MGDPA** – The Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13.
- **PODPA** – The Peace Officers Discipline Procedures Act, Minnesota Statutes Section 626.89.
- **Property and Evidence Technician** – Personnel certified or trained in receiving and storing evidence and property, maintaining property inventory records with proper “chain of custody” notations and any and all actions associated with the property or evidence.
- **MVR Administrator** – A member of this department, who assigns, tracks and maintains MVR equipment, oversees needed repairs, or replacement equipment through the vendor, controls user rights and access, and acts as a liaison with the vendor.
- **MVR Technician** – Personnel certified or trained in the operational use and repair of MVR's, duplicating methods, storage and retrieval methods and procedures and who possesses a working knowledge of video forensics and evidentiary procedures.
- **Recorded Media** – Audio-visual signals that are recorded or stored.

423.2 POLICY

The Brooklyn Center Police Department may equip officers with access to Mobile Video Recorders for use during their official duties. Use of recorders is intended to enhance the department's mission by accurately documenting contacts between members of the department and the public.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Mobile Video Recorders

423.2.1 MOBILE VIDEO RECORDER OBJECTIVES

The Brooklyn Center Police Department has adopted the use of MVR's to accomplish the following objectives:

- (a) To enhance officer safety;
- (b) To document statements and events during the course of an incident;
- (c) To enhance the officer's ability to document and review statements and actions for both internal reporting requirements and for courtroom preparation;
- (d) To preserve audio and visual information for use in current and future investigations;
- (e) To provide a tool for self-critique and field evaluation during officer training;
- (f) To enhance the public trust by preserving factual representations, and interactions between officers and citizens in the form of audio/video recordings;
- (g) To assist with the defense of civil actions against law enforcement officers and the City of Brooklyn Center;
- (h) To assist with training and evaluation of officers.

423.3 OFFICER RESPONSIBILITIES

Officers who are issued a MVR will, as part of their uniform, wear and activate the MVR consistent with this policy. Prior to going into service each officer will also ensure that all assigned MVR equipment is working properly. If the MVR is not working properly the shift supervisor shall be notified as soon as possible. If the device is body worn, a functioning device should be obtained as soon as reasonably practicable. Each officer should have adequate recording media for the entire duty assignment.

While on duty, officers may only use MVR equipment issued and maintained by the Brooklyn Center Police Department to document their activities.

At the start of each shift, officers will confirm the MVR system is operational in accordance with manufacturer specifications and department operating procedures and training.

System documentation is accomplished by the officer verifying his/her name, and date/time accuracy.

During their shift, officers will follow the established policies and procedures for documenting, categorizing and retaining any recorded media.

Any member assigned to a non-uniformed position may carry an approved MVR at any time the member believes that such a device may be useful. If a non-uniformed member decides to carry an approved MVR it should be worn in a conspicuous manner.

Damage to, loss or theft of MVR equipment shall immediately be reported to the shift supervisor.

423.4 ACTIVATING THE MVR

Vehicle mounted MVR's and body worn MVRs may be activated manually or automatically whenever the vehicle's emergency lights are fully activated or when the vehicle's speed reaches 80 mph. Other automatic triggers to event recording may be activated at the discretion of Police Administration.

423.4.1 REQUIRED ACTIVATION OF THE MVR

This policy is not intended to describe every situation in which the MVR system may be used, although there are many situations where its use is appropriate. An officer may activate the system any time the officer believes its use would be appropriate and/or valuable to document the incident.

In some circumstances it may not be possible to capture images of the incident due to conditions or the location of the camera; however, the audio portion may still be used as valuable evidence.

At no time is an officer expected to compromise officer safety in order to activate an MVR; however, the MVR should be activated in the following situations as soon as practicable:

- (a) All field contacts involving actual or potential criminal conduct, including but not limited to:
 - 1. Traffic encounters (to include but not limited to, traffic violations, motorist assists and all vehicle interdiction stops);
 - 2. Emergency vehicle responses;
 - 3. Vehicle pursuits;
 - 4. Suspicious vehicles;
 - 5. Arrests;
 - 6. Vehicle searches;
 - 7. Physical or verbal confrontations;
 - 8. Use of force;
 - 9. Prisoner or non-custody transports;
 - 10. Subjects stops of pedestrians or bicyclists;
 - 11. DWI investigations including field sobriety tests;
 - 12. Crimes in progress;
 - 13. Mental health or persons in crisis related calls;
 - 14. Taking a statement from a witness or suspect;
 - 15. Whenever ordered to by a supervisor;
 - 16. Any situation or incident that the officer, through training and experience, believes should be audibly and/or visually recorded.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Mobile Video Recorders

- (b) All self-initiated activity where an officer would normally notify Hennepin County Dispatch.
- (c) Any call for service involving a crime where the MVR may aid in the apprehension and/or prosecution of a suspect.
- (d) Any other contact that becomes adversarial after the initial contact, in situations that would otherwise not require recording.

Officers are required to notify those being recorded by a MVR whenever asked by the subject being recorded.

Department members should remain sensitive to the dignity of all individuals being recorded and exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to the department member that such privacy may outweigh any legitimate law enforcement interest in recording.

423.4.2 CESSATION OF RECORDING

- (a) Once activated the MVR system should remain on continuously until the officer's direct participation in the incident is complete or the situation no longer fits the activation.
- (b) Recording may be temporarily ceased to exchange information with other officers. In such instances officers may actively record video and mute the audio portion of the MVR.
- (c) Recording may cease during non-enforcement activities such as waiting for a tow truck or a family member to arrive, or in other similar situations.
- (d) Cessation of recording may also occur at the direction of a supervisor.
- (e) Department members will cease recording of body worn devices when entering the Hennepin County Jail.

423.4.3 WHEN ACTIVATION IS NOT REQUIRED

Activation of the MVR system is not required:

- (a) During encounters with undercover officers or informants;
- (b) When an officer is on break or is otherwise engaged in personal activities;
- (c) In any locations where a reasonable expectation of privacy exists, such as a restroom, locker room or break room;
- (d) When not in service or actively on patrol.

423.4.4 SUPERVISOR RESPONSIBILITIES

Shift supervisors should determine if non-functioning squad mounted MVR systems should be placed into service. If these MVR's are placed into service, the appropriate documentation should be made. Supervisors should determine corrective action for all non-functioning MVR equipment.

Supervisors should ensure officers are using their MVR equipment per policy.

When an incident arises that requires the immediate retrieval of the recorded media (e.g. serious crime scenes, officer involved shootings, department vehicle involved accidents), a supervisor shall respond to the scene and ensure the MVR is properly uploaded.

When conducting use of force reviews supervisors shall view any available MVR recordings as part of their review.

Supervisors are authorized to stream live audio and video feeds to ensure officer safety and equipment serviceability, or at the request of the officer. Officers will be advised of the streaming operation verbally by the supervisor and visually on the MCD screen by a blue streaming indicator light.

At reasonable intervals, supervisors should validate that:

- (a) Beginning and end of shift recording procedures are being followed;
- (b) The operation of MVR systems by new employees is assessed and reviewed no less than monthly.

423.5 USE OF RECORDERS

Minnesota law permits an individual to record any conversation in which one party to the conversation has given his/her permission (Minn. Stat. 626A.02).

Members of this department may record any conversation during the course of a criminal investigation in which the officer reasonably believes that such a recording will be lawful and beneficial to the investigation.

Members of this department shall not record another member of the department without a court order unless lawfully authorized by the Chief of Police, or authorized designee, for the purposes of conducting a criminal investigation.

423.6 PROHIBITED USE OF RECORDERS

Intentional interference with the MVR systems is strictly prohibited.

Officers are prohibited from using department-issued MVR equipment for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in their official capacity.

The MVR will not be intentionally activated to record conversations of fellow employees without their knowledge during routine, non-enforcement related activities.

There shall be no audio or video recordings made in any court of law, unless authorized by a judge (Minn. Court Rule 4, General Rules of Practice).

423.7 RETENTION OF MVR DATA

Once submitted for storage all recording media will be labeled and stored in a designated secure area. All recording media that is not booked in as evidence will be retained for a minimum of 180 days and disposed of in compliance with the established records retention schedule.

Video Type	Retention
Test or General Contact	90 Days

Citation Only	3 years
<ul style="list-style-type: none">• Citation issued and no paperwork or reports needed (ie. traffic citation)

<ul style="list-style-type: none">• Any arrest made or citation requiring a report (ie. trespassing)• Any video captured involving a police report or a call requiring other paperwork	
Death, CSC or Arson	Permanent
<ul style="list-style-type: none">• Any video related to a death (of any nature criminal or non-criminal), CSC or arson call	

423.7.1 CLASSIFICATION OF MVR DATA

Nothing in this policy shall be interpreted as changing the underlying classification of data collected by MVR systems. The classification of data collected by MVR systems will need to be determined on a case-by-case basis upon application and interpretation of the MGDPA.

If any situation involves two or more of the above categories the video should be retained at the higher classification level.

Video should be classified based on the outcome of the incident and not the actions of the individual officer.

Any video involving a statement should be classified under "arrest or report" or "death, CSC or arson" depending on the nature of the statement.

Any videos involving an emergency vehicle response should be classified based on the outcome of the call. Similarly, any videos involved an "assist other agency" should be classified based on the outcome of the assist, if known. If an officer never responds to the actual call the video would be classified as a "general contact"

It is the responsibility of the individual department member to accurately classify/tag their MVR data.

423.8 DOCUMENTING MVR USE

Officers who reasonably believe that an MVR recording is likely to contain evidence relevant to a criminal offense, potential claim against an officer or against the Brooklyn Center Police Department should indicate this in a report. Officers should ensure relevant recordings are preserved.

A video statement is not a replacement for a written or audio tape-recorded statement.

If a citation is issued, the officer shall make a notation on the citation indicating that the incident was recorded.

423.9 MEDIA STORAGE AND INTEGRITY

At the end of their shift, officers shall place the body worn MVR in the docking station. This will allow the data to be transferred from the MVR through the docking station to the storage site.

423.9.1 COPIES OF RECORDED MEDIA

Evidentiary copies of digital recordings will be accessed and copied for official law enforcement purposes only. Access rights may be given to the Hennepin County Attorney, the Brooklyn Center City Attorney, or other prosecutorial agencies associated with any future prosecution arising from an incident where a MVR was utilized.

MVR data may be shared with other law enforcement agencies only for legitimate law enforcement purposes that are documented at the time of the disclosure.

Officers shall ensure relevant recordings are preserved. Officers and MVR administrators may prevent automatic deletion or extend retention by changing video/audio classification of the media any time prior to the automatic deletion date.

423.9.2 ACCESS TO RECORDINGS

Except as provided by Minn. Stat. 13.825, Subd. 2 audio/video recordings are considered private or nonpublic data.

Any person captured in a recording may have access to the recording. If the individual requests a copy of the recording and does not have the consent of other non-law enforcement individuals captured on the recording, the identity of those individuals must be blurred or obscured sufficiently to render the subject unidentifiable prior to release. The identity of on-duty peace officers may not be obscured unless their identity is protected under Minn. Stat. 13.82, Subd. 17.

All recordings should be reviewed by the Support Services Manager prior to public release. Recordings that are clearly offensive to common sensibilities should not be publicly released unless disclosure is required by law or court order (Minn. Stat. 13.82 Subd. 7).

423.10 SYSTEM OPERATIONAL STANDARDS

- (a) MVR systems use should be based on officer safety requirements and device manufacturer recommendations;
- (b) Officers shall classify each digital MVR recording;
- (c) The MVR system should be configured to minimally record video 30 seconds prior to an event;
- (d) The MVR system may not be configured to record audio data prior to activation;
- (e) Digital recordings shall be retained according to the Department's retention schedule or as required by the rules of evidence, unless a specific request is made to store them for a longer period of time by an authorized person;

- (g) Officers shall not attempt to delete, alter, reuse, modify or tamper with MVR recordings.

423.11 MVR ADMINISTRATOR RESPONSIBILITIES

The Chief of Police or an authorized designee should designate an administrator responsible for: (Minn. Stat. 626.9473; Minn Stat. 13.825).

423.12 TRAINING

Users of the MVR systems and supervisors shall successfully complete an approved course of instruction prior to being deployed with MVR systems in operational settings. Documents related to this training shall be retained by the department.

423.13 USE AND REVIEW OF MVR RECORDINGS

All recordings are the property of the agency and subject to the provisions of the MGDPA. Dissemination outside of the agency is strictly prohibited except to the extent permitted or required under the MGDPA, Peace Officer Discipline Procedure Act (Minn. Stat. 626.89), or other applicable law. Members of the Department shall have no expectation of privacy or ownership interest in the content of these recordings.

To prevent damage to, or alteration of the original recorded media, it shall not be copied, viewed or otherwise inserted into any device not approved by the department. When reasonably possible a copy of the original media shall be used for viewing (unless otherwise directed by the courts) to preserve the original media.

Recorded files may also be reviewed:

- (a) To review for court preparation;
- (b) When preparing written reports or statements;
- (c) In instances of officer-involved shootings or deaths related to actions of an officer (see the Officer Involved Shooting and Deaths Policy for guidelines in those incidents);

- (l) By the media through the proper MGDPA request (Minn. Stat. 13.01 et seq.);
- (m) To assess possible training value;
- (n) The department shall restrict by password protection access to all audio and video data and shall maintain an electronic record of the date, time and person with regard to each access to data;
- (o) Officers will be notified if their recordings may be shown for staff training purposes. If an involved officer objects to showing a recording, his/her objection will be submitted to the Division Commander to determine if the training value outweighs the officer's objection;
- (p) In no event shall any recording be used or shown for the purpose of ridiculing, embarrassing or intimidating any employee; this includes submission of any portion of a video recording to a media organization.
- (q) Employees desiring to view any previously uploaded or archived MVR recording should submit a request in writing to the Patrol Commander. Approved requests should be forwarded to the Property Room Technician for processing.

423.14 ACCOUNTABILITY

Any member who accesses or releases recordings without authorization may be subject to discipline (Minn. Stat. 626.8473).

423.15 SCHOOL RESOURCE OFFICERS

Philosophy:

The Brooklyn Center Police Department recognizes that the duties and working environment for School Resource Officers (SRO) are unique within law enforcement. It is recognized that SRO's are required to maintain school safety while keeping the sanctity of the learning environment that the school provides. SRO's are expected to continuously build trusting relationships with students and staff. They also often have impromptu interventions with students to deescalate arguments and/or conflicts. It is with this understanding that the Brooklyn Center Police Department provides special regulations to SRO's and their use of Body Worn Cameras (BWC).

The recorder should be activated in any of the following situations:

- (a) When summoned by any individual to respond to an incident where it is likely that law enforcement action will occur when you arrive.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Mobile Video Recorders

- (b) Any self-initiated activity where it is previously known that you will make a custodial arrest.
- (c) Any self-initiated activity where it is previously known that your questioning/ investigation will be used later in criminal charges
- (d) When feasible an SRO shall activate the BWC when the contact becomes adversarial or the subject exhibits unusual behaviors.
- (e) While transporting a student to or from school.

Nothing in this policy undermines the fact that in many instances SRO's are suddenly forced to take law enforcement action and have no opportunity to activate the BWC. It is also recognized that SRO's often have private (confidential) conversations with juveniles. It is not appropriate to record these conversations as it diminishes the trust between the individual and the SRO.

Mobile Digital Computer Use

424.1 PURPOSE AND SCOPE

The Mobile Computer Display (MCD) accesses confidential records from the State of Minnesota, Bureau of Criminal Apprehension (BCA) databases. Employees using the MCD shall comply with all appropriate federal and state rules and regulations.

424.2 MDC USE

The MCD shall be used for official police communications only. Messages that are of a sexual, racist, offensive nature, or are otherwise critical of any member of the Department are strictly forbidden. MCD use is also subject to the Department Technology Use Policy.

Messages may be reviewed by supervisors at any time without prior notification. Employees generating or transmitting messages not in compliance with this policy are subject to discipline.

424.2.1 USE WHILE DRIVING

Use of the MCD by the vehicle operator should generally be limited to times when the vehicle is stopped. When the vehicle is in motion, the operator should only attempt to read messages that are likely to contain information that is required for immediate enforcement, investigative, or safety needs.

Short transmissions, such as a license plate check, are permitted if it reasonably appears that it can be done safely. In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

424.2.2 DOCUMENTATION OF ACTIVITY

MCDs and voice transmissions are used to record the officer's daily activity. To ensure the most accurate recording of these activities, the following are required:

- (a) All contacts or activity shall be documented at the time of the contact.
- (b) Whenever the activity or contact is not initiated by voice, the officer shall record it on the MCD.

424.2.3 STATUS CHANGES

All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted verbally over the police radio or through the MCD system.

Officers responding to in-progress calls shall advise changes in status verbally over the radio to assist other officers responding to the same incident.

Other changes in status may be entered by depressing the appropriate keys on the MCD.

424.3.1 BOMB CALLS

When investigating reports of possible bombs, officers will turn off their MCDs. Operating the MCD may cause some devices to detonate.

Foot Pursuits

425.1 PURPOSE AND SCOPE

Foot pursuits are inherently dangerous and require common sense, sound tactics and heightened officer safety awareness. This policy sets forth guidelines to assist officers in making the decision to initiate or continue the pursuit of suspects on foot by balancing the objective of apprehending the suspect with the risk of potential injury to the officer, the public or the suspect.

425.1.1 POLICY

It is the policy of this department when deciding to initiate or continue a foot pursuit that officers must continuously balance the objective of apprehending the suspect with the risk and potential for injury to Department personnel, the public or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances. Absent exigent circumstances, the safety of Department personnel and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and Department personnel.

425.2 DECISION TO PURSUE

Officers may be justified in initiating a foot pursuit of any individual the officer reasonably believes is about to engage in, is engaging in or has engaged in criminal activity. However, this decision must be continuously reevaluated in light of the circumstances presented at the time.

Mere flight by a person who is not suspected of criminal activity shall not serve as the sole justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual's involvement in criminal activity.

Deciding to initiate or continue a foot pursuit is a decision that an officer must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits potentially place Department personnel and the public at significant risk. Therefore, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

If circumstances reasonably permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, an officer should continuously consider reasonable alternatives to pursuit based upon the circumstances and resources available, such as the following:

- (a) Containment of the area
- (b) Canine search
- (c) Saturation of the area with patrol personnel
- (d) Aerial support

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Foot Pursuits

- (e) Apprehension at another time, when the identity of the suspect is known or there is information available that would likely allow for later apprehension and the need to immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the pursuit.

425.3 GUIDELINES FOR FOOT PURSUIT

Unless the officer reasonably believes that exigent circumstances exist (e.g. a serious threat to the safety of personnel or members of the public), officers should consider alternatives to engaging in or continuing a foot pursuit under the following conditions:

- (a) When directed by a supervisor to terminate the foot pursuit. Such an order shall be considered mandatory.
- (b) When the officer is acting alone.
- (c) When two or more officers become separated, lose visual contact with one another or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single officer keep the suspect in sight from a safe distance and coordinate the containment effort.
- (d) The officer is unsure of his/her location and direction of travel.
- (e) When pursuing multiple suspects and the pursuing officers do not reasonably believe that they would be able to control the suspect should a confrontation occur.
- (f) When the physical condition of the officers renders them incapable of controlling the suspect if apprehended.
- (g) When the officer loses radio contact with Dispatch or with backup officers.
- (h) When the suspect enters a building, structure, confined space or a wooded or otherwise isolated area and there are insufficient officers to provide backup and containment. The primary officer should consider discontinuing the pursuit and coordinating containment pending the arrival of sufficient officers.
- (i) The officer becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to officers or the public.
- (j) The officer reasonably believes that the danger to the pursuing officers or public outweighs the objective of immediate apprehension.
- (k) The officer loses possession of his/her firearm or other essential equipment.
- (l) The officer or a third party is injured during the pursuit, requiring immediate assistance and there are no other emergency personnel available to render assistance.
- (m) The suspect's location is no longer definitely known.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Foot Pursuits

- (n) The identity of the suspect is established or other information exists that will allow for the suspect's apprehension at a later time, and it reasonably appears that there is no immediate threat to Department personnel or the public if the suspect is not immediately apprehended.
- (o) The officer's ability to safely continue the pursuit is impaired by inclement weather, darkness or other conditions.

425.4 RESPONSIBILITIES IN FOOT PURSUITS

425.4.1 INITIATING OFFICER RESPONSIBILITIES

Unless relieved by another officer or a supervisor, the initiating officer shall be responsible for coordinating the progress of the pursuit. When acting alone and when practicable, the initiating officer should attempt to keep the suspect in sight until sufficient officers are present to safely apprehend the suspect.

Early communication of available information from the involved officers is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Officers initiating a foot pursuit should broadcast the following information as soon as it becomes practicable and available:

- (a) Unit identifier
- (b) Location and direction of travel
- (c) Reason for the foot pursuit
- (d) Number of suspects and description
- (e) Whether the suspect is known or believed to be armed

Officers should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any officer unable to promptly and effectively broadcast this information should terminate the pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the officer will notify Dispatch of his/her location and the status of the pursuit termination (e.g., suspect in custody, lost sight of suspect), and will direct further actions as reasonably appear necessary.

425.4.2 ASSISTING OFFICER/DEPUTY RESPONSIBILITIES

Whenever any officer announces that he/she is engaged in a foot pursuit, all other officers should minimize nonessential radio traffic to permit the involved officers maximum access to the radio frequency.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Foot Pursuits

Any officer who is in a position to intercept a fleeing suspect or who can assist the primary officer with the apprehension of the suspect, shall act reasonably and in accordance with Department policy, based upon available information and his/her own observations.

425.4.3 SUPERVISOR RESPONSIBILITIES

Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command and coordination of the foot pursuit. The supervisor should respond to the area whenever reasonably possible. The supervisor does not, however, need to be physically present to exercise control over the pursuit. The supervisor should continuously assess the situation in order to ensure the foot pursuit is conducted within established Department guidelines.

The supervisor should terminate the foot pursuit when the danger to pursuing officers or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Upon apprehension of the suspect, the supervisor should promptly proceed to the termination point to direct the post-pursuit activity.

425.5 REPORTING

The initiating officer shall complete the appropriate crime/arrest reports documenting, at minimum, the following:

- (a) The reason for initiating the foot pursuit.
- (b) The identity of involved personnel.
- (c) The course and approximate distance of the pursuit.
- (d) Whether a suspect was apprehended, as well as the means and methods used.
 - 1. Any use of force shall be reported and documented in compliance with the Use of Force Policy.
- (e) Any injuries or property damage.

Assisting officers taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary, or as directed.

In any case in which a suspect is not apprehended and there is insufficient information to warrant further investigation, a supervisor may authorize that the initiating officer need not complete a report in addition to the data normally created during the event.

Automated License Plate Readers (ALPR)

426.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the capture, storage and use of digital data obtained through the use of Automated License Plate Reader (ALPR) technology (Minn. Stat. § 626.8472).

426.2 ADMINISTRATION

The ALPR technology, also known as License Plate Recognition (LPR), allows for the automated detection of license plates. It is used by the Brooklyn Center Police Department to convert data associated with vehicle license plates for official law enforcement purposes, including identifying stolen or wanted vehicles, stolen license plates and missing persons. It may also be used to gather information related to active warrants, homeland security, electronic surveillance, suspect interdiction and stolen property recovery.

All installation and maintenance of ALPR equipment, as well as ALPR data retention and access, shall be managed by the Investigation Division Commander. The Investigation Division Commander will assign members under his/her command to administer the day-to-day operation of the ALPR equipment and data.

426.3 ALPR OPERATION

Use of an ALPR is restricted to the purposes outlined below. Department personnel shall not use, or allow others to use, the equipment or database records for any unauthorized purpose.

- (a) No member of this department shall operate ALPR equipment, or access ALPR data without first completing Department-approved training.
- (b) An ALPR shall only be used for official and legitimate law enforcement business.
- (c) An ALPR may be used in conjunction with any patrol operation or official Department investigation. Reasonable suspicion or probable cause is not necessary before using an ALPR.
- (d) While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR-equipped cars to canvass areas around homicides, shootings, and other major incidents. Partial license plates reported during major crimes should be entered into the ALPR system in an attempt to identify suspect vehicles.
- (e) If practicable, the officer should verify an ALPR response through the Minnesota Justice Information Services (MNJIS) and National Law Enforcement Telecommunications System (NLETS) databases before taking enforcement action that is based solely upon an ALPR alert.

Brooklyn Center Police Department

Automated License Plate Readers (ALPR)

- (f) No ALPR operator may access MNJIS or NLETS data unless otherwise authorized to do so. ALPR operators must obtain clearance through the Bureau of Criminal Apprehension (BCA) prior to operating ALPR equipment or accessing ALPR data.

426.3.1 RESTRICTIONS, NOTIFICATIONS AND AUDITS

The Brooklyn Center Police Department will observe the following guidelines regarding ALPR use (Minn. Stat. § 13.824):

- (a) Data collected by an ALPR will be limited to:
 1. License plate numbers.
 2. Date, time and location of data captured.
 3. Pictures of license plates, vehicles and areas surrounding the vehicle captured.
- (b) ALPR data may only be matched with the Minnesota license plate data file, unless additional sources are needed for an active criminal investigation.
- (c) ALPRs shall not be used to monitor or track an individual unless done so under a search warrant or because of exigent circumstances.
- (d) The Bureau of Criminal Apprehension shall be notified within 10 days of any installation or use and of any fixed location of an ALPR.

426.4 DATA COLLECTION AND RETENTION

The Support Services Supervisor is responsible for ensuring systems and processes are in place for the proper collection and retention of ALPR data. Data will be transferred from vehicles to the designated storage in accordance with department procedures.

ALPR data received from another agency shall be maintained securely and released in the same manner as ALPR data collected by this department (Minn. Stat. § 13.824).

ALPR data not related to an active criminal investigation must be destroyed no later than 30 days from the date of collection with the following exceptions (Minn. Stat. § 13.824):

- (a) Exculpatory evidence - Data must be retained until a criminal matter is resolved if a written request is made from a person who is the subject of a criminal investigation asserting that ALPR data may be used as exculpatory evidence.
- (b) Address Confidentiality Program - Data related to a participant of the Address Confidentiality Program must be destroyed upon the written request of the participant. ALPR data already collected at the time of the request shall be destroyed and future related ALPR data must be destroyed at the time of collection. Destruction can be deferred if it relates to an active criminal investigation.

All other ALPR data should be retained in accordance with the established records retention schedule.

426.4.1 LOG OF USE

A public log of ALPR use will be maintained that includes (Minn. Stat. § 13.824):

- (a) Specific times of day that the ALPR collected data.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Automated License Plate Readers (ALPR)

- (b) The aggregate number of vehicles or license plates on which data are collected for each period of active use and a list of all state and federal public databases with which the data were compared.
- (c) For each period of active use, the number of vehicles or license plates related to:
 - 1. A vehicle or license plate that has been stolen.
 - 2. A warrant for the arrest of the owner of the vehicle.
 - 3. An owner with a suspended or revoked driver's license or similar category.
 - 4. Active investigative data.
- (d) For an ALPR at a stationary or fixed location, the location at which the ALPR actively collected data and is installed and used.

A publicly accessible list of the current and previous locations, including dates at those locations, of any fixed ALPR or other surveillance devices with ALPR capability shall be maintained. The list may be kept from the public if the data is security information as provided in Minn. Stat. § 13.37, Subd. 2.

426.5 ACCOUNTABILITY

All saved data will be closely safeguarded and protected by both procedural and technological means. The Brooklyn Center Police Department will observe the following safeguards regarding access to and use of stored data (Minn. Stat. § 13.824; Minn. Stat. § 13.05):

- (a) All ALPR data downloaded to the mobile workstation and in storage shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date and time.
- (b) Members approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relate to a specific criminal investigation or department-related civil or administrative action.
- (c) Biennial audits and reports shall be completed pursuant to Minn. Stat. § 13.824, Subd. 6.
- (d) Breaches of personal data are addressed as set forth in the Protected Information Policy (Minn. Stat. § 13.055).
- (e) All queries and responses, and all actions, in which data are entered, updated, accessed, shared or disseminated, must be recorded in a data audit trail.
- (f) Any member who violates Minn. Stat. § 13.09 through the unauthorized acquisition or use of ALPR data will face discipline and possible criminal prosecution (Minn. Stat. § 626.8472).

Automated License Plate Readers (ALPR)

426.6 POLICY

The policy of the Brooklyn Center Police Department is to utilize ALPR technology to capture and store digital license plate data and images while recognizing the established privacy rights of the public.

All data and images gathered by the ALPR are for the official use of this department. Because such data may contain confidential information, it is not open to public review.

426.7 RELEASING ALPR DATA

The ALPR data shall be classified as private data, with specified exceptions per Minn. Stat. 13.824

The ALPR data may be shared only with other law enforcement or prosecutorial agencies for official law enforcement purposes or as otherwise permitted by law, using the following procedures (Minn. Stat. § 13.824):

- (a) The agency makes a written request for the ALPR data that includes:
 - 1. The name of the agency.
 - 2. The name of the person requesting.
 - 3. The intended purpose of obtaining the information.
 - 4. A record of the factual basis for the access and any associated case number, complaint or incident that is the basis for the access.
 - 5. A statement that the request is authorized by the head of the requesting law enforcement agency or his/her designee.
- (b) The request is reviewed by the Support Services Supervisor or the authorized designee and approved before the request is fulfilled.
 - 1. A release must be based on a reasonable suspicion that the data is pertinent to an active criminal investigation.
- (c) The approved request is retained on file.

Requests for ALPR data by non-law enforcement or non-prosecutorial agencies will be processed as provided in the Records Maintenance and Release Policy.

Homeless Persons

427.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that personnel understand the needs and rights of the homeless and to establish procedures to guide officers during all contacts with the homeless, whether consensual or for enforcement purposes. The Brooklyn Center Police Department recognizes that members of the homeless community are often in need of special protection and services. The Brooklyn Center Police Department will address these needs in balance with the overall missions of this department. Therefore, officers will consider the following policy when serving the homeless community.

427.1.1 POLICY

It is the policy of the Brooklyn Center Police Department to provide law enforcement services to all members of the community while protecting the rights, dignity, and private property of the homeless. Homelessness is not a crime, and members of this department will not use homelessness solely as a basis for detention or law enforcement action.

427.2 FIELD CONTACTS

Officers are encouraged to contact the homeless for purposes of rendering aid, support and for community-oriented policing purposes. Nothing in this policy is meant to dissuade an officer from taking reasonable enforcement action when facts support a reasonable suspicion of criminal activity. However, when encountering a homeless person who has committed a non-violent misdemeanor and continued freedom is not likely to result in a continuation of the offense or a breach of the peace, officers are encouraged to consider long-term solutions to problems that may relate to the homeless, such as shelter referrals and counseling in lieu of physical arrest. Officers should provide homeless persons with resource and assistance information whenever it is reasonably apparent such services may be appropriate.

427.2.1 OTHER CONSIDERATIONS

Homeless members of the community will receive the same level and quality of service provided to other members of our community. The fact that a victim or witness is homeless can, however, require special considerations for a successful investigation and prosecution. Officers should consider the following when handling investigations involving homeless victims, witnesses, or suspects:

- (a) Documenting alternate contact information. This may include obtaining addresses and telephone numbers of relatives and friends.
- (b) Document places the homeless person may frequent.
- (c) Provide homeless victims with victim/witness resources when appropriate.
- (d) Obtain statements from all available witnesses in the event a homeless victim is unavailable for a court appearance.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Homeless Persons

- (e) Consider whether the person may be a dependent adult or elder, and if so proceed in accordance with the Abuse of Vulnerable Persons Policy.
- (f) Arrange for transportation for investigation-related matters.
- (g) Consider whether a crime should be reported and submitted for prosecution, even when a homeless victim indicates he/she does not desire prosecution.

427.3 PERSONAL PROPERTY

The personal property of homeless persons must not be treated differently than the property of other members of the public. Officers should use reasonable care when handling, collecting, and retaining the personal property of homeless persons, and should not destroy or discard the personal property of a homeless person.

When a homeless person is arrested or otherwise removed from a public place, officers should make reasonable accommodations to permit the person to lawfully secure his/her personal property. Otherwise, the arrestee's personal property should be collected for safekeeping. If the arrestee has more personal property than can reasonably be collected and transported by the officer, a supervisor should be consulted. The property should be photographed and measures should be taken to remove or secure the property. It will be the supervisor's responsibility to coordinate the removal and safekeeping of the property.

Officers should not conduct or assist in clean-up operations of belongings that reasonably appear to be the property of homeless persons without the prior authorization of a supervisor.

Officers who encounter unattended encampments, bedding, or other personal property in public areas that reasonably appears to belong to a homeless person should not remove or destroy such property unless such property appears to involve a trespass, blight to the community, or is the subject of a complaint.

427.4 MENTAL ILLNESSES AND MENTAL IMPAIRMENTS

Some homeless persons may suffer from a mental illness or a mental impairment. Officers shall not detain a homeless person under a 72-hour emergency medical hold unless facts and circumstances warrant such a detention.

427.5 ECOLOGICAL ISSUES

Sometimes homeless encampments can affect the ecology and natural resources of the community and may involve criminal offenses beyond mere littering. Officers are encouraged to notify other appropriate agencies or departments when a significant impact to the environment has or is likely to occur. Significant impacts to the environment may warrant a crime report, investigation, supporting photographs and supervisor notification.

Criminal Conduct on School Buses

428.1 PURPOSE AND SCOPE

Criminal conduct on school buses has been identified by the legislature as a critical component for the safety and security of the community. The primary purpose of this policy is to provide officers guidance in responding to reports of alleged criminal conduct on school buses. This department, in cooperation with any other law enforcement agency that may have concurrent jurisdiction over the alleged offense, is responsible for responding to all reports of criminal misconduct on school buses in this jurisdiction.

This policy is not intended to interfere with or replace school disciplinary policies that relate to student misconduct on school buses (Minn. Stat. § 169.4581).

428.2 COMMUNITY COOPERATION

The Brooklyn Center Police Department shall work with and consult with school officials, transportation personnel, parents, and students to respond to these incidents to protect student safety and deal appropriately with those who violate the law.

428.3 PROCEDURE

This department shall respond to all criminal misconduct on school buses within the jurisdiction of this department regardless of the source of the report. Officers should take reasonable actions to complete the following:

- (a) Provide for the safety of any person involved in the incident or present at the incident.
- (b) Coordinate any appropriate care.
- (c) Investigate reports of crimes committed on school buses using the same procedures as followed in other criminal investigations as appropriate for juveniles and/or adults.
- (d) Issue citations, release pending further investigation, or apprehend and transport individuals committing crimes on school buses to the extent authorized by law.
- (e) Submit reports regarding the incident for review, approval and consideration for prosecution.
- (f) Complete follow-up and additional investigation as reasonably necessary to prepare a case pertaining to criminal conduct on school buses as required for prosecution.
- (g) Provide information to the relevant school regarding the incident as required or authorized by law.

Policy Title

Public Recording of Law Enforcement Activity

430.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

430.2 POLICY

The Brooklyn Center Police Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Officers should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

430.3 RECORDING LAW ENFORCEMENT ACTIVITY

Members of the public who wish to record law enforcement activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present.
- (b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to:
 1. Tampering with a witness or suspect.
 2. Inciting others to violate the law.
 3. Being so close to the activity as to present a clear safety hazard to the officers.
 4. Being so close to the activity as to interfere with an officer's effective communication with a suspect or witness.
- (c) The individual may not present an undue safety risk to the officers, him/herself or others.

430.4 OFFICER RESPONSE

Officers should promptly request a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Public Recording of Law Enforcement Activity

behavior to be unlawful. Accompanying the warnings should be clear directions on what an individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing an individual to clear the area, an officer could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

430.5 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of department members, such as how and where to file a complaint.

430.6 SEIZING RECORDINGS AS EVIDENCE

Officers should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
 1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
 1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
 2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the

Brooklyn Center Police Department

evidence is to transmit a copy of the recording from a device to a department-owned device.

Recording devices and media that are seized will be submitted within the guidelines of the Property and Evidence Policy.

Bicycle Patrol Unit

431.1 PURPOSE AND SCOPE

The Brooklyn Center Police Department has established the Bicycle Patrol Unit (BPU) for the purpose of enhancing patrol efforts in the community. Bicycle patrol has been shown to be an effective way to increase officer visibility in congested areas. A bicycle's quiet operation can provide a tactical approach to crimes in progress. The purpose of this policy is to provide guidelines for the safe and effective operation of the patrol bicycle.

431.2 POLICY

Patrol bicycles may be used for regular patrol duty, traffic enforcement, parking control or special events. The use of the patrol bicycle will emphasize its mobility and visibility to the community.

Bicycles may be deployed to any area at all hours of the day or night, according to Department needs and as staffing levels allow.

Requests for specific deployment of bicycle patrol officers shall be coordinated through the BPU supervisor or the Shift Sergeant.

431.3 SELECTION OF PERSONNEL

A copy will be forwarded to the BPU supervisor. Qualified applicants will then be invited to an oral interview. The oral board will consist of the BPU supervisor and a second person to be selected by the BPU supervisor. Interested personnel shall be evaluated by the following criteria:

- (a) Recognized competence and ability as evidenced by performance.
- (b) Special skills or training as it pertains to the assignment.
- (c) Good physical condition.
- (d) Willingness to perform duties using the bicycle as a mode of transportation.

431.3.1 BICYCLE PATROL UNIT SUPERVISOR

The BPU supervisor will be selected by the Patrol Division Commander or designee.

The BPU supervisor shall have responsibility for the following:

- (a) Organizing bicycle patrol training.
- (b) Inspecting and maintaining inventory of patrol bicycles and program equipment.
- (c) Scheduling maintenance and repairs.
- (d) Evaluating the performance of bicycle officers.
- (e) Coordinating activities with the Patrol Division.
- (f) Inspection and documentation no less than every three months that bicycles not in active service are in a serviceable condition.

Brooklyn Center Police Department

Bicycle Patrol Unit

- (g) Other activities as required to maintain the efficient operation of the unit.

431.4 TRAINING

Participants in the program must complete an initial Department-approved bicycle-training course after acceptance into the program. Thereafter, bicycle patrol officers should receive yearly in-service training to improve skills and refresh safety, health and operational procedures. The initial training shall minimally include the following:

- Bicycle patrol strategies
- Bicycle safety and accident prevention
- Operational tactics using bicycles

431.5 UNIFORMS AND EQUIPMENT

Officers shall wear the department-approved uniform and safety equipment while operating the department bicycle. Safety equipment includes department-approved helmet, riding gloves, protective eyewear and approved footwear.

The bicycle patrol uniform consists of the standard short-sleeve uniform shirt or other department-approved shirt with department badge and patches, and department-approved bicycle patrol pants or shorts.

Optional equipment includes a radio head set and microphone and jackets in colder weather. Turtleneck shirts or sweaters are permitted when worn under the uniform shirt.

Bicycle patrol officers shall carry the same equipment on the bicycle patrol duty belt as they would on a regular patrol assignment.

Officers will be responsible for obtaining the necessary forms, citation books and other department equipment needed while on bicycle patrol.

431.6 CARE AND USE OF PATROL BICYCLES

Specially marked and equipped patrol bicycles, attached gear bag, a headlight and a flashing rear light will be provided for use by [Officers_Deputies].

Bicycles utilized for uniformed bicycle patrol shall be primarily black or white with a "Police" decal affixed to each side of the crossbar or the bike's saddlebag.

Bicycles utilized for uniformed bicycle patrol shall be equipped with a rear rack and/or saddle bag(s) sufficient to carry the necessary equipment for handling routine patrol calls, including report writing, vehicle storage and citations.

Bicycle officers shall conduct an inspection of the bicycle and equipment prior to use to ensure proper working order of the equipment. Officers are responsible for the routine care and maintenance of Department bicycles (e.g., tire pressure, chain lubrication, overall cleaning).

If a needed repair is beyond the ability of the bicycle officer, an email should be sent to the BPU supervisor.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Bicycle Patrol Unit

Officers shall not modify the patrol bicycle, remove, modify or add components except with the express approval of the bicycle supervisor.

Vehicle bicycle racks are available should the officer need to transport the patrol bicycle. Due to possible component damage, transportation of the patrol bicycle in a trunk or on a patrol car push-bumper is discouraged.

Bicycles shall be properly secured when not in the officer's immediate presence.

431.7 OFFICER RESPONSIBILITIES

Officers are exempt from operating the bicycle in compliance with Minnesota law while performing their duties (Minn. Stat. § 169.222 Subd. 11). Officers may operate the bicycle without lighting equipment during hours of darkness, when such operation reasonably appears necessary for officer safety and tactical considerations. Officers must use caution and care when operating the bicycle without lighting equipment.

Pursuit Alternative Tracking Device

432.1 AUTHORIZED USE

Deployment of the Pursuit Alternative Tracking Device (PATD) is only authorized to track a stolen automobile. The deployment is only authorized when the officer has knowledge the registered owner has consented to its deployment and the eventual tracking of it or when the vehicle has been reported as stolen and the vehicle is occupied when the PATD is deployed (MN Stat 626A.35 Subd.2b). The deployment of the PATD should occur prior to any attempt to initiate a traffic stop with the stolen automobile and the decision to use the device should be reasonable given the facts and circumstances apparent to the officer at the time of the decision to deploy.

PATD should not be used on motorcycles or on any vehicle in which the occupants are exposed (e.g. convertibles) as these deployments are rarely effective and it puts the occupants at unnecessary risk of possible injury.

When attempting to position the squad to deploy the PATD, officers should act in a manner consistent with their training. Officers shall carefully consider vehicle and pedestrian traffic prior to deploying the device as to not pose a greater risk to the public in doing so.

Only officers trained in the use of this device are authorized to deploy them in the field.

432.2 OFFICER RESPONSIBILITIES

Officers will notify dispatch anytime the PATD has been deployed or attempted to be deployed. When reasonable, officers should state their intent to deploy prior to its actual deployment as it will give other Brooklyn Center officers time to initiate location tracking on the device. Officers just having deployed the PATD shall not initiate location tracking if they are operating the squad in a single officer capacity. If they determine to initiate location tracking that officer must pull over to a safe location and stop their vehicle prior to loading the tracking software.

The officer(s) having deployed the PATD will document its use in a report and via Benchmark Analytics. The documentation will include the serial number of the device launched as well as the squad number it was deployed from.

All reasonable efforts should be made to recover deployed devices even if they do not stay on the suspect vehicle. Recovered devices shall be property inventoried after being recovered and documented in a report.

432.3 SUPERVISOR RESPONSIBILITIES

Upon becoming aware of the successful deployment of the PATD, the supervisor or designee will oversee the response of all officers to the vehicle's location and attempts to apprehend the suspect(s).

432.4 LOCATION TRACKING

PATD location tracking capabilities should only be utilized to assist officers in the apprehension of suspects in a stolen automobile, specifically those that flee from officers. Regardless of whether

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

or not the suspect is apprehended, the device should be removed and/or tracking location ceased once the tagged vehicle has been recovered or officers cease their efforts to locate the stolen automobile. If location tracking is expected to be prolonged after location efforts have ceased a warrant may be required.

432.5 REPORTING

By August 1st of every year the Chief of Police or his/her designee must provide to the Superintendent of the Minnesota Bureau of Criminal Apprehension (BCA) the number of search warrants obtained for the purpose of prolonged tracking of vehicles using a PATD in the preceding 12 months

Medical Cannabis

433.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of this department with guidelines for investigating the possession or use of medical cannabis under Minnesota's medical cannabis laws.

433.1.1 DEFINITIONS

Definitions related to this policy include (Minn. Stat. § 152.22):

Medical cannabis - Any species of the genus cannabis plant, or any mixture or preparation of them, including whole plant extracts and resins in the form of a liquid, oil, pill, or dried raw cannabis that is properly packaged and labeled with:

- (a) The name and address of the authorized manufacturer.
- (b) The patient's registry identification number, name, date of birth, and address.
- (c) The chemical composition of medical cannabis.
- (d) Recommended dosage.
- (e) Directions for use.
- (f) Batch number.
- (g) Date of manufacture.

Patient - A Minnesota resident who has been diagnosed with a qualifying medical condition by a health care practitioner and who has met any other requirements for patients under Minn. Stat. § 152.22 et seq.

Caregiver - A person who has been approved by the Minnesota Commissioner of Health to assist a patient who is unable to self-administer medication or acquire medical cannabis from a distribution facility, and who is authorized to assist the patient with the use of medical cannabis.

433.2 POLICY

It is the policy of the Brooklyn Center Police Department to prioritize resources to avoid making arrests related to medical cannabis that the arresting officer reasonably believes would not be prosecuted by state or federal authorities.

Minnesota medical cannabis laws are intended to provide protection from prosecution to those who use or possess medical cannabis for medical purposes. The Brooklyn Center Police Department will exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under Minnesota law and the resources of the Department.

433.3 INVESTIGATION

Investigations involving the possession or use of cannabis generally fall into one of two categories:

- (a) Investigations when no person makes a medicinal claim.
- (b) Investigations when a person claims to be a patient or caregiver.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Medical Cannabis

433.3.1 INVESTIGATIONS WITH NO MEDICAL CLAIM

In any investigation involving the possession, delivery, production, or use of a cannabis product or drug paraphernalia where no person claims that the cannabis is used for medicinal purposes, the officer should proceed with a criminal investigation if the amount is greater than permitted for personal use under Minn. Stat. § 342.09. A medicinal claim may be raised at any time, so officers should document any statements and observations that may be relevant to whether the cannabis was possessed or produced for medicinal purposes.

433.3.2 INVESTIGATIONS INVOLVING A PATIENT OR CAREGIVER

Arrest shall not be made for the possession of medical cannabis by a patient, a caregiver or the parent or legal guardian of a patient (Minn. Stat. § 152.32).

Possession of medical cannabis properly packaged and labeled by an authorized manufacturer should suffice for verification of a person's status as a patient. The possession of medical cannabis registry verification from the Minnesota Department of Health should also suffice for verification a person's status as a patient or caregiver (Minn. Stat. § 152.22; Minn. Stat. § 152.27).

433.3.3 EXCEPTIONS

This policy does not apply to the following offenses. Officers may take enforcement action if the person (Minn. Stat. § 152.23):

- (a) Possesses or engages in the use of medical cannabis on a school bus or van, on the grounds of any preschool or primary or secondary school, in any correctional facility, or on the grounds of any child care facility or home daycare.
- (b) Vaporizes or smokes medical cannabis on any form of public transportation, where the vapor or smoke would be inhaled by a non-patient minor child, or in any public place or a place of employment.
- (c) Operates any motor vehicle, aircraft, train, or motorboat, or works on transportation property, equipment, or facilities while under the influence of medical cannabis.

433.4 FEDERAL LAW ENFORCEMENT

Officers should provide information regarding a medical cannabis investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the officer believes those authorities would have a particular interest in the information.

433.5 PROPERTY ROOM SUPERVISOR RESPONSIBILITIES

The Property Room supervisor shall ensure that medical cannabis, drug paraphernalia or other related property seized from a person engaged or assisting in the use of medical cannabis is not destroyed. Upon the prosecutor's decision to forgo prosecution, or the dismissal of charges or an acquittal, the Property Room supervisor shall as soon as practicable return to the person from whom it was seized any medical cannabis, drug paraphernalia or other related property.

The Property Room supervisor may not destroy medical cannabis except upon receipt of a court order.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Medical Cannabis

The Property Room supervisor may release medical cannabis to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Investigations Division supervisor.

433.6 REPORTING

Officers aware of a person experiencing a negative medical condition or a death related to a cannabis overdose, including as a result of an unauthorized access to medical cannabis, must contact the Minnesota Department of Health's Office of Medical Cannabis within five business days. If discovered as part of an ongoing investigation, the report must be made within 72 hours of the conclusion of the investigation (Minn. R. 4770.4002; Minn. R. 4770.4004).

Officers having reasonable suspicion of unauthorized possession of medical cannabis or of violations of cannabis laws by individuals authorized to possess medical cannabis, must report to the Office of Medical Cannabis using the designated online form. Reports related to unauthorized possession must be submitted within 72 hours, unless discovered as part of an ongoing investigation, in which case reporting must be made within 72 hours of the conclusion of the investigation. Reports of violations by persons authorized to possess medical cannabis must be submitted within 15 days (Minn. R. 4770.4010).

Civil Disputes

435.1 PURPOSE AND SCOPE

This policy provides members of the Brooklyn Center Police Department with guidance for addressing conflicts between persons when no criminal investigation or enforcement action is warranted (e.g., civil matters), with the goal of minimizing any potential for violence or criminal acts.

The Domestic Abuse Policy will address specific legal mandates related to domestic violence court orders. References in this policy to “court orders” apply to any order of a court that does not require arrest or enforcement by the terms of the order or by Minnesota law.

435.2 POLICY

The Brooklyn Center Police Department recognizes that a law enforcement presence at a civil dispute can play an important role in the peace and safety of the community. Subject to available resources, members of this department will assist at the scene of civil disputes with the primary goal of safeguarding persons and property, preventing criminal activity and maintaining the peace. When handling civil disputes, members will remain impartial, maintain a calm presence, give consideration to all sides and refrain from giving legal or inappropriate advice.

435.3 GENERAL CONSIDERATIONS

When appropriate, members handling a civil dispute should encourage the involved parties to seek the assistance of resolution services or take the matter to the civil courts. Members must not become personally involved in disputes and shall at all times remain impartial.

While not intended to be an exhaustive list, members should give considerations to the following when handling civil disputes:

- (a) Civil disputes tend to be confrontational and members should be alert that they can escalate to violence very quickly. De-escalation techniques should be used when appropriate.
- (b) Members should not dismiss alleged or observed criminal violations as a civil matter and should initiate the appropriate investigation and report when criminal activity is apparent.
- (c) Members shall not provide legal advice, however, when appropriate, members should inform the parties when they are at risk of violating criminal laws.
- (d) Members are reminded that they shall not enter a residence or other non-public location without legal authority including valid consent.
- (e) Members should not take an unreasonable amount of time assisting in these matters.

435.4 COURT ORDERS

Disputes involving court orders can be complex. Where no mandate exists for an officer to make an arrest for a violation of a court order, the matter should be addressed by documenting any apparent court order violation in a report. If there appears to be a more immediate need for enforcement

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Civil Disputes

action, the investigating officer should act in accordance with any applicable law, statute and/or ordinance.

If a person appears to be violating the terms of a court order but is disputing the validity of the order or its applicability, the investigating officer should document the following:

- (a) The person's knowledge of the court order or whether proof of service exists.
- (b) Any specific reason or rationale the involved person offers for not complying with the terms of the order.

A copy of the court order should be attached to the report when available. The report should be forwarded to the appropriate prosecutor. The report should also be forwarded to the court issuing the order with a notice that the report was also forwarded to the prosecutor for review.

435.4.1 STANDBY REQUESTS

Officers responding to a call for standby assistance to retrieve property should meet the person requesting assistance at a neutral location to discuss the process. The person should be advised that items that are disputed will not be allowed to be removed. The member may advise the person to seek private legal advice as to the distribution of disputed property.

Members should accompany the person to the location of the property. Members should ask if the other party will allow removal of the property or whether the other party would remove the property.

If the other party is uncooperative, the person requesting standby assistance should be instructed to seek private legal advice and obtain a court order to obtain the items. Officers should not order the other party to allow entry or the removal of any items. If there is a restraining or similar order against the person requesting standby assistance, that person should be asked to leave the scene or they may be subject to arrest for violation of the order.

435.5 REAL PROPERTY

Disputes over possession or occupancy of real property (e.g., land, homes, apartments) should generally be handled through a person seeking a court order.

Crisis Intervention Incidents

436.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires an officer to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

436.1.1 DEFINITIONS

Definitions related to this policy include:

Person in crisis - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage his/her behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; non-compliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive or dangerous behavior that may be accompanied by impaired judgment.

436.2 POLICY

The Brooklyn Center Police Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals

436.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation, lack of control
- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility or paranoia

Members should be aware that this list is not exhaustive. The presence or absence of any of these should not be treated as proof of the presence or absence of a mental health issue or crisis.

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Crisis Intervention Incidents

436.4 FIRST RESPONDERS

Safety is a priority for first responders. It is important to recognize that individuals under the influence of alcohol, drugs or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to officers; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit an officer's authority to use reasonable force when interacting with a person in crisis.

Officers are reminded that mental health issues, mental health crises and unusual behavior alone are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

An officer responding to a call involving a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request available backup officers and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible, and without compromising safety, turn off flashing lights, bright lights or sirens.
- (d) Attempt to determine if weapons are present or available.
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of his/her action or inaction, as perceived by the officer.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime.
- (i) Request a supervisor, as warranted.
- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.
- (k) If circumstances reasonably permit, consider and employ alternatives to force.

436.5 DE-ESCALATION

Officers should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm, courteous and avoid overreacting.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Crisis Intervention Incidents

- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (e.g., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding officers generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent or suicidal.
- Argue, speak with a raised voice or use threats to obtain compliance.

436.6 INCIDENT ORIENTATION

When responding to an incident that may involve mental illness or a mental health crisis, the officer should request that the dispatcher provide critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication, or may have failed to take his/her medication.
- (b) Whether there have been prior incidents, suicide threats/attempts, and whether there has been previous police response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

436.7 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

- (a) Attempt to secure appropriate and sufficient resources.
- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).
- (c) Consider strategic disengagement. Absent an imminent threat to the public and, as circumstances dictate, this may include removing or reducing law enforcement resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing, and prepare an after-action evaluation of the incident to be forwarded to the Division Commander.

Crisis Intervention Incidents

- (f) Evaluate whether a critical incident stress management debriefing for involved members is warranted.

436.8 INCIDENT REPORTING

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

436.8.1 DIVERSION

Individuals who are not being arrested should be processed in accordance with the Civil Commitments Policy.

436.9 NON-SWORN INTERACTION WITH PEOPLE IN CRISIS

Non-sworn members may be required to interact with persons in crisis in an administrative capacity, such as dispatching, records request, and animal control issues.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If a member believes that he/she is interacting with a person in crisis, he/she should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may be harmful to him/herself or others, an officer should be promptly summoned to provide assistance.

436.10 TRAINING

In coordination with the mental health community and appropriate stakeholders, the Department will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

Additionally, the Training Sergeant will provide officers, including part-time officers, with in-service training in crisis intervention and mental illness crisis as required by Minn. Stat. § 626.8469 and Minn. Stat. § 626.8474.

First Amendment Assemblies

437.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

437.2 POLICY

The Brooklyn Center Police Department respects the rights of people to peaceably assemble. It is the policy of this department not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

437.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills, leafleting and loitering. However, officers shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors officers may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Officers should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones or materials of participants or observers unless an officer is placing a person under lawful arrest.

Supervisors should continually observe department members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

437.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS

Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating department performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious or social views of associations, or the activities of any individual, group, association, organization, corporation, business or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

437.4 UNPLANNED EVENTS

When responding to an unplanned or spontaneous public gathering, the first responding officer should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to the on duty supervisor. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

437.5 PLANNED EVENT PREPARATION

For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

437.5.1 INFORMATION GATHERING AND ASSESSMENT

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.
- Information about past and potential unlawful conduct associated with the event or similar events.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

First Amendment Assemblies

- The potential time, duration, scope, and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

437.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for the following:

- (a) Command assignments, chain of command structure, roles, and responsibilities
- (b) Staffing and resource allocation
- (c) Management of criminal investigations
- (d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields)
 1. Uniforms must display the Department name and a unique personal identifier.
 2. A protocol for keeping record of any officers on scene who are not in compliance with uniform requirements due to exigent circumstances.
- (e) Deployment of specialized resources
- (f) Event communications and interoperability in a multijurisdictional event
- (g) Liaison with demonstration leaders and external agencies
- (h) Liaison with City government and legal staff
- (i) Media relations
- (j) Logistics: food, fuel, replacement equipment, duty hours, relief, and transportation
- (k) Traffic management plans
- (l) First aid and emergency medical service provider availability
- (m) Prisoner transport and detention
- (n) Review of policies regarding public assemblies and use of force in crowd control
- (o) Parameters for declaring an unlawful assembly (as defined by Minn. Stat. § 609.705)
- (p) Arrest protocol, including management of mass arrests
- (q) Protocol for recording information flow and decisions

- (r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force
- (s) Protocol for handling complaints during the event
- (t) Parameters for the use of body-worn cameras and other portable recording devices

437.5.3 MUTUAL AID AND EXTERNAL RESOURCES

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Mutual Aid and Outside Agency Assistance Policy).

437.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, the Incident Commander or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress (at least two routes when possible). A reasonable time to disperse should be allowed following a dispersal order.

Additionally, the dispersal order must include:

- (a) The name and rank of the person and the agency giving the order.
- (b) The reasons for the declaration.
- (c) How long the participants have to comply.

The dispersal announcements should be repeated after commencement of the initial dispersal order so that participants understand that they must leave the area.

If, after a crowd disperses pursuant to a declaration of unlawful assembly and subsequently participants assemble at a different geographic location where the participants are engaged in non-violent and lawful First Amendment activity, such an assembly cannot be dispersed unless it

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

First Amendment Assemblies

has been determined that it is an unlawful assembly, and a new declaration of unlawful assembly has been made.

437.6.1 MINNESOTA POST GUIDELINES ON UNLAWFUL ASSEMBLY

The mere failure to obtain a permit, such as a parade permit or sound permit, is not a sufficient basis to declare an unlawful assembly.

The fact that some of the demonstrators or organizing groups have engaged in violent or unlawful acts on prior occasions or demonstrations is not grounds for declaring an assembly unlawful.

Whenever possible, the unlawful behavior of a few participants must not result in the majority of peaceful protestors being deprived of their First Amendment rights, unless other participants or officers are threatened with dangerous circumstances.

437.7 USE OF FORCE

Use of force is governed by current department policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and conducted energy devices should be considered only when the participants' conduct reasonably appears to present the potential to harm officers, themselves or others, or will result in substantial property loss or damage (see the Control Devices and the Conducted Energy Device policies).

Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

437.8 ARRESTS

The Brooklyn Center Police Department should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

First Amendment Assemblies

- (a) Reasonable measures to address the safety of officers and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources (if requested).
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Cite and Release Policy).

437.9 MEDIA RELATIONS

The Public Information Officer should use all available avenues of communication, including press releases, briefings, press conferences and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the News Media Relations Policy).

437.10 DEMOBILIZATION

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles.

437.11 POST EVENT

The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

- (a) Operational plan
- (b) Any incident logs
- (c) Any assignment logs
- (d) Vehicle, fuel, equipment, and supply records
- (e) Incident, arrest, use of force, injury, and property damage reports
- (f) Photographs, audio/video recordings, Dispatch records/tapes
- (g) Media accounts (print and broadcast media)
- (h) Record of any unlawful assembly declarations

437.11.1 AFTER-ACTION REPORTING

The Incident Commander should work with City legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

- (a) Date, time and description of the event

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

First Amendment Assemblies

- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
- (c) Problems identified
- (d) Significant events
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

437.12 TRAINING

Department members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management. The Department should, when practicable, train with its external and mutual aid partners.

Chapter 5 - Traffic Operations

Traffic Function and Responsibility

500.1 PURPOSE AND SCOPE

The ultimate goal of traffic law enforcement is to reduce traffic collisions. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventative patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on collision data, enforcement activity records, traffic volume and traffic conditions. This department provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in collision situations but also in terms of traffic-related needs.

500.2 TRAFFIC OFFICER DEPLOYMENT

All officers assigned to patrol or traffic enforcement functions will emphasize enforcement of collision-causing violations during periods of high-collision incidence and at locations of occurrence. All officers will take directed enforcement action on request and random enforcement action when appropriate against violators as a matter of routine. All officers shall maintain high visibility while working general enforcement, especially at high-collision incidence locations.

Other factors to be considered for deployment are citizen requests, construction zones, or special events.

500.3 ENFORCEMENT

Enforcement actions are commensurate with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas and the number of citations issued by any officer shall not be used when evaluating officer performance (Minn. Stat. § 169.985; Minn. Stat. § 299D.08). The visibility and quality of an officer's work effort will be commensurate with the philosophy of this policy. Several methods are effective in the reduction of collisions:

500.3.1 WARNINGS

Warnings or other non-punitive enforcement actions should be considered in each situation and substituted for arrests or citations when circumstances warrant.

500.3.2 TRAFFIC CITATIONS

Traffic citations may be issued when an officer believes it is appropriate. It is essential that officers fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Officers should provide the following information at a minimum:

- (a) Explanation of the violation or charge.
- (b) Court appearance procedure, including the optional or mandatory appearance by the motorist.
- (c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court.
- (d) The court contact information.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Traffic Function and Responsibility

500.3.3 TRAFFIC CITATION COURT JURISDICTION

An officer who issues a traffic citation shall ensure that the citation is properly directed to the court having jurisdiction (Minn. Stat. § 169.91 Subd. 3).

500.3.4 PHYSICAL ARREST

Physical arrest can be made on a number of criminal traffic offenses. These physical arrest cases usually deal with, but are not limited to (Minn. Stat. § 169.91):

- (a) Negligent homicide.
- (b) Driving under the influence of alcohol/drugs.
- (c) Hit-and-run resulting in serious injury or death.
- (d) Hit-and-run resulting in damage to any vehicle or property.

500.4 HIGH-VISIBILITY VESTS

The Department has provided American National Standards Institute (ANSI) Class II high-visibility vests to increase the visibility of department members who may be exposed to hazards presented by passing traffic, maneuvering or operating vehicles, machinery and equipment (23 CFR 655.601; Minn. R. 5205.0030).

Although intended primarily for use while performing traffic-related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the member.

500.4.1 REQUIRED USE

Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be exposed to the hazards of approaching traffic or construction and recovery equipment. Examples of when high-visibility vests should be worn include traffic control duties, collision investigations, lane closures and while at disaster scenes, or any time high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, officers should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

Vests maintained in the investigation units may be used any time a plain clothes officer might benefit from being readily identified as an officer.

500.4.2 CARE AND STORAGE OF HIGH-VISIBILITY VESTS

All employees shall be issued a high visibility vest and are responsible for the care and maintenance.

An employee with a damaged or unusable vest shall notify their supervisor as soon as possible to obtain a replacement.

Traffic Collisions

501.1 PURPOSE AND SCOPE

This policy provides guidelines for responding to and investigating traffic collisions.

501.2 POLICY

It is the policy of the Brooklyn Center Police Department to respond to traffic collisions and render or summon aid to injured victims as needed. The Department will investigate and prepare reports according to the established minimum reporting requirements with the goal of reducing the occurrence of collisions by attempting to identify the cause of the collision and through enforcing applicable laws. Unless restricted by law, traffic collision reports will be made available to the public upon request.

501.2.1 RESPONSE CONSIDERATIONS

An officer responding to and upon arrival at a collision, should consider the following:

- (a) The most appropriate route to the incident.
- (b) Proper placement of the emergency vehicle to provide protection for officers and the scene.
- (c) Potential for involvement of hazardous materials.
- (d) Additional support that may be necessary (e.g., traffic control, medical aid, HazMat, ambulance, and tow vehicles).
- (e) Provide first aid to any injured parties if it can be done safely and obtain medical assistance as necessary.
- (f) Provision of traffic control and protection of the scene.
- (g) Clearance of the roadway.

501.3 RESPONSE

Upon arriving at the scene, the responding member should assess the need for additional resources and summon assistance as appropriate. Generally, the member initially dispatched to the scene will be responsible for the investigation and report, if required, unless responsibility is reassigned by a supervisor.

A supervisor should be called to the scene when the incident:

- (a) Is within the jurisdiction of this department and there is:
 - 1. A life-threatening injury.
 - 2. A fatality.
 - 3. A City vehicle involved.
 - 4. A City official or employee involved.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Traffic Collisions

5. Involvement of an on- or off-duty member of this department.
- (b) Is within another jurisdiction and there is:
 1. A City of Brooklyn Center vehicle involved.
 2. A City of Brooklyn Center official involved.
 3. Involvement of an on-duty member of this department.

501.3.1 MEMBER RESPONSIBILITIES

Upon arriving at the scene, the responding member should consider and appropriately address:

- (a) Traffic direction and control
- (b) Proper placement of emergency vehicles, cones, roadway flares or other devices if available to provide protection for members, the public and the scene.
- (c) First aid for any injured parties if it can be done safely.
- (d) The potential for involvement of hazardous materials.
- (e) The need for additional support as necessary (e.g., traffic control, emergency medical services, fire department, HAZMAT, tow vehicles).
- (f) Clearance and cleanup of the roadway.

501.4 NOTIFICATION

If a traffic collision involves a life-threatening injury or fatality, the responding officer shall notify a supervisor, or if unavailable, the Shift Sergeant. The Shift Sergeant or any supervisor may assign a traffic investigator or other appropriate personnel to investigate the incident. The Shift Sergeant will ensure notification is made to the Patrol Commander, department command staff and City Manager in accordance with the Major Incident Notification Policy.

501.5 MINIMUM REPORTING REQUIREMENTS

A collision report shall be taken when:

- (a) A fatality, any injury (including complaint of pain), impaired driving or hit and run is involved.
- (b) An on-duty member of the City of Brooklyn Center is involved.
- (c) The collision results in any damage to any City-owned or leased vehicle.
- (d) The collision involves any other public agency driver or vehicle.
- (e) There is damage to public property.
- (f) There is damage to any vehicle to the extent that towing is required.
- (g) Prosecution or follow-up investigation is contemplated.
- (h) Directed by a supervisor.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Traffic Collisions

501.5.1 PRIVATE PROPERTY

Generally, reports should not be taken when a traffic collision occurs on private property unless there is an injury or fatality, a hit-and-run violation or other traffic law violation involved. Members may provide assistance to motorists as a public service, such as exchanging information and arranging for the removal of the vehicles.

501.5.2 CITY VEHICLE INVOLVED

A traffic collision report shall be taken when a City vehicle is involved in a traffic collision that results in property damage or injury.

A general information report may be taken in lieu of a traffic collision report at the direction of a supervisor when the incident occurs entirely on private property or does not involve another vehicle.

Whenever there is damage to a City vehicle, a vehicle damage report shall be completed and forwarded to the appropriate Division Commander. The traffic investigator or supervisor at the scene should determine what photographs should be taken of the scene and the vehicle damage.

501.5.3 INJURED ANIMALS

Department members should refer to the [Animal Control] Policy when a traffic collision involves the disposition of an injured animal.

501.6 INVESTIGATION

When a traffic collision meets minimum reporting requirements the investigation should include, at a minimum:

- (a) Identification and interview of all involved parties.
- (b) Identification and interview of any witnesses.
- (c) A determination of whether a violation of law has occurred and the appropriate enforcement action.
- (d) Identification and protection of items of apparent evidentiary value.
- (e) Documentation of the incident as necessary (e.g., statements, measurements, photographs, collection of evidence and reporting) on the appropriate forms.

501.6.1 INVESTIGATION BY OUTSIDE LAW ENFORCEMENT AGENCY

The Patrol Commander or on-duty Shift Sergeant should request that the Minnesota Department of Public Safety or other outside law enforcement agency investigate and complete a traffic collision investigation when a life-threatening injury or fatal traffic collision occurs within the jurisdiction of the Brooklyn Center Police Department and involves:

- (a) An on- or off-duty member of the Department.
 - 1. The involved member shall complete the department traffic collision form. If the member is unable to complete the form, the supervisor shall complete it.
- (b) An on-or off-duty official or employee of the City of Brooklyn Center.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Traffic Collisions

Department members shall promptly notify a supervisor when any department vehicle is involved in a traffic collision. The collision investigation and report shall be completed by the agency having jurisdiction.

501.6.2 COMMERCIAL VEHICLE COLLISIONS

Commercial vehicle collisions additionally require notification to the Minnesota State Patrol if the collision results in (Minn. Stat. § 169.783):

- (a) A fatality.
- (b) Bodily injury to a person who, as a result of the injury, immediately receives medical treatment away from the scene of the collision.
- (c) One or more vehicles incurring disabling damage as a result of the collision, requiring the vehicle to be transported away from the scene by tow truck or other motor vehicle.

A waiver or inspection by a state trooper or other authorized person is required before a person may drive a commercial motor vehicle that was involved in such a collision (Minn. Stat. § 169.783).

501.7 ENFORCEMENT ACTION

After a thorough investigation in which physical evidence or independent witness statements indicate that a violation of a traffic law contributed to the collision, authorized members should issue a citation or arrest the offending driver, as appropriate.

More serious violations, such as driving under the influence of drugs or alcohol, vehicular manslaughter, or other felonies, shall be enforced. If a driver who is subject to enforcement action is admitted to a hospital, a supervisor shall be contacted to determine the best enforcement option.

501.8 REPORTS

Department members shall utilize forms approved by the Minnesota Department of Public Safety as required for the reporting of traffic collisions (Minn. Stat. § 169.09, Subd. 9). All such reports shall be forwarded to the Patrol Commander for approval and filing.

501.8.1 REPORT MODIFICATION

A change or modification of a written report that alters a material fact in the report may be made only by the member who prepared the report, and only prior to its approval and distribution. Once a report has been approved and distributed, corrections shall only be made by way of a written supplemental report. A written supplemental report may be made by any authorized member.

Vehicle Towing

502.1 PURPOSE AND SCOPE

This policy provides the procedures for towing a vehicle by or at the direction of the Brooklyn Center Police Department and under the authority of Minn. Stat. § 168B.035.

502.2 STORAGE AND IMPOUNDS

Vehicles may be towed for violations of Minn. Stat. § 168B.035, including parking, registration and snow emergency violations.

Vehicles may be moved or removed from a highway when in violation of Minn. Stat. § 169.32(a) or when left unattended upon any street or highway or upon any bridge or causeway or in any tunnel where such vehicle constitutes an obstruction to traffic (Minn. Stat. § 169.33).

The responsibilities of those employees storing or impounding a vehicle are as follows:

502.2.1 COMPLETION OF VEHICLE IMPOUND AND INVENTORY REPORT

Department members requesting towing of a vehicle shall complete a Vehicle Impound and Inventory Report, including a description of property within the vehicle. A copy is to be given to the tow truck operator and the original is to be submitted to the Support Services as soon as practicable after the vehicle is stored.

The Support Services shall promptly enter pertinent data from the completed Vehicle Impound and Inventory Report into the Minnesota Justice Information Services (MNJIS) and return the form to the Shift Sergeant for approval.

Approved Vehicle Impound and Inventory Report forms shall be promptly placed into the auto-file so that they are immediately available for release or for information, should inquiries be made.

Within 48 hours, excluding weekends and holidays, of the towing of any such vehicle, it shall be the responsibility of the Support Services to determine through MNJIS the names and addresses of any individuals having an interest in the vehicle. Notice to all such individuals shall be sent by certified mail within five business days of impound (Minn. Stat. § 168B.06 Subd. 1).

502.2.2 REMOVAL OF VEHICLE DISABLED IN A TRAFFIC COLLISION

When a vehicle has been involved in a traffic collision and must be removed from the scene, the officer shall request the authorized daily tow company to respond. Department to assume responsibility for a vehicle involved in a collision, the officer shall request the dispatcher to call a company selected from the rotational list of towing companies. The officer will then conduct an inventory and store the vehicle using a Vehicle Impound and Inventory Report.

502.2.3 DRIVING A NON-CITY VEHICLE

Vehicles that have been towed by or at the direction of the Department should not be driven by police personnel unless it is necessary to move a vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or to comply with posted signs.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Vehicle Towing

502.2.4 RECORDS DIVISION RESPONSIBILITIES

Support Services personnel shall promptly enter pertinent data from the completed Vehicle Impound and Inventory Report form into the stolen vehicle system. Approved forms shall be promptly filed so that they are immediately available for release or review should inquiries be made.

Within 48 hours of recovering a stolen vehicle or receiving notification that a vehicle reported stolen through this department has been recovered, the Support Services shall make a reasonable and good faith effort to notify the victim of the recovery. The notice must specify when the recovering law enforcement agency expects to release the vehicle to the owner and where the owner may pick up the vehicle. Upon recovery of a vehicle reported stolen to another agency, the Support Services is to promptly inform the agency that the vehicle is recovered, where it is located, and when it can be released to the owner (Minn. Stat. § 169.042 Subd. 1).

502.3 TOWING SERVICES

The City of Brooklyn Center periodically selects one or more firms to act as official tow services and awards contracts to those firms. Those firms will be used in the following situations:

- (a) When it is necessary to safeguard a vehicle due to the inability of the owner or operator to take the required action.
- (b) When a vehicle is being held as evidence in connection with an investigation.
- (c) When it is otherwise necessary to store a motor vehicle. This would include situations involving the recovery of stolen or abandoned vehicles and the removal of vehicles obstructing traffic in violation of state or local regulations.

If more than one firm has been awarded contracts, they shall be placed on a rotation list. Nothing in this policy shall require the Department to tow a vehicle.

502.4 TOWING AT ARREST SCENES

Whenever a person in charge or in control of a vehicle is arrested, it is the policy of this department to provide reasonable safekeeping by towing the arrestee's vehicle subject to the exceptions described below. However, a vehicle shall be towed whenever it is needed for the furtherance of an investigation or prosecution of the case, or when the community caretaker doctrine would reasonably suggest that the vehicle should be towed. For example, the vehicle would present a traffic hazard if it were not removed, or the vehicle is located in a high-crime area and is susceptible to theft or damage if left at the scene.

The following are examples of situations where consideration should be given to leaving a vehicle at the scene in lieu of towing, provided the vehicle can be lawfully parked and left in a reasonably secured and safe condition:

- Traffic-related warrant arrest.
- Situations where the vehicle was not used to further the offense for which the occupant was arrested nor may be subject to forfeiture proceedings.

Vehicle Towing

- Whenever the vehicle otherwise does not need to be stored and the owner requests that it be left at the scene.

In such cases, the handling employee shall note in the report that the owner was informed that the Department will not be responsible for theft or damages.

502.5 VEHICLE INVENTORY

All property in a stored or impounded vehicle shall be inventoried and listed on the vehicle storage form. This includes the trunk and any compartments or containers, even if they are closed and/or locked. Members conducting inventory searches should be as thorough and accurate as practicable in preparing an itemized inventory. These inventory procedures are for the purpose of protecting an owner's property while the owner is in police custody, to provide for the safety of officers and the public, and to protect the Department against fraudulent claims of lost, stolen or damaged property.

502.6 PRESERVATION OF EVIDENCE

An officer who removes a vehicle pursuant to Minn. Stat. § 168B.035 is required to take reasonable and necessary steps to preserve evidence. If there is probable cause to believe that a vehicle or its contents constitute any evidence which tends to show that a criminal offense has been committed, or that a particular person has committed a criminal offense, officers shall ensure that all legally required and reasonably necessary efforts are taken to preserve the evidence. Such evidence is to be provided safe storage and preserved until released to the owner or otherwise disposed of according to law.

502.7 SECURITY OF VEHICLES AND PROPERTY

Unless it would cause an unreasonable delay in the completion of a vehicle impound/storage or create an issue of officer safety, officer should make reasonable accommodations to permit a driver/owner to retrieve small items of value or personal need (e.g., cash, jewelry, cellular telephone, prescriptions) that are not considered evidence or contraband.

If a search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft or damage, personnel conducting the search shall take such steps as are reasonably necessary to secure and/or preserve the vehicle or property from such hazards.

Vehicle Impound Hearings

503.1 PURPOSE AND SCOPE

This policy establishes a procedure for the requirement to provide vehicle storage or impound hearings.

503.2 STORED OR IMPOUND HEARING

When a vehicle is stored or impounded by any member of the Brooklyn Center Police Department, a hearing will be conducted upon the request of the owner or operator of the vehicle to determine if probable cause existed for the removal and placement of the vehicle.

The hearing shall be conducted within 48 hours of the request, excluding weekends and holidays. The hearing officer must be a person other than the person who directed the storage or impound of the vehicle.

503.2.1 HEARING PROCEDURES

The vehicle storage hearing is an informal process to evaluate the validity of an order to store or impound a vehicle. The employee who caused the storage or removal of the vehicle does not need to be present for this hearing.

All requests for a hearing on a stored or impounded vehicle shall be submitted in person, in writing, or by telephone, within 10 days of the date appearing on the notice. The Patrol Commander will generally serve as the hearing officer. The person requesting the hearing may record the hearing at his/her own expense.

The failure of either the registered or legal owner or interested person or his/her agent to request a hearing in a timely manner or to attend a scheduled hearing shall be considered a waiver of and satisfaction of the post-storage hearing.

Any relevant evidence may be submitted and reviewed by the hearing officer to determine if reasonable grounds have been established for the storage or impound of the vehicle. The initial burden of proof established by a preponderance of the evidence that the storage/impound was based on probable cause rests with the Department.

After consideration of all information, the hearing officer shall determine the validity of the storage or impound of the vehicle in question and then render a decision. The hearing officer shall also consider any mitigating circumstances attendant to the storage that reasonably would warrant the release of the vehicle or a mediation or reduction of the period the vehicle is impounded.

- (a) If a decision is made that reasonable grounds for storage or impound have been established, the hearing officer shall advise the inquiring party of the decision that the inquiring party may pursue further civil remedies if desired.
 1. If mitigating circumstances are found to be relevant, the hearing officer may make reasonable adjustments to the impound period, storage, or assessment fees as warranted.

Vehicle Impound Hearings

- (b) If a decision is made that reasonable grounds for storage or impound have not been established or sufficient mitigating circumstances exist, the vehicle in storage shall be released immediately. Towing and storage fees will be at the Department's expense.
- (c) If a decision is made that reasonable grounds for storage have not been established or sufficient mitigating circumstances exist, and the vehicle has been released with fees having been paid, the receipt for such fees will be forwarded to the appropriate Division Commander. The hearing officer will recommend to the appropriate Division Commander that the fees paid by the registered or legal owner of the vehicle in question or the owner's agent be reimbursed by the Department.

Impaired Driving

504.1 PURPOSE AND SCOPE

This policy provides guidance to those department members who play a role in the detection and investigation of driving while impaired (DWI).

504.2 POLICY

The Brooklyn Center Police Department is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of Minnesota's impaired driving laws.

504.3 INVESTIGATIONS

Officers should not enforce DWI laws to the exclusion of their other duties unless specifically assigned to DWI enforcement. All officers are expected to enforce these laws with due diligence.

504.4 FIELD TESTS

The Patrol Commander or designee should identify the primary field sobriety tests (FSTs) and any approved alternate tests for officers to use when investigating violations of DWI laws.

504.5 CHEMICAL TESTS

A person implies consent under Minnesota law to a chemical test or tests, and to providing the associated chemical sample, under any of the following (Minn. Stat. § 169A.51, Subd. 1):

- (a) The arresting officer has probable cause to believe the person was driving, operating or in physical control of a vehicle while impaired as defined by Minn. Stat. § 169A.20.
- (b) The officer has probable cause to believe that the person is DWI and has been involved in a vehicle accident resulting in property damage, personal injury or death.
- (c) The officer has probable cause to believe that the person is DWI and the person has refused to take the preliminary screening test provided for by Minn. Stat. § 169A.41.
- (d) The person was administered a preliminary screening test and the results indicated an alcohol concentration of 0.08 or more.
- (e) The officer has probable cause to believe the person was driving, operating or in physical control of a commercial motor vehicle with the presence of any alcohol in the person's body.

If a person withdraws this implied consent, or is unable to withdraw consent (e.g., the person is unconscious), the officer should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

504.5.1 BREATH SAMPLES

The Patrol Commander or designee should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested, and that a record of such service and testing is properly maintained.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Impaired Driving

Officers obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the shift supervisor.

504.5.2 BLOOD SAMPLES

Only persons authorized by law to draw blood shall collect blood samples (Minn. Stat. § 169A.51, Subd. 7). The blood draw should be witnessed by the assigned officer. No officer, even if properly certified, should perform this task.

Officers should inform an arrestee that if he/she chooses to provide a blood sample, a separate sample can be collected for alternate testing. Unless medical personnel object, two samples should be collected and retained as evidence, so long as only one puncture is required.

The blood sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

If an arrestee cannot submit to a blood test because he/she has a bleeding disorder or has taken medication that inhibits coagulation, he/she shall not be required to take a blood test. Such inability to take a blood test should not be considered a refusal. However, that arrestee may be required to complete another available and viable test.

504.5.3 URINE SAMPLES

If a urine test will be performed, the arrestee should be promptly transported to the appropriate testing site. The officer shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by an officer or jail staff member of the same sex as the person giving the sample. The arrestee tested should be allowed sufficient privacy to maintain his/her dignity, to the extent possible, while still ensuring the accuracy of the sample.

The sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

504.6 REFUSALS

When an arrestee refuses to provide a chemical sample officers should:

- (a) Advise the arrestee of the requirement to provide a sample (Minn. Stat. § 169A.51; Minn. Stat. § 171.177, Subd. 1).
- (b) Audio- and/or video-record the admonishment and the response when it is legal and practicable.
- (c) Document the refusal in the appropriate report.

504.6.1 STATUTORY NOTIFICATIONS UPON REFUSAL

Upon refusal to submit to a chemical test as required by law, officers shall personally serve the notice of intention to revoke upon the person and invalidate the person's license in such a way that no identifying information is destroyed and immediately return the license to the person (Minn. Stat. § 169A.52, Subd. 7; Minn. Stat. § 171.177, Subd. 8).

504.6.2 BLOOD SAMPLE WITHOUT CONSENT

A blood sample may be obtained from a person who does not consent to a chemical test when any of the following conditions exist (Minn. Stat. § 169A.51, Subd. 3):

- (a) A search warrant has been obtained.
- (b) The officer can articulate that exigent circumstances exist and the officer has probable cause to believe that the person has committed DWI, including vehicular homicide or injury (Minn. Stat. § 169A.52, Subd. 1; Minn. Stat. § 171.177, Subd. 13). Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol or controlled or prohibited substances in the person's bloodstream. Exigency can be established by the existence of special facts, such as a lengthy delay in obtaining a blood sample due to a collision investigation or medical treatment of the person.

504.6.3 FORCED BLOOD SAMPLE

A forced sample may not be taken except in DWI cases involving vehicular homicide or injury (Minn. Stat. § 171.177, Subd. 13). In those cases, if a person indicates by word or action that he/she will physically resist a blood draw, the officer should request a supervisor to respond.

The responding supervisor should:

- (a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.
- (b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes, a viable form of testing in a timely manner.
- (c) Advise the person of his/her duty to provide a sample (even if this advisement was previously done by another officer), and attempt to persuade the person to submit to such a sample without physical resistance.
 - 1. This dialogue should be recorded on audio and/or video when reasonably practicable.
- (d) Ensure that the blood sample is taken in a medically approved manner.
- (e) Ensure that the forced blood draw is recorded on audio and/or video when reasonably practicable.
- (f) Monitor and ensure that the type and level of force applied appears reasonable under the circumstances:
 - 1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.
 - 2. In misdemeanor cases, if the arrestee becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.
 - 3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood draw may be permitted.

- (g) Ensure the use of force and methods used to accomplish the collection of the blood sample are documented in the related report.

If a supervisor is unavailable, officers are expected to use sound judgment and perform the duties of a supervisor, as set forth above.

504.6.4 WARRANTS FOR CONTROLLED SUBSTANCES OR INCAPACITATION

A blood or urine test may be required pursuant to a warrant if the officer has probable cause to believe that (Minn. Stat. § 169A.51, Subd. 4):

- (a) The person's impairment is due to a controlled substance, an intoxicating substance, or cannabis or hemp-related product that is not subject to testing by a breath test.
- (b) A controlled substance listed in Schedule I or II or its metabolite (other than a cannabis or hemp-related product or tetrahydrocannabinols), is present in the person's body.
- (c) The person is unconscious or incapacitated to the point that the officer providing the breath test advisory, administering the breath test, or serving the search warrant has a good faith belief that the person is mentally or physically unable to comprehend the advisory or otherwise voluntarily submit to the chemical tests.

If a person objects to the blood or urine test as directed by the warrant or officer, the officer should offer the other type of test if the person is conscious. Action may be taken against a person refusing to submit to a blood or urine test only if an alternate test of blood or urine, as applicable, was offered (Minn. Stat. § 169A.51, Subd. 4; Minn. Stat. § 171.177, Subd. 2).

504.7 ARREST AND INVESTIGATION

504.7.1 RIGHT TO ATTORNEY CONTACTS

A person has a limited right to consult with an attorney prior to submitting to a chemical test. This right is limited to the extent that it cannot unreasonably delay administration of the test (Minn. Stat. § 169A.51, Subd. 2).

504.7.2 ARREST AUTHORITY

An officer may arrest a person without a warrant and without regard to whether the offense was committed in the officer's presence if there is probable cause to believe the person committed (Minn. Stat. § 169A.40):

- (a) A DWI offense (Minn. Stat. § 169A.20).
- (b) An alcohol- or cannabis-related driving offense involving a school bus or a Head Start bus (Minn. Stat. § 169A.31).
- (c) An underage drinking and driving offense (Minn. Stat. § 169A.33).

504.7.3 OFFICER RESPONSIBILITIES

If an officer requests that a person submit to a chemical test and the person refuses such request, the officer shall report such refusal to the Commissioner of the Department of Public Safety (DPS) and the appropriate prosecuting attorney (Minn. Stat. § 169A.52, Subd. 1; Minn. Stat. § 171.177, Subd. 3).

Impaired Driving

If a person refuses to submit to a test or in the alternative submits to a test and the results indicate a prohibited alcohol concentration, the officer shall immediately give notice to the person that his/her driving privilege will be revoked and shall (Minn. Stat. § 169A.52, Subd. 7; Minn. Stat. § 171.177, Subd. 8):

- (a) Issue the person a temporary license effective for only seven days.
 - 1. Officers are not required to issue a person a temporary license if the person's driving privilege is under withdrawal by DPS or if the person is unlicensed.
- (b) Send the notification of this action to the Commissioner of the DPS along with the certification that there was probable cause to believe the person had been driving, operating or in physical control of a motor vehicle while impaired, and that the person either refused to submit to a test or submitted to a test and the results indicated a prohibited alcohol concentration or drug presence.

Test results of a person that indicate a prohibited alcohol concentration or drug presence shall be forwarded to the Commissioner of the DPS and the appropriate prosecuting attorney (Minn. Stat. § 169A.52, Subd. 2).

504.7.4 STATUTORY WARNING

At the time that the officer requests the person to submit to a chemical test the officer must inform the person that (Minn. Stat. § 169A.51, Subd. 2):

- (a) Minnesota law requires that he/she take the test.
- (b) Refusal to take the test is a crime.
- (c) If he/she was arrested for a violation of vehicular homicide and injury, the test will be taken with or without consent (Minn. Stat. § 169A.52, Subd. 1).
- (d) He/she has the right to consult with an attorney unless it would unreasonably delay administration of the test.

An officer investigating a DWI involving criminal vehicular operation is not required to make the above mentioned notice if license revocation will not be pursued.

504.7.5 PRELIMINARY SCREENING TEST

An officer who has reason to believe the person was driving, operating or in physical control of a motor vehicle while impaired, may require the person to provide a sample of the person's breath for a preliminary screening test using a device approved by the DPS Commissioner (Minn. Stat. § 169A.41, Subd. 1).

The officer must use the results of the preliminary screening test for the purpose of deciding whether to arrest the person and require further chemical testing pursuant to Minn. Stat. § 169A.51 (Minn. Stat. § 169A.41, Subd. 2).

504.7.6 OFFENSE FOR REFUSAL

A person who refuses to submit to a chemical test pursuant to Minn. Stat. § 169A.51 or Minn. Stat. § 169A.52 may also be charged with a separate criminal offense for such refusal (Minn. Stat. § 169A.20, Subd. 2).

504.7.7 ADDITIONAL TESTING

An officer shall permit a person required to submit to a chemical test to have a qualified person of his/her own choosing administer a separate chemical test (Minn. Stat. § 169A.51, Subd. 7(b)). The separate chemical test shall:

- (a) Be conducted at the place where the person is in custody.
- (b) Be conducted after the officer has administered the statutorily mandated test.
- (c) Impose no expense to the state.

504.7.8 ADDITIONAL REQUIREMENTS FOR BREATH SAMPLES

All breath samples requested in accordance with this policy shall be obtained in accordance with Minn. Stat. § 169A.51, Subd. 5.

504.7.9 REPORTING

The Patrol Commander shall ensure that the Department complies with all state reporting requirements.

504.8 SUPPORT SERVICES RESPONSIBILITIES

The Support Services Supervisor will ensure that all case-related records are transmitted according to current records procedures and as required by the prosecuting attorney's office.

504.9 ADMINISTRATIVE HEARINGS

The Support Services Manager will ensure that all appropriate reports and documents related to administrative license suspensions are reviewed and forwarded to the Driver and Vehicle Services Division of the Department of Public Safety (DVS).

Any officers who receive notice of required attendance to an administrative license suspension hearing should promptly notify the prosecuting attorney when requested or required.

Specific details of the hearing generally should not be included in the report unless errors, additional evidence, or witnesses are identified. The Records Division should forward this to the prosecuting attorney as part of the case file.

504.10 TRAINING

The Training Sergeant should ensure that officers participating in the enforcement of DWI laws receive regular training. Training should include at minimum current laws on impaired driving, investigative techniques and rules of evidence pertaining to DWI investigations. The Training Sergeant should confer with the prosecuting attorney's office and update training topics as needed.

Traffic Citations

505.1 PURPOSE AND SCOPE

This policy outlines the responsibility for traffic citations, the collection of data, the procedure for dismissal, correction and voiding of traffic citations.

505.2 RESPONSIBILITIES

Hennepin County Court Administration shall be responsible for the development and design of all Departmental Directive traffic citations in compliance with state law (Minn. Stat. § 169.99 and Minn. Stat. § 169.999 Subd. 3).

The Support Services shall be responsible for the supply and accounting of all traffic citations. Citations will be kept in a secure location. Officers will sign for the citation books when issued.

505.2.1 DATA COLLECTION

The Support Services should maintain information relating to traffic stops in which a citation is issued and to arrests resulting from those traffic stops, including information relating to:

- (a) The race or ethnicity of the individual detained.
- (b) Whether a search was conducted and, if so, whether the person detained consented to the search.

The Support Services should submit an annual report to the Chief of Police of the information collected to assist in the implementation and administration of the Department's Racial- or Bias-Based Profiling Policy required by state law (Minn. Stat. § 626.8471 Subd. 4).

505.3 DISMISSAL OF TRAFFIC CITATIONS

Employees of this department do not have the authority to dismiss a citation once it has been issued. Only the court has the authority to dismiss a citation that has been issued. Any request from a recipient to dismiss a citation shall be referred to the issuing officer or officer's supervisor. Upon a review of the circumstances involving the issuance of the traffic citation, the officer or supervisor may recommend dismissal of the traffic citation. If approved, the citation will be forwarded to the appropriate prosecutor with a request for dismissal. All recipients of traffic citations whose request for dismissal of a traffic citation has been denied shall be referred to the appropriate court.

Should an officer determine during a court proceeding that a traffic citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate, the officer may request the prosecutor to dismiss the citation. Upon dismissal of the traffic citation by the court, the officer shall notify his/her immediate supervisor of the circumstances surrounding the dismissal and shall complete any paperwork as directed or required.

Members of the Department shall provide a report or other verification to the owner of a stolen vehicle that may have received a citation during the time of the theft for the purpose of dismissing the citation (Minn. Stat. § 169.042 Subd. 2).

Traffic Citations

505.4 VOIDING TRAFFIC CITATIONS

Voiding a traffic citation may occur when a traffic citation has not been completed or where it is completed but not issued. All copies of the citation shall be presented to a supervisor to approve the voiding of the citation. The citation and copies shall then be forwarded to the Support Services Manager. A request to void an electronic citation needs to have a copy included with the void request.

505.5 CORRECTION OF TRAFFIC CITATIONS

When a traffic citation is issued and in need of correction, the officer issuing the citation shall submit the citation and a letter requesting a specific correction to his/her immediate supervisor. The citation and letter shall then be forwarded to the Support Services Manager. The SSM or designee shall prepare a letter of correction to the court having jurisdiction and to the recipient of the citation.

505.6 DISPOSITION OF TRAFFIC CITATIONS

The citation copies shall then be filed with the Support Services.

Upon separation from employment with this department, all employees issued traffic citation books shall return any unused citations.

505.7 NOTICE OF PARKING VIOLATION APPEAL PROCEDURE

Disposition of notice of parking violation appeals is conducted pursuant to Minnesota state law and local regulations (Minn. Stat. § 169.04 (a) (1)).

505.7.1 APPEAL STAGES

Appeals may be pursued sequentially at three different levels:

- (a) Administrative reviews are conducted by a supervisor, which will review written/documentary data. Requests for administrative reviews are available at the front desk. These requests are informal written or verbal statements outlining why the notice of parking violation should be dismissed.
- (b) If the appellant wishes to pursue the matter beyond administrative review, an administrative hearing may be conducted in person or by written application at the election of the appellant. Independent referees review the existent administrative file, amendments and/or testimonial material provided by the appellant, and may conduct further investigation or follow-up on their own.
- (c) If the appellant wishes to pursue the matter beyond an administrative hearing, an appellant may petition a municipal court for a hearing by filing with the clerk of the municipal court and posting fees as required.

505.7.2 TIME REQUIREMENTS

Administrative review or appearance before a hearing examiner will not be provided if the mandated time limits are not adhered to by the violator.

Traffic Citations

- (a) Requests for an administrative review must be postmarked within 21 days of issuance of the notice of parking violation, or within 10 days of mailing the Notice of Delinquent Parking Violation.
- (b) Requests for administrative hearings must be postmarked within 15 days of the notification mailing of the results of the administrative review.
- (c) Requests for appeal to the District Court must be made within 20 days of the mailing of the administrative hearing results.
- (d) Registered owners of leased or rented vehicles may transfer responsibility for the violation to the lessee or renter of the vehicle at the time of the violation if the name, address, and driver's license number of the lessee/renter is provided to the processing agency within 30 days of the mail date of the delinquent notice.

505.7.3 COSTS

- (a) There is no cost for an administrative review.
- (b) Appellants must pay the full amount due for the citation, or provide satisfactory proof of their inability to pay, before receiving an administrative hearing.
- (c) An appeal through District Court requires prior payment of filing costs, including applicable court charges and fees. These costs will be reimbursed to the appellant in addition to any previously paid fines if appellant's liability is overruled by the District Court.

505.8 JUVENILE CITATIONS

Completion of traffic citation forms for juveniles may vary slightly from the procedure for adults. The juvenile's age, place of residency and the type of offense should be considered before issuing the juvenile a citation.

- (a) When any juvenile is issued a citation for a drug or alcohol violation, or a juvenile 16 years of age or older is issued a citation for an adult court traffic offense, the officer shall follow the arrest procedures prescribed in Minn. Stat. § 169.91 and shall make reasonable effort to notify the child's parent or guardian of the violation and the nature of the charge. Notifications should be documented (Minn. Stat. § 260B.225 Subd. 3).
- (b) When any juvenile is issued a citation for a major traffic offense, the officer is required to file a signed copy of the citation, as provided in Minn. Stat. § 169.91, with the juvenile court of the county in which the violation occurred. The citation serves as a petition providing the juvenile court jurisdiction (Minn. Stat. § 260B.225 Subd. 5).

Disabled Vehicles

506.1 PURPOSE AND SCOPE

Law enforcement and other public agencies may develop and adopt a written policy to provide assistance to motorists in disabled vehicles within their primary jurisdiction.

506.2 OFFICER RESPONSIBILITIES

When an on-duty officer observes a disabled vehicle on the roadway, the officer should make a reasonable effort to provide assistance. If that officer is assigned to a call of higher priority, the dispatcher, community service officer, or other officer should be advised of the location of the disabled vehicle and the need for assistance.

506.3 EXTENT OF ASSISTANCE

In most cases, a disabled motorist will require assistance. After arrangements for assistance are made, continued involvement by Department personnel will be contingent on the time of day, the location, the availability of Department resources, and the vulnerability of the disabled motorist.

506.3.1 MECHANICAL REPAIRS

Department personnel shall not make mechanical repairs to a disabled vehicle. The use of push bumpers to relocate vehicles to a position of safety is not considered a mechanical repair.

506.3.2 RELOCATION OF DISABLED VEHICLES

The relocation of disabled vehicles by members of this department by pushing or pulling a vehicle should only occur when the conditions reasonably indicate that immediate movement is necessary to reduce a hazard presented by the disabled vehicle.

Abandoned Vehicle Violations

507.1 PURPOSE AND SCOPE

This policy provides procedures for the removal, recording, and storage of vehicles abandoned in violation of abandoned vehicle laws, under the authority of Minn. Stat. § 168B.04.

507.1.1 DEFINITION

Pursuant to Minnesota statutes, a vehicle is abandoned if:

- (a) The motor vehicle has remained illegally for more than 48 hours on any government-owned or government-controlled property, or for more than 4 hours on that property when properly posted (Minn. Stat. § 168B.011 Subd. 2 (1)).
- (b) The motor vehicle has been properly tagged by an officer and abandoned for 4 hours on any highway (Minn. Stat. § 168B.04, Subd. 2 (b) (1)).
- (c) The motor vehicle has been abandoned and located so as to constitute a collision or traffic hazard (Minn. Stat. § 168B.04 Subd. 2 (b) (1)).
- (d) The motor vehicle is unattended on private residential property, that is a single-family or duplex, without permission of the property caretaker (Minn. Stat. § 168B.04 Subd. 2 (b) (2)).
- (e) The motor vehicle can be immediately removed if on private non-residential property if properly posted, or after 24 hours if not posted (Minn. Stat. § 168B.04 Subd. 2 (b) (2)).
- (f) The motor vehicle remains at a service, repair, or maintenance establishment of motor vehicles 5 days after notifying the vehicle owner by certified mail, return receipt requested, of the property owner's intention to have the vehicle removed from the property (Minn. Stat. § 168B.04 Subd. 2 (b) (2)).

507.2 MARKING VEHICLES

Vehicles on public roadways suspected of being abandoned in violation of Minnesota abandoned vehicle laws shall be marked and noted. No case number is required at this time.

A visible chalk, crayon, or paint mark should be placed on the tire tread at the fender level unless the vehicle is missing tires or other vehicle conditions or weather prevent marking. Any deviation in markings shall be noted.

If a marked vehicle has been moved or the markings have been removed during a 4-hour or 24-hour investigation period, the vehicle shall be marked again for either the 4-hour or 24-hour abandonment violation.

507.2.1 MARKED VEHICLE FILE

Community service officers assigned to the Patrol Division shall be responsible for the follow-up investigation of all abandonment violations.

507.2.2 VEHICLE STORAGE

Any vehicle in violation shall be stored by the authorized towing service, and a vehicle impound form shall be completed by the officer authorizing the storage of the vehicle.

The impound form shall be submitted to the Support Services immediately following the storage of the vehicle. It shall be the responsibility of the Support Services to immediately notify the Minnesota Criminal Justice Information Services (MNJIS). Notification may also be made to the National Law Enforcement Telecommunications System (NLETS).

Within 48 hours of the storage of any such vehicle, excluding weekends and holidays, it shall be the responsibility of the Support Services to immediately notify MNJIS. Notification may also be made to the NLETS.

Snow Emergency Parking Prohibited

508.1 PURPOSE AND SCOPE

This policy provides the procedures for the police department's response to a snow event and the resulting parking restrictions.

508.1.1 DEFINITIONS

Snow Event - Any instance where a snowfall of 2.5 inches or more occurs in the City of Brooklyn Center (Brooklyn Center City Ordinance 27-120.2).

508.2 NOTIFICATIONS

A snow event resulting in parking restrictions will be declared by Brooklyn Center Public Works. Staff from Public Works will notify the police department's on-duty supervisor as soon as practical, to include the anticipated time that plowing will begin.

The community will be notified of the event by the City of Brooklyn Center's Communication Coordinator. Residents should be directed towards the City of Brooklyn Center website, the City of Brooklyn Center social media sites, along with the notify me system for event updates.

508.3 SUPERVISOR DUTIES

Upon receiving notification of a snow event resulting in parking restrictions, the on-duty supervisor shall:

- (a) Ensure the DCO is aware of the upcoming event and work with the DCO to plan for availability of necessary police resources
- (b) Review the schedule for the upcoming shift during which the snow event will occur. If staff resources do not appear to be adequate, supervisors should call in CSOs, Cadets, and potentially Officers, to assist.
- (c) Notify all authorized towing services of the upcoming snow event and potential for vehicle impounds.

On-duty police supervisors will be responsible for directing staff resources towards the enforcement of the parking restrictions imposed during a snow event.

508.4 CITATIONS AND IMPOUNDS

Any vehicle parked in violation of Brooklyn Center City Ordinance 27-120.2 during a snow event shall be issued a citation and impounded immediately by an authorized towing service.

Citations will be issued at the time the vehicle is being impounded.

If the owner/operator of a vehicle is present at the vehicle prior to the towing service taking custody of the vehicle, the vehicle will be released, if able to be immediately removed from the street. If the vehicle is not able to be immediately removed from the street, it shall be impounded.

508.4.1 VEHICLE INVENTORY AND CONDITION

Vehicles being impounded due to a snow event will be inventoried in the following manner:

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Snow Emergency Parking Prohibited

- (a) Unlocked vehicles- Shall be inventoried and property shall be listed on the Auto Impound and Inventory form as outlined in Brooklyn Center Police Department Policy 502 (Vehicle Towing).
- (b) Locked vehicles- Shall be visually inspected from the exterior and any property observed shall be listed on the Auto Impound and Inventory form. Locked vehicles may be opened by officers if it is believed there are additional items of value to be logged or items of significant value to be removed and held for safe keeping at the police department (such as firearms or cash).

Vehicles impounded for any reason other than a snow event shall be inventoried in a manner consistent with Brooklyn Center Police Department Policy 502 (Vehicle Towing). This includes vehicles which are impounded during a snow event but are not being impounded solely because of a snow event. This may include but is not limited to; accidents, recovered stolen vehicles, abandoned vehicles, hazards, forfeitures, or arrest incidents.

Vehicle condition and any damage shall be noted on the Auto Impound and Inventory form.

508.4.2 REPORTS

A citation and an Auto Impound and Inventory form shall be completed for each vehicle impound. A long form report may be completed for further documentation if unusual circumstances occur during the impound process.

508.4.3 RELEASE OF IMPOUNDED VEHICLE

The release of all impounded vehicles shall be consistent with the procedures established in Brooklyn Center Police Department Policy 502 (Vehicle Towing).

508.5 PRIORITY OF ENFORCEMENT

The parking prohibited by a snow event will apply to all public streets and alleys until that particular street or alley has been plowed and the snow removed to the curb line. Enforcement will be conducted city wide and include all publicly owned streets and alleys. Priority may be given to streets designated by Public Works as being “mains” or “secondary” roadways. Priority may also be given to streets and areas which have been identified by plow truck drivers as historically difficult to plow or often congested.

The parking prohibited by a snow event does not apply to privately owned roads or parking lots.

508.6 AUTHORIZED TOWING SERVICES

The towing services authorized for vehicle impounds for violations of parking restrictions imposed by a snow event, are the same towing services that have been awarded contracts for normal police department related tows, and are on a rotation list for those impounds.

The previously established “tow service of the day” will still be responsible for all police impounds not related to snow event violations during their previously assigned days.

Snow Emergency Parking Prohibited

Police staff members who are impounding vehicles because of parking restrictions imposed by a snow event will rotate through all authorized tow services for the vehicles being impounded solely because of a snow event as each vehicle is subsequently impounded.

508.7 TERMINATION OF THE SNOW EMERGENCY PROHIBITED PARKING

The prohibited parking imposed by a snow event remains in effect on all public streets and alleys until that particular street or alley has been plowed and the snow removed to the curb line.

508.8 COMPLAINT HANDLING

Any complaints arising from a snow event should be handled through the following process:

- (a) Complaints regarding conduct of police staff or towing contractors will be handled by the on-duty supervisor.
- (b) Complaints related to the quality or timeliness of snow removal will be forwarded to the Brooklyn Center Public Works Department.
- (c) Complaints related to the general disagreement of Brooklyn Center City Ordinance 27-120.2 may be forwarded to the City Hall.

Chapter 6 - Investigation Operations

Investigation and Prosecution

An employee who is not an officer assigned to any preliminary investigation is responsible for all investigative steps except making any attempt to locate, contact, or interview a suspect or take any enforcement action. Should an initial investigation indicate those steps are required, the assistance of an officer shall be requested.

600.3 RECORDING OF CUSTODIAL INTERROGATIONS

Any custodial interrogation of a person who is suspected of having committed a criminal offense should be electronically recorded (audio, video, or both, as available) in its entirety, including any information or discussion about the person's rights and any waiver of those rights. Regardless of where the interrogation occurs, every reasonable effort should be made to secure functional recording equipment to accomplish such recordings.

Officers should also consider electronically recording a custodial interrogation, or any investigative interview, for any offense when the officer reasonably believes it would be appropriate and beneficial to the investigation and is otherwise allowed by law.

No recording of an interrogation should be destroyed or altered without written authorization from the prosecuting attorney and the Investigation supervisor or pursuant to the Department records retention policy after closure of the case file. Copies of recorded interrogations or interviews may be made in the same or different format, provided they are true, accurate, and complete copies and are made only for authorized and legitimate law enforcement purposes, or otherwise authorized or required by law.

Officers should continue to prepare written summaries of custodial questioning and investigative interviews, and continue to obtain written statements from suspects when applicable.

600.4 FOLLOW-UP INVESTIGATIONS

Follow-up investigations on all cases are evaluated and assigned by the Investigations Division commander, designee, or sergeant based upon caseload, case assignment, and an evaluation of case solvability factors.

600.4.1 CASE SOLVABILITY FACTORS

- (a) Reliability of witnesses.
- (b) Suspect is named.
- (c) Suspect is described.

- (f) Suspect has been previously seen.
- (g) Suspect vehicle is described.
- (h) Suspect vehicle is identified.
- (i) Property is traceable.

requirements regarding scrap metal dealers (Minn. Stat. § 168; Minn. Stat. § 168A.1501; Minn. Stat. § 325E.21).

Sexual Assault Investigations

601.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the investigation of sexual assaults.

601.1.1 Definitions

Consent:

- (a) Words or overt actions by a person indicating a freely given present agreement to perform a particular sexual act with the actor. Consent does not mean the existence of a prior social relationship between the actor and the complainant of that the complainant failed to resist a particular sexual act. (Minn. Stat. 609.34(a)).
- (b) A person who is mentally incapacitated or physically helpless as defined by Minnesota Statute 609.341 cannot consent to a sexual act (Minn. Stat. 609.341(b)).
- (c) Corroboration of the victim's testimony is not required to show lack of consent (Minn. Stat. 609.341(c)).

Family or Household Member: As defined in Minn. Stat. 518b.01(2)(b) to include:

- (a) Spouses or former spouses;

Sexual Assault Investigations

601.2 PHILOSOPHY

Initial officers responding to a sexual assault usually provide the bulk of evidence necessary for criminal prosecution. Officers play a significant role in both the victim's willingness to cooperate and the ability to manage the emotional and psychological effects after the crime. It is important that these crimes be handled from a non-judgmental perspective.

601.3 RESPONSIBILITY

The primary responding officer should assess the victim's health, safety, need for medical attention. The officer shall, with the consent of the victim, provide or arrange for transportation to a hospital for medical treatment and/or evidence collection. Officers are not required to remain with the victim during the entire forensic-medical exam as this process may take several hours.

If the situation requires additional officers, the primary officer shall assume responsibility of attending to the victim while additional officers should assume responsibility for preserving the scene, gathering/identifying evidence, interviewing all potential witnesses, searching for the suspect and other tasks as necessary.

During the initial response, it is important for officers to understand that the victim is likely to be traumatized and may not be able to immediately assist with the investigation. Care should be taken to approach and interact with the victim in a supportive caring manner.

The department shall withhold public access to information that would reveal the identity of a victim or alleged victim of a criminal sexual conduct or sex trafficking crime (Minn. State Stat. 13.82 Subd. 17(b) and Minn. Stat. 611A.021).

Victims have the right to receive access to resources and assistance from the Safe at Home Program (Minn. Stat. 611A.66).

601.4 FORENSIC MEDICAL EXAMS

A forensic-medical exam is not absolutely necessary for a reported Criminal Sexual Conduct crime to be successfully investigated and charged. In addition to forensic-medical exams recovering evidence, these exams also check the victim for injuries, pain, possible sexually transmitted diseases, pregnancy and other medical issues that may have occurred as a result of the assault. For the purpose of addressing the victim's medical needs these examinations can be done at any time regardless of when the assault occurred.

Forensic nurses are generally available 24 hours per day. Their responsibility is to collect, package and label any biologic and/or trace evidence identified during the exam as well as clothing and blood and urine toxicology.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Sexual Assault Investigations

Forensic nurses will not perform an exam on a victim who is unwilling to give consent or unable to give consent due to intoxication. However, if a victim is unable to consent for an exam due to altered mental status and there is reasonable evidence that a sexual assault occurred, then a medical-forensic exam may be completed.

Forensic nurse personnel package all evidence collected, including clothes, Bureau of Criminal Apprehension (BCA) kits for release to the officer. Upon the conclusion of the forensic-medical exam HART staff will notify the investigating officer via dispatch that the medical exam is available for pick-up. All sexual assault kits shall be collected by the department within 10 days of their availability (Minn Stat. 299C.106 Subd. 2).

The investigating officer should transfer all evidence obtained to the police department and property inventory all items according to policy. It is not necessary for officers to open sealed evidence. The exception would be if an item needed to be dried prior to re-sealing the evidence packaging. The forensic exam report will be copied and submitted with the officer's report along with a medical release form with the original forensic exam report being property inventoried. All kits where the victim has consented to forensic testing shall be submitted for laboratory testing within 60 days of its receipt.

If a victim declines a medical-forensic exam the officer should document this in their report.

601.4.1 EXAM RESULTS-VICTIM NOTIFICATION

Upon written request from the victim or the victim's written designee for investigative data, the department should release the following information if doing so would not interfere with the investigation (Minn. Stat. 611A.27):

- (a) The date that a sexual assault examination kit was submitted to a forensic laboratory.
- (b) The date that the agency received notice of the results of the testing.
- (c) Whether a DNA profile was obtained from the testing.

601.4.2 FORENSIC MEDICAL EXAM-EVIDENCE RECOVERY

It is recommended that victims, if willing, and who are reporting a sexual assault that occurred within the past 7 days give consent go to the hospital to have a complete medical-forensic examination done in order to recover evidence.

Forensic-medical exams for victims who have not gone through puberty (approximately 12 years old or younger) will generally only be able to recover evidence if the sexual assault occurred within the past 72 hours.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Sexual Assault Investigations

If an officer is unsure about the impact the victim's age or timing from when the assault occurred to when it was reported may have on forensic-medical exams ability they are encouraged to contact HART staff regarding the possibility of evidence collection.

Officers should obtain clothing the victim was wearing during the assault. If the victim is currently wearing the clothing they were assaulted in they should be asked to remain in those clothes until they arrive for the forensic-medical exam. If possible, a victim should be advised to bring a change of clothes to the examination. If the victim is unable to bring clothing a set will be provided to them at the hospital at no additional cost. Any clothing obtained should be placed in a paper bag.

Officers should advise the victim that bathing or washing prior to a medical-forensic exam is likely to result in the destruction of critical evidence. A forensic exam can still be performed and may still result in the recovery of evidence if this has happened.

601.5 INTERVIEWS

The primary officer is responsible for interviewing the victim and completing the initial report of the incident.

601.5.1 ADULT VICTIMS

The purpose of this interview is to obtain the following information if the victim shares it:

- (a) basic elements of the crime;
- (b) Identity of any and all witnesses and suspect(s);
- (c) Possible evidence;
- (d) Crime scene(s);
- (e) Existence of any prior victim/suspect relationship.;
- (f) The circumstances of the victim/suspect interaction and if there is any indication of the use of drugs or alcohol to facilitate the sexual assault;
- (g) Any behavioral changes that led the situation from one based on consent to one of submission, coercion, fear or force, if applicable;
- (h) Specific actions, statements, and/or thoughts of both victim and suspect immediately prior, during and after the assault; and
- (i) Relevant communication through social media, email, text messages or any other forms of communication.

Pertinent information should be given to assisting officers as soon as possible.

When interviewing the victim, the officer should allow the victim to speak freely. The officer should avoid using leading and suggestive questions. Based on any trauma being experienced by the victim, length of time from the crime to the report, possible drug/alcohol consumption, and prior history of abuse experienced by the victim, the officer should be aware that there may be many

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Sexual Assault Investigations

factors related to the crime the victim may not be able to recall. Because all victim's respond differently the officers should not use the victim's response or lack of response when reporting the crime to measure credibility.

If requested the officer should consider the benefits to the victim in allowing a support person to be present during an initial interview.

Officers should inform the victim that they will be contacted by an investigator from the department and obtain the preferred method of contact for the victim.

601.5.2 JUVENILE AND VULNERABLE ADULT VICTIMS

Juvenile or vulnerable adult victims displaying low cognitive ability in most cases will not be interviewed by an officer. Instead, a referral to Cornerhouse for a forensic interview should be made. If the officer anticipates the victim will be interviewed by Cornerhouse they should obtain an interview from the reporting party, in a private setting away from the victim and obtain the following facts, including but not limited to:

- a) Who is the offender? What was the offense? And who is the victim?
- b) Who did the victim disclose this information to and what did the victim say?
- c) What is the contact information for those whom the victim disclosed to?
- d) Who else lives in the home of the victim?
- e) Is the victim safe from any immediate harm?

Officers should obtain necessary contact information for the victim's caregiver, guardian or parents and where the victim may be located at a later time. Officers should also advise the victim and/or any accompanying adult(s), guardians or caregivers that a detective will follow up with a Cornerhouse interview, if applicable and advise that if the victim starts to talk about the incident they should listen to them but not question them as this may influence any future statements.

Exceptions to referring a juvenile or vulnerable adult victim to Cornerhouse for an interview may include but are not limited to:

- (a) Any delays over 10 days in getting a victim interview scheduled;
- (b) Likelihood the victim may not be available or willing to cooperate with a Cornerhouse interview at a later time
- (c) Any situation where the suspect is likely to have an impact on the investigation by influencing victim or witness cooperation or statements and an emergency Cornerhouse interview cannot be obtained.

In these instances the victim must be 15 years old or older and their cognitive and intelligence level should be assessed to determine if a thorough interview can be obtained by an investigator.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Sexual Assault Investigations

Any allegations of a sexual assault involving a juvenile should also be cross-reported to Child Protection.

601.6 VICTIMS OF SEX TRAFFICKING

Officers having contact with victims of sex trafficking may also offer referrals to forensic nursing staff. Forensic staff will be able to provide additional medical, health and community-based resources, free of charge to the victim. If a victim accepts a referral officers should arrange for the victim to be transported to a local hospital, preferably North Memorial-Robbinsdale, North Memorial-Maple Grove, HCMC or Methodist Hospital-St Louis Park and request the HART Team member be paged.

These exams may be conducted regardless of the victim's age or when any allegations of trafficking have occurred.

601.7 RECORDING OF VICTIM/WITNESS STATEMENTS

Officers conducting all criminal investigations shall, when possible, record victim and witness statements via their portable digital recording devices.

605.7.1 Use of Mobile Video Recorders During Interviews

When interviews are conducted with a sexual assault victim the officer should consult with the victim to determine if they would prefer to have their interview recorded on the body worn camera. If the victim elects not to have their interview recorded the officer(s) may discontinue their body worn camera recording.

All interviews taking place at Cornerhouse will be recorded by Cornerhouse staff.

601.8 DOMESTIC VIOLENCE RELATIONSHIP

Because there may be a crossover between domestic violence and sexual assault the officer should attempt to establish a prior domestic relationship if one exists. In these instances officers should seek to determine if there is past abuse between the victim and suspect. In these types of sexual assault cases officers should attempt to determine the last time the victim and suspect had consensual intercourse as this may explain any presence of the suspect's DNA or other biological evidence in/on the victim.

If the victim completes a forensic-medical exam and is accompanied by a sexual partner who is not the suspect officers should attempt to obtain a buccal swab from that individual via consent. This may be obtained by either the officer or a forensic nurse conducting the exam. The purpose of this is to identify the source of any DNA that maybe recovered during the forensic-medical exam.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Sexual Assault Investigations

If there is a prior domestic relationship officers should complete the Domestic Lethality form.

601.9 SUSPECT(S)

It is important to allow the suspect(s) an opportunity to provide their own account of the incident. Upon reliable identification of a suspect(s) officers or investigators shall make an attempt to contact and interview the suspect(s). Any interview with a suspect(s) shall be recorded.

Forensic-medical exams on suspects should always be executed with a search warrant and in a controlled setting such as the Brooklyn Center Police Department jail or a hospital. Evidentiary value of performing a forensic-medical exam on a suspect is on a case by case basis with consideration to factors such as the proximity from the crime to the arrest, whether or not the suspect has bathed since the incident and how the sexual assault was committed.

If an officer is unsure about timing on forensic exams they may contact Hennepin County Crime Lab regarding the possibility of evidence collection.

601.10 CRIME SCENE PRESERVATIONS

Not all sexual assaults will have identifiable scenes containing recoverable evidence. When an officer is presented with an identifiable crime scene the officer should determine if the evidence is best recovered by the officer or Hennepin County Crime Lab. Officers and supervisors should assess the scene to determine if a search warrant is necessary to collect the evidence.

Generally, items such as clothing worn by the victim/suspect, bedsheets, items touched by the suspect, items left behind by the suspect and drug/alcohol containers that have contents that may have been ingested by the victim or suspect are valuable items to consider when locating and collecting evidence at a crime scene. Officers should also consider possible locations of biologic evidence such as semen, blood, hair, saliva, skin tissue, or other biological material and recognize that, while not visible, Hennepin County Crime Lab does have specialized equipment that may be able to identify and recover such evidence.

Officers are encouraged to take their own photos of the crime scene along with photos of any victim/suspect injuries in addition to any possible Crime Lab photos. This will give investigators a more immediate understanding of incident as Crime Lab photos may not be immediately available.

601.11 ANONYMOUS AND RESTRICTED SEXUAL ASSAULT EVIDENCE COLLECTION

There may be instances where forensic nurses from HART will submit an anonymous sexual assault kit to allow DNA and other evidence to be stored at the police department in the event a victim chooses to report a sexual assault at a later time.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Sexual Assault Investigations

When officers receive these types of anonymous kits they shall inventory the kit and any associated evidence according to property procedures and complete an informational report with as much information as possible to include the location recovered and the person submitting the kit to police.

Forensic nurses will permanently retain identifying victim information. Upon a victim choosing to make a report the investigating officer may contact the HART Officer in order obtain the victim's unique ID number and to obtain a copy of the medical-forensic exam report. Upon receiving written consent from the victim their sexual assault kit should be submitted for forensic examination as soon as practicable (Minn. Stat. 611A.27).

601.12 POLYGRAPH EXAMINATION

An officer or investigator shall not require a sexual assault victim to submit to a polygraph examination as a condition to investigating, charging or prosecuting the offense (Minn. Stat. 611A.26)

Officers and investigators may conduct a polygraph examination of a sexual assault victim only at the victim's request and with the victim's written, informed consent, and only after the victim has been referred to and had the opportunity to exercise the option of consulting with a sexual assault counselor (Minn. Stat. 611A.26)

The officer must inform the victim in writing that (Minn. Stat. 611A.26):

- a. The taking of a polygraph is voluntary and solely at the victim's request.
- b. The victim may not be asked or required to submit to a polygraph examination.
- c. The results of the examination are not admissible in court.
- d. The victim's refusal to submit to a polygraph examination may not be used as a basis not to investigate, charge or prosecute the offender.

601.13 VICTIM SUPPORT

Upon the conclusion of their initial contact with the victim, officers shall contact Cornerstone so the victim may be connected with an advocate.

In the instances where a victim is referred to Cornerhouse, family services will provide additional victim support when the victim meets with Cornerhouse staff. Officers may also refer juvenile victims who are not interviewed by Cornerhouse for family services by contacting the main number at Cornerhouse.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Sexual Assault Investigations

Investigators should provide the victim with their basic contact information once assigned the case and provide the victim with any case updates as requested and upon the arrest of any suspects.

601.14 REPORTS

Officers shall complete reports on all sexual assault allegations and officers shall not consider the victim's willingness to participate in a subsequent prosecution when determining whether or not to take a report of a sexual assault.

If a victim chooses not to cooperate with the investigation or prosecution of a sexual assault case they should be informed that they can reinstate the investigation at a later date provided that they are within the statute of limitations.

All reports related to a criminal sexual conduct investigation shall be placed in a blue folder and submitted prior to the end of an officer's shift.

All criminal sexual conduct reports shall be assigned to an investigator for follow up.

The Commander of Investigations shall ensure that a victim of a sexual assault who reports an incident to this department is provided with a copy of the written summary of the allegation. If the incident occurred outside the jurisdiction of the Brooklyn Center Police Department, a copy of the written summary shall also be provided to the law enforcement agency where the incident occurred (Minn. Stat 609.3459).

All unrestricted sexual assault kits received by the Brooklyn Center Police Department shall be submitted for processing within 60 days of their receipt. The department shall not submit restricted sexual assault kits for laboratory testing until the victim consents to the testing of the kit. (Minn. Stat. 299C.106).

601.15 ROLE OF THE SUPERVISOR

Supervisors may do the following:

- (a) Assist officers investigating incidents of sexual assault when possible or if requested by an officer.
- (b) Provide guidance and direction as needed.
- (c) Review sexual assault reports to ensure that necessary steps were taken during the initial response and investigation.

601.16 CASE REVIEW/CASE SUMMARY

Sexual assault cases shall be reviewed on an annual basis. The review process should include an analysis of:

- (a) Case dispositions;

- (b) Decisions to collect evidence;
- (c) Submission of evidence for lab testing; and

Asset Forfeiture

602.1 PURPOSE AND SCOPE

This policy describes the authority and procedure for the seizure, forfeiture and liquidation of property associated with specified designated offenses and controlled substance offenses (Minn. Stat. § 609.531 to Minn. Stat. § 609.5318).

602.2 POLICY

The Brooklyn Center Police Department recognizes that appropriately applied forfeiture laws are helpful to enforce the law, deter crime and reduce the economic incentive of crime. However, the potential of revenue shall not be allowed to jeopardize the effective investigation and prosecution of criminal offenses, officer safety, the integrity of ongoing investigations or the due process rights of citizens.

It is the policy of the Brooklyn Center Police Department that all employees of the agency, all employees assigned to another law enforcement agency's task force and all employees assigned to a task force from an outside law enforcement agency, in which this agency serves as the Fiscal Agent, follow all state and federal laws pertaining to forfeiture.

602.3 DEFINITIONS

Eyewitness Identification

604.1 PURPOSE AND SCOPE

This policy sets forth guidelines to be used when members of this department employ eyewitness identification techniques (Minn. Stat. § 626.8433).

604.1.1 DEFINITIONS

Definitions related to the policy include:

Eyewitness identification process - Any field identification, live lineup or photographic identification.

Field identification - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

Live lineup - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

Photographic lineup - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

604.2 POLICY

The Brooklyn Center Police Department will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

604.3 INTERPRETIVE SERVICES

Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating officer should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

604.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM

The Investigations Division supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process should include appropriate forms or reports that provide:

- (a) The date, time and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Eyewitness Identification

- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all of the individuals present during the identification procedure.
- (e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
- (f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.
- (g) If the identification process is a photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.
- (h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.
- (i) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.

The process and related forms should be reviewed at least annually and modified when necessary.

604.4.1 POST REQUIREMENTS

The Investigations Division supervisor should remain familiar with the requirements contained in the Eyewitness Identification Procedures model policy issued by POST and incorporate these, as necessary, into the eyewitness identification process for use by members when conducting photographic and live lineups.

604.5 EYEWITNESS IDENTIFICATION

Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case. Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified, or failed to identify, the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

Whenever feasible, the eyewitness identification procedure should be audio and/or video recorded and the recording should be retained according to current evidence procedures.

604.5.1 PHOTOGRAPHIC AND LIVE LINEUP CONSIDERATIONS

When conducting a live lineup, the member presenting the lineup should not be involved in the investigation or know the identity of the suspect (Minn. Stat. § 626.8433).

When conducting a photographic lineup, if practicable, the member presenting the lineup should not be involved in the investigation of the case or know the identity of the suspect. In no case

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Eyewitness Identification

should the member presenting a lineup to a witness know which photograph or person in the lineup is being viewed by the witness.

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup.

The member presenting the lineup to a witness should do so sequentially (i.e., show the witness one person at a time) and not simultaneously. The witness should view all persons in the lineup.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating officer should contact the appropriate prosecuting attorney before proceeding.

604.5.2 FIELD IDENTIFICATION CONSIDERATIONS

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identification. A field elimination show-up or one-on-one identification should not be used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

- (a) Obtain and document a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
 - 1. The length of time the witness observed the suspect.
 - 2. The distance between the witness and the suspect.
 - 3. Whether the witness could view the suspect's face.
 - 4. The quality of the lighting when the suspect was observed by the witness.
 - 5. Whether there were distracting noises or activity during the observation.
 - 6. Any other circumstances affecting the witness's opportunity to observe the suspect.
 - 7. The length of time that has elapsed since the witness observed the suspect.
- (c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.
- (d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.
- (e) The person who is the subject of the show-up should not be shown to the same witness more than once.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Eyewitness Identification

- (f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.
- (g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect, or to perform other actions mimicking those of the suspect.
- (h) If a witness positively identifies a subject of the show-up as the suspect, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow up, if necessary.

604.6 DOCUMENTATION

A thorough description of the eyewitness process and the results of any eyewitness identification should be documented in the case report.

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

604.6.1 DOCUMENTATION RELATED TO RECORDINGS

The member conducting the lineup should document the reason that an audio and/or video recording was not obtained, if applicable.

Brady Material Disclosure

604.1 PURPOSE AND SCOPE

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called “*Brady* information”) to a prosecuting attorney.

604.1.1 DEFINITIONS

Definitions related to this policy include:

Brady information -Information known or possessed by the Brooklyn Center Police Department that is both favorable and material to the current prosecution or defense of a criminal defendant.

604.2 POLICY

The Brooklyn Center Police Department will conduct fair and impartial criminal investigations, and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Brooklyn Center Police Department will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Department will identify and disclose to the prosecution potentially exculpatory information as provided in this policy.

604.3 DISCLOSURE OF INVESTIGATIVE INFORMATION

Officers must include in their investigative reports adequate investigative information, reference to all material evidence, and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If an officer learns of potentially incriminating or exculpatory information any time after submission of a case, the officer or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor's office.

If information is believed to be privileged or confidential (e.g., confidential informant or protected personnel files), the officer should discuss the matter with a supervisor or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure whether evidence or facts are material, the officer should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the Department case file.

604.4 DISCLOSURE OF PERSONNEL INFORMATION

If a member of this department is a material witness in a criminal case, a person or persons designated by the Chief of Police shall examine the personnel file and internal affairs file of the officer to determine whether they contain *Brady* information. If *Brady* information is located, the following procedure shall apply:

- (a) In the event that a motion has not already been filed by the criminal defendant or other party, the prosecuting attorney and Department member shall be notified of the potential presence of *Brady* material in the member's personnel file.
- (b) If the data is classified as public data, a copy of it shall be provided to the prosecuting attorney. In the case of non-public data, the prosecuting attorney should then be requested to file a motion in order to initiate an in camera review by the court.
 1. If no motion is filed, the supervisor should work with counsel to determine whether the records should be disclosed to the prosecutor.
- (c) The custodian of records shall accompany all relevant personnel files during any in camera inspection to address any issues or questions raised by the court.
- (d) If the court determines that there is relevant *Brady* material contained in the files, only that data ordered released will be copied and released to the parties filing the motion.
 1. Prior to the release of any materials pursuant to this process, the custodian of records should request a protective order from the court limiting the use and further dissemination of such materials to the involved case and requiring the return of all copies upon completion of the case.
- (e) If a court has determined that relevant *Brady* information is contained in the member's file in any case, the prosecutor should be notified of that fact in all future cases involving that member.

The person or persons designated by the Chief of Police should periodically examine the personnel files and internal affairs files of all officers who may be material witnesses in criminal cases to determine whether they contain *Brady* information. The obligation to provide *Brady* information is ongoing. If any new *Brady* information is identified, the prosecuting attorney should be notified.

604.5 INVESTIGATING BRADY ISSUES

If the Department receives information from any source that a member may have issues of credibility, dishonesty, or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

604.6 TRAINING

Department personnel should receive periodic training on the requirements of this policy.

Scrap metal dealer or dealer - A person engaged in the business of buying or selling scrap metal, or both, including a scrap metal processor, as defined in Minn. Stat. § 325E.21.

607.2 POLICY

The Brooklyn Center Police Department recognizes the difficulty in preventing scrap metal theft and may investigate, place holds on or confiscate items as provided in this policy.

607.3 INSPECTIONS AND AUDITS

An officer engaged in scrap metal theft investigations may (Minn. Stat. § 168A.1501; Minn. Stat. § 325E.21):

Any refusal to allow such inspections or audits should be referred to the City attorney for criminal prosecution.

607.4 INVESTIGATIVE HOLDS

An officer who has probable cause to believe that a scrap vehicle or motor vehicle parts in the possession of a scrap vehicle operator, or that scrap metal in the possession of a scrap metal dealer, is stolen or is evidence of a crime may verbally order the operator or dealer not to process, sell, remove or allow the removal of the item for 30 days (Minn. Stat. § 168A.1501; Minn. Stat. § 325E.21).

The officer issuing the order is responsible for ensuring that the order to hold the item is confirmed in writing within 72 hours. If the item is identified as evidence in an active criminal case, the officer may extend the hold in writing. This extension must occur within 30 days of the original order and may remain in effect for as long as the investigation or prosecution is active.

607.5 SEIZING ITEMS

The investigating officer should confer with the prosecuting attorney to determine whether the item should be confiscated. If the item is evidence or otherwise needed for an investigation or prosecution, the officer may issue a written notice to confiscate any time during the investigative hold. The written notice should include notice of the right of the operator or dealer to make a written request for return of the item and that if the Department does not return the item within 48 hours of the request, excluding Saturday, Sunday or legal holidays, the operator or dealer may file a petition for the return of the item in the district court in the district in which the property was seized (Minn. Stat. § 626.04).

607.6 TERMINATION OF HOLD OR NOTICE TO CONFISCATE

At the conclusion of any investigation and prosecution, the officer who issued the investigative hold or a notice to confiscate property not yet confiscated shall notify the operator or dealer in writing that the hold or notice is no longer in effect (Minn. Stat. § 168A.1501; Minn. Stat. § 325E.21).

the reason for its use and the term of its use. Personal property of the type routinely carried by persons not performing law enforcement duties nor comprising a weapon are excluded from this requirement. The Chief of Police or appropriate Division Commander should review the request and approved or deny the request as appropriate.

700.3.1 DEFINITIONS

700.3.2 FILING CLAIMS FOR PERSONAL PROPERTY

Claims for reimbursement for damage or loss of personal property must be made on the proper form. This form is submitted to the employee's immediate supervisor. The supervisor may require a separate written report of the loss or damage.

The supervisor receiving such a report shall make an appropriate investigation and direct a memo to the appropriate Division Commander that shall include the result of his/her investigation and whether reasonable care was taken to prevent the loss, damage or unserviceable condition.

Upon review by staff and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Chief of Police, who will then forward the claim to the Finance Department.

The Department will not replace or repair costly items (e.g., jewelry, exotic equipment) that are not reasonably required as a part of work.

700.3.3 REPORTING REQUIREMENT

A verbal report shall be made to the employee's immediate supervisor as soon as circumstances permit.

A written report shall be submitted before the employee goes off-duty or within the time frame directed by the supervisor to whom the verbal report is made.

700.4 LOSS OR DAMAGE OF PROPERTY OF ANOTHER

Officers and other employees intentionally or unintentionally may cause damage to the real or personal property of another while performing their duties. Any employee who damages or causes to be damaged any real or personal property of another while performing any law enforcement function shall report it as provided below.

The employee shall submit a written report before going off-duty or as otherwise directed by the supervisor.

These written reports, accompanied by the supervisor's written report, shall promptly be forwarded to the appropriate Division Commander.

Personal Communication Devices

701.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices whether issued by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCD) but is intended to include all mobile telephones, personal digital assistants (PDA) and similar wireless two-way communications and/or portable Internet access devices. PCD use includes, but is not limited to, placing and receiving calls, text messaging, blogging and microblogging, e-mailing, using video or camera features, playing games and accessing sites or services on the Internet.

701.2 POLICY

The Brooklyn Center Police Department allows employees to utilize department-issued PCDs and to possess personally owned PCDs in the workplace subject to certain limitations. Any PCD used while on-duty, or used off-duty in any manner reasonably related to the business of the Department, will be subject to monitoring and inspection consistent with the standards set forth in this policy.

The inappropriate use of a PCD while on-duty may impair officer safety. Additionally employees are advised and cautioned that the use of a personally owned PCD either on-duty or after duty hours for business-related purposes may subject the employee and the employee's PCD records to civil or criminal discovery or disclosure under applicable data practices laws and rules of civil or criminal procedures.

Employees who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory personnel.

701.3 PRIVACY POLICY

Employees shall have no expectation of privacy with regard to any communication made with or stored in or through PCDs issued by the Department and shall have no expectation of privacy in their location should the device be equipped with location detection capabilities. The use of any department-provided or -funded PCD, computer, Internet service, telephone service or other wireless service while on-duty is without any expectation of privacy that the employee might otherwise have in any communication, including the content of any such communication. Communications or data reception on personal, password-protected, web-based e-mail accounts and any other services are subject to monitoring if department equipment is used.

In accordance with this policy supervisors are authorized to conduct a limited administrative search of electronic files without prior notice, consent or a search warrant, on department-issued or personally owned PCDs that have been used to conduct department-related business. Administrative searches can take place for work-related purposes that may be unrelated to investigations of employee misconduct and, as reasonably practicable, will be done in the

Brooklyn Center Police Department

Personal Communication Devices

presence of the affected employee. Prior to conducting any search of personally owned devices, supervisors shall consult with the Chief of Police or designee. All such searches shall be fully documented in a written report.

701.4 DEPARTMENT-ISSUED PCD

Depending on an employee's assignment and the needs of the position, the Department may at its discretion issue a PCD. Department-issued PCDs are provided as a convenience to facilitate on-duty performance only. Such devices and the associated telephone number shall remain the sole property of the Department, and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

701.5 PERSONALLY-OWNED PCD

Employees may carry a personally-owned PCD while on duty, subject to the following conditions and limitations:

- (a) Carrying a personally-owned PCD is a privilege, not a right.
- (b) The Department accepts no responsibility or liability for loss of or damage to a personally-owned PCD.
- (c) Employees shall promptly notify the Department in the event the PCD is lost or stolen.
- (d) The PCD and any associated services shall be purchased, used, and maintained solely at the employee's expense.
- (e) The device should not be used for work-related purposes except in exigent circumstances, (e.g. unavailability of radio communications). Employees have a reduced expectation of privacy when using a personally-owned PCD in the workplace, and have no expectation of privacy with regard to any Department business-related communication.
- (f) The device shall not be utilized to record or disclose any business-related data, including photographs, video, or the recording or transmittal of any data or material obtained or made accessible as a result of employment with the Department, without the express authorization of the Chief of Police or the authorized designee.

701.5.1 PUBLIC RECORDS

Work related information including data created, received, recorded or stored on a personally owned PCD in the course of department duties is considered government data subject to the requirements of the Minnesota Government Data Practices Act and discovery obligations (Minn. Stat. § 13.01 et seq.).

701.6 USE OF PERSONAL COMMUNICATION DEVICES

The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct department business:

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Personal Communication Devices

- (a) A PCD shall not be carried in a manner that allows it to be visible while in uniform unless it is in a carrier approved by the department.
- (b) All PCDs in the workplace shall be set to silent or vibrate mode.
- (c) A PCD may not be used to conduct personal business while on-duty except for brief personal communications (e.g., informing family of extended hours). Employees shall endeavor to limit their use of PCDs to authorized break times unless an emergency exists.
- (d) Employees may use a PCD to communicate with other personnel in situations where the use of the radio is either impracticable or not feasible. PCDs should not be used as a substitute for or as a way to avoid or in lieu of regular radio communications.
- (e) Officers are prohibited from taking pictures, video or making audio recordings or making copies of any such picture or recording media unless it is directly related to official department business. Disclosure of any such information to any third party through any means without the express authorization of the Chief of Police or the authorized designee or contrary to data practices policies and procedures may result in discipline.
- (f) Employees will not access social networking sites while on-duty for any purpose that is not official department business.
- (g) Using PCDs to harass, threaten, coerce or otherwise engage in inappropriate conduct with any third party is prohibited. Any employee having knowledge of such conduct shall promptly notify a supervisor.

701.7 SUPERVISORY RESPONSIBILITIES

Supervisors should ensure that members under their command are provided appropriate training on the use of PCDs consistent with this policy. Supervisors should monitor, to the extent reasonably practicable, PCD use in the workplace and take prompt corrective action if an employee is observed or reported to be improperly using a PCD. An investigation into improper conduct should be promptly initiated when circumstances warrant.

If, when carrying out any provision of this policy, the need to contact an employee who is off-duty arises, supervisors should consider delaying the contact, if reasonably practicable, until the employee is on-duty as such time may be compensable.

701.8 USE WHILE DRIVING

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions and present a negative image to the public. Officers operating emergency vehicles should restrict the use of these devices to matters involving official duties and, where reasonably practicable, stop the vehicle at an appropriate location to use the PCD (Minn. Stat. § 169.475).

Except in an emergency, employees who are operating non-emergency vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free

use (Minn. Stat. § 169.475). Hands-free use should be restricted to business-related calls or calls of an urgent nature.

701.9 OFFICIAL USE

Employees are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while utilizing PCDs to ensure that sensitive data is not inadvertently transmitted. As soon as reasonably possible, employees shall change over to conduct sensitive or private communications on a land-based or other department communications network.

The following situations are examples of when the use of a PCD may be appropriate:

- (a) Barricaded suspects
- (b) Hostage situations
- (c) Mobile Command Post
- (d) Catastrophic disasters, such as plane crashes, earthquakes, floods, etc.
- (e) Major political or community events
- (f) Investigative stakeouts
- (g) Emergency contact with an allied agency or allied agency field unit
- (h) When immediate communication is needed and the use of the radio is not available or appropriate and other means are not readily available

Vehicle Maintenance

702.1 PURPOSE AND SCOPE

Employees are responsible for assisting in maintaining Department vehicles so that they are properly equipped, maintained, refueled, and present a clean appearance.

702.2 DEFECTIVE VEHICLES

When a Department vehicle becomes inoperative or in need of repair that affects the safety of the vehicle, that vehicle shall be removed from service for repair. Proper documentation shall be promptly completed by the employee who becomes aware of the defective condition. Paperwork, describing the correction needed, shall be promptly forwarded to vehicle maintenance for repair.

702.2.1 SUSPECTED DAMAGE OR POOR PERFORMANCE

Vehicles that may have suffered damage, perform poorly, or whose control or safety features has been diminished shall be immediately removed from service for inspection and repair.

702.2.2 SEVERE USE INSPECTION

Vehicles operated under severe use conditions, including rough roadway or off-road operation, hard or extended braking, pursuits, or prolonged high-speed operation, should be removed from service and subjected to a safety inspection as soon as reasonably possible.

702.3 VEHICLE EQUIPMENT

Certain items shall be maintained in all Department vehicles for emergency purposes, and to perform routine duties.

702.3.1 PATROL VEHICLES

Officers shall inspect the patrol vehicle at the beginning of the shift and ensure that the following equipment, at a minimum, is present in the vehicle:

- Emergency road flares

702.4 VEHICLE REFUELING

Absent emergency conditions or supervisor approval, officers driving patrol vehicles shall not place a vehicle in service that has less than three-quarter tank of fuel. Whenever practicable, vehicles should be fully fueled when placed into service and refueled before the level falls below three-quarter tank.

Vehicles shall only be refueled at an authorized location.

702.5 WASHING OF VEHICLES

All units shall be kept clean at all times and, weather conditions permitting, shall be washed as necessary to enhance their appearance.

Only one marked unit should be at the car wash at a time unless otherwise approved by a supervisor.

Employees using a vehicle shall remove any trash or debris at the end of the shift. Unclassified/private/confidential data should be placed in a designated receptacle provided for the shredding of this matter.

702.6 CIVILIAN EMPLOYEE USE

Non-sworn employees using marked vehicles shall ensure all weapons are removed from the vehicle before going into service. Non-sworn employees shall not operate the emergency lights or siren of any vehicle unless expressly authorized by a supervisor.

Vehicle Use

703.1 PURPOSE AND SCOPE

This policy establishes a system of accountability to ensure City-owned vehicles are used appropriately. For the purposes of this policy, "City-owned" includes any vehicle owned, leased or rented by the City.

703.2 POLICY

The Department provides vehicles for official business use and may assign take-home vehicles based on its determination of operational efficiency, economic impact to the Department, tactical deployments and other considerations.

703.3 USE OF VEHICLES

Personnel authorized to use City-owned take home vehicles shall only use the vehicles for official business or if its use promotes operational efficiency.

All employees, assigned a City-Owned vehicle, and on an on-call status are expected to maintain a sixty minute response time when notified of any department related business where there assistance is requested.

Members shall not operate a City-owned vehicle at any time when impaired by drugs and/or alcohol.

Any member operating a vehicle equipped with a two-way communications radio, MDC and/or a Global Positioning Satellite device shall ensure the devices are on and set to an audible volume whenever the vehicle is in operation.

703.3.1 SHIFT ASSIGNED VEHICLES

Members who use a fleet vehicle as part of their work assignment shall ensure that the vehicle is properly checked out and logged on the daily shift roster, according to current procedures, prior to taking it into service. If for any reason during the shift the vehicle is exchanged, the member shall ensure that the exchanged vehicle is likewise properly noted on the daily shift roster.

Members shall be responsible for inspecting the interior and exterior of any assigned vehicle before taking the vehicle into service and at the conclusion of the shift. Any previously unreported damage, mechanical problems, unauthorized contents or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

703.3.2 UNSCHEDULED USE OF VEHICLES

Members utilizing a City-owned vehicle for any purpose other than their regularly assigned duties shall first notify the Shift Sergeant of the reasons for use and a notation will be made on the shift roster indicating the operator's name and vehicle number. This section does not apply to members permanently assigned an individual vehicle (e.g., command staff, detectives), who regularly use the vehicle on an unscheduled basis as part of their normal assignment.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Vehicle Use

703.3.3 UNMARKED VEHICLES

Except for use by the assigned member, unmarked units shall not be used without first obtaining approval from the supervisor of the unit to which the vehicle is assigned, or approval from the shift sergeant.

703.3.4 INVESTIGATION DIVISION VEHICLES

Investigation Division vehicle use is restricted to investigative personnel during their assigned work hours unless approved by an Investigation Division supervisor. After-hours use of Investigation Division vehicles by members not assigned to the Investigation Division shall be recorded with the shift sergeant on the shift roster.

703.3.5 PARKING

Except when responding to an emergency or other urgent official business requires otherwise, members driving City-owned vehicles should obey all parking regulations at all times.

Members shall not park privately-owned vehicles in any area assigned to a City-owned vehicle or in any other areas of the parking lot that are not designated as a parking space unless authorized by a supervisor. Privately-owned motorcycles shall be parked in designated areas.

703.3.6 INSPECTIONS

The interior of any vehicle that has been used to transport any person other than a member should be inspected prior to placing another person in the vehicle and again after the person is removed. This is to ensure that unauthorized or personal items have not been left in the vehicle.

When transporting any suspect, prisoner or arrestee, the transporting officer shall search all areas of the vehicle that are accessible by the person before and after the person is transported.

703.3.7 PRIVACY

All City-owned vehicles are subject to inspection and/or search at any time by a supervisor without notice and without cause. No member assigned to or operating such vehicle shall be entitled to any expectation of privacy with respect to the vehicle or its contents.

703.4 ASSIGNED VEHICLE AGREEMENT

Members must be approved for an assigned vehicle by his/her division commander, and shall agree to the following criteria:

- (a) Except as may be provided by a collective bargaining agreement, time spent during normal commuting is not compensable.

the residence (see the Firearms and Qualification Policy regarding safe storage of firearms at home).

- (e) When the member will be away (e.g., on vacation) for periods exceeding one week, the vehicle shall be stored in a secure garage at the member's residence or at the appropriate Department facility.
- (f) All Department identification, portable radios, and equipment should be secured.

Members are cautioned that under federal and local tax rules, personal use of a City-owned vehicle may create an income tax liability to the member. Members should address questions regarding tax consequences to their tax adviser.

The assignment of vehicles is at the discretion of the Chief of Police. Assigned vehicles may be changed at any time, and permission to take home a vehicle may be withdrawn at any time.

703.5 KEYS AND SECURITY

All uniformed field members approved to operate marked patrol vehicles should be issued a copy of the unit key as part of their initial equipment distribution upon hiring. Officers shall not duplicate keys.

Members assigned a permanent vehicle should be issued keys for their assigned vehicle.

The loss of any key shall be promptly reported in writing through the member's chain of command.

703.6 ENFORCEMENT ACTIONS

Because an officer operating an unmarked vehicle to and from work outside the jurisdiction of Brooklyn Center may not be uniformed and readily identifiable as a police officer he/she should try to avoid becoming directly involved in enforcement actions except in those circumstances where a potential threat to life or serious property damage exists. (see the Off-Duty Law Enforcement Actions Policy and the Law Enforcement Authority Policy).

Officers may render public assistance (e.g., to a stranded motorist) when deemed prudent.

Although not required, it is recommended while driving a City-owned unmarked vehicle off duty, members of this department be armed. If a member of this department is armed while operating a City-Owned unmarked vehicle off duty they shall be appropriately attired and carry their department-issued identification. Officers should also ensure that department radio or other electronic communication capabilities are maintained to the extent reasonably feasible.

703.7 MAINTENANCE

Members are responsible for the cleanliness (exterior and interior) and overall maintenance of the assigned vehicles.

Members shall make daily inspections of their assigned vehicles for service/maintenance requirements and damage. It is the assigned member's responsibility to ensure that his/her assigned vehicle is maintained according to the established service and maintenance schedule.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Vehicle Use

Supervisors shall make, at a minimum, monthly inspections of vehicles assigned to members under their command to ensure the vehicles are being maintained in accordance with policy.

703.7.1 ACCESSORIES AND/OR MODIFICATIONS

No modifications, additions or removal of any equipment or accessories shall be made to the vehicle without written permission from the Division Commander.

703.8 VEHICLE DAMAGE, ABUSE, AND MISUSE

When a City-owned vehicle is involved in a traffic collision or otherwise incurs damage, the involved member shall promptly notify a supervisor. Any traffic collision report shall be filed with the agency having jurisdiction (see also the Traffic Collision Response and Reporting Policy).

When a collision involves a City vehicle or when a member of this department is an involved driver in a collision that occurs in this jurisdiction and the collision results in serious injury or death, a supervisor should request that an outside law enforcement agency be summoned to investigate the collision.

The member involved in the collision shall complete a report. If the member is unable to complete the report, the supervisor shall complete the report.

Any damage to a vehicle that was not caused by a traffic collision shall be immediately reported during the shift in which the damage was discovered, documented in memorandum format, and forwarded to the shift sergeant. An administrative investigation should be initiated to determine if there is any vehicle abuse or misuse.

703.9 TOLL ROAD USAGE

Law enforcement vehicles are not routinely exempted from incurring toll road charges.

To avoid unnecessary toll road charges, all members operating a City-owned vehicle upon the toll road shall adhere to the following:

- (a) All members operating a City-owned vehicle for any reason other than in response to an emergency shall pay the appropriate toll charge or utilize the appropriate toll way transponder. Members may submit a request for reimbursement from the City for any toll fees incurred in the course of official business.

Cash Handling, Security, and Management

704.1 PURPOSE AND SCOPE

The proper handling and documentation of cash transactions, and the maintenance of accurate records of cash transactions, is important to protect the integrity of police operations and ensure the public trust.

704.2 PETTY CASH FUNDS

Employees designated as fund managers and authorized to maintain and manage petty cash funds are the support services manager and the administrative assistant.

These persons may delegate this responsibility to another person in their absence.

All funds require the creation and maintenance of an accurate and current transaction ledger and filing of invoices, receipts, and expense reports by the fund manager.

704.3 PETTY CASH TRANSACTIONS

The fund manager shall document all transactions on the ledger and other appropriate forms. Each person participating in the transaction shall sign or otherwise validate the ledger, attesting to the accuracy of the entry. Transactions should include the filing of an appropriate receipt, invoice or cash transfer form. Transactions that are not documented by a receipt, invoice or cash transfer form require an expense report.

704.4 PETTY CASH AUDITS

The manager of a petty cash fund shall audit the fund no less than once every six months. This audit requires that the manager and at least one other person selected by the fund manager, review the ledger, records, receipts, and funds, verifying the accuracy of the accounting. Each participant of the audit shall sign the ledger, attesting to the accuracy of all documentation and fund accounting. A discrepancy in the audit requires documentation by those performing the audit and immediate reporting of the discrepancy to the Chief of Police.

Should fund management be transferred to any person, each transfer of this responsibility shall require completion of a separate petty cash audit by those persons involved in the transfer.

A separate audit by the Chief of Police or the City should be completed on a random date approximately once each year on each petty cash fund.

704.5 ROUTINE CASH HANDLING

Members of the Department authorized to routinely handle cash as part of their assignment are property room technicians and the support services manager. Routine cash handling shall be pursuant to their specific policies (see the Confidential Informants and Property Procedures Policies).

Crime Analysis

800.1 PURPOSE AND SCOPE

Crime analysis should provide currently useful information to aid operational personnel in meeting its tactical crime control and prevention objectives by identifying and analyzing methods of operation of individual criminals, providing crime pattern recognition, and providing analysis of data from field interrogations and arrests. Crime analysis can be useful to the Department's long-range planning efforts by providing estimates of future crime trends and assisting in the identification of enforcement priorities.

800.2 DATA SOURCES

Crime analysis data is extracted from many sources including, but not limited to:

- Crime reports
- Field interview cards
- Parole and probation records
- Computer Aided Dispatch data
- Department of Public Safety - Crime Records Service

800.3 CRIME ANALYSIS FACTORS

The following minimum criteria should be used in collecting data for crime analysis:

- Frequency by type of crime
- Geographic factors
- Temporal factors
- Victim and target descriptors
- Suspect descriptors
- Suspect vehicle descriptors
- Modus operandi factors
- Physical evidence information

800.4 CRIME ANALYSIS DISSEMINATION

For a crime analysis system to function effectively, information should be disseminated to the appropriate units or persons on a timely basis. Information that is relevant to the operational and tactical plans of specific line units should be sent directly to them. Information relevant to the development of the Department's strategic plans should be provided to the appropriate staff units. When information pertains to tactical and strategic plans, it should be provided to all affected units.

801.4 COURT-ORDERED FIREARM SURRENDER PROCEDURE

AUTHORITY

The authority for this policy is established by Minn. Stat. 260C.201 (Domestic Child Abuse); Minn. Stat. 518B.01 (Order for Protection); Minn. Stat. 609.2242 (Domestic Assault); Minn. Stat. 609.749 (Stalking); and Minn. Stat. 624.713 (Certain Persons Not to Possess Firearms).

Legislative changes require the courts to issue orders to domestic child abusers, domestic abusers, persons convicted of domestic assault and persons convicted of stalking, to surrender their firearms to a law enforcement agency, a federally licensed firearms dealer or a third party.

DEFINITIONS

Domestic Violence Restraining Orders – Provisions in Minnesota statutes require the court when issuing restraining orders under Minn. Stat. 260C.201 (Domestic Child Abuse) or Minn. Stat. 518B.01 (Order for Protection) to order the restrained person to surrender firearms and permits to

Brooklyn Center Police Department

carry or purchase firearms if the court finds the restrained party represents a credible threat to the physical safety of the protected party. An order granting relief that was issued after a hearing of which the abusing party received actual notice and which the abusing party had the opportunity to participate, shall prohibit the abusing party from possessing firearms for the length the order is in effect. The order shall direct the abusing party to transfer any firearms that the person possesses to a federally licensed firearms dealer, a law enforcement agency or a third party who may lawfully receive them. A law enforcement agency is not required to accept an abusing party/respondent's firearms under this paragraph.

Domestic Abuse Convictions and Firearms - When persons are convicted of Domestic Assault under Minn. Stat § 609.2242 or any other assault against a family or household member (includes Assault 1, Assault 2, Assault 3, Assault 5, Domestic Assault Strangulation) or are convicted of Stalking under Minn. Stat. § 609.748, the court must order them to transfer any firearms they possess to a federally licensed firearms dealer, a law enforcement agency or a third party who may lawfully receive them. The transfer must occur within 3 business days unless the court finds the defendant is an imminent risk of causing substantial bodily harm to another, in which case the court must order the local law enforcement agency to take immediate possession.

Authorized Recipients of the Firearms – Defendants may choose to whom they surrender their firearm(s). The statute allows the transfer to: a local enforcement agency, a federally licensed authorized dealer, or a third party who does not reside with the abusing party/defendant.

Transfers – Within three business days, Defendants must transfer their firearms permanently or temporarily depending on the court order. If the court determines there is an imminent risk, law enforcement will be ordered to take immediate possession of the firearm(s).

Firearm – The Federal definition of firearm is any weapon (including a starter gun) which will expel a projectile; by means of an explosive or is designed or may be readily converted to do so. Minnesota statutes defines firearm as a gun that discharges shot or a projectile by means of an explosive, a gas or compressed air Minn. Stat. § 97A.015, subd. 19. Some Minnesota courts have ruled that, under this definition, rifles, shotguns, handguns (both pistols and revolvers), muzzleloaders and BB guns are firearms. However paintball guns are not considered firearms.

Reasonable Storage Fee – Actual expenses a city incurs for storage of firearms to include the cost of storage space and staff time to process related paperwork. The storage fee should not normally be so high that it exceeds the value of the firearm. Agencies should periodically review their fee schedule to insure their storage fee covers the city's actual costs. Agencies should give consideration to releasing firearm(s) only after the reasonable storage fee is paid.

PROCEDURE

A. Intake Procedure – Surrendered Firearms:

1. A copy of the Court Order is required prior to accepting the transfer of firearms.
2. The abusing party/respondent must arrange for the transfer within three business days.

14. All staff will use due care to preserve the quality and function of the transferred firearm(s).

B. Immediate Possession of Firearms - Imminent Risk Involved

1. The court may order the department to take immediate possession of a defendant's firearm(s).

2. A peace officer or investigator will be assigned the case and an Incident Report shall be completed with initiation of a Case Number.

3. Only a licensed peace officer may accept surrendered firearms from a defendant.

4. Due to the risks of firearms being delivered to the department or seized from private residences, the assigned officer or investigator will give due consideration to the variety of safety concerns. The assigned officer or investigator should initiate contact with the defendant, arranging for the safest means of firearm(s) surrender.

5. The difficulties in knowing with certainty the full extent of a defendant's firearms inventory are acknowledged. The assigned officer or investigator will attempt to insure the abusing party/respondent complies with the Order. If the abusing party/respondent refuses to comply with the order, every effort, including a consent search or possibly seeking a search warrant, will be initiated to ensure the court order is carried out.

6. Within three (3) business days of the court ordering the immediate transfer of the firearm(s), defendants may request the transfer of their firearms(s) from the department to a federally licensed firearms dealer or a third party, who may lawfully receive them.

4. Officers asked to assist another law enforcement agency with the enforcement of a firearm surrender order shall provide reasonable assistance so as to help aid the order's enforcement.

D. Return , Abandonment or Forfeiture of Firearms

1. Upon receipt of a court order, the department will return the surrendered firearms(s) to the abusing party/defendant so long as the abusing party/defendant is not otherwise prohibited from possessing firearms under State or Federal law.
2. An assigned officer or investigator will facilitate the release of the firearms(s) pursuant to the court order, complying with State and Federal law and department protocol.
3. On requests to transfer to a third party the assigned officer or investigator will conduct a records check to ensure the third party is eligible to receive the firearm(s).
4. The assigned officer or investigator will have the Defendant inspect the firearm(s) before returning and have the defendant acknowledge the firearms are in the same condition as when turned in, except for reasonable wear and tear including the deterioration of firearms that may occur during prolonged storage periods.
5. If a temporarily transferred firearm is abandoned, the department will notify the abusing party/defendant via certified U.S. mail prior to the disposal of the abandoned firearms(s) pursuant to department protocol.

Restoration of Firearm Serial Numbers

803.1 PURPOSE AND SCOPE

The primary purpose for restoring firearm serial numbers is to determine the prior owners or origin of the item from which the number has been recovered. Thus, property can be returned to rightful owners or investigations can be initiated to curb illegal trade of contraband firearms. The purpose of this policy is to develop standards, methodologies and safety protocols for the recovery of obliterated serial numbers from firearms and other objects using procedures that are accepted as industry standards in the forensic community. All personnel who are involved in the restoration of serial numbers will observe the following guidelines.

803.2 PROCEDURE

Any firearm coming into the possession of the Brooklyn Center Police Department as evidence and found property, where the serial numbers have been removed or obliterated, will be processed in the following manner:

803.2.1 PRELIMINARY FIREARM EXAMINATION

- (a) Always keep the muzzle pointed in a safe direction. Be sure the firearm is in an unloaded condition. This includes removal of the ammunition source (e.g., the detachable magazine, contents of the tabular magazine) as well as the chamber contents.
- (b) If the firearm is corroded shut or in a condition that would preclude inspection of the chamber contents, treat the firearm as if it is loaded. Make immediate arrangements for a firearms examiner or other qualified examiner to render the firearm safe.
- (c) Accurately document the condition of the gun when received. Note the positions and conditions of the various components, such as the safeties, cylinder, magazine, slide and hammer. Accurately record/document cylinder chamber and magazine contents. Package the ammunition separately.
- (d) If the firearm is to be processed for fingerprints or trace evidence, it should be processed before the serial number restoration is attempted. First record/document important aspects, such as halos on the revolver cylinder face or other relevant evidence that might be obscured by the fingerprinting chemicals.

803.2.2 PROPERTY BOOKING PROCEDURE

Any employee taking possession of a firearm with removed or obliterated serial numbers shall book the firearm into property following standard procedures. The employee booking the firearm shall indicate on the property form that serial numbers have been removed or obliterated.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Restoration of Firearm Serial Numbers

803.2.3 OFFICER RESPONSIBILITIES

The property and evidence technician receiving a firearm when the serial numbers have been removed or obliterated shall arrange for the firearm to be transported to the crime laboratory for restoration.

803.2.4 DOCUMENTATION

Case reports should be prepared in order to document the chain of custody and the initial examination and handling of evidence from the time it is received or collected until it is released.

This report must include a record of the manner in which and/or from whom the firearm was received. This may appear on the request form or property form depending on the type of evidence.

803.2.5 FIREARM TRACE

After the serial number has been restored (or partially restored) by the crime laboratory, a Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) National Tracing Center (NTC) trace request form will be completed and submitted to the NTC or the data may be entered into the ATF [eTrace](#) system.

803.3 OTHER CONSIDERATIONS

Exemplar bullets and cartridge cases from the firearm, depending upon acceptance criteria and protocol, may be submitted to the ATF's National Integrated Ballistic Information Network (NIBIN), which uses the Integrated Ballistic Identification System (IBIS) technology to search the national database and compare with ballistic evidence recovered from other crime scenes.

Upon request the Department shall provide a statement that explains the necessity for withholding the information (Minn. Stat. § 13.82 Subd. 14).

Absent a court order or other statutory authority, data shall be made public subject to the following restrictions:

While a subpoena duces tecum may ultimately be subject to compliance, it is not an order from the court that will automatically require the release of the requested data.

Generally, discovery requests and subpoenas from criminal defendants and their authorized representatives (including attorneys) should be referred to the County Attorney, City Attorney or the courts.

All questions regarding compliance with any subpoena duces tecum or discovery request should be promptly referred to legal counsel for the Department so that a timely response can be prepared.

804.12 RELEASED RECORDS TO BE MARKED

Each page of any written record released pursuant to this policy should be stamped in a colored ink or otherwise marked to indicate the department name and to whom the record was released.

Each audio/video recording released shall include the department name and to whom the record was released.

804.13 RELEASE RESTRICTIONS

Examples of release restrictions include:

- (a) Personal identifying information, including an individual's photograph; Social Security and driver identification numbers; name, address, and telephone number; and medical

or disability information that is contained in any driver's license record, motor vehicle record, or any department record, including traffic collision reports, is restricted except as authorized by the Department, and only when such use or disclosure is permitted or required by law to carry out a legitimate law enforcement purpose (18 USC § 2721; 18 USC § 2722).

 - 5. A person who placed a call to a 9-1-1 system or the identity of the person whose phone was used to place a call to the 9-1-1 system when revealing the identity may threaten the personal safety or property of any person or the purpose of the call was to receive help in a mental health emergency. A voice recording of a call placed to the 9-1-1 system is deemed to reveal the identity of the caller.
 - 6. A juvenile witness when the subject matter of the investigation justifies protecting the identity of the witness.
 - 7. A mandated reporter.
- (c) Audio recordings of calls placed to the 9-1-1 system requesting law enforcement, fire, or medical agency response, except that a written transcript of the call is public unless it reveals the identity of protected individuals (Minn. Stat. § 13.82, Subd. 4).
- (d) Criminal investigative data involving active cases and inactive investigative data (Minn. Stat. § 13.82, Subd. 7):
 - 1. If the release of the data would jeopardize another ongoing investigation or would reveal the identity of protected individuals or is otherwise restricted.

804.14 PROCESSING REQUESTS FOR PUBLIC RECORDS

Any department member who receives a request for data shall route the request to the Custodian of Records or the authorized designee.

804.14.1 REQUESTS FOR RECORDS

The processing of requests for data is subject to the following:

- (a) A person shall be permitted to inspect and copy public government data upon request at reasonable times and places and shall be informed of the data's meaning if requested (Minn. Stat. § 13.03, Subd. 3).
 - 1. The Department may not charge or require the requesting person to pay a fee to inspect data. Inspection includes, but is not limited to, the visual inspection of paper and similar types of government data. Inspection does not include printing copies, unless printing a copy is the only method to provide for inspection of the data (Minn. Stat. § 13.03, Subd. 3(b)).
 - 2. For data stored and made available in electronic form via remote access, public inspection includes allowing remote access by the public to the data and the ability to print copies or download the data. A fee may be charged for remote access to data where either the data or the access is enhanced at the request of the person seeking access (Minn. Stat. § 13.03, Subd. 3(b)).
- (b) Government data maintained by this department using a computer storage medium shall be provided in that medium in electronic form, if a copy can be reasonably made. The Department is not required to provide the data in an electronic format or program that is different from the format or program in which the data is maintained (Minn. Stat. § 13.03, Subd. 3 (e)).
- (c) The Department is not required to create records that do not exist.
- (d) The Custodian of Records or designee processing the request shall determine if the requested data is available and, if so, whether the data is restricted from release or denied. The Custodian of Records or designee shall inform the requesting person of the determination either orally at the time of the request or in writing as soon after that time as reasonably possible. The Custodian of Records or designee shall cite the specific statutory section, temporary classification or specific provision of state or federal law on which the determination is based. Upon the request of any person denied access to data, the denial shall be certified in writing (Minn. Stat. § 13.03, Subd. 3 (f)).
- (e) When a record contains data with release restrictions and data that is not subject to release restrictions, the restricted data shall be redacted and the unrestricted data released.
 - 1. A copy of the redacted release should be maintained in the case file for proof of what was actually released and as a place to document the reasons for the redactions. If the record is audio or video, a copy of the redacted audio/video release should be maintained in the department-approved media storage system and a notation should be made in the case file to document the release and the reasons for the redacted portions.

Protected Information

805.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the access, transmission, release and security of protected information by members of the Brooklyn Center Police Department. This policy addresses the protected information that is used in the day-to-day operation of the Department and not the government data information covered in the Records Maintenance and Release Policy.

805.1.1 DEFINITIONS

Definitions related to this policy include:

Protected information - Any information or data that is collected, stored or accessed by members of the Brooklyn Center Police Department and is subject to any access or release restrictions imposed by law, regulation, order or use agreement. This includes all information contained in federal, state or local law enforcement databases that is not accessible to the public.

805.2 POLICY

Members of the Brooklyn Center Police Department will adhere to all applicable laws, orders, regulations, use agreements and training related to the access, use, dissemination and release of protected information.

805.3 RESPONSIBILITIES

The Chief of Police shall select a member of the Department to coordinate the use of protected information (Minn. Stat. § 13.05, Subd. 13).

The responsibilities of this position include, but are not limited to:

- (a) Ensuring member compliance with this policy and with requirements applicable to protected information, including requirements for the National Crime Information Center (NCIC) system, the National Law Enforcement Telecommunications System (NLETS), Minnesota Division of Driver and Vehicle Services (DVS) records, Minnesota Bureau of Criminal Apprehension (BCA) and the Minnesota Comprehensive Incident-Based Reporting System (CIBRS).
- (b) Developing, disseminating and maintaining procedures that adopt or comply with the U.S. Department of Justice's current Criminal Justice Information Services (CJIS) Security Policy.
- (c) Developing, disseminating and maintaining any other procedures necessary to comply with any other requirements for the access, use, dissemination, release and security of protected information.
- (d) Developing procedures to ensure training and certification requirements are met.

Protected Information

- (e) Resolving specific questions that arise regarding authorized recipients of protected information.
- (f) Ensuring security practices and procedures are in place to comply with requirements applicable to protected information.
- (g) Ensuring a comprehensive security assessment of any personal information maintained by the Brooklyn Center Police Department is conducted at least annually (Minn. Stat. § 13.055, Subd. 6).
- (h) Ensuring CIBRS is notified within 10 days that an investigation in CIBRS has become inactive (Minn. Stat. § 299C.40).

805.4 ACCESS TO PROTECTED INFORMATION

Protected information shall not be accessed in violation of any law, order, regulation, user agreement, Brooklyn Center Police Department policy or training (Minn. Stat. § 13.09). Only those members who have completed applicable training and met any applicable requirements, such as a background check, may access protected information, and only when the member has a legitimate work-related reason for such access (Minn. Stat. § 13.05; Minn. Stat. § 299C.40).

Unauthorized access, including access for other than a legitimate work-related purpose, is prohibited and may subject a member to administrative action pursuant to the Personnel Complaints Policy and/or criminal prosecution.

805.5 RELEASE OR DISSEMINATION OF PROTECTED INFORMATION

Protected information may be released only to authorized recipients who have both a right to know and a need to know.

A member who is asked to release protected information that should not be released should refer the requesting person to a supervisor or to the Support Services Supervisor for information regarding a formal request.

Unless otherwise ordered or when an investigation would be jeopardized, protected information maintained by the Department may generally be shared with authorized persons from other law enforcement agencies who are assisting in the investigation or conducting a related investigation. Any such information should be released through the Support Services to ensure proper documentation of the release (see the Records Maintenance and Release Policy).

Protected information, such as Criminal Justice Information (CJI), which includes Criminal History Record Information (CHRI), should generally not be transmitted by radio, cellular telephone or any other type of wireless transmission to members in the field or in vehicles through any computer or electronic device, except in cases where there is an immediate need for the information to further an investigation or where circumstances reasonably indicate that the immediate safety of officers, other department members or the public is at risk.

Nothing in this policy is intended to prohibit broadcasting warrant information.

805.5.1 REVIEW OF CHRI

Members of this department shall refer individuals seeking access to CHRI to the Minnesota BCA (Minn. Stat. § 13.87, Subd. 1(b)).

805.5.2 REVIEW OF CIBRS DATA

An individual who is the subject of private data held by CIBRS may request access to the data by making a request to the Support Services Supervisor. If the request is to release the data to a third party, the individual who is the subject of private data must appear in person at the Department to give informed consent to the access or release.

Private data provided to the individual must also include the name of the law enforcement agency that submitted the data to CIBRS and the name, telephone number and address of the agency responsible for the data.

A person who is the subject of private data may challenge the data. The Support Services Supervisor shall review the challenge and determine whether the data should be completed, corrected or destroyed. The corrected data must be submitted to CIBRS and any future dissemination must be of the corrected data.

The Support Services Supervisor must notify BCA as soon as reasonably practicable whenever data held by CIBRS is challenged. The notification must identify the data that was challenged and the subject of the data.

805.6 SECURITY OF PROTECTED INFORMATION

The Chief of Police will select a member of the Department to oversee the security of protected information.

The responsibilities of this position include, but are not limited to:

- (a) Developing and maintaining security practices, procedures and training.

- (d) Tracking, documenting and reporting all breach of security incidents to the Chief of Police and appropriate authorities.

805.6.1 MEMBER RESPONSIBILITIES

Members accessing or receiving protected information shall ensure the information is not accessed or received by persons who are not authorized to access or receive it. This includes leaving protected information, such as documents or computer databases, accessible to others when it is reasonably foreseeable that unauthorized access may occur (e.g., on an unattended table or desk; in or on an unattended vehicle; in an unlocked desk drawer or file cabinet; on an unattended computer terminal).

805.7 TRAINING

All members authorized to access or release protected information shall complete a training program that complies with any protected information system requirements and identifies authorized access and use of protected information, as well as its proper handling and dissemination.

Computers and Digital Evidence

806.1 PURPOSE AND SCOPE

This policy establishes procedures for the seizure and storage of computers, personal communications devices (PCDs) digital cameras, digital recorders and other electronic devices that are capable of storing digital information; and for the preservation and storage of digital evidence. All evidence seized and/or processed pursuant to this policy shall be done so in compliance with clearly established Fourth Amendment and search and seizure provisions.

806.2 SEIZING COMPUTERS AND RELATED EVIDENCE

Computer equipment requires specialized training and handling to preserve its value as evidence. Officers should be aware of the potential to destroy information through careless or improper handling, and utilize the most knowledgeable available resources. When seizing a computer and accessories the following steps should be taken:

- (a) Photograph each item, front, back and surrounding desktop or office setup, specifically including cable connections to other items. Look for a telephone line or cable to a modem for Internet access.
- (b) Do not overlook the possibility of the presence of physical evidence on and around the hardware relevant to the particular investigation such as fingerprints, biological or trace evidence and/or documents.
- (c) If the computer is off, do not turn it on.
- (d) If the computer is on, do not shut it down normally and do not click on anything or examine any files.
 1. Photograph the screen, if possible, and note any programs or windows that appear to be open and running.
 2. Disconnect the power cable from the back of the computer box or if a portable notebook style, disconnect any power cable from the case and remove the battery.
- (e) Label each item with case number, evidence sheet number and item number.
- (f) Handle and transport the computer and storage media (e.g., tape, discs, memory cards, flash memory, external drives) with care so that potential evidence is not lost.
- (g) Lodge all computer items into the Property Room. Do not store computers where normal room temperature and humidity is not maintained.
- (h) At minimum, officers should document the following in related reports:
 1. Where the computer was located and whether it was in operation.
 2. Who was using it at the time.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Computers and Digital Evidence

3. Who claimed ownership.
 4. If it can be determined, how it was being used.
- (i) In most cases when a computer is involved in criminal acts and is in the possession of the suspect, the computer itself and all storage devices (e.g., printers, remote drives, hard drives, tape drives and disk drives) should be seized along with all media.

806.2.1 BUSINESS OR NETWORKED COMPUTERS

If the computer belongs to a business or is part of a network, it may not be feasible to seize the entire computer. Cases involving networks require specialized handling. Officers should contact a certified forensic computer examiner, the supervisor, or Hennepin County Crime Lab for instructions or a response to the scene. It may be possible to perform an on-site inspection or to image the hard drive only of the involved computer. This should be done by someone specifically trained in processing computers for evidence.

806.2.2 FORENSIC EXAMINATION OF COMPUTERS

If an examination of the contents of the computer's hard drive, floppy disks, compact discs or any other storage media is required, forward the following items to a computer forensic examiner:

- (a) Copy of report(s) involving the computer, including the Evidence/Property sheet.
- (b) Copy of a consent to search form signed by the computer owner or the person in possession of the computer, or a copy of a search warrant authorizing the search of the computer hard drive for evidence relating to investigation or other legal authority for examination.
- (c) A listing of the items to search for (e.g., photographs, financial records, E-mail, documents).
- (d) A forensic copy of the media will be made, and subsequent forensic examination of the copy will be conducted by a trained digital forensic examiner.

806.3 SEIZING DIGITAL STORAGE MEDIA

Digital storage media including hard drives, floppy discs, CDs, DVDs, tapes, memory cards or flash memory devices should be seized and stored in a manner that will protect them from damage.

- (a) If the media has a write-protection tab or switch, it should be activated.
- (b) Do not review, access or open digital files prior to submission. If the information is needed for immediate investigation request the Property Room to copy the contents to an appropriate form of storage media.
- (c) Many kinds of storage media can be erased or damaged by magnetic fields. Keep all media away from magnetic devices, electric motors, radio transmitters or other sources of magnetic fields.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Computers and Digital Evidence

- (d) Do not leave storage media where they would be subject to excessive heat such as in a parked vehicle on a hot day.
- (e) Use plastic cases designed to protect the media, or other protective packaging, to prevent damage.

806.4 SEIZING PCDS

Personal communication devices such as cellular telephones, PDAs or other hand-held devices connected to any communication network must be handled with care to preserve evidence that may be on the device including messages, stored data and/or images.

- (a) Officers should not attempt to access, review or search the contents of such devices prior to examination by a forensic expert. Unsent messages can be lost, data can be inadvertently deleted and incoming messages can override stored messages.
- (b) Do not turn the device on or off. The device should be placed in a solid metal container such as a paint can or in a Faraday bag, to prevent the device from sending or receiving information from its host network.
- (c) When seizing the devices, also seize the charging units and keep them plugged in to the chargers until they can be examined. If the batteries go dead all the data may be lost.

806.5 DIGITAL EVIDENCE RECORDED BY OFFICERS

Officers handling and submitting recorded and digitally stored evidence from digital cameras, audio/video recorders, USB drives or other devices will comply with these procedures to ensure the integrity and admissibility of such evidence.

806.5.1 COLLECTION OF DIGITAL EVIDENCE

The approved method of collecting digital images for evidence is with department issued equipment. Officers are discouraged from taking digital evidence with personally owned equipment.

Once evidence is recorded it shall not be erased, deleted or altered in any way prior to submission. All photographs taken will be preserved regardless of quality, composition or relevance. Video and audio files will not be altered in any way.

When collecting digital evidence such as video files employees should download a copy of the evidence while on scene. In the event that video evidence cannot be immediately obtained (employees cannot operate the system, no manager on duty etc.) employees are encouraged to take a video of the pertinent portions of the incident using either their department issued smart phone or digital camera.

If audio/video is not immediately available employees should request notification as soon as video evidence is available to be downloaded. Nothing in this policy should preclude an employee from accepting a copy of the evidence on a businesses or citizen's privately owned recording device such as a USB Drive or disc.

Computers and Digital Evidence

Once evidence is recorded it shall not be erased, deleted or altered in any way prior to submission. All photographs taken will be preserved regardless of quality, composition or relevance. Video and Audio files will not be altered in any way.

806.5.2 SUBMISSION OF DIGITAL MEDIA

The following are required procedures for the evidentiary submission of digital media:

- (a) Evidence collected in a digital format including but not limited to photos, videos, audio, and documents shall be transferred to the digital evidence management system.
- (b) The digital evidence shall be labeled with the agency case number in the digital evidence management system.
- (c) After successful transfer of digital evidence to the digital evidence management system has been verified, the department member shall delete the digital file from the smart card, USB Drive, compact flash card or other device.
- (d) As soon as reasonably possible following the collection of digital evidence, all digital evidence collected should be added to the digital evidence management system.

806.5.3 PRESERVATION OF DIGITAL EVIDENCE

- (a) The original digital media shall remain in evidence and shall remain unaltered.
- (b) Digital images that are enhanced to provide a better quality photograph for identification and investigative purposes must only be made from a copy of the original media.
- (c) If any enhancement is done to the copy of the original, it shall be noted in the corresponding incident report.

Animal Control

807.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for interacting with animals and responding to calls for service that involve animals.

807.2 COMMUNITY OFFICER RESPONSIBILITIES

The CSOs are primarily responsible for enforcing local, state, and federal laws relating to animals and for appropriately resolving or referring animal problems as outlined in this policy (Minn. Stat. § 343.20 Subd. 5).

807.3 OFFICER RESPONSIBILITIES

In the absence of a CSO, Officers may be dispatched to animal-related calls and should take appropriate actions to control the situation. Due to potential hazards officers should attempt to obtain the proper equipment when possible prior to their action. The following are examples of when an officer may have to act:

- (a) When there is a threat to the public safety.
- (b) When an animal has bitten someone, officers should take measures to confine the animal and prevent further injury.
- (c) When an animal is creating a traffic hazard.
- (d) When the owner/handler has been arrested, and there is no other alternative placement for the animal.
- (e) When an animal is gravely injured.

An officer may remove, shelter, and care for any animal that is not properly sheltered from cold, heat, or inclement weather, or any animal not properly fed and watered or provided with suitable food and drink, in circumstances that threaten the life of the animal (Minn. Stat. § 343.29 Subd. 1). The animal may be euthanized following a determination by a doctor of veterinary medicine that the animal is suffering and is beyond cure through reasonable care and treatment (Minn. Stat. § 343.29 Subd. 2).

Officers shall not enter a facility where farm animals are confined unless they follow a procedure and directive for biosecurity measures identified by the Board of Animal Health (Minn. Stat. § 17.986).

807.3.1 ANIMAL CRUELTY COMPLAINTS

Officers and Community Service Officers shall investigate all reports of animal cruelty pursuant to Minn. Stat. § 343.12. Officers and Community Service Officers shall not hesitate to take any immediate actions deemed necessary.

Following a court order, an officer or CSO shall search the place designated in a warrant and conduct an investigation in conjunction with a veterinary doctor (Minn. Stat. § 343.22 Subd. 2).

807.3.2 STRAY DOGS

If the dog has a license or can otherwise be identified, the owner should be contacted if reasonably possible (Minn. Stat. § 343.29 Subd. 1). If the owner is contacted, the dog should be released to the owner and a citation may be issued if appropriate. If a dog is taken into custody, it shall be transported to the animal shelter if it is open or to the holding pens, making sure the animal has food, water, and bedding.

Release of impounded dogs requires a fee be paid. The Support Services will accept fees and issue receipts.

The CSO will transport any animals in the holding pens to the animal shelter as soon as practical. Once a dog has been taken into custody, all releases should be handled by the animal shelter.

807.3.3 ANIMAL BITES TO HUMANS

Officers or CSO's shall instruct the owner of a biting animal that is a pet, farm animal or domesticated wild animal to keep the animal confined on the property. If the animal is a stray, every reasonable effort shall be made to capture and impound the animal immediately.

The following actions and enforcement by CSO's and officers are required when an animal bites a human (Minn. R. 1705.1151 and Minn. R. 1705.1152):

- (a) If a pet animal bites a human, the pet must be confined and observed for signs suggestive of rabies for 10 days or euthanized and tested for rabies. If at any time during the 10-day observation the animal dies, it must be tested for rabies. If the animal shows signs suggestive of rabies, it must be euthanized and tested for rabies.
- (b) Stray or unwanted pet animals may be euthanized after a five-day holding period and, if euthanized, must be tested for rabies. If, after consultation with a board or public health official, a veterinarian requests a rabies test in writing, a stray or unwanted animal must be euthanized and tested during the five-day period.
- (c) If a farm animal bites a human, it must be evaluated on an individual basis by a veterinarian. If it is normal, it may be confined for 14 days. If it exhibits unusual behavior, it must be euthanized and tested for rabies.
- (d) If a wild animal, domesticated wild animal or hybrid animal bites a human, the wild animal, if available, must be euthanized and tested for rabies. Domesticated wild or hybrid animals must be euthanized and tested for rabies, except that the animal may be exempted from testing if a veterinarian determines that the animal shows no signs of rabies, if the local authority, the state public health veterinarian, and the executive director of the Board of Animal Health agree, and the person bitten receives the post-exposure vaccination regimen. An exempt animal must be quarantined until completion of the post-exposure vaccination regimen.
- (e) A lagomorph, small rodent or insectivore that has bitten a human should not be tested unless recommended by the Board of Animal Health or the Minnesota Department of Health.

807.3.4 PUBLIC NUISANCE CALLS RELATING TO ANIMALS

Officers will document any actions taken, citation(s) issued and related report numbers.

If a CSO is unavailable, the patrol supervisor may request the assistance of an animal control officer from an outside agency if the nature of the call warrants the need.

807.4 DECEASED ANIMALS

Deceased animals on public property will be removed and properly disposed of by the CSO or officer.

- (a) For health and sanitary reasons, deceased animals should be placed in a sealed plastic bag. Large animals should be double-bagged.
- (b) Neither the CSO nor any officer will be required to climb onto or under any privately owned structure for the purpose of removing a deceased animal.

807.5 INJURED ANIMALS

When any injured domesticated animal is brought to the attention of a member of this agency, all reasonable attempts shall be made to contact the owner or responsible handler. When the owner or responsible handler cannot be located and the animal is not an immediate danger to the community, it shall be taken to a doctor of veterinary medicine as described below.

- (a) During normal business hours, the animal should be taken to an authorized veterinary care clinic.
- (b) If after normal business hours, the animal should be taken to an authorized veterinary emergency services clinic.
- (c) The only exception to the above is when the animal is an immediate danger to the community or the owner of the animal is identified and takes responsibility for the injured animal.
- (d) When it is necessary to kill a seriously injured or dangerous animal the Firearms and Qualification Policy shall be followed. The decision to dispose of a seriously injured animal will rest with the on-duty supervisor.
- (e) Injured or deceased wildlife should be referred to the nearest rehabilitation center.
- (f) When handling dead or injured animals, Department employees shall attempt to identify and notify the owner of the final disposition of the animal.
- (g) Each incident shall be documented, at minimum, to include the name of the reporting party and the veterinary hospital and/or person to whom the animal is released.

Animal Control

807.7 POST-ARREST PROCEDURES

The arresting officer should make a reasonable effort to ensure that animals or pets under a person's care will be provided with adequate care when that person is arrested. This is only required when there is no person to provide care and the arrestee is expected to be in custody for a time period longer than would reasonably allow him/her to properly care for the animals.

Relatives or neighbors may be contacted with the owner's consent to care for the animals. If no persons can be found or the owner does not consent, the appropriate animal control authority should be notified.

BCA Policies for FBI CJIS Audits, Audit Compliance and Audit Sanctions

811.1 POLICY

The purpose of this policy is to define the criteria for FBI CJIS audits as well as technical security audits and sanctions for misuse of the CJDN and other MNJIS systems to ensure the security and appropriate use of all information accessed through the CJDN (as defined by agency agreements, Advisory Policy Board (APB) approved policies, NCIC 2000 Operating Manual, current FBI CJIS Security Policy, MNJIS CJDN Network Security Policy 5002, and state and federal law).

These policies apply to all personnel who have access to information provided through the CJDN or MNJIS systems or have physical access to a CJDN terminal area. This includes agency personnel, associates, visitors, vendors, third party contractors, and others.

The intended audience is criminal justice and non-criminal justice employees as well as any authorized or unauthorized persons including Minnesota Justice Information Services (MNJIS)/ National Crime Information Center (NCIC) terminal operators, sworn personnel, third party contractors, vendors, basic and advanced search users, local agency administrators, and responsible authorities accessing criminal justice information through the Criminal Justice Data Communications Network (CJDN).

CJDN Network Security

812.1 POLICY

The Bureau of Criminal Apprehension's (BCA) Minnesota Justice Information Services (MNJIS) operates the Criminal Justice Data Communications Network (CJDN) so that authorized agencies can retrieve criminal justice information (CJI) in order to perform their duties. The purpose of this policy is to help those authorized agencies comply with both the current FBI [CJIS Security Policy](#) (CSP) and this Bureau of Criminal Apprehension (BCA) MNJIS CJDN Network Security Policy 5002. The CSP provides the minimum level of information technology (IT) security requirements acceptable for the transmission, processing, and storage of the nation's Criminal Justice Information System (CJIS) data. These requirements are necessary to establish uniformity and consistency in safeguarding CJI which is accessed via networks throughout the federal, state, and local user communities.

The primary intent of this policy is to clarify certain sections of the CSP so that it is easier for agencies to be in compliance and to set statewide standards regarding the security and movement of CJI within Minnesota.

Any security controls listed in this policy that are more restrictive than the CSP will be clearly stated (they are highlighted with **bold and italics**).

812.2 DEFINITIONS

812.3 ROLES AND RESPONSIBILITIES

(a) Authorized Agency

The authorized agency using the CJDN is responsible for ensuring that personnel screening is conducted as required by the CSP and Minnesota Statutes, section 299C.46 and that users receive initial security awareness training and on-going security awareness training as outlined in the CSP.

CJIS System Agency Information Security Officer (CSA ISO)

1. The CSA ISO is a BCA employee who is responsible for:
 - (a) Ensuring agencies conform to the CSP and this policy.
 - (b) Ensuring management controls are in place for the CJDN including the management of State routers, firewalls, and VPN devices.
 - (c) Ensuring that state and local agency network topology documentation is current.
 - (d) Supporting security-related configuration management for the BCA and Local Agencies.
 - (e) Providing guidance in implementing security measures at the local level.
 - (f) Disseminating security-related training materials to local agencies.
 - (g) Collecting information about security incidents from LASOs for submission to the FBI.

Advanced Authentication and Encryption

- (a) The technical security requirements for encryption and advanced authentication for CJI transmitted across the CJDN are as follows:
 - (a) Physically Secure Location with direct access to CJDN.
 - i. Must use NIST-certified 140-2 encryption algorithm with a minimum of a 128 bit encryption key.
 - ii. No advanced authentication is required.
 - (b) Physically Secure Location to Physically Secure Location to CJDN. For example, a city police department has a network connection to the county sheriff's office which has direct access to CJDN.
 - i. Must use NIST-certified 140-2 encryption algorithm with a minimum of a 128-bit encryption key.
 - ii. No advanced authentication required.
- (b) Access to CJDN from a location that is not physically secure must use advanced authentication and encryption. Police vehicles in Minnesota are physically secure and so advanced authentication and encryption is not required

Local Agency Security Officer (LASO)

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

CJDN Network Security

- (a) Each agency head must appoint a LASO for the agency. The LASO, who is the liaison between his/her Local Agency and the CSA ISO, is responsible for ensuring that the agency complies with both the CSP and this policy.
- (b) The tasks assigned to the LASO in the CSP are modified as follows:
 - (a) Identify who is using the CSA approved hardware, software, and firmware and ensure no unauthorized individuals or processes have access to the same.
 - (b) Identify and document how the equipment is connected to the state system.
 - (c) Ensure that personnel security screening procedures are being followed as stated in the CSP **in coordination with the agency's Terminal Agency Coordinator (TAC) or Point of Contact (POC).**
 - (d) Ensure the approved and appropriate security measures are in place and working as expected.
 - (e) Support policy compliance and keep the state/federal ISO informed of security incidents.
 - (f) Ensure the physical security of all MNJIS terminals and equipment in the authorized agency's environment that accesses the CJDN or contains CJI.

Authorized Agency

The authorized agency using the CJDN is responsible for ensuring that personnel screening is conducted as required by the CSP and Minnesota Statutes, section 299C.46 and that users receive initial security awareness training and on-going security awareness training as outlined in the CSP.

Standards of Enforcement

- (a) Each Local Agency is responsible for enforcing system security standards for their agency in addition to all of the other agencies and entities which the Local Agency provides CJI services. Local Agencies must have written policies to address the security provisions of the CSP and this policy. Local Agencies must also have procedures in place to deactivate the passwords, log-ons, and other access tools of separated employees.
- (b) Authorized users must access CJIS systems and disseminate CJI only for the purposes for which they are authorized. Each authorized agency permitted access to FBI CJIS and Minnesota systems will be held to the provisions of the policies and guidelines set forth in this policy as well as the most current version of the CSP.

Personnel Security

- (a) According to the CSP, any individual with unescorted access in a Physically Secure Location must have a national, fingerprint-based background check and complete appropriate security awareness training. Most individuals will take the security awareness training via the BCA's Launch Pad (<https://bcanextest.x.state.mn.us/launchpad/>) by using the CJIS Online functionality. Access to these sites is restricted; access is granted by the TAC. As part of the training, individuals will be tested as

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

required by the CSO. Each agency is responsible for keeping documentation of each employee's completion of security awareness training.

- (b) Once the individual has met the requirements, they can have unescorted access to any part of the Physically Secure Location where there are devices through which CJI can be accessed or where output from those devices can be found in any media (e.g. paper, electronic or other physical format).
- (c) Individuals who do not need to move freely within a Physically Secure Location must be escorted at all times by an individual who has met these Personnel Security requirements.
- (d) For individuals who have Occasional Unescorted Access within a Physically Secure Location, the security awareness training requirement is satisfied by signing an agreement acknowledging that they understand they are working in a location with access to protected data, whether access is via a device, printout or overheard conversation and that the protected data need to "remain in the building." The agreement must be signed prior to gaining access to CJI and must be renewed every two years. A sample agreement can be found on the BCA's CJDN Secure website, <https://app.dps.mn.gov/cjdn/> under MNJIS Policies. Credentials for the CJDN Secure website are obtained from the BCA Service Desk (651-793-2500/ 1-888-234-1119 or bca.servicedesk@state.mn.us). The sample agreement can also be found on the BCA's Launch Pad in the CJIS Documents folder under the heading Security Awareness Training and Testing.

Personnel Screening for Contractors, Vendors, and Governmental Agencies Performing Criminal Justice functions on Behalf of an Authorized Agency

As provided in the CSP, the CSO sets the standard for background checks on contractors and vendors. The BCA will register companies whose employees support authorized agencies in Minnesota after determining that the company is in compliance with the CSP and has signed a Security Addendum with the BCA. Part of the registration will include a determination that the 5050 company operates in compliance with the CSP and this policy. The BCA will conduct all national fingerprint-based background checks on all vendor employees and will be the centralized repository for the documentation of security awareness training and testing for those employees. Information on the process is available from the BCA CJIS SAT Screening Unit, *DPS_BCA CJIS SAT screening@state.mn.us.

Incident Response

- (a) The CSP requires that Local Agencies report a security incident, whether physical or logical, to the FBI via the CSA ISO. Local Agencies are required to have a policy regarding security incidents and how they are reported. Local Agencies should use NIST Special Publication 800- 61 as a template for the required incident response policy. The NIST publication can be found at: <http://nvlpubs.nist.gov/nistpubs/SpecialPublications/NIST.SP.800-61r2.pdf>
- (b) The Local Agency must report all suspected security incidents to the CSA ISO within 24 hours of the initial discovery. Security incidents include loss or theft of media containing CJI (e.g. paper, thumb drive) or equipment, suspicious or malicious

Brooklyn Center Police Department

software in the Local Agency's environment or unusual network activity. Information security events and weaknesses associated with information systems must be communicated in a manner allowing timely corrective action to be taken. Formal event reporting and procedures to increase attention depending on the severity of the situation must be in place.

- (c) Wherever feasible, the Local Agency must employ automated mechanisms to assist in the reporting of security incidents. All employees, contractors and third party users must be made aware of the procedures for reporting the different types of events and weaknesses that might have an impact on the security of agency assets and are required to report any information security events and weaknesses as quickly as possible to the designated point of contact.

Firewalls

Local Agencies with access to a foreign network connected to the CJDN must be protected with a firewall device. This must include all forms of access including wireless, dial-in, off-site, Internet access, and others. Firewall architectures must prevent unauthorized access to CJI, the Local Agency's network, and all network components.

Physically Secure Location

- (a) A Physically Secure Location is a facility, an area, a room, or a group of rooms, that is/are subject to authorized agency management control and which contain hardware, software, and/or firmware (e.g., information system servers, controlled interface equipment, associated peripherals or communications equipment, wire closets, patch panels, etc.) that provide access to the CJIS and CJDN networks. Physical security perimeters must be acceptable to the CSO.
- (b) Restricted and controlled areas must be prominently posted and separated from non-physically secured areas by physical barriers that restrict unauthorized access. Every physical access point to physically secure areas housing information systems that access, process, or display CJI must be secured in a manner which is acceptable to the CSO during both working and non-working hours. **In commercial buildings where the public has complete access to the building, the requirement of a physically secure location is met by a secured room within a secured room.**
- (c) All CJI transmitted through any public network segment or over Internet connections must be immediately protected using a NIST certified, FIPS 140-2 encryption algorithm using a minimum of a 128-bit encryption key. **This requirement also applies to any private data circuit.**
- (d) Advanced Authentication (AA) is the term describing added security functionality, in addition to the typical user identification and authentication of login ID and password, such as:
 - (a) Biometric systems
 - (b) Public Key Infrastructure (PKI)
 - (c) Smart cards
 - (d) Software tokens or hardware tokens

- (e) “Risk-based Authentication” that includes a software token element comprised of a number of factors, such as network information, user information, positive device identification (i.e. device forensics, user pattern analysis and user binding) and user profiling, and also includes high-risk challenge/response questions.
- (e) The objectives of implementing AA are to uniquely and positively identify an authorized individual for access to CJI.
- (f) Once authenticated, access to CJI must be through a NIST certified, FIPS 140-2 encryption algorithm using a minimum of a 128-bit encryption key.
- (g) Encryption keys, such as pre-shared keys used in a site-to-site VPN, must be changed at least once a year.
- (h) Digital certificates, whether device and/or user based, must expire and be reissued at least once every two years.
- (i) AA does not have to be a part of establishing the encrypted transport.
- (j) No remote access to CJI, from an unsecure location, is permitted unless both AA and compliant encrypted transport requirements are met.
- (k) The infrastructure for AA/encryption must be on an isolated network, not part of the CJDN or a city/county user network.
- (l) The infrastructure for encryption must isolate authorized agency users from non-authorized agency users.
- (m) The agency must have a firewall between the CJDN and AA/encryption environments.
- (n) The agency firewall must ensure that only properly authorized and authenticated users may pass through the firewall to access CJI and/or any resources where CJI is in transit or at rest.
- (o) The agency AA/encryption environment may provide access to other non-criminal justice resources such as email and county/city resources as required.
- (p) Any agency AA methodology must utilize real-time user authentication to an agency controlled remote environment. Device authentication and locally cached credentials must not be used as part of AA.

Mobile Devices

The use of mobile devices to access CJI is rapidly changing and the FBI periodically issues additional direction on their use. Contact the CSA ISO for the most current requirements governing the use of these devices. The CSA ISO can be reached at bca.iso@state.mn.us.

Software as a Service (SaaS)

- (a) For an Authorized agency who wants to use a private sector vendor to provide SaaS the requirements are:
 - (a) An Authorized agency must consult with the BCA to ensure all requirements can be or are being met.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

CJDN Network Security

- (b) The Authorized agency must send a written request, on agency letterhead, to the CSO requesting that vendor provide SaaS.
- (c) The Authorized agency must have appropriate agreements in place with BCA.
- (d) The Authorized agency must have written contract with the vendor. The vendor must comply with the CSP and this policy as well as any contractors of Vendor.
 - i. If the vendor is a non-criminal justice government agency, a Management Control Agreement is needed.
 - ii. If the vendor is in the private sector, the Security Addendum needs to be signed and employees must sign Security Addendum Certification. If the vendor has subcontractors, there must also be a written agreement between them, along with Security Addendum and Security Addendum Certifications.
 - iii. SaaS must be provided in an isolated network that must reside in the continental United States.
 - iv. Data must be encrypted in transmission and at rest.
 - v. SaaS must be configured so that any agency may only have access to another criminal justice agency's data if the access is authorized by Minnesota law and the parties have a signed agreement approving the access.
 - vi. Back up security must meet FBI CJIS requirements.
 - vii. BCA must have access for audit.
 - viii. Vendor/agency responsible for cost of connecting to the vendor, however accomplished.

Cloud Computing

- (a) Any authorized agency that wants to store CJI in or transmit CJI through a cloud environment **should consult** with the BCA prior to any storage or transmission of CJI. The BCA will reference the most current version of the FBI's Technical Report entitled "Recommendations for Implementation of Cloud Computing Solutions." (As of April 2017, the report was available at https://www.fbi.gov/file-repository/cjis-cloud-computing-report_20121214.pdf/view).
- (b) **Any cloud implementation must host and/or access CJI separately from non-CJI.**

Electronic Media Disposal

When it is necessary to sanitize or destroy physical media, the use of media sanitization and destruction methods consistent with the applicable guidance contained in NIST 800-88 (available at <http://nvlpubs.nist.gov/nistpubs/SpecialPublications/NIST.SP.800-88r1.pdf>) and/or DOD 5220.22-M (available at <http://www.dtic.mil/whs/directives/corres/pdf/522022M.pdf>) is required.

Analytics Tools

Any Local Agency that wishes to use an analytic tool should consult with BCA prior to implementation to ensure that the tool is in compliance with the CSP and this policy.

Appropriate Use of Systems and Data

813.1 POLICY

In support of criminal justice agencies and other authorized users, the Minnesota Bureau of Criminal Apprehension (BCA) operates a number of data repositories and a secure network. This system and various tools allow authorized users to access data from state and federal sources in order to perform their official functions. These authorized users are employed in either a criminal justice or noncriminal justice agency.

In some instances, the statute that created the repository authorizes the access to and use of the data. In other instances, access to the data is governed by the provisions found in the Minnesota Government Data Practices Act, Minnesota Statutes, Chapter 13 and Minnesota Statutes, section 299C.46.

Access to and use of the secure network needs to be done in compliance with The BCA CJDN Network Security Policy, No. MNJIS-5002.

813.2 PURPOSE

The purpose of this policy is to:

- establish a working relationship between the BCA and authorized agencies that promotes and supports appropriate use at all times,
- establish the standards and guidelines for appropriate use of the repositories and secure network,
- document the processes used to determine if the use is appropriate, and
- provide penalties for failure to meet the standards.

813.3 DEFINITIONS

As used in this policy, the following terms have the meaning given.

Appropriate Use:

Means the agency that employs the individual user is eligible under the applicable statutes and regulations to have access to the secure network and the data, and that the data have been retrieved as part of an employee's work assignment or are retrieved to share the data with another entity authorized by law to receive them. See Minnesota Statutes, sections 13.05 and 13.055. If an agency has a more restrictive policy on access and/or sharing, the employee must also follow the agency policy.

Authorized agency:

Means a criminal justice agency or noncriminal justice agency as defined in Minnesota Statutes, section 299C.46.

Follow up audit:

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Appropriate Use of Systems and Data

Means an audit of an agency following identification of issues identified during a routine audit or when inappropriate use has been found or from self-reporting. A follow up audit can occur anytime.

Hot File:

Is a Minnesota or FBI data file containing information about persons or property that can be accessed by Authorized Agencies and their employees in performance of their authorized duties.

Inappropriate Use:

Means any use that is not an “appropriate use” or for which there is no acceptable lawful explanation or documentation why the transaction was conducted. Examples of a lawful explanation include “assigned to traffic enforcement,” “assigned to Safe and Sober campaign,” or “to determine eligibility for benefits from a noncriminal justice agency.”

Intentional:

Means that an employee knowingly behaves in a manner that is inappropriate or repeats a behavior after being informed that the behavior is not acceptable. Determining the intent of the employee is done by either the agency or the BCA or both.

Non-compliant:

Means an agency has not taken the necessary steps to conduct the investigation or to resolve the issues identified during an audit, follow up audit, or investigation.

Unintentional:

Means that an employee unknowingly behaves in a way that results in inappropriate use.

813.4 ACCESS AND CONTROL

Access to and use of data in BCA repositories or available from other repositories via the secure network is controlled by one or more of the following:

1. A specific state statute – e.g. Minnesota Statutes, section 299C.40 controls the Law Enforcement Incident Search or LEIS (formerly known as the Comprehensive Incident-Based Reporting System or CIBRS)
2. Minnesota Statutes, section 299C.46 controls the use of the secure network
3. Federal regulations implemented through the FBI CJIS Security Policy
4. Federal regulations implemented for data files including, but not limited to, N-DEx (National Data Exchange) and NICS (National Instant Criminal Background Check System)
5. The Rules of Public Access to Records of the Judicial Branch control access to court case information
6. Policies adopted by other agencies concerning access to and use of that agency’s data—e.g. Corrections’ policies on access to the Statewide Supervision System (S3).
7. Terms of the contract between the agency and the BCA

8. The Bureau of Criminal Apprehension, CJDN Network Security Policy, No. MNJIS-5002.

813.5 TOOLS TO DETERMINE APPROPRIATE ACCESS

1. The appropriateness of access is enforced using a number of tools. The first tool is the agency audit (See Audit Policy MNJIS-5005). Transactions involving Minnesota and federal criminal history and “Hot File” data are audited every three years as required by the FBI. Additional audits are done of agencies:
 - (a) With access to Law Enforcement Incident Search (LEIS) (formerly known as CIBRS);
 - (b) With access to National Data Exchange (N-DEx);
 - (c) With access to Gun Permit Background Check (GPBC);
 - (d) Integrated Search Services users who access the S3;
 - (e) and using a methodology that identifies patterns of use. For example, access to Driver and Vehicle Services (DVS) data or data about persons available through the Law Enforcement Message Switch (LEMS or Portals) via the secure network.
2. If issues are identified during an audit, the agency’s Trainer/Auditor will explain the next steps (see Audit Policy MNJIS-5005). Additional tools for evaluating appropriate use include:
 1. as a result of a question asked by an agency’s user
 2. in response to an official agency request
 3. following allegations of inappropriate use
 4. analysis of system use by the BCA
 5. based on transactions identified by the BCA’s pattern analysis tool; or
 6. self-reporting.
3. Use is reviewed at both an individual user and agency level.
4. Examples of issues that can result in a finding of inappropriate use or noncompliance include, but are not limited to:
 - (a) Unintentional inappropriate use of data retrieved from BCA repositories or repositories reached via the BCA secure network
 - (b) Unintentional inappropriate use of the secure network
 - (c) Intentional inappropriate use of data retrieved from BCA repositories or repositories reached via the BCA secure network
 - (d) Intentional inappropriate use of the secure network
 - (e) Retrieving data and providing it to an individual whose access to the system or network has been suspended
 - (f) Failure to ensure the security of the data and equipment used to retrieve the data

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Appropriate Use of Systems and Data

- (g) Retrieval or sharing of data in a manner not authorized by the governing statute or federal regulation
 - (h) Failure to investigate allegations of inappropriate use presented by BCA to the agency
 - (i) Failure to respond to BCA requests for information about transactions performed by agency users
 - (j) Failure to address problems found during an audit or follow-up audit
5. If the agency is in litigation about the transactions, it must let the Assistant Director of Training and Auditing at the BCA know that fact. Once there is an agreement to settle the case or a verdict is given, the agency must report to the BCA on the appropriateness of the query.

813.6 INVESTIGATIONS AND SANCTIONS

In addition to any employment consequences for behavior found to be in violation of this Policy, there may be additional consequences imposed by the BCA that affect the employee's ability to use systems and tools provided by the BCA.

The BCA recognizes that an Authorized Agency has a separate human resources process that it must follow when there is a complaint against one of the agency's employees. The BCA also knows that there may be a collective bargaining agreement that directs which processes must be used in the investigation and evaluation of a complaint. As Minnesota Statutes, section 13.43 classifies data about alleged misconduct by an employee as private data, the agency head should consult with the Assistant Director of the Training and Auditing Unit prior to finalizing any disciplinary decisions so that the consequences related to data or system access can be coordinated. The CJIS Systems Officer (CSO) will have an opportunity to evaluate the general circumstances and determine if additional sanctions related only to system access will be imposed by the BCA. Any data shared by the agency are documented in the BCA case management system and are classified in the same way as in the Authorized Agency. See Minnesota Statutes, section 13.03, subd. 4.

Criteria Used to Evaluate the Allegations or Findings of Inappropriate Use

The criteria to be used in evaluating the allegations or findings of inappropriate use include, but are not limited to the following:

- (a) How many transactions were found to be inappropriate?
- (b) Over what period of time did the transactions occur?
- (c) What types of transactions were inappropriate?
- (d) What was the purpose of the inappropriate use?
- (e) How much experience does the employee have?
- (f) How much training does the employee have and what type?
- (g) Is there a history of inappropriate use?

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Appropriate Use of Systems and Data

- (h) If there is a history of inappropriate use, what were the prior corrective actions?
- (i) Was the criminal justice information re-disseminated? If yes, to whom?
- (j) Has the employee taken responsibility for the conduct?
- (k) Is there a history of inappropriate use at the Authorized Agency?
- (l) What steps has the Authorized Agency taken to address the inappropriate use?
- (m) Any other information the BCA requests in the notice sent to the employee based on the circumstances

The evaluation of the inappropriate use and the determination whether there will be any BCA-imposed sanctions is made by the CJIS Security Officer in consultation with the Assistant Director of the Training and Auditing Unit and the Senior Legal Analyst for MNJIS.

Sanctions may include any of the following:

- (a) Requiring the employee to be re-trained and re-take any certification testing applicable to the criminal justice information in question
- (b) Requiring that the employee's transactions be monitored for a stated period of time to ensure transactions are appropriate
- (c) Loss of access to the system(s) or tool(s) where the inappropriate use occurred
- (d) Loss of access to other systems or tools the employee is authorized to use
- (e) Loss of all access to BCA systems or tools for a period of time
- (f) Loss of all access to BCA systems or tools on a permanent basis
- (g) Requiring the employee to notify any future employer of the inappropriate use
- (h) Requiring that any Authorized Agency that agrees to hire the employee monitor the employee's use of BCA systems or tools to ensure appropriate use

An affected employee will be notified in writing during the evaluation process of the allegations of inappropriate use and will be given an opportunity to provide written information to the BCA. If an agency is the subject of the allegations of inappropriate use, the agency head will receive the notice.

The notice will detail the allegations and provide a deadline by which the affected party can provide written information explaining the alleged inappropriate use and any other information the affected party believes to be relevant. In the case of an affected employee, the employing agency will receive a copy of the notice. The affected employee may ask their agency to make a submission on their behalf. The agency must document the affected employee's request in the submission. Information received from the affected party or agency will be provided to the CJIS Systems Officer, Assistant Director of Training and Auditing and a Senior Legal Analyst who will make the decision whether to impose sanctions.

Once a decision to impose sanctions has been made, the BCA will notify the affected party and agency in writing. The affected party will be given 10 business days to make a written appeal to the

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Appropriate Use of Systems and Data

BCA's Superintendent and the Deputy Superintendent for Minnesota Justice Information Services. The affected employee may ask their agency to make an appeal on their behalf. The agency must document the affected employee's request in the appeal. The appeal should include information about the findings of inappropriate use and/or the sanction imposed that the affected employee wants considered. The Superintendent and Deputy Superintendent may request a meeting with the affected party if they wish more information or clarification. The meeting may be held in-person or via an interactive method where all parties can be seen as well as heard.

The Superintendent and Deputy Superintendent will have 10 business days from receipt of the appeal or the meeting to issue a written decision about the issues raised by the appeal. A copy of the decision will be provided to the affected party and employing agency.

813.7 ROLES AND RESPONSIBILITIES

The BCA provides training on appropriate use of the various repositories and in some instances requires that users be certified to have access. Some of the systems that require certification also require re-certification. The BCA enforces all certification and re-certification requirements. The agency head is responsible for ensuring that authorized employees review relevant training for use of the secure network and accessing the repositories as well as completing certification when required.

To ensure that all authorized agencies and users are in compliance with the applicable requirements, the BCA has a Training and Auditing Unit whose staff members are responsible for assisting agencies and their users as well as auditing transactions for compliance.

Chapter 9 - Custody

Temporary Custody of Adults

900.1 PURPOSE AND SCOPE

This policy provides guidelines to address the health and safety of adults taken into temporary custody by members of the Brooklyn Center Police Department for processing prior to being released or transferred to a housing or other type of facility.

Temporary custody of juveniles is addressed in the Temporary Custody of Juveniles Policy. Juveniles will not be permitted where adults who are in custody are being held.

Custodial searches are addressed in the Custodial Searches Policy.

900.1.1 DEFINITIONS

Definitions related to this policy include:

Holding cell/cell - Any locked enclosure for the custody of an adult or any other enclosure that prevents the occupants from being directly visually monitored at all times by a member of the Department.

Safety checks - Direct, visual observation by a member of this department performed at random intervals, within time frames prescribed in this policy, to provide for the health and welfare of adults in temporary custody.

Temporary custody - The time period an adult is in custody at the Brooklyn Center Police Department prior to being released or transported to a housing or other type of facility.

900.2 POLICY

The Brooklyn Center Police Department is committed to releasing adults from temporary custody as soon as reasonably practicable and to keeping adults safe while in temporary custody at the Department. Adults should be in temporary custody only for as long as reasonably necessary for investigation, processing, transfer or release.

900.3 GENERAL CRITERIA AND SUPERVISION

No adult should be in temporary custody for longer than sixteen hours (Minn. R. 2945.0100; Minn. R. 2945.0120).

900.3.1 INDIVIDUALS WHO SHOULD NOT BE IN TEMPORARY CUSTODY

Individuals who exhibit certain behaviors or conditions should not be in temporary custody at the Brooklyn Center Police Department, but should be transported to a jail facility, a medical facility or other type of facility as appropriate. These include:

- (a) Any individual who is unconscious or has been unconscious while being taken into custody or while being transported.
- (b) Any individual who has a medical condition, including pregnancy, or who may require medical attention, supervision or medication while in temporary custody.
- (c) Any individual who is seriously injured.

- (d) Individuals who are a suspected suicide risk (see the Civil Commitments Policy).
 - 1. If the officer taking custody of an individual believes that he/she may be a suicide risk, the officer shall ensure continuous direct supervision until evaluation, release or a transfer to an appropriate facility is completed.
- (e) Individuals who are obviously in crisis, as defined in the Crisis Intervention Incidents Policy.
- (f) Individuals who are under the influence of alcohol, a controlled substance or any substance to the degree that may require medical attention, or who have ingested any substance that poses a significant risk to their health, whether or not they appear intoxicated.

- (h) Any individual who has claimed, is known to be afflicted with, or displays symptoms of any communicable disease that poses an unreasonable exposure risk.
- (i) Any individual with a prosthetic or orthopedic device where removal of the device would be injurious to his/her health or safety.

Officers taking custody of a person who exhibits any of the above conditions should notify a supervisor of the situation. These individuals should not be in temporary custody at the Department unless they have been evaluated by a qualified medical or mental health professional, as appropriate for the circumstances.

900.3.2 SUPERVISION IN TEMPORARY CUSTODY

An authorized department member capable of supervising shall be present at all times when an individual is held in temporary custody. The member responsible for supervising should not have other duties that could unreasonably conflict with his/her supervision. Any individual in custody must be able to summon the supervising member if needed. If the person in custody is deaf or hard of hearing or cannot speak, accommodations shall be made to provide this ability.

At least one female department member should be present when a female adult is in temporary custody. In the event that none is readily available, the female in custody should be transported to another facility or released pursuant to another lawful process.

Absent exigent circumstances, such as a medical emergency or a violent subject, members should not enter the cell of a person of the opposite sex unless a member of the same sex as the person in custody is present.

No individual in custody shall be permitted to supervise, control or exert any authority over other individuals in custody.

900.4 INITIATING TEMPORARY CUSTODY

The officer responsible for an individual in temporary custody should evaluate the person for any apparent chronic illness, disability, vermin infestation, possible communicable disease or any other potential risk to the health or safety of the individual or others. The officer should specifically ask if the individual is contemplating suicide and evaluate him/her for obvious signs or

indications of suicidal intent. If there is any suspicion the individual may be suicidal, he/she shall be transported to the County jail or the appropriate mental health facility.

If temporary custody is required in excess of 16 hours and telephone use is likely to compromise an ongoing investigation the individual will be transported to the Brooklyn Park Detention Facility. In all other instances where temporary custody in excess of 16 hours is necessary the individual shall be transported to the County jail.

The officer should promptly notify the Shift Sergeant of any conditions that may warrant immediate medical attention or other appropriate action. The Shift Sergeant shall determine whether the individual will be placed in a cell, immediately released or transported to jail or other facility.

900.4.1 CONSULAR NOTIFICATION

Consular notification may be mandatory when certain foreign nationals are arrested. The Patrol Division Commander will ensure that the U.S. Department of State's list of countries and jurisdictions that require mandatory notification is readily available to department members. There should also be a published list of foreign embassy and consulate telephone and fax numbers, as well as standardized notification forms that can be transmitted and then retained for documentation. Prominently displayed signs informing foreign nationals of their rights related to consular notification should also be posted in areas used for the temporary custody of adults.

Department members assigned to process a foreign national shall:

- (a) Inform the individual without delay he/she may have his/her consular officers notified of the arrest or detention and may communicate with them.
 1. This notification should be documented.
- (b) Determine whether the foreign national's country is on the U.S. Department of State's mandatory notification list.
 1. If the country is on the mandatory notification list, then:

900.4.2 SCREENING AND PLACEMENT

The officer responsible for an individual in custody shall do the following:

- (a) Advise the Shift Sergeant of any significant risks presented by the individual (e.g., suicide risk, health risk, violence).
- (b) Avoid placing an adult in a cell with another adult unless no other cell is available. When such placement is necessary, members shall:
 1. Consider whether the individual may be at a high risk of being sexually abused based on all available known information (28 CFR 115.141) or whether the person is facing any other identified risk.
 2. Provide any individual identified as being at a high risk for sexual or other victimization with heightened protection. This may include (28 CFR 115.113; 28 CFR 115.141):
 - (a) Continuous, direct sight and sound supervision.
 - (b) Single-cell placement in a cell that is actively monitored on video by a member who is available to immediately intervene.
 3. Ensure individuals are separated according to severity of the crime (e.g., felony or misdemeanor).
 4. Ensure males and females are separated by sight and sound when in cells.
 5. Ensure restrained individuals are not placed in cells with unrestrained individuals.
- (c) Ensure that those confined under civil process or for civil causes are kept separate from those who are in temporary custody pending criminal charges.
- (d) Ensure separation, as appropriate, based on other factors, such as age, criminal sophistication, assaultive/non-assaultive behavior, mental state, disabilities and sexual orientation.

The Shift Sergeant should initial the log to approve the temporary custody and should also initial the log when the individual is released from custody or transferred to another facility.

The Shift Sergeant should make periodic checks to ensure all log entries and safety and security checks are made on time.

900.5.2 RELIGIOUS ACCOMMODATION

Subject to available resources, safety and security, the religious beliefs and needs of all individuals in custody should be reasonably accommodated. Requests for religious accommodation should generally be granted unless there is a compelling security or safety reason and denying the request is the least restrictive means available to ensure security or safety. The responsible supervisor should be advised any time a request for religious accommodation is denied.

Those who request to wear headscarves or simple head coverings for religious reasons should generally be accommodated absent unusual circumstances. Head coverings shall be searched before being worn.

Individuals wearing headscarves or other approved coverings shall not be required to remove them while in the presence of or while visible to the opposite sex if they so desire. Religious garments that substantially cover the individual's head and face may be temporarily removed during the taking of any photographs.

900.5.3 ORTHOPEDIC OR PROSTHETIC APPLIANCE

Subject to safety and security concerns, individuals shall be permitted to retain an orthopedic or prosthetic appliance. However, if the appliance presents a risk of bodily harm to any person or is a risk to the security of the facility, the appliance may be removed from the individual unless its removal would be injurious to his/her health or safety.

Whenever a prosthetic or orthopedic appliance is removed, the Shift Sergeant shall be promptly apprised of the reason. It shall be promptly returned when it reasonably appears any risk no longer exists.

900.5.4 MEDICAL CARE

First-aid equipment and basic medical supplies should be available to department members. At least one member who has current certification in basic first aid and CPR should be on-duty at all times.

Should a person in custody be injured or become ill, appropriate medical assistance should be sought. A supervisor should meet with those providing medical aid at the facility to allow access to the person. Members shall comply with the opinion of medical personnel as to whether an individual in temporary custody should be transported to the hospital. If the person is transported while still in custody, he/she will be accompanied by an officer.

Those who require medication while in temporary custody should not be at the Brooklyn Center Police Department. They should be released or transferred to another facility as appropriate.

- (a) Telephone calls may be limited to local calls, except that long-distance calls may be made by the individual at his/her own expense.
 - 1. The Department should pay the cost of any long-distance calls related to arranging for the care of a child or dependent adult (see the Child and Dependent Adult Safety Policy).
- (b) The individual should be given sufficient time to contact another party in order to make necessary arrangements, including child or dependent adult care, or transportation upon release.

The use of restraints other than handcuffs or leg irons generally should not be used for individuals in temporary custody at the Brooklyn Center Police Department unless the person presents a heightened risk and then only in compliance with the Handcuffing and Restraints Policy.

Individuals in restraints shall be kept away from other unrestrained individuals in custody and monitored to protect them from abuse.

900.6.1 PREGNANT ADULTS

Women who are known to be pregnant should be restrained in accordance with the Handcuffing and Restraints Policy.

900.7 PERSONAL PROPERTY

The personal property of an individual in temporary custody should be removed, inventoried and processed as provided in the Custodial Searches Policy unless the individual requests a

different disposition. For example an individual may request property (i.e., cash, car or house keys, medications) be released to another person. A request for the release of property to another person must be made in writing. Release of the property requires the recipient's signature on the appropriate form.

Upon release of an individual from temporary custody his/her items of personal property shall be compared with the inventory, and he/she shall sign a receipt for the property's return. If the individual is transferred to another facility or court, the member transporting the individual is required to obtain the receiving person's signature as notice of receipt. The Department shall maintain a copy of the property receipt.

The Shift Sergeant shall be notified whenever an individual alleges there is a shortage or discrepancy regarding his/her property. The Shift Sergeant shall attempt to prove or disprove the claim.

All intangible personal property that is unclaimed for more than three years is presumed abandoned (Minn. Stat. § 345.38).

900.8 HOLDING CELLS

A thorough inspection of a cell shall be conducted before placing an individual into the cell to ensure there are no weapons or contraband and that the cell is clean and sanitary. An inspection also should be conducted when he/she is released. Any damage noted to the cell should be photographed and documented. The following requirements shall apply:

900.12 TRAINING

Department members should be trained and familiar with this policy and any supplemental procedures.

Custody Searches

901.1 PURPOSE AND SCOPE

This policy provides guidance regarding searches of individuals in custody. Such searches are necessary to eliminate the introduction of contraband, intoxicants or weapons into the Brooklyn Center Police Department facility. Such items can pose a serious risk to the safety and security of department members, individuals in custody, contractors and the public.

Nothing in this policy is intended to prohibit the otherwise lawful collection of evidence from an individual in custody.

901.1.1 DEFINITIONS

Definitions related to this policy include:

Custody search - An in-custody search of an individual and of his/her property, shoes and clothing, including pockets, cuffs and folds on the clothing, to remove all weapons, dangerous items and contraband.

Physical body cavity search - A search that includes a visual inspection and may include a physical intrusion into a body cavity. Body cavity means the stomach or rectal cavity of an individual, and the vagina of a female person.

Strip search - A search that requires an individual to remove or rearrange some or all of his/her clothing to permit a visual inspection of the underclothing, breasts, buttocks, anus or outer genitalia. This includes monitoring an individual who is changing clothes, where his/her underclothing, buttocks, genitalia or female breasts are visible.

901.2 POLICY

All searches shall be conducted with concern for safety, dignity, courtesy, respect for privacy and hygiene, and in compliance with policy and law to protect the rights of those who are subject to any search.

Searches shall not be used for intimidation, harassment, punishment or retaliation.

901.3 FIELD AND TRANSPORTATION SEARCHES

The first officer to respond to a report of sexual abuse or sexual assault shall (28 CFR 115.164):

Investigators shall (28 CFR 115.171):

- (a) Gather and preserve direct and circumstantial evidence, including any available physical and biological evidence and any available electronic monitoring data.

902.5.4 SEXUAL ASSAULT AND SEXUAL ABUSE VICTIMS

No prisoner who alleges sexual abuse shall be required to submit to a polygraph examination or other truth-telling device as a condition for proceeding with the investigation of such an allegation (28 CFR 115.171(e)).

Prisoner victims of sexual abuse shall receive timely, unimpeded access to emergency medical treatment. Treatment services shall be provided to the victim without financial cost and regardless of whether the victim names the abuser or cooperates with any investigation arising out of the incident (28 CFR 115.182).

902.5.5 CONCLUSIONS AND FINDINGS

All completed investigations shall be forwarded to the Chief of Police, or if the allegations may reasonably involve the Chief of Police to the City Manager. The Chief of Police or City Manager shall review the investigation and determine whether any allegations of sexual abuse or sexual harassment have been substantiated by a preponderance of the evidence (28 CFR 115.172).

All personnel shall be subject to disciplinary sanctions up to and including termination for violating this policy. Termination shall be the presumptive disciplinary sanction for department members who have engaged in sexual abuse. All discipline shall be commensurate with the nature and circumstances of the acts committed, the member's disciplinary history, and the sanctions imposed for comparable offenses by other members with similar histories (28 CFR 115.176).

All terminations for violations of this policy, or resignations by members who would have been terminated if not for their resignation, shall be criminally investigated unless the activity was clearly not criminal and reported to any relevant licensing body (28 CFR 115.176).

Any contractor or volunteer who engages in sexual abuse shall be prohibited from contact with prisoners and reported to any relevant licensing bodies (28 CFR 115.177). The Chief of Police shall take appropriate remedial measures and consider whether to prohibit further contact with prisoners by a contractor or volunteer.

902.6 RETALIATION PROHIBITED

All prisoners and members who report sexual abuse or sexual harassment or who cooperate with sexual abuse or sexual harassment investigations shall be protected from retaliation (28 CFR 115.167). If any other individual who cooperates with an investigation expresses a fear of retaliation, appropriate measures shall be taken to protect that individual.

The supervisor or the authorized designee shall employ multiple protection measures, such as housing changes or transfers for prisoner victims or abusers, removal of alleged abusers from contact with victims, and emotional support services for prisoners or members who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.

The supervisor or the authorized designee shall identify a staff member to monitor the conduct and treatment of prisoners or members who have reported sexual abuse and of prisoners who were reported to have suffered sexual abuse. The staff member shall act promptly to remedy any such retaliation. In the case of prisoners, such monitoring shall also include periodic status checks.

902.7.1 INCIDENT REVIEWS

An incident review shall be conducted at the conclusion of every sexual abuse investigation, unless the allegation has been determined to be unfounded. The review should occur within 30 days of the conclusion of the investigation. The review team shall include upper-level management officials and seek input from line supervisors and investigators (28 CFR 115.186).

The review shall (28 CFR 115.186):

- (a) Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect, or respond to sexual abuse.

- (c) Examine the area in the facility where the incident allegedly occurred to assess whether physical barriers in the area may enable abuse.
- (d) Assess the adequacy of staffing levels in that area during different shifts.
- (e) Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff.

The review team shall prepare a report of its findings, including any determinations made pursuant to this section and any recommendations for improvement. The facility shall conduct an annual review of collected and aggregated incident-based sexual abuse data. The review should include, as needed, data from incident-based documents, including reports, investigation files, and sexual abuse incident reviews (28 CFR 115.187).

The purpose of these reviews is to assess and improve the effectiveness of sexual abuse prevention, detection and response policies, practices, and training. An annual report shall be prepared that includes (28 CFR 115.188):

- (a) Identification of any potential problem areas.
- (b) Identification of any corrective actions taken.

However, the nature of the redacted material shall be indicated.

Evaluation of Employees

1001.1 PURPOSE AND SCOPE

The Department's employee performance evaluation system is designed to record work performance for both the Department and the employee, providing recognition for good work and developing a guide for improvement.

1001.2 POLICY

The Brooklyn Center Police Department utilizes a performance evaluation report to measure performance and to use as a factor in making personnel decisions that relate to merit increases, promotion, reassignment, discipline, demotion and termination. The evaluation report is intended to serve as a guide for work planning and review by the supervisor and employee. It gives supervisors a way to create an objective history of work performance based on job standards.

The Department evaluates employees in a non-discriminatory manner based upon job-related factors specific to the employee's position, without regard to actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

1001.3 EVALUATION PROCESS

Evaluation reports will cover a specific period of time and should be based on documented performance during that period. Evaluation reports will be completed by each employee's immediate supervisor. Other supervisors directly familiar with the employee's performance during the rating period should be consulted by the immediate supervisor for their input.

All sworn and non-sworn supervisory personnel shall attend an approved supervisory course that includes training on the completion of performance evaluations within one year of the supervisory appointment.

Each supervisor should discuss the tasks of the position, standards of performance expected and the evaluation criteria with each employee at the beginning of the rating period. Supervisors should document this discussion in the prescribed manner.

Assessment of an employee's job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise.

Non-probationary employees demonstrating substandard performance shall be notified in writing of such performance as soon as possible in order to have an opportunity to remediate the issues. Such notification should occur at the earliest opportunity, with the goal being a minimum of 90 days written notice prior to the end of the evaluation period.

Employees who disagree with their evaluation and who desire to provide a formal response or a rebuttal may do so in writing in the prescribed format and time period.

Evaluation of Employees

1001.4 EVALUATION FREQUENCY

Employees are evaluated based on the following chart:

Position	Evaluated Every
	Month
Probationary/Sworn	6 month, then annually on anniversary date
Sworn	Annually on anniversary date
Probationary/Civilian	6 month
Civilian	Annually beginning at the end of 6 month probationary period

1001.4.1 VOLUNTEER AND RESERVE OFFICER EVALUATIONS

Volunteer and reserve officer evaluations are covered in the Volunteer Program Policy.

1001.5 FULL-TIME PROBATIONARY PERSONNEL

Personnel must successfully complete the probationary period before being eligible for certification as regular employees. Probationary licensed personnel are evaluated daily, weekly, and monthly during the probationary period.

1001.6 FULL-TIME REGULAR STATUS PERSONNEL

Regular employees are subject to three types of performance evaluations:

Regular - An Employee Performance Evaluation shall be completed once each year by the employee's immediate supervisor on or near the anniversary of the employee's date of hire except for employees who have been promoted in which case an Employee Performance Evaluation shall be completed on the anniversary of the employee's date of last promotion.

Transfer - If an employee is transferred from one assignment to another in the middle of an evaluation period and less than six months have transpired since the transfer, an evaluation shall be completed by the current supervisor with input from the previous supervisor.

Performance Improvement Plan - A special evaluation may be completed any time the rater or the rater's supervisor determine one is necessary due to employee performance that is deemed less than standard. Generally, the special evaluation will be the tool used to demonstrate those areas of performance deemed less than standard when follow-up action is planned (e.g., action plan, remedial training, retraining). The evaluation form and the attached documentation shall be submitted as one package.

1001.6.1 RATINGS

When completing the Employee Performance Evaluation, the rater will place a check mark in the column that best describes the employee's performance. The definition of each rating category is as follows:

Exceeds Expectations - Actual performance that is well beyond that required for the position. It is exceptional performance, definitely superior or extraordinary.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Evaluation of Employees

Meets Expectations - Performance of a fully competent employee. It means satisfactory performance that meets the standards required of the position.

Needs Improvement - A level of performance less than that expected of a fully competent employee and less than the standards required of the position. A needs-improvement rating must be thoroughly discussed with the employee.

Unsatisfactory - Performance is inferior to the standards required of the position. It is a very inadequate or undesirable performance that cannot be tolerated.

Space for written comments is provided at the end of the evaluation in the rater comments section. This section allows the rater to document the employee's strengths, weaknesses, and suggestions for improvement. Any rating under any job dimension marked unsatisfactory or exceeds expectations shall be substantiated in the rater comments section.

Any evaluation with an overall rating of exceeds expectations must have prior approval of the Chief of Police.

Any evaluation with a needs improvement or unsatisfactory rating in any category requires a performance improvement plan to be completed by the evaluation with prior approval of the Division Commander.

1001.7 EVALUATION INTERVIEW

When the supervisor has completed the preliminary evaluation, arrangements shall be made for a private discussion of the evaluation with the employee. The supervisor should discuss the results of the recently completed rating period and clarify any questions the employee may have. If the employee has valid and reasonable protests of any of the ratings, the supervisor may make appropriate changes to the evaluation. Areas needing improvement and goals for reaching the expected level of performance should be identified and discussed. The supervisor should also provide relevant counseling regarding advancement, specialty positions and training opportunities. The supervisor and employee will sign and date the evaluation. Employees may also write comments in the Employee Comments section of the performance evaluation report.

1001.8 EVALUATION REVIEW

After the supervisor finishes the discussion with the employee, the signed performance evaluation is forwarded to the Division Commander. The Division Commander shall review the evaluation for fairness, impartiality, uniformity and consistency. The Division Commander shall evaluate the supervisor on the quality of ratings given.

1001.9 EVALUATION DISTRIBUTION

The original performance evaluation shall be maintained in the employee's personnel file in the office of the Chief of Police for the tenure of the employee's employment. A copy will be given to the employee and a copy will be forwarded to City Department of Human Resources.

1004.4 COMPLAINTS OF RETALIATION

Any member who feels he/she has been retaliated against in violation of this policy should promptly report the matter to any supervisor, command staff member, Chief of Police or the City Director of Human Services.

Members shall act in good faith, not engage in unwarranted reporting of trivial or minor deviations or transgressions, and make reasonable efforts to verify facts before making any complaint in order to avoid baseless allegations. Members shall not report or state an intention to report information or an allegation knowing it to be false, with willful or reckless disregard for the truth or falsity of the information or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member's identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member is part of the investigative process.

1004.5 SUPERVISOR RESPONSIBILITIES

Supervisors are expected to remain familiar with this policy and ensure that members under their command are aware of its provisions.

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring complaints of retaliation are investigated as provided in the Personnel Complaints Policy.
- (b) Receiving all complaints in a fair and impartial manner.
- (c) Documenting the complaint and any steps taken to resolve the problem.
- (d) Acknowledging receipt of the complaint, notifying the Chief of Police via the chain of command and explaining to the member how the complaint will be handled.
- (e) Taking appropriate and reasonable steps to mitigate any further violations of this policy.
- (f) Monitoring the work environment to ensure that any member making a complaint is not subjected to further retaliation.
- (g) Periodic follow-up with the complainant to ensure that retaliation is not continuing.
- (h) Not interfering with or denying the right of a member to make any complaint.

Anti-Retaliation

- (i) Taking reasonable steps to accommodate requests for assignment or schedule change made by a member who may be the target of retaliation if it would likely mitigate the potential for further violations of this policy.

1004.6 COMMAND STAFF RESPONSIBILITIES

The Chief of Police should communicate to all supervisors the prohibition against retaliation.

Command staff shall treat all complaints as serious matters and shall ensure that prompt actions take place, including but not limited to:

- (a) Communicating to all members the prohibition against retaliation.
- (b) The timely review of complaint investigations.
- (c) Remediation of any inappropriate conduct or condition and instituting measures to eliminate or minimize the likelihood of recurrence.
- (d) The timely communication of the outcome to the complainant.

1004.7 WHISTLE-BLOWING

The Minnesota Whistleblower Act protects an employee who, in good faith (Minn. Stat. § 181.932):

- (a) Communicates a violation of any law or rule to the Department or to any government body or law enforcement official.
- (b) Participates in an investigation, hearing, or inquiry at the request of a public body or office.
- (c) Refuses an order to perform an act that the employee objectively believes violates a law, rule, or regulation, and informs the employer of the reason.

- (e) Communicates the findings of a technical or scientific study that the employee believes, in good faith, to be truthful and accurate.

Members who believe they have been the subject of retaliation for engaging in such protected behaviors should promptly report it to a supervisor. Supervisors should refer the complaint to the Commander of Investigations for investigation pursuant to the Personnel Complaints Policy.

1004.8 RECORDS RETENTION AND RELEASE

The Support Services Supervisor shall ensure that documentation of investigations is maintained in accordance with the established records retention schedules.

1004.9 TRAINING

The policy should be reviewed with each new member.

All members should receive periodic refresher training on the requirements of this policy.

Reporting of Employee Convictions and Court Orders

1005.1 PURPOSE AND SCOPE

Convictions of certain offenses may restrict or prohibit an employee's ability to properly perform official duties. Therefore, all employees shall be required to promptly notify the Department of any past and current criminal convictions.

1005.2 DOMESTIC VIOLENCE CONVICTIONS AND RESTRAINING ORDERS

Minnesota and federal law prohibit individuals convicted of certain offenses and individuals subject to certain court orders from lawfully possessing a firearm. Such convictions and court orders often involve allegations of the use or attempted use of force or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Minn. Stat. § 518B.01).

All members are responsible for ensuring that they have not been disqualified from possessing a firearm by any such conviction or court order and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

1005.3 CRIMINAL CONVICTIONS

Any person convicted of a felony is prohibited from being a peace officer in the State of Minnesota. Any license of a peace officer convicted of a felony is automatically revoked (Minn. Stat. § 626.8431).

Even when legal restrictions are not imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by a member of this department may prohibit him/her from carrying out law enforcement duties.

Minn. Stat. § 624.713 prohibits ineligible persons from possessing a handgun or semi-automatic assault weapon.

1005.3.1 COURT ORDERS

All employees shall promptly notify the department if they are a party to, or have been served with, any court order from any jurisdiction.

1005.4 REPORTING PROCEDURE

All members of this department and all retired officers with an identification card issued by the Department shall promptly notify their immediate supervisor (or the Chief of Police in the case of retired officers) in writing of any past or current criminal arrest or conviction regardless of whether the matter is currently on appeal and regardless of the penalty or sentence, if any.

All members and all retired officers with an identification card issued by the Department shall further promptly notify their immediate supervisor (or the Chief of Police in the case of retired

officers) in writing if the member or retiree becomes the subject of a domestic violence restraining court order or similar court order.

Any member whose criminal conviction unduly restricts or prohibits that member from fully and properly performing his/her duties may be disciplined including, but not limited to, being placed on administrative leave, reassignment, and/or termination.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline.

1005.5 CHEMICAL DEPENDENCY TREATMENT

If an officer is informally admitted to a treatment facility or program pursuant to Minn. Stat. § 253B.04 for chemical dependency he/she is not eligible to possess a pistol, unless the officer possesses a certificate from the head of the treatment facility discharging or provisionally discharging the officer from the treatment facility (Minn. Stat. § 624.713 Subd. 1(6)).

Officers in this situation shall promptly notify the department.

Drug- and Alcohol-Free Workplace

1006.1 PURPOSE AND SCOPE

The purpose of this policy is to establish clear and uniform guidelines regarding drugs and alcohol in the workplace (41 USC § 8103).

1006.2 POLICY

It is the policy of this department to provide a drug- and alcohol-free workplace for all members.

1006.3 GENERAL GUIDELINES

Alcohol and drug use in the workplace or on department time can endanger the health and safety of department members and the public.

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would tend to adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the Shift Sergeant or appropriate supervisor as soon as the member is aware that the member will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, the member shall be immediately removed and released from work (see the Work Restrictions section in this policy).

1006.3.1 USE OF MEDICATIONS

Members should not use any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to the member's immediate supervisor prior to commencing any on-duty status.

No member shall be permitted to work or drive a vehicle owned or leased by the Department while taking any medication that has the potential to impair the member's abilities, without a written release from the member's physician.

1006.3.2 MEDICAL CANNABIS

Possession, use, or being under the influence of medical cannabis on-duty is prohibited and may lead to disciplinary action.

1006.4 MEMBER RESPONSIBILITIES

Members shall report for work in an appropriate mental and physical condition. Members are prohibited from purchasing, manufacturing, distributing, dispensing, possessing or using controlled substances or alcohol on department premises or on department time (41 USC § 8103). The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

Members who are authorized to consume alcohol as part of a special assignment shall not do so to the extent of impairing on-duty performance.

Drug- and Alcohol-Free Workplace

Members shall notify a supervisor immediately if they observe behavior or other evidence that they believe demonstrates that a fellow member poses a risk to the health and safety of the member or others due to drug or alcohol use.

Members are required to notify their immediate supervisors of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction (41 USC § 8103).

1006.5 EMPLOYEE ASSISTANCE PROGRAM

There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse also may be available. Employees should contact the Department of Human Resources, their insurance providers or the employee assistance program for additional information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

1006.6 WORK RESTRICTIONS

If a member informs a supervisor that he/she has consumed any alcohol, drug or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from his/her physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that he/she is safely transported away from the Department.

1006.7 SCREENING TESTS

The Department may request or require drug or alcohol testing in the following circumstances (Minn. Stat. § 181.951; Minn. Stat. § 181.952):

- (a) **Reasonable suspicion** - The Shift Sergeant may request or require an employee to undergo drug and alcohol testing if there is a reasonable suspicion of any of the following:
 - 1. The employee is under the influence of drugs or alcohol.
 - 2. The employee has violated department rules prohibiting the use, possession, sale, or transfer of drugs or alcohol while the employee is working, is on department property, or is operating a vehicle owned by the department.
 - 3. The employee has sustained an injury arising out of and in the course of employment, or has caused another employee to sustain an injury (full definition of personal injury in Minn. Stat. § 176.011, Subd. 16).
 - 4. The employee has caused a work-related accident, or the employee's use of a vehicle, firearm, or safety equipment involved a work-related accident.
- (b) Following a conditional job offer

- (e) When the employee has been referred for an evaluation or treatment, or is participating in a treatment program under an employee benefit plan
- (f) The employee discharges a firearm issued by the Department while off-duty, resulting in injury, death, or substantial property damage.

1006.7.1 DRUG- AND ALCOHOL-TESTING PROGRAM

The following applies to the department's drug and alcohol testing procedures (Minn. Stat. § 181.951; Minn. Stat. § 181.952; Minn. Stat. § 181.953):

- (a) An employee or applicant has the right to refuse a test but the consequences of a refusal may result in discipline, up to and including termination, or a decision not to hire the applicant.
- (b) Initial screening tests must be verified by a confirmatory test for the purpose of discipline.
- (c) Employees will have an opportunity to participate in an appropriate alcohol or drug program for their first confirmed positive test. The program may be in lieu of other discipline unless the employee fails the program or refuses to participate (Minn. Stat. § 181.953).
- (d) A confirmed positive test may result in discipline, up to and including termination.
- (e) An employee or job applicant will have the opportunity to explain a positive test result and may request and pay for a second confirmatory retest.
- (f) All disciplinary procedural safeguards in this manual apply, including the post-discipline appeal procedures (see the Personnel Complaints Policy).
- (g) Employees and job applicants shall receive required written notice, including posting, of the drug- and alcohol-testing policies and procedures as set forth in Minn. Stat. § 181.952.
- (h) The safeguards of Minn. Stat. § 181.953 will be followed for any testing and any related discipline process.

Notice of the adopted drug and alcohol testing policy shall be posted in an appropriate and conspicuous location and copies shall be available for inspection to all employees and job applicants (Minn. Stat. 181.952).

1006.7.2 SUPERVISOR RESPONSIBILITIES

The supervisor shall prepare a written record documenting the specific facts that led to the decision to require the test, and shall inform the employee in writing of the following:

- (a) The test will be given to detect either alcohol or drugs, or both.
- (b) The result of the test is not admissible in any criminal proceeding against the employee.

- (c) The employee may refuse the test, but refusal may result in dismissal or other disciplinary action.

1006.8 COMPLIANCE WITH THE DRUG-FREE WORKPLACE ACT

No later than 30 days following notice of any drug statute conviction for a violation occurring in the workplace involving a member, the Department will take appropriate disciplinary action, up to and including dismissal, and/or requiring the member to satisfactorily participate in a drug abuse assistance or rehabilitation program (41 USC § 8104).

1006.9 CONFIDENTIALITY

The Department recognizes the confidentiality and privacy due to its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained in the member's confidential medical file in accordance with the Personnel Records Policy.

Sick Leave Policy

1007.1 PURPOSE AND SCOPE

This policy provides general guidance regarding the use and processing of sick leave. The accrual and terms of use of sick leave for eligible employees are detailed in the City personnel manual or applicable collective bargaining agreement.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) and the Minnesota Pregnancy and Parenting Leave Act (29 USC § 2601 et seq.; Minn. Stat. § 181.941).

1007.2 EMPLOYEE RESPONSIBILITIES

Sick leave may be used for absences caused by illness, injury, temporary disability, including pregnancy and maternity, or for medical, dental or vision exams, or medical treatment of the employee or the employee's immediate family when it is not reasonably possible to schedule such appointments during nonworking hours.

Sick leave is not considered vacation and abuse of sick leave may result in discipline and/or denial of sick leave benefits. Employees on sick leave shall not engage in other employment or self-employment or participate in any sport, hobby, recreational, or other activity that may impede recovery from the injury or illness.

Upon return to work, employees shall ensure that the appropriate time off has been marked in Workforce Director.

1007.2.1 NOTIFICATION

Employees are encouraged to notify an immediate supervisor, the Shift Sergeant, or other appropriate supervisor as soon as they are aware that they will not be able to report to work. At a minimum, employees shall make such notification no less than two hours before the start of their scheduled shift. If an employee is unable to contact the supervisor in the case of an emergency, every reasonable effort should be made to have a representative contact the supervisor.

When the necessity for leave is foreseeable, such as an expected birth or planned medical treatment, the employee shall, whenever reasonably possible, provide notice to the Department as soon as reasonably possible and with no less than 30-days notice of the intent to take leave.

1007.3 EXTENDED ILLNESS

Employees on extended absences shall, if possible, contact their unit supervisor at three-day intervals to provide an update on their absence and expected date of return. Employees absent from duty due to personal illness in excess of two consecutive shifts may be required to furnish a statement from their health care provider supporting the use of sick leave and/or the ability to return to work.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Sick Leave Policy

Nothing in this section precludes a supervisor, based upon reasonable cause, from requiring a physician's statement if two or fewer sick leave days are taken.

1007.4 SUPERVISOR RESPONSIBILITIES

Supervisors should monitor sick leave usage and regularly review the attendance of employees under their command to ensure that the use of sick leave is consistent with this policy. Supervisors should address sick leave use in the employee's performance evaluation when it has negatively affected the employee's performance or ability to complete assigned duties and when unusual amounts of sick leave by the employee have a negative impact on department operations. When appropriate, supervisors should counsel employees regarding the excessive use of sick leave and should consider referring the employee to the Employee Assistance Program.

Communicable Diseases

1008.1 PURPOSE AND SCOPE

This policy is intended to provide guidelines for department personnel to assist in minimizing the risk of contracting and/or spreading communicable diseases and to minimize the incidence of illness and injury. The policy will offer direction in achieving the following goals:

- To manage the risks associated with blood-borne pathogens, aerosol transmissible diseases, and other potentially infectious substances.
- To assist Department personnel in making decisions concerning the selection, use, maintenance, limitations, storage, and disposal of personal protective equipment (PPE).
- To protect the privacy rights of all Department personnel who may be exposed to or contract a communicable disease during the course of their duties.
- To provide appropriate treatment and counseling should an employee be exposed to a communicable disease.

1008.1.1 DEFINITIONS

Definitions related to this policy include:

Communicable disease - A human disease caused by microorganisms that are present in and transmissible through human blood, bodily fluid, tissue, or by breathing or coughing. These diseases commonly include, but are not limited to, hepatitis B virus (HBV), HIV and tuberculosis.

Exposure - When an eye, mouth, mucous membrane or non-intact skin comes into contact with blood or other potentially infectious materials, or when these substances are injected or infused under the skin; when an individual is exposed to a person who has a disease that can be passed through the air by talking, sneezing or coughing (e.g., tuberculosis), or the individual is in an area that was occupied by such a person. Exposure only includes those instances that occur due to a member's position at the Brooklyn Center Police Department. (See the exposure control plan for further details to assist in identifying whether an exposure has occurred.)

1008.2 PROCEDURES FOR CONTACT WITH BLOOD OR BODILY FLUIDS

All Department personnel who may be involved in providing emergency medical care or who come in contact with another person's blood or bodily fluids (e.g., during an altercation or while attending to any injured person) shall follow these procedures and guidelines.

1008.2.1 EXPOSURE CONTROL OFFICER

The Chief of Police will assign a person as the Department's Training Sergeant. The Training Sergeant shall be responsible for the following:

- (a) The overall management of the bloodborne Exposure Control Plan and ensuring compliance with 29 CFR 1910.1030 (Minn. R. 5206.0600).

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Communicable Diseases

- (b) The Training Sergeant will work with management to develop and administer any additional related policies and practices necessary to support the effective implementation of this plan and remain current on all legal requirements concerning blood-borne pathogens and other communicable diseases.
- (c) The Training Sergeant will act as a liaison during OSHA inspections and shall conduct program audits to maintain an up-to-date Exposure Control Plan.
- (d) The Training Sergeant will maintain an up-to-date list of police personnel requiring training, will develop and implement a training program, maintain class rosters, and quizzes and periodically review the training program.
- (e) The Training Sergeant will review and update the Exposure Control Plan annually (on or before January 1 of each year).

Department supervisors are responsible for exposure control in their respective areas. They shall work directly with the Training Sergeant and the affected employees to ensure that the proper exposure control procedures are followed.

1008.2.2 UNIVERSAL PRECAUTIONS

All human blood and bodily fluids such as saliva, urine, semen, and vaginal secretions are to be treated as if they are known to be infectious. Where it is not possible to distinguish between bodily fluid types, all bodily fluids are to be assumed potentially infectious.

1008.2.3 PERSONAL PROTECTIVE EQUIPMENT

Personal protective equipment is the last line of defense against communicable disease. Therefore, the following equipment is provided for all personnel to assist in the protection against such exposures:

- Not less than two pair of disposable latex gloves (keeping a box in the car recommended).
- Eye protection.
- Alcohol, or similar substance, to flush skin at emergency site.
- Maintaining alcohol hand wipes in the car is recommended.

The protective equipment is to be kept in each police vehicle, inspected at the start of each shift, and replaced immediately upon returning to the station if it has been used or damaged during the shift, or as otherwise needed.

1008.2.4 IMMUNIZATIONS

All Department personnel who, in the line of duty, respond to emergency medical calls or may be exposed to or have contact with a communicable disease shall be offered appropriate immunization treatment.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Communicable Diseases

1008.2.5 WORK PRACTICES

All personnel shall use the appropriate barrier precautions to prevent skin and mucous membrane exposure whenever contact with blood or bodily fluid is anticipated.

Disposable gloves shall be worn on all medical emergency responses. Disposable gloves should be worn before making physical contact with any patient and/or when handling items (e.g., evidence, transportation vehicle) soiled with blood or other bodily fluids. Should one's disposable gloves become contaminated with blood or other bodily fluids, the gloves shall be disposed of as contaminated waste. Care should be taken to avoid touching other items (e.g., pens, books, and personal items in general) while wearing the disposable gloves in a potentially contaminated environment.

All procedures involving blood or other potentially infectious materials shall be done in a way to minimize splashing, spraying, or otherwise generating droplets of those materials.

Eating, drinking, smoking, applying lip balm, and handling contact lenses shall be prohibited in areas where a potential for an exposure exists.

1008.3 DISPOSAL AND DECONTAMINATION

The following procedures will apply to the disposal or decontamination of equipment or personnel after responding to an event that involved contact with a person's blood or bodily fluids:

1008.3.1 USE OF WASTE CONTAINERS

Officers shall dispose of biohazards with the on-scene EMS vehicle, at the attending clinic or hospital with its approval, or in an appropriately marked biohazard waste container immediately upon arrival.

The biohazard waste container shall be collapsible, leakproof, red, or appropriately labeled with a biohazard warning and routinely emptied.

1008.3.2 DECONTAMINATION OF SKIN AND MUCOUS MEMBRANES

Personnel shall wash their hands immediately, on-scene if reasonably possible, or as soon as reasonably possible following the removal of potentially contaminated gloves. Antibacterial soap and warm water or an approved disinfectant shall be used to wash one's hands, paying particular attention to the fingernails.

If an employee's intact skin contacts someone else's blood or bodily fluids or other potentially infectious materials, the employee shall immediately wash the exposed part of his/her body with soap and warm water and/or an approved disinfectant as soon as possible. If the skin becomes grossly contaminated, body washing shall be followed by an approved hospital strength disinfectant. If large areas of the employee's skin are contaminated, the employee shall shower as soon as reasonably possible, using warm water and soap and/or an approved disinfectant. Medical treatment should be obtained.

Contaminated non-intact skin (e.g., injured skin, open wound) shall be cleaned using an approved disinfectant and then dressed or bandaged as required. Medical treatment is required.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Communicable Diseases

All hand, skin, and mucous membrane washing that takes place in the station shall be done in the designated cleaning or decontamination area. Cleaning shall not be done in the kitchen, bathrooms, or other locations not designated as a cleaning or decontamination area.

1008.3.3 SHARPS AND ITEMS THAT CUT OR PUNCTURE

All personnel shall avoid using or holding sharps (e.g., needles, blades) unless they are needed to assist a paramedic or are being collected for evidence. Employees are not to recap sharps. If needed as evidence, employees shall place item in the appropriate evidence container. If recapping is necessary, a one-handed method shall be employed to avoid a finger prick. Disposal, when practicable, shall be into a puncture-proof biohazard container.

All sharps and items that cut or puncture (e.g., broken glass, razors, and knives) shall be treated cautiously to avoid cutting, stabbing or puncturing one's self or any other person. If a sharp object contains known or suspected blood or other bodily fluids, that item is to be treated as a contaminated item. If the item is not evidence, touching it with the hands shall be avoided. Use a device such as tongs or a broom and a dustpan to cleanup debris. If the material must be hand held, protective gloves must be worn.

1008.3.4 DISPOSABLE PROTECTIVE EQUIPMENT

Contaminated disposable supplies (e.g., gloves, dressings, CPR mask) shall be transported with the patient or suspect in the ambulance or police vehicle. The waste material shall then be disposed of in a biohazard waste container at the hospital or police station. Disposable gloves are to be worn while placing the waste into the waste biohazard container, placing the gloves in with the waste when through.

1008.3.5 DECONTAMINATION OF PERSONAL PROTECTIVE EQUIPMENT

After using any reusable personal protective equipment, it shall be washed or disinfected and stored appropriately. If the personal protective equipment is not reusable (e.g., disposable gloves), it shall be discarded in a biohazard waste container as described in this policy.

Any personal protective equipment that becomes punctured, torn, or loses its integrity shall be removed as soon as feasible. The employee shall wash up and replace the personal protective equipment if the task has not been completed. If any failure of personal protective equipment results in a contaminated non-intact skin event, decontamination as described in this policy shall be implemented.

Contaminated reusable personal protective equipment that must be transported prior to cleaning it shall be placed into a biohazard waste bag and transported in the ambulance, paramedic truck, or police vehicle. Gloves shall be worn while handling the biohazard waste bag and during placement into the biohazard waste container, and then included in with the waste.

1008.3.6 DECONTAMINATION OF NON-DISPOSABLE EQUIPMENT

Contaminated non-disposable equipment (e.g., flashlight, gun, baton, clothing, portable radio) shall be decontaminated as soon as reasonably possible. If it is to be transported, it shall be done by first placing it into a biohazard waste bag.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Communicable Diseases

Grossly contaminated non-disposable equipment items shall be transported to a hospital or police station for proper cleaning and disinfecting. Porous surfaces such as nylon bags and straps shall be brushed and scrubbed with a detergent and hot water, laundered, and allowed to dry. Non-porous surfaces (e.g., plastic or metal) shall be brushed and scrubbed with detergent and hot water, sprayed with a bleach solution, rinsed, and allowed to dry. Delicate equipment (e.g., radios) should be brushed and scrubbed very carefully using a minimal amount of a type of germicide that is approved by the Environmental Protection Agency (EPA).

While cleaning equipment, pay close attention to handles, controls, corners, crevices, and portable radios. Equipment cleaning shall not be done in the kitchen, bathrooms, or areas that are not designated as a cleaning/decontamination area.

Contaminated equipment should be cleaned using an approved EPA germicide or a 1:100 solution of chlorine bleach (.25 cup of bleach per one gallon of water) while wearing disposable gloves and goggles. Large particles of contaminants such as vomit, feces, and blood clots should first be removed (e.g., using a disposable towel or other means to prevent direct contact) and then properly disposed.

1008.3.7 DECONTAMINATION OF CLOTHING

Contaminated clothing such as uniforms and undergarments shall be removed as soon as feasible and rinsed in cold water to prevent the setting of bloodstains. If the clothing may be washed in soap and hot water, do so as soon as possible. If the clothing must be dry cleaned, place it into a biohazard waste bag and give it to the on-duty supervisor. The on-duty supervisor will secure a dry cleaner that is capable of cleaning contaminated clothing and will inform them of the potential contamination. This dry cleaning will be done at the Department's expense.

Contaminated leather boots shall be brushed and scrubbed with detergent and hot water. If the contaminant soaked through the boot, the boot shall be discarded.

1008.3.8 DECONTAMINATION OF VEHICLES

Contaminated vehicles and components, such as the seats, radios, and doors, shall be washed with soap and warm water and disinfected with an approved germicide as soon as feasible. Grossly contaminated vehicles shall be taken out of service and cleaned by a professional service.

1008.3.9 DECONTAMINATION OF STATION AND CLEANING AREA

The Training Sergeant shall designate a location at the station that will serve as the area for cleaning/decontamination. This area is to be used to keep equipment clean and sanitary and for the employees to wash any potential contamination from their bodies. This area is to be thoroughly cleaned after each use and maintained in a clean and sanitary order at all times. The application of cosmetics, smoking cigarettes, and consuming food and drink are prohibited in this designated area at all times.

1008.4 POST-EXPOSURE REPORTING AND FOLLOW-UP REQUIREMENTS

In actual or suspected exposure incidents, proper documentation, and follow-up action must occur to limit potential liabilities and ensure the best protection and care for the employee(s).

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Communicable Diseases

1008.4.1 EMPLOYEE RESPONSIBILITY TO REPORT EXPOSURE

To provide appropriate and timely treatment should exposure occur, all employees shall verbally report the exposure to their immediate supervisor and complete a written exposure report as soon as possible following the exposure or suspected exposure. The report shall be submitted to the employee's immediate supervisor and should include the names of witnesses to the incident, names of persons involved in the underlying incident, and, if reasonably feasible, any written statements from these parties.

1008.4.2 SUPERVISOR REPORTING REQUIREMENTS

The supervisor on-duty shall investigate every exposure that occurs as soon as reasonably possible following the incident, while gathering the following information:

- (a) Names and social security numbers of the employee(s) exposed.
- (b) Date and time of incident.
- (c) Location of incident.
- (d) The potentially infectious materials involved.
- (e) Source of material or person.
- (f) Current location of material or person.
- (g) Work being done during exposure.
- (h) How the incident occurred or was caused.
- (i) PPE in use at the time of the incident.
- (j) Actions taken post-event (e.g., clean-up and notifications).

The supervisor shall use the above information to prepare a written summary of the incident, its causes, and recommendations for avoiding similar events. This report will be provided to the Training Sergeant, Division Commander, the consulting physician, and to the City's Risk Manager.

1008.4.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT

Any employee who received exposure or suspected exposure shall be seen by a physician (or qualified health care professional) as soon as reasonably possible.

The Division Commander will request that the qualified health care professional provide the Division Commander and/or the City's risk manager with a written opinion/evaluation of the exposed employee's situation. This opinion shall only contain the following information:

- If a post-exposure treatment is indicated for the employee.
- If the employee received a post-exposure treatment.
- Confirmation that the employee received the evaluation results.
- Confirmation that the employee was informed of any medical condition resulting from the exposure incident that will require further treatment or evaluation.

Communicable Diseases

All other findings or diagnosis shall remain confidential and are not to be included in the written report.

1008.4.4 COUNSELING

The Department should provide the exposed employee, and his/her family if necessary, the opportunity for counseling and consultation.

1008.4.5 CONFIDENTIALITY OF REPORTS

Most of the information involved in the process must remain confidential. The Division Commander shall ensure that all records and reports are kept confidential (Minn. Stat. § 144.7411).

The Division Commander shall be responsible for maintaining records containing the employee's treatment status and the results of examinations, medical testing, and follow-up procedures that took place as a result of an exposure.

The risk manager shall be responsible for maintaining the name and social security number of the employee and copies of any information provided to the consulting health care professional as a result of an exposure.

This information is confidential and shall not be disclosed to anyone without the employee's written consent, except as required by law.

1008.5 SOURCE TESTING

Testing for communicable diseases of a person who was the source of an exposure should be sought when it is desired by the exposed employee or when it is otherwise appropriate. There are several methods to obtain such testing. It is the responsibility of the Division Commander to ensure that the proper testing and reporting occur. These methods include the following:

- (a) The Brooklyn Center Police Department may request that a licensed hospital or other licensed emergency medical care facility follow the procedures of Minn. Stat. § 144.7401 to Minn. Stat. § 144.7415 for consensual source testing when an officer or any other employee acting as a Good Samaritan may have experienced a significant exposure to pathogenic microorganisms present in human blood that can cause disease. Officers need not have been engaged in providing medical assistance for the exposure to apply for source testing; for example, being pricked by a hypodermic needle during a search may suffice (Minn. Stat. § 144.7401; Minn. Stat. § 144.7402). A court order may be sought when a source person does not consent to the testing requested by a hospital or other facility (Minn. Stat. § 144.7407).
- (b) Obtaining voluntary consent directly from a person who may be the source of an exposure to include testing for any relevant disease. This is separate from the consent that may be sought through a statutory process above.

If the Division Commander is unavailable to seek testing of the person who was the source of the exposure, it is the responsibility of another Division Commander or designee to ensure testing is sought.

1008.5.1 PROCEDURE

Upon notification of an employee's exposure, the Division Commander should attempt one or more of the following methods to obtain source testing:

- (a) In order to seek testing through the procedures of Minn. Stat. § 144.7401 to Minn. Stat. § 144.7415 by a licensed hospital or other emergency medical care facility, the Division Commander should:
 1. Notify a hospital or other applicable facility where the exposed officer or other employee was evaluated that testing is being requested.
 2. Locate the source person if he/she is not at the hospital or other facility. If the person cannot be located, the Investigations Division Supervisor should be notified and will assist in location attempts. When located, the Division Commander will notify the evaluating hospital of the person's location. (It will then be the responsibility of the hospital to contact the person.)
 3. Arrange for free counseling, testing, and treatment of the exposed employee.
 4. Inform the exposed employee of the source's test results without the source individual's name, address, or other uniquely identifying information (Minn. Stat. § 144.7404).
 5. Contact a City attorney to petition the court to obtain an order for testing a source individual if there is no blood available from the source individual, and the source individual refuses to have blood drawn or tested. The Division Commander will ensure that affidavits in support of the petition are sought and include information that shows:
 - (a) The hospital followed protocol and attempted to obtain bloodborne pathogen test results.
 - (b) A significant exposure occurred.
 - (c) A physician with specialty training in infectious diseases, including HIV, has documented that the exposed department member has provided a blood sample and consented to testing for bloodborne pathogens and that bloodborne pathogen test results on the other person are needed to determine medical treatment for the exposed department member.
 6. If a blood sample is already available to the medical facility but the person did not consent to testing for bloodborne pathogens, the medical facility may proceed with testing under Minn. Stat. § 144.7406.
- (b) Seek consent apart from the above statutory framework when those efforts do not result in adequate source testing. The following steps should be taken:
 - (a) A licensed health care provider should notify the person to be tested of the exposure and make a good faith effort to obtain voluntary informed consent

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Communicable Diseases

from the person or his/her authorized legal representative to perform a test for HIV, hepatitis B, hepatitis C, and other communicable diseases the health care provider deems appropriate under the circumstances.

- (b) The voluntary informed consent obtained by the health care provider must be in writing and include consent for three specimens of blood for testing. The Division Commander should document the consent as a supplement to the Exposure Control Report.
- (c) The results of the tests should be made available to the source and the exposed employee.

Since there is potential for overlap between the methods for obtaining testing, the Division Commander is responsible for coordinating the testing to prevent unnecessary or duplicate testing. Direct consent with the source person should not be sought if consent is otherwise obtained by a health or medical service provider under one of the above statutory processes. If it appears that source testing would benefit an exposed employee but that it cannot be accomplished through the above methods, the Division Commander should consult with City counsel to seek an alternate legal testing method.

Smoking and Tobacco Use

1009.1 PURPOSE AND SCOPE

This policy establishes limitations on the use of tobacco products by employees and others while on-duty or while in Brooklyn Center Police Department facilities or vehicles.

1009.2 POLICY

The Brooklyn Center Police Department recognizes that tobacco use is a health risk and can be offensive to other employees and to the public.

1009.3 EMPLOYEE USE

Smoking and other use of other tobacco products is not permitted inside any City facility, office, or vehicle.

It shall be the responsibility of each employee to ensure that no person under his/her supervision smokes or uses any tobacco product inside City facilities and vehicles.

1009.4 ADDITIONAL PROHIBITIONS

No employee shall smoke, even while out of view of the public or off-duty, in areas properly posted with “No Smoking” notices, nor shall any employee use tobacco products on public school property (Minn. Stat. § 609.681; Minn. Stat. § 144.4165). The Administration Supervisor should ensure that proper signage is in place for notice of areas where tobacco use is restricted (Minn. R. 4620.0500).

Inquiries about conduct or performance that, if true, would not violate department policy or federal, state or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint.

This policy shall not apply to any counseling, instruction, informal verbal admonishment or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member; nor shall this policy apply to a criminal investigation.

Personnel complaints shall be classified in one of the following categories:

Informal - A matter in which the complaining party is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member. Informal complaints need not be documented on a personnel complaint form, and the responsible supervisor shall have the discretion to handle the complaint in a manner consistent with this policy.

Formal - A matter in which a supervisor determines that further action is warranted. Such complaints may be investigated by a supervisor of rank greater than the accused member, depending on the seriousness and complexity of the investigation.

1010.4 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

1010.4.1 COMPLAINT FORMS

Personnel complaint forms will be maintained in the public area of the police facility and be accessible through the department website.

Personnel complaint forms in languages other than English may also be provided, as determined necessary or practicable.

1010.4.2 ACCEPTANCE

All complaints will be courteously accepted by any department member and promptly given to a supervisor. Although written complaints are preferred, a complaint may also be filed orally, either in person, by telephone or via email. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

(e) Tort claims and lawsuits may generate a personnel complaint.

(f) The Minnesota Board of Peace Officer Standards and Training (POST) may refer complaints alleging a violation of a statute or rule that the board is empowered to enforce (Minn. Stat. § 214.10, Subd. 10).

1010.4.4 MINNESOTA POST INVESTIGATIONS

The Minnesota POST Board may require an administrative investigation based upon a complaint alleging a violation of a statute or rule that the board is empowered to enforce. Any such misconduct allegation or complaint assigned to this department shall be completed and a written summary submitted to the POST executive director within 30 days of the order for inquiry (Minn. Stat. § 214.10, Subd. 10).

After a complaint is filed, the accepting member should sign the document, keep a copy for the department and provide a copy to the complainant.

1010.5 DOCUMENTATION

Supervisors shall ensure that all formal complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint. On an annual basis, the Department should audit the log and send an audit report to the chief of police or the authorized designee. A member of this department may request to see any entries in the log that pertain to their actions.

1010.6 ADMINISTRATIVE INVESTIGATIONS

Allegations of misconduct will be administratively investigated as follows (Minn. R. 6700.2200)

1010.6.1 SUPERVISOR RESPONSIBILITIES

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The chief of police or the authorized designee may direct that another supervisor to investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include, but are not limited to:

(a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.

1. The original complaint form will be directed to the immediate supervisor and the divisional commander of the accused member, via the chain of command.

2. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall

orally report the matter to the member's division commander or the chief of police, who will initiate appropriate action.

(b) Responding to all complaints in a courteous and professional manner.

(c) Resolving those personnel complaints that can be resolved immediately.

1. Follow-up contact with the complainant should be made within a reasonable amount time after the Department has received the complaint.

2. If a formal complaint is resolved and no further action is required, the supervisor will note the resolution on a complaint form and forward the form to the member's divisional commander.

(d) Ensuring that upon receipt of a complaint involving allegations of a potentially serious nature, the shift sergeant, divisional commander and chief of police are notified via the chain of command as soon as practicable.

(e) Promptly contacting the human resources department and divisional commander for direction regarding their roles in addressing a formal complaint that relates to sexual, racial, ethnic or other forms of prohibited harassment or discrimination.

(f) When a supervisor determines that a personnel complaint filed by one employee against another is the result of a personal disagreement or a dispute regarding the interpretation of a department rule or policy, rather than a violation of a rule or policy, the supervisor shall notify the division commander and attempt to resolve the conflict outside of the complaint process.

(f) Forwarding unresolved personnel complaints to the divisional commander, who will consult with the chief of police to determine whether or not to assign the complaint for investigation.

(g) Informing the complainant of the investigator's name and the complaint number within three days after assignment.

(h) Investigating a complaint as follows:

1. Making reasonable efforts to obtain names, addresses and telephone numbers of witnesses.

2. When appropriate, ensuring immediate medical attention is provided and photographs of alleged injuries and accessible uninjured areas are taken.

(i) Ensuring that the procedural rights of the accused member are followed.

(j) Ensuring interviews of the complainant are generally conducted during reasonable hours.

1010.6.2 ADMINISTRATIVE INVESTIGATION PROCEDURES

Whether conducted by a supervisor, an assigned member of the command staff, or an assigned third party the following shall apply to members covered by the Peace Officer Discipline Procedures Act (Minn. Stat. §626.89):

(a) Interviews of any accused employee shall be conducted during reasonable hours and preferably when the member is on-duty (Minn. Stat. § 626.89, Subd. 7). If the member is off-duty, he/she shall be compensated.

(b) Unless waived by the member, interviews of an accused member shall be at the Brooklyn Center Police Department or at a place agreed upon by the accused member (Minn. Stat. § 626.89, Subd. 4). An investigator may not interview an employee at that person's home without the employee's prior permission

(c) No more than two interviewers should ask questions of an accused member.

(d) Prior to any interview, the accused member, should be provided a summary of the alleged misconduct, a copy of any written complaint signed by the complainant (Minn Stat. 626.89, Subd. 5), the name and rank officer in charge of the investigation and the name of the officer conducting the interview.

(e) All interviews should be for a reasonable period and the member's personal needs should be accommodated (Minn. Stat. § 626.89, Subd. 7).

(f) No member should be subjected to offensive or threatening language, nor shall any promises, rewards or other inducements be used to obtain answers.

(g) Any member refusing to answer questions directly related to the investigation may be ordered to answer questions administratively and may be subject to discipline for failing to do so.

1. A member should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a Garrity advisement. Administrative investigator should consider the impact that compelling a statement from the member may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. An example of such conflict may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, and implications).

2. No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.

(h) The interviewer shall record all interviews of accused members and witnesses related to an administrative investigation. Members may also record the interview. A complete copy or transcript of the interview must be made available to the member upon written request without charge or undue delay. If the member has been previously interviewed, a copy of that recorded interview shall be provided to the member prior to any subsequent interview (Minn. Stat. § 626.89, Subd. 8).

(i) All employees subjected to interviews that could result in discipline have the right to have an uninformed representative or attorney present before or during the interview (Minn. Stat. § 626.89, Subd. 9).

1. All accused employees shall be given no less than a five day notice of the date/time and location of an interview.

2. In order to maintain the integrity of each individual's statement, involved members shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.

(j) All employees shall provide complete and truthful responses to questions posed during interviews.

(k) No member may be compelled nor requested to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation.

(l) Before a formal statement is taken, the member shall be advised in writing or on the record that admissions made may be used as evidence of misconduct or a basis for discipline (Minn. Stat. § 626.89, Subd. 10).

(m) A member may not be required to produce financial records (Minn. Stat. § 626.89, Subd. 11).

(n) A member's photograph will not be released unless allowed by law (Minn. Stat. §626.89, Subd. 12).

Summary - List the allegations separately, including applicable policy sections, with a brief summary of the evidence.

Investigation - Each allegation should be set forth with the details of the evidence applicable to each allegation provided, including comprehensive summaries of member, complainant and witness statements. Other evidence related to each allegation should also be detailed in this section.

Conclusion - A recommendation regarding further action or disposition should be provided.

Exhibits - A separate list of exhibits (e.g., recordings, photos, documents) should be attached to the report.

1010.6.4 DISPOSITIONS

Each personnel complaint shall be classified with one of the following dispositions:

Unfounded - The allegation(s) are false or not factual.

Exonerated - The alleged act occurred but that the act was justified, lawful and/or proper.

Not sustained - There is insufficient evidence to sustain the complaint or fully exonerate the member.

Sustained - Preponderance of the evidence exists to establish that the act occurred and that it constituted misconduct.

Policy Failure - The allegation is not a violation of policy, but the policy is inadequate.

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall provide the accused member with an updated summary of allegations to include any additional allegations discovered during the investigation.

The chief of police may authorize that any investigation be re-opened any time substantial new evidence is discovered concerning the complaint.

1010.6.5 COMPLETION OF INVESTIGATIONS

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence. Investigations should be completed within three months of the date the Department becomes aware of the allegation. The chief of police may extend the period to six months if the investigation reasonably requires such an extension.

Should additional time be required, a written request should be made to the chief of police, generally 30 days before the end of the period, requesting an extension. A request for extension should include the reason for the extension and the completion date requested. Such a request must be approved by the chief of police or the authorized designee in writing and a copy provided to the accused employee.

Notice to the complaining party shall be provided as soon as practicable following final disposition and be consistent with the provisions of the Minnesota Government Data Practices Act (Minn. 13.43 Subd. 2; Minn. R. 6700.2200).

1010.6.6 EXTERNAL INVESTIGATIONS

The chief of police may request that an outside agency or person conduct an investigation anytime the chief of police determines an external investigation is appropriate.

This department should not conduct an investigation when the chief of police is the subject of the complaint. An external investigation should be requested through the City Manager.

1010.7 ADMINISTRATIVE SEARCHES

Assigned lockers, storage spaces and other areas, including desks, offices and vehicles, may be searched as part of an administrative investigation. Any search of these areas related to an administrative investigation must be based on reasonable suspicion and must be in the presence of an uninvolved witness.

Such areas may also be searched any time by a supervisor for non-investigative purposes, such as obtaining a needed report, radio or other document or equipment.

Employees shall have no expectation of privacy when using telephones, computers, radios or other communications provided by the department.

1010.8 ADMINISTRATIVE LEAVE

When a complaint of misconduct is of a serious nature, or when circumstances practically dictate that allowing the accused employee to continue to work would impose an unreasonable risk to the Department, the employee, other employees or the public, the chief of police or authorized designee may assign an accused employee to administrative leave. Any employee placed on administrative leave, pending the completion of an administrative investigation an employee may be subject to the following guidelines:

(a) May be required to relinquish any department badge, identification, assigned weapons and any other department equipment.

(b) An employee placed on administrative leave may be ordered to refrain from taking any action as a departmental employee or in an official capacity.

(c) An employee shall be required to continue to comply with all policies and lawful orders of a supervisor.

(d) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The employee may be required to remain available for contact at all times during such shift, and will report as ordered.

(e) Once the employee placed on administrative leave is returned to regular duty, the employee shall be returned to his/her regularly assigned shift.

1010.9 ALLEGATIONS OF CRIMINAL CONDUCT

Where an employee is accused of potential criminal conduct, an outside agency or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Personnel Complaints

The chief of police shall be notified as soon as practicable when a member is accused of criminal conduct. The chief of police should be the requestor of a criminal investigation by an outside law enforcement agency.

An employee accused of criminal conduct shall be provided with all rights afforded to a civilian. The member shall not be administratively ordered to provide any information in the criminal investigation.

No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.

The Brooklyn Center Police Department may release information concerning the arrest or detention of any member, including an officer that has not led to a conviction. No disciplinary action should be taken until an independent administrative investigation is conducted.

The chief of police may postpone a decision on an administrative investigation until any related criminal charges are resolved. The complainant and involved member should be informed of this decision.

1010.10 DIVISION COMMANDER RESPONSIBILITIES

Upon receipt of any completed personnel investigation, the Division Commander of the involved member shall review the entire investigative file, the member's personnel file and any other relevant materials.

The Division Commander may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.

Prior to forwarding recommendations to the chief of police, the division commander may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the chief of police, the division commander shall include all relevant materials supporting the recommendation. Actual copies of a member's existing personnel file need not be provided and may be incorporated by reference.

1010.11 CHIEF OF POLICE RESPONSIBILITIES

Upon receipt of any written recommendation for disciplinary action, the chief of police shall review the recommendation and all accompanying materials. The chief of police may modify any recommendations and/or may return the file to the division commander for further investigation or action.

Once the chief of police is satisfied that no further investigation or action is required by staff, the chief of police shall determine the amount of proposed discipline, if any, that should be imposed. In the event that disciplinary action is proposed, the chief of police shall provide the member with a written notice of the following:

- (a) Access to all of the materials considered in recommending the proposed discipline.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Brooklyn Center PD Policy Manual

Personnel Complaints

(b) A recommendation of proposed discipline for each charge.

(c) An opportunity to respond orally or in writing within five days of receiving the notice, or as agreed upon in the bargaining agreement.

1. Upon showing of good cause by the member, the chief of police may grant a reasonable extension of time for the member to respond.

2. If the member elects to respond orally, the presentation shall be recorded by the Department. Upon request, the employee shall be provided with a copy of the recording.

Once the member has completed his/her response (see Pre-Discipline Employee Response) or if the member has elected to waive any such response, the chief of police shall consider all information received in regard to the recommended discipline. The chief of police shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline.

Once the chief of police has issued a written decision, the discipline shall become effective subject to the collective bargaining agreement or other rights of the employees such as those under the Veteran's Preference Act.

1010.11.1 DISCIPLINE

Disciplinary action may include, but is not limited to (Minn. R. 6700.2200):

- (a) Oral reprimand;
- (b) Written reprimand;
- (c) Suspension;
- (d) Demotion; or
- (e) Discharge.

1010.12 PRE-DISCIPLINE EMPLOYEE RESPONSE

The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the chief of police after having an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

(a) This response is not intended to be an adversarial or formal hearing.

(b) Although the employee may be represented by an uninvolved representative and/or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.

Brooklyn Center Police Department

Brooklyn Center PD Policy Manual

Personnel Complaints

(c) The employee may suggest that further investigation could be conducted or the employee may offer additional information or mitigating factors for the chief of police to consider.

(d) In the event the chief of police elects to cause further investigation to be conducted, the employee shall be provided with the results of the subsequent investigation prior to the imposition of any discipline.

(e) The employee may thereafter have the opportunity to further respond orally or in writing to the chief of police on the limited issue(s) of information raised in any subsequent materials.

1010.13 RESIGNATIONS / RETIREMENT PRIOR TO DISCIPLINE

In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline.

1010.14 POST-DISCIPLINE APPEAL RIGHTS

Non-probationary employees have the right to appeal all forms of formal disciplinary action taken against them. The employee has the right to appeal using the procedures established by any collective bargaining agreement and/or personnel rules (Minn. R. 6700.2200).

Employees covered by the Veterans Preference Act are entitled to written notice of the right to request a hearing within 60 days of receipt of the notice of intent to terminate, suspend or demote. Failure to request the hearing in the time specified waives the right to the hearing and all other legal remedies. Any hearing shall be held in compliance with law (Minn. Stat. § 197.46).

1010.15 PROBATIONARY EMPLOYEES AND OTHER MEMBERS

At-will and probationary employees in addition to members other than non-probationary employees may be disciplined and/or released from employment without adherence to any of the procedures set out in this policy, and without notice or cause at any time. These individuals are not entitled to any rights under this policy except for employees covered by the Veterans Preference Act (Minn. Stat. § 197.46). However, any of these individuals released for misconduct should be afforded an opportunity solely to clear their names through a liberty interest hearing, which shall be limited to a single appearance before the chief of police or the authorized designee (Minn. R. 6700.2200).

Any probationary period may be extended at the discretion of the chief of police in cases when additional time to review the individual's performance is considered to be appropriate.

1010.16 RETENTION OF PERSONNEL INVESTIGATION FILES

All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.

1010.16.1 CONFIDENTIALITY OF PERSONNEL FILES

All active investigations of alleged misconduct and personnel complaints shall be considered confidential and maintained separately from peace officer personnel files. The contents of such files shall not be revealed to anyone other than the involved member or authorized personnel, except pursuant to lawful process, such as Minn. R. 6700.2500. Data in closed files shall be treated as private or public data depending on whether discipline was imposed upon the member.

1010.16.2 LETTERS OF REPRIMAND AND DISCIPLINE

Before being placed in the peace officer's file, the employee will have an opportunity to read and initial the document. If the peace officer submits a written response, the response will be attached to the comment or document (Minn. Stat. 626.89, Subd. 13).

Sustained complaints shall be maintained in the employee's personnel file for the prescribed period. Complaints which are unfounded, exonerated or not sustained shall be maintained in the risk management file.

Body Armor

1011.1 PURPOSE AND SCOPE

The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

1011.2 POLICY

It is the policy of the Brooklyn Center Police Department to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

1011.3 ISSUANCE OF BODY ARMOR

Body armor shall be issued to all officers when the officer begins service at the Brooklyn Center Police Department and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

The Patrol Division Commander shall establish a body armor replacement schedule and ensure that replacement body armor is issued pursuant to the schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

1011.3.1 USE OF SOFT BODY ARMOR

Generally, the use of body armor is required subject to the following:

- (a) Officers shall only wear agency-approved body armor.
- (b) Officers shall wear body armor anytime they are in a situation where they could reasonably be expected to take enforcement action.
- (c) Officers may be excused from wearing body armor when they are functioning primarily in an administrative, investigative, or support capacity.
- (d) Body armor shall be worn when an officer is working in uniform or taking part in Department range training.

1011.3.3 CARE AND MAINTENANCE OF SOFT BODY ARMOR

Soft body armor should never be stored for any period of time in an area where environmental conditions (e.g., temperature, light, humidity) are not reasonably controlled (e.g., normal ambient room temperature/humidity conditions), such as in automobiles or automobile trunks.

Soft body armor should be cared for and cleaned pursuant to the manufacturer's care instructions provided with the soft body armor. Failure to follow these instructions may damage the ballistic performance capabilities of the armor. If care instructions for the soft body armor cannot be located, contact the manufacturer to request care instructions.

Soft body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer, as noted on the armor panel label.

1011.4 RANGEMASTER RESPONSIBILITIES

The Armorer should:

- (a) Monitor technological advances in the body armor industry for any appropriate changes to Department approved body armor.

1012.1 PURPOSE AND SCOPE

This section governs the maintenance, retention, and access to personnel data in accordance with established law. It is the policy of this department to maintain personnel data pursuant to state law.

Data practices requests shall be processed and handled in accordance with the Minnesota Government Data Practices Act (MGDPA) (Minnesota Statutes Chapter 13).

Without regard to where and how stored, all data about a current or former employee or applicant for employment shall be defined and classified as personnel data consistent with Minn. Stat. § 13.43. 1012.2.1 REQUIRED PERSONNEL FILE CONTENTS

Unfavorable comments or documents entered into an employee's personnel file require that the employee has the opportunity to read, initial, or comment. If the employee refuses to initial or comment, a notation is to be made upon the document. The employee may also submit a written response to the document.

- (a) The personnel file should contain any letter, memorandum, or document relating to:
 1. A commendation, congratulation, or honor bestowed on an employee by a member of the public or by the Department for an action, duty, or activity that relates to official duties.

Nothing in this section is intended to preclude review of personnel files by the City Manager, City Attorney, or other attorneys or representatives of the City in connection with official business (Minn. Stat. § 13.43).

1012.5 REQUESTS FOR DISCLOSURE

Only written requests for the disclosure of any data classified as other than public contained in any personnel record will be considered. Any employee seeking the removal of any data from his/her personnel file shall file a written request to the Chief of Police through the chain of command. The Department shall thereafter remove any such data if appropriate or within 30 days provide the employee with a written explanation why the contested data will not be removed. If the contested data is ultimately removed, the written responses shall also be removed (Minn. Stat. § 181.962, Subd. 1). An employee not satisfied with this resolution may seek such other remedies as are authorized by the MGDPA.

It is the policy of this department to provide, in compliance with the Fair Labor Standards Act and Minnesota law, reasonable break time and appropriate facilities to accommodate any employee desiring to express breast milk, pursuant to Minn. Stat. § 181.939 and 29 USC § 218d.

1016.3 LACTATION BREAK TIME

A rest period should be permitted each time the employee has the need to express breast milk (29 USC § 218d). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time.

Lactation breaks may be taken at the same time as the employee's regularly scheduled rest or meal periods. Employees desiring to take a lactation break shall notify Dispatch or a supervisor prior to taking such a break. (Minn. Stat. § 181.939).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

1016.4 PRIVATE LOCATION

The Department will make reasonable efforts to accommodate employees with the use of an appropriate room or other location to express milk in private. Such room or place should be in close proximity to the employee's work area and shall be other than a bathroom or toilet stall. The location must be shielded from view and free from intrusion from co-workers and the public. The location must have access to an electrical outlet (29 USC § 218d; Minn. Stat. § 181.939).

The area assigned for this purpose should not be used for storage of any devices, supplies, or expressed milk and should be returned to its original state after each use.

Employees occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other employees should avoid interrupting an employee during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for employees assigned to the field may be taken at the nearest appropriate private area.

1016.5 STORAGE OF EXPRESSED MILK

Any employee storing expressed milk in any authorized refrigerated area within the Department shall clearly label it as such and shall remove it when the employee ends her shift.

Overtime Compensation Requests

1018.1 PURPOSE AND SCOPE

It is the policy of the Department to compensate non-exempt employees who work authorized overtime either by payment of wages as agreed and in effect through the collective bargaining agreement or by the allowance of accrual of compensatory time off. In order to qualify for either the employee must complete and submit a Request for Overtime Payment as soon as practicable after overtime is worked.

1018.1.1 DEPARTMENT POLICY

Because of the nature of law enforcement work, and the specific needs of the Department, a degree of flexibility concerning overtime policies must be maintained.

Non-exempt employees are not authorized to volunteer work time to the Department. All requests to work overtime shall be approved in advance by a supervisor. If circumstances do not permit prior approval, approval shall be sought as soon as practicable during the overtime shift and in no case later than the end of shift in which the overtime is worked.

The individual employee may request compensatory time in lieu of receiving overtime payment. The employee may not exceed the number of hours identified in the collective bargaining agreement.

1018.2 REQUEST FOR OVERTIME COMPENSATION

Employees shall submit all overtime compensation requests to their immediate supervisors as soon as practicable via Workforce Director.

Failure to submit a request for overtime compensation in a timely manner may result in discipline.

1018.2.1 EMPLOYEES' RESPONSIBILITY

Employees shall complete the requests immediately after working the overtime and submit them in to the Workforce Director. Employees submitting overtime requests for on-call pay when off-duty shall submit requests via Workforce Director the first day after returning to work.

1018.2.2 SUPERVISOR RESPONSIBILITIES

The supervisor who verifies the overtime earned shall verify that the overtime was worked before approving the request.

1018.2.3 DIVISION COMMANDER RESPONSIBILITIES

Division Commanders, after approving the pay period time records, will then forward the records to payroll.

Outside Employment

1019.1 PURPOSE AND SCOPE

To avoid actual or perceived conflicts of interest for Department employees engaging in outside employment, all employees shall initially obtain written approval from the Chief of Police prior to engaging in any outside employment. Approval of outside employment shall be at the discretion of the Chief of Police in accordance with the provisions of this policy.

1019.1.1 DEFINITIONS

Outside Employment - The employment of any member of this department who receives wages, compensation, or other consideration of value from another employer, organization, or individual not affiliated directly with this department for services, product(s), or benefits rendered. For purposes of this section, the definition of outside employment includes those employees who are self-employed and not affiliated directly with this department for services, product(s), or benefits rendered.

Outside Overtime - Overtime involving any member of this department who performs duties or services on behalf of an outside organization, company, or individual within this jurisdiction on behalf of the Department. Such outside overtime shall be requested and scheduled directly through this department so that the Department may be reimbursed for the cost of wages and benefits.

1019.2 OBTAINING APPROVAL

No member of this department may engage in any outside employment without first obtaining prior written approval of the Chief of Police. Failure to obtain prior written approval for outside employment or engaging in outside employment prohibited by this policy is grounds for disciplinary action.

To obtain approval for outside employment, the employee must complete an Outside Employment Application that shall be submitted to the employee's immediate supervisor. The application will then be forwarded through the appropriate chain of command to the Chief of Police for consideration.

If approved, the employee will be provided with a copy of the approved permit. Unless otherwise indicated in writing on the approved permit, a permit will be valid through the end of the calendar year in which it is approved. Any employee seeking to continue outside employment shall submit a new Outside Employment Application in a timely manner.

Any employee seeking approval of outside employment whose request has been denied shall be provided with a written reason for the denial of the application at the time of the denial and within 30 days of the application.

If the employee's appeal is denied, the employee may file a grievance pursuant to the procedure set forth in the current collective bargaining agreement.

1019.2.2 REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT PERMITS

Any outside employment permit may be revoked or suspended after the employee has received written notification of the reasons for revocation or suspension. Revocation will be implemented after the employee has exhausted the appeal process.

The outside employment may be revoked:

- (a) If an employee's performance declines to a point where it is evaluated by a supervisor as needing improvement to reach an overall level of minimum acceptable competency and the outside employment may be related to the employee's performance. The Chief of Police may, at his/her discretion, notify the employee of the intent to revoke any previously approved outside employment permit(s). After the appeal process has concluded, the revocation will remain in force until the employee's performance directly related to the outside employment has been reestablished to the minimum level of acceptable competency.
- (b) If, at any time during the term of a valid outside employment permit, an employee's conduct or outside employment conflicts with the provisions of Department policy or any law.
- (c) The outside employment creates an actual or apparent conflict of interest with the Department or City.

The Department expressly reserves the right to deny any Outside Employment Application submitted by an employee seeking to engage in any activity that:

- (a) Involves the employee's use of Department time, facilities, equipment or supplies, the use of the Department badge, uniform, prestige, or influence for private gain or advantage.
- (b) Involves the employee's receipt or acceptance of any money or other consideration from anyone other than this department for the performance of an act that the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee's duties as a member of this department.

- (d) Involves time demands that would render performance of the employee's duties for this department below minimum standards or would render the employee unavailable for reasonably anticipated overtime assignments and other job-related demands that occur outside regular working hours.

1019.3.1 OUTSIDE SECURITY EMPLOYMENT

Due to the potential conflict of interest, no sworn member of this department may engage in any outside or secondary employment as a private security guard, private investigator, or other similar private security position.

Any private organization, entity, or individual seeking special services for security or traffic control from members of this department must make such request to a divisional commander in advance of the desired service. Such outside overtime will be monitored by the Patrol Commander.

- (a) The applicant will be required to enter into a written indemnification agreement prior to approval.
- (b) The applicant will further be required to provide for the compensation and full benefits of all employees requested for such outside security services.
- (c) If such a request is approved, any employee working outside overtime shall be subject to the following conditions:

1019.4 DEPARTMENT RESOURCES

Employees are prohibited from using any Department equipment or resources in the course of or for the benefit of any outside employment. This shall include the prohibition of access to official records or databases of this department or other agencies through the use of the employee's position with this department.

1019.5 CHANGES IN OUTSIDE EMPLOYMENT STATUS

If an employee terminates his/her outside employment during the period of a valid permit, the employee shall promptly submit written notification of such termination to the Chief of Police through the appropriate chain of command. Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through normal procedures set forth in this policy.

Employees shall also promptly submit in writing to the Chief of Police any material changes in outside employment including any change in the number of hours, type of duties, or demands of any approved outside employment. Employees who are uncertain whether a change in outside employment is material shall report the change.

1019.6 OUTSIDE EMPLOYMENT WHILE ON DISABILITY OR ADMINISTRATIVE LEAVE

Department members engaged in outside employment who are placed on disability or administrative leave or modified/light-duty shall inform their immediate supervisor in writing within five days whether they intend to continue to engage in outside employment while on such leave or light-duty status. The immediate supervisor shall review the duties of the outside employment along with any work-related doctor's orders and make a recommendation to the Chief of Police whether such outside employment should continue or be suspended or revoked.

In the event the Chief of Police determines that the outside employment should be discontinued or if the employee fails to promptly notify his/her supervisor of his/her intentions regarding the work permit, a notice of intent to revoke the employee's permit will be forwarded to the involved employee and a copy attached to the original work permit. The revocation process outlined in this policy shall be followed.

Criteria for revoking or suspending the outside employment permit while on disability status or administrative leave include, but are not limited to, the following:

- (a) The outside employment is medically detrimental to the total recovery of the disabled employee, as indicated by the City's professional medical advisors.
- (b) The outside employment performed requires the same or similar physical ability, as would be required of an on-duty employee.

In addition, such employees are required to promptly submit all medical releases, whether partial or full releases, to their supervisor.

Modified-Duty Assignments

1026.1 PURPOSE AND SCOPE

This policy establishes procedures for providing temporary modified-duty assignments. This policy is not intended to affect the rights or benefits of employees under federal or state law, City rules, or current memorandums of understanding or collective bargaining agreements. For example, nothing in this policy affects the obligation of the Department to engage in a good faith, interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability that is protected under federal or state law.

1026.2 POLICY

Subject to operational considerations, the Brooklyn Center Police Department may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. A temporary assignment allows the employee to work while providing the Department with a productive employee during the temporary period.

1026.3 GENERAL CONSIDERATIONS

Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA) or the Minnesota Human Rights Act (Minn. Stat. § 363A.01 et seq.) shall be treated equally without regard to any preference for a work-related injury.

No position in the Brooklyn Center Police Department shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis consistent with the operational needs of the Department. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee's ability to perform in a modified-duty assignment.

The Chief of Police or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle, engaging in outside employment, or being otherwise limited in employing their peace officer powers.

Temporary modified-duty assignments shall generally not exceed a cumulative total of 1,040 hours in any one-year period.

1026.4 PROCEDURE

Employees may request a temporary modified-duty assignment for short-term injuries or illnesses.

The Department may require a fitness for duty examination prior to returning an employee to full-duty status, in accordance with the Fitness for Duty Policy.

1026.7 PREGNANCY

If an employee is temporarily unable to perform regular duties due to a pregnancy, childbirth, or a related medical condition, the employee will be treated the same as any other temporarily disabled employee (42 USC § 2000e(k)). A pregnant employee shall not be involuntarily transferred to a temporary modified-duty assignment.

1026.7.1 NOTIFICATION

Pregnant employees should notify their immediate supervisors as soon as practicable and provide a statement from their medical providers identifying any pregnancy-related job restrictions or limitations. If at any point during the pregnancy it becomes necessary for the employee to take a leave of absence, such leave shall be granted in accordance with the City's personnel rules and regulations regarding family and medical care leave.

Employees who are assigned to temporary modified-duty shall inform their supervisors of any inability to maintain any certification, training, or qualifications.

Employee Speech, Expression and Social Networking

1027.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with employee use of social networking sites and to provide guidelines for the regulation and balance of employee speech and expression with the needs of the Department.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example this policy does not limit an employee from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, about matters of public concern such as misconduct or corruption.

Employees are encouraged to consult with their supervisor regarding any questions arising from the application or potential application of this policy.

1027.1.1 APPLICABILITY

This policy applies to all forms of communication including but not limited to film, video, print media, public or private speech, use of all Internet services, including the World Wide Web, e-mail, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, wikis, video and other file sharing sites.

1027.2 POLICY

Because public employees occupy a trusted position in the community their statements have the potential to contravene the policies and performance of this department. Due to the nature of the work and influence associated with the law enforcement profession it is necessary that employees of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public the Brooklyn Center Police Department will carefully balance the individual employee's rights against the organization's needs and interests when exercising a reasonable degree of control over its employees' speech and expression.

1027.3 SAFETY

Employees should carefully consider the implications of their speech or any other form of expression when using the Internet. Speech and expression that may negatively affect the safety of Brooklyn Center Police Department employees such as posting personal information in a public forum can result in compromising an employee's home address or family ties. Employees should therefore not disseminate or post any information on any forum or medium that could reasonably be expected to compromise the safety of any employee, employee's family or associates or persons that this agency has had professional contact with such as crime victims or staff of

other organizations. Examples of the type of information that could reasonably be expected to compromise safety include:

- Disclosing a photograph and name or address of an employee.
- Disclosing the address, telephone number or email address of an employee.
- Otherwise disclosing where another employee can be located off-duty.

1027.4 PROHIBITED SPEECH, EXPRESSION AND CONDUCT

- (a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation or professionalism of the Brooklyn Center Police Department or its employees.
- (b) Speech or expression that, while not made pursuant to an official duty, is significantly linked to or related to the Brooklyn Center Police Department and tends to compromise or damage the mission, function, reputation or professionalism of the Brooklyn Center Police Department or its employees. Examples may include:
 1. Statements that indicate disregard for the law or the state or U.S. Constitution.
 2. Expression that demonstrates support for criminal activity.
 3. Participating in sexually explicit photographs or videos for compensation or distribution.
- (c) Speech or expression that could reasonably be foreseen as having a negative impact on the credibility of the employee as a witness. For example posting statements or expressions to a website that glorify or endorse dishonesty or illegal behavior.
- (d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the employees of the Department. For example a statement on a blog that provides specific details as to how and when prisoner transportations are made could reasonably be foreseen to jeopardize employees by informing criminals of details that could facilitate an escape or attempted escape.
- (e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the Brooklyn Center Police Department.
- (f) Use or disclosure, through whatever means, of any not public data, photograph, video or other recording obtained or accessible as a result of employment with the Department for financial or personal gain or data classified as not public by state or federal law or any disclosure of such materials without the express authorization of the Chief of Police or the authorized designee.

- (g) Posting, transmitting or disseminating any photographs, video or audio recordings, likenesses or images of department logos, emblems, uniforms, badges, patches, marked vehicles, equipment or other material that specifically identifies the Brooklyn Center Police Department on any personal or social networking or other website or web page without the express authorization of the Chief of Police.
- (h) Accessing websites for non-authorized purposes or use of any personal communication device, game device or media device, whether personally or department-owned, for personal purposes while on-duty except in the following circumstances:
 1. When brief personal communications may be warranted by the circumstances (e.g., inform family of extended hours).
 2. During authorized breaks; such usage should be limited as much as practicable to areas out of sight and sound of the public and shall not be disruptive to the work environment.

Employees must take reasonable and prompt action to remove any content, including content posted by others, that is in violation of this policy from any web page or website maintained by the employee (e.g., social or personal website).

1027.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS

While employees are not restricted from engaging in the following activities as private citizens or as authorized members of a recognized bargaining unit or officer associations, employees may not represent the Brooklyn Center Police Department or identify themselves in any way that could be reasonably perceived as representing the Brooklyn Center Police Department in order to do any of the following, unless specifically authorized by the Chief of Police:

- (a) Endorse, support, oppose or contradict any political campaign or initiative.

- (c) Endorse, support, or oppose any product, service, company or other commercial entity.
- (d) Appear in any commercial, social or nonprofit publication or any motion picture, film, video, public broadcast or any website.

Additionally, when it can reasonably be construed that an employee acting in his/her individual capacity or through an outside group or organization (e.g. bargaining group) is affiliated with this department, the employee shall give a specific disclaiming statement that any such speech or expression is not representative of the Brooklyn Center Police Department.

Employees retain their right to vote as they choose, to support candidates of their choice and to express their opinions as private citizens, including as authorized members of a recognized bargaining unit or officer associations, on political subjects and candidates at all times while off-

duty. However employees may not use their official authority or influence to interfere with or affect the result of an election or a nomination for office. Employees are also prohibited from directly or indirectly using their official authority to coerce, command or advise another employee to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes (5 USC § 1502).

1027.5 PRIVACY EXPECTATION

Employees forfeit any expectation of privacy with regard to e-mails, texts, or anything published or maintained through file-sharing software or any Internet site (e.g., Facebook, MySpace) that is accessed, transmitted, received or reviewed on any department technology system.

The Department reserves the right to access, audit and disclose for whatever reason any message, including attachments, and any information accessed, transmitted, received or reviewed over any technology that is issued or maintained by the Department, including the Department e-mail system, computer network, radio or other communication system or medium or any information placed into storage on any Department system or device.

This includes records of all key strokes or web-browsing history made at any Department computer or over any Department network. The fact that access to a database, service or website requires a user name or password does not create an expectation of privacy if accessed through department computers or networks.

1027.6 CONSIDERATIONS

In determining whether to grant authorization of any speech or conduct that is prohibited under this policy, the factors that the Chief of Police or authorized designee should consider include:

- (a) Whether the speech or conduct would negatively affect the efficiency of delivering public services.
- (b) Whether the speech or conduct would be contrary to the good order of the Department or the efficiency or morale of its members.
- (c) Whether the speech or conduct would reflect unfavorably upon the Department.
- (d) Whether the speech or conduct would negatively affect the member's appearance of impartiality in the performance of his/her duties.
- (e) Whether similar speech or conduct has been previously authorized.
- (f) Whether the speech or conduct may be protected and outweighs any interest of the Department.

1027.7 TRAINING

Subject to available resources the Department should provide training regarding employee speech and the use of social networking to all members of the Department.

POST Licensing

1028.1 PURPOSE AND SCOPE

Maintaining a valid POST license is a critical element of an officer's ability to continue their employment and is their sole professional responsibility. Every officer is required to complete the continuing education requirements to maintain a valid license every three years (Minn. R. § 6700.0900).

1028.2 RENEWAL SCHEDULE

Any officer whose license expires is not authorized to work as a peace officer until the license status is valid. Officers renew their POST licenses according to the following schedule (Minn. R. 6700.1000):

- Last name starting with A-G will renew in 2007 and every third year thereafter.

Line-of-Duty Deaths

1030.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of the Brooklyn Center Police Department in the event of the death of a member occurring in the line of duty and to direct the Department in providing proper support for the member's survivors.

The Chief of Police may also apply some or all of this policy in situations where members are injured in the line of duty and the injuries are life-threatening.

1030.1.1 DEFINITIONS

Definitions related to this policy include:

Line-of-duty death - The death of a sworn member during the course of performing law enforcement-related functions while on- or off-duty, or a non-sworn member during the course of performing their assigned duties.

Survivors - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual's relationship with the member and whether the individual was previously designated by the deceased member.

1030.2 POLICY

It is the policy of the Brooklyn Center Police Department to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this department to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

1030.3 INITIAL ACTIONS BY COMMAND STAFF

- (a) Upon learning of a line-of-duty death, the deceased member's supervisor should provide all reasonably available information to the Shift Sergeant and Dispatch.
 1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Public Information Officer section of this policy).
- (b) The Shift Sergeant should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.
- (c) If the member has been transported to the hospital, the Shift Sergeant or the authorized designee should respond to the hospital to assume temporary responsibilities as the Hospital Liaison.

Brooklyn Center Police Department

Line-of-Duty Deaths

- (d) The Chief of Police or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve the temporary Hospital Liaison) and the Department Liaison as soon as practicable (see the Notifying Survivors section and the Department Liaison and Hospital Liaison subsections in this policy).

1030.4 NOTIFYING SURVIVORS

Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Chief of Police or the authorized designee should review the deceased member's emergency contact information and make accommodations to respect the member's wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member's wishes.

The Chief of Police, the Shift Sergeant or the authorized designee should select at least two members to conduct notification of survivors, one of which may be the Department Chaplain.

Notifying members should:

- (a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.
- (b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child's age, maturity and current location (e.g., small children at home, children in school).
- (c) Plan for concerns such as known health concerns of survivors or language barriers.
- (d) Offer to transport survivors to the hospital, if appropriate. Survivors should be transported in department vehicles. Notifying members shall inform the Hospital Liaison over a secure network that the survivors are on their way to the hospital and should remain at the hospital while the survivors are present.
- (e) When survivors are not at their residences or known places of employment, actively seek information and follow leads from neighbors, other law enforcement, postal authorities and other sources of information in order to accomplish notification in as timely a fashion as possible. Notifying members shall not disclose the reason for their contact other than a family emergency.
- (f) If making notification at a survivor's workplace, ask a workplace supervisor for the use of a quiet, private room to meet with the survivor. Members shall not inform the workplace supervisor of the purpose of their visit other than to indicate that it is a family emergency.
- (g) Offer to call other survivors, friends or clergy to support the survivors and to avoid leaving survivors alone after notification.
- (h) Assist the survivors with meeting childcare or other immediate needs.

Brooklyn Center Police Department

- (k) Provide their contact information to the survivors before departing.
- (l) Document the survivor's names and contact information, as well as the time and location of notification. This information should be forwarded to the Department Liaison.
- (m) Inform the Chief of Police or the authorized designee once survivor notifications have been made so that other Brooklyn Center Police Department members may be apprised that survivor notifications are complete.

1030.4.1 OUT-OF-AREA NOTIFICATIONS

The Department Liaison should request assistance from law enforcement agencies in appropriate jurisdictions for in-person notification to survivors who are out of the area.

- (a) The Department Liaison should contact the appropriate jurisdiction using a secure network and provide the assisting agency with the name and telephone number of the department member that the survivors can call for more information following the notification by the assisting agency.
- (b) The Department Liaison may assist in making transportation arrangements for the member's survivors, but will not obligate the Department to pay travel expenses without the authorization of the Chief of Police.

1030.5 NOTIFYING DEPARTMENT MEMBERS

Supervisors or members designated by the Chief of Police are responsible for notifying department members of the line-of-duty death as soon as possible after the survivor notification is made. Notifications and related information should be communicated in person or using secure networks and should not be transmitted over the radio.

Notifications should be made in person and as promptly as possible to all members on-duty at the time of the incident. Members reporting for subsequent shifts within a short amount of time should be notified in person at the beginning of their shift. Members reporting for duty from their residence should be instructed to contact their supervisor as soon as practicable. Those members who are working later shifts or are on days off should be notified by phone as soon as practicable.

Members having a close bond with the deceased member should be notified of the incident in person. Supervisors should consider assistance (e.g., peer support group, modifying work schedules, approving sick leave) for members who are especially affected by the incident.

Supervisors should direct members not to disclose any information outside the Department regarding the deceased member or the incident.

- The liaison should be an individual the survivors know and with whom they are comfortable working.
- If the survivors have no preference, the selection may be made from names recommended by the deceased member's supervisor and/or coworkers. The deceased member's partner or close friends may not be the best selections for this assignment because the emotional connection to the member or survivors may impair their ability to conduct adequate liaison duties.
- The liaison must be willing to assume the assignment with an understanding of the emotional and time demands involved.

The responsibilities of the Survivor Support Liaison include, but are not limited to:

- (a) Arranging for transportation of survivors to hospitals, places of worship, funeral homes and other locations, as appropriate.

 4. The return of some personal effects may be delayed due to ongoing investigations.

The Department recognizes that the duties of a Survivor Support Liaison will often affect regular assignments over many years, and is committed to supporting members in the assignment.

If needed, the Survivor Support Liaison should be issued a personal communication device (PCD) owned by the Department to facilitate communications necessary to the assignment. The department-issued PCD shall be used in accordance with the Personal Communication Devices Policy.

Seat Belts

1031.1 PURPOSE AND SCOPE

The use of seat belts and other safety restraints significantly reduces the chance of death or injury in case of a traffic collision. This policy establishes guidelines for seat belt and child safety seat use to promote maximum operator and passenger safety, thus reducing the possibility of death or injury as the result of a motor vehicle collision. This policy will apply to all employees operating or riding in Department vehicles or aircraft (Minn. Stat. § 169.686).

1031.1.1 DEFINITIONS

Definitions related to this policy include:

Child restraint system - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and Regulations set forth in 49 CFR 571.213 (Minn. Stat. § 169.685).

1031.2 WEARING OF SAFETY RESTRAINTS

All employees shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased, or rented by this department, while on- or off-duty, or in any privately owned vehicle while on-duty. The employee operating such a vehicle shall ensure that all other occupants, including non-employees, are also properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the member or the public. Employees must be prepared to justify any deviation from this requirement.

1031.2.1 TRANSPORTING CHILDREN

An approved child passenger safety seat system should be used for all children younger than 8 years of age and shorter than 4 feet 9 inches tall (Minn. Stat. § 169.685 Subd. 5 (b)).

However, if a child passenger restraint is not available, an officer may transport the child using the standard seat belt (Minn. Stat. § 169.685 Subd. 6 (a) (2)).

Rear seat passengers in a cage-equipped vehicle may have reduced clearance which requires careful seating and positioning of seat belts. Due to this reduced clearance, children and the child passenger safety seat system or booster seat should be secured properly in the front seat of these vehicles, provided this positioning meets the vehicle and the child passenger safety seat system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the passenger side air bag should be deactivated. If this is not possible, officers should consider arranging alternative transportation.

1031.3 TRANSPORTING PRISONERS

Working Out On Duty

1032.1 PURPOSE

Physical fitness is an essential part in the daily role of a law enforcement officer. Officers commonly encounter situations that can be physically and mentally demanding. Officers with improved physical fitness can more effectively handle these situations with a lessened likelihood of injury.

The Brooklyn Center Police Department encourages officers, and all law enforcement professionals, to maintain a high standard of physical fitness. Officers are afforded the opportunity to utilize a workout facility in order to improve and maintain their physical abilities. The benefits of maintaining high levels of physical fitness are plentiful; improved capability to perform specific physical tasks improved ability to mobilize the body efficiently, improved tolerance to fatigue, improved employee morale, reduced risk during physical tasks, better psychological preparation, reduction in sick time, improved productivity, improved performance, improved abilities off-duty and increased longevity after retirement.

This policy allows for all law enforcement employees employed by the City of Brooklyn Center within the police department, to be able to work out on duty, as approved by his/her supervisor within the guidelines outlined in this policy.

1032.2 POLICY

The Brooklyn Center Police Department will allow its employees to work out while on duty with the following guidelines:

When responding to a scene involving a sexual assault, officers shall follow standard incident response procedures. In addition, when interacting with victims, officers shall do the following:

- 1) Recognize that the victim experienced a traumatic incident and may not be willing or able to immediately assist with the criminal investigation.

- 2) The officer shall attempt to determine the location/jurisdiction where the assault took place.
- 3) Explain the reporting process including the roles of the first responder, investigator, and anyone else with whom the victim will likely interact during the course of the investigation.
- 4) Officers are encouraged to connect the victim with local victim advocates as soon as possible. Inform the victim that there are confidential victim advocates available to address any needs they might have and to support them through the criminal justice system process. Provide the victim with contact information for the local victim advocate. Upon victim request the officer can offer to contact local victim advocate on behalf of the victim.
- 5) Ask about and document signs and symptoms of injury, to include strangulation. Officers shall attempt to obtain a signed medical release from the victim.
- 6) Ensure that the victim knows they can go to a designated facility for a forensic medical exam. Offer to arrange for transportation for the victim.
- 7) Identify and attempt to interview potential witnesses to the sexual assault and/or anyone the victim told about the sexual assault.
- 8) Request preferred contact information for the victim for follow-up.

C. Victim Interviews

This agency recognizes that victims of sexual assault due to their age or physical, mental or emotional distress, are better served by utilizing trauma informed interviewing techniques and strategies. Such interview techniques and strategies eliminate the duplication of interviews and use a question and answer interviewing format with questioning nondirective as possible to elicit spontaneous responses.

In recognizing the need for non-traditional interviewing techniques for sexual assault victims, officers should consider the following:

- Offer to have a confidential victim advocate present (if possible) if the victim would benefit from additional support during the process
- Whenever possible, conduct victim interviews in person
- Make an effort to conduct the interview in a welcoming environment
- Let the victim share the details at their own pace
- Recognize victims of trauma may have difficulty remembering incidents in a linear fashion and may remember details in days and weeks following the assault
- After the initial interview, consider reaching out to the victim within a few days, after at least one sleep cycle to ask if they remember any additional details.

- Depending on the victim, additional interviews might be needed to gather additional information. Offer support from a victim advocate to the victim to help facilitate engagement with the investigative process and healing.
- Some victims do remember details vividly and might want to be interviewed immediately.
- During initial and subsequent victim interviews, officers should note the following information as victims share it, recognizing that a victim may not be able to recall all the details of the assault during a particular interview.
 - 1) Whether the suspect was known to the victim
 - 2) How long the victim knew the suspect
 - 3) The circumstances of their meeting and if there is any indication of the use of drugs or alcohol to facilitate the sexual assault
 - 4) The extent of their previous or current relationship
 - 5) Any behavioral changes that led the situation from one based on consent to one of submission, coercion, fear, or force
 - 6) Specific actions, statements, and/or thoughts of both victim and suspect immediately prior, during, and after assault
 - 7) Relevant communication through social media, email, text messages, or any other forms of communication

D. Special Considerations—Minors and Vulnerable Adults/Domestic Abuse Victims

1. Minors and Vulnerable Adults

This agency recognizes that certain victims, due to their age or a physical, mental, or emotional distress, are better served by utilizing interview techniques and strategies that eliminate the duplication of interviews and use a question and answer interviewing format with questioning as nondirective as possible to elicit spontaneous responses. Members of this agency will be alert for victims who would be best served by the use of these specialized interview techniques. Officers, in making this determination, should consider the victim's age, level of maturity, communication skills, intellectual capacity, emotional state, and any other observable factors that would indicate specialized interview techniques would be appropriate for a particular victim. When an officer determines that a victim requires the use of these specialized interview techniques, the officer should follow the guidance below.

- a. Officers responding to reports of sexual assaults involving these sensitive population groups shall limit their actions to the following:
 - (1) Ensuring the safety of the victim;
 - (2) Ensuring the scene is safe;
 - (3) Safeguarding evidence where appropriate;
 - (4) Collecting any information necessary to identify the suspect; and
 - (5) Addressing the immediate medical needs of individuals at the scene

- b. Initial responding officers should not attempt to interview the victim in these situations, but should instead attempt to obtain basic information and facts about the situation, including the jurisdiction where the incident occurred and that a crime most likely occurred. Officers should seek to obtain this information from parents, caregivers, the reporting party, or other adult witnesses, unless those individuals are believed to be the perpetrators.
- c. Officers responding to victims with special considerations must comply with the mandated reporting requirements of Minnesota Statute Section 260E.06 and 626.557, as applicable. Officers investigating cases involving victims with special considerations should coordinate these investigations with the appropriate local human services agency where required. Any victim or witness interviews conducted with individuals having special considerations must be audio and video recorded whenever possible. All other interviews must be audio recorded whenever possible.

Not all sexual assaults of minor victims require a mandatory report to social services. This policy recognizes that in certain cases, notifying and/or the involvement of a parent/guardian pursuant to 260E.22 can cause harm to the minor and/or impede the investigation. Officers responding to the sexual assault of a minor victim that does not trigger a mandated report under Minnesota Statute Section 260E.06 should assess for the impact on the victim and the investigation if parents/guardians were notified before making a decision to involve them.

- d. Officers should obtain necessary contact information for the victim's caregiver, guardian or parents and where the victim may be located at a later time. Officers should advise the victim and/or any accompanying adult(s), guardians or caregivers that an investigating officer will follow up with information on a forensic interview.
 - e. The officer should advise the victim's caregiver, guardian or parent that if the victim starts to talk about the incident they should listen to them but not question them as this may influence any future statements.
2. Victims of Domestic Abuse
Officers responding to a report of sexual assault committed against a family and household member must also follow the requirements and guidelines in this agency's domestic abuse policy and protocol, in addition to the guidelines in this policy.

E. Protecting Victim Rights

- 1) Confidentiality: Officers should explain to victims the limitations of confidentiality in a criminal investigation and that the victim's identifying information is not accessible to the public, as specified in Minn. Stat. section 13.82, subd. 17(b)
- 2) Crime Victim Rights: Officers must provide the following information to the victim:
 - a. Crime victim rights and resource information required to be provided to all victims as specified by Minn. Stat. section 611A.02, subd. 2(b)
 - b. If the suspect is a family or household member to the victim, crime victim rights and resource information required to be provided to domestic abuse victims, as specified by Minn. Stat. section 629.341, subd. 3.
 - c. The victim's right to be informed of the status of a sexual assault examination kit upon request as provided for under Minn. Stat. section 611A.27, subd. 1.
 - d. Pursuant to Minn. Stat. 611A.26, subd. 1, no law enforcement agency or prosecutor shall require that a complainant of a criminal sexual conduct or sex trafficking offense submit to a polygraph examination as part of or a condition to proceeding with the investigation, charging or prosecution of such offense.
- 3) Other information: Officers should provide to the victim the agency's crime report/ICR number, and contact information for the reporting officer and/or investigator or person handling the follow up.
- 4) Language access: All officers shall follow agency policy regarding limited English proficiency.

F. Evidence Collection

- 1) Considerations for Evidence Collection
Officers shall follow this agency's policy on crime scene response. In addition, officers may do the following:
 - a. Collect evidence regarding the environment in which the assault took place, including indications of isolation and soundproofing. The agency should consider utilizing their agency or county crime lab in obtaining or processing the scene where the assault took place. This should be in accordance to any/all other policies and procedures relating to evidence collections.
 - b. Document any evidence of threats or any communications made by the suspect, or made on behalf of the suspect, to include those made to individuals other than the victim.

- c. In situations where it is suspected that drugs or alcohol may have facilitated the assault, officers should assess the scene for evidence such as drinking glasses, alcohol bottles or cans, or other related items.
- d. If the victim has declined or a medical forensic exam will not be conducted, the officer should obtain victim consent and attempt to take photographs of visible physical injuries, including any healing or old injuries. Victim should be given directions about how to document any bruising or injury that becomes evidence later after these photographs are taken.

G. Sexual Assault Medical Forensic Examinations

- 1) Prior to the sexual assault medical forensic examination the investigating officer should do the following:
 - a. Ensure the victim understands the purpose of the sexual assault medical forensic exam and its importance to both their general health and wellness and to the investigation. Offer assurance to the victim that they will not incur any out-of-pocket expenses for forensic medical exams and provide information about evidence collection, storage and preservation in sexual assault cases.
 - b. Provide the victim with general information about the procedure, and encourage them to seek further detail and guidance from the forensic examiner, health care professional, or a victim advocate. Officers and investigators cannot deny a victim the opportunity to have an exam.
 - c. Officers should be aware and if necessary, relay to victims who do not want to undergo an exam that there might be additional treatments or medications they are entitled to even if they do not want to have an exam done or have evidence collected. Victims can seek that information from a health care provider or a victim advocate. If possible, transport or arrange transportation for the victim to the designated medical facility.
 - d. Ask the victim for a signed release for access to medical records from the exam.
- 2) Officers should not be present during any part of the exam, including during the medical history.
- 3) Following the exam, evidence collected during the exam shall be handled according to the requirements of agency policy and Minnesota Statute 299C.106.

H. Contacting and Interviewing Suspects

Prior to contacting the suspect, officers should consider the following:

- 1) Conduct a background and criminal history check specifically looking for accusations, criminal charges, and convictions for interconnected crimes, especially crimes involving violence.
- 2) Consider conducting a pretext or confrontational call or messaging depending on jurisdictional statutes. Involvement of a victim should be based on strong

consideration of the victim's emotional and physical state. A victim advocate should be present whenever possible to offer support.

- 3) When possible, an attempt would be made to interview the suspect in person.
- 4) In situations where suspects do not deny that a sexual act occurred, but rather assert that it was with the consent of the victim, officers should do the following:
 - a. Collect evidence of past communication, including but not limited to all relevant interaction (including social media) between the suspect and victim.
 - b. Identify events that transpired prior to, during, and after the assault in an effort to locate additional witnesses and physical locations that might lead to additional evidence.
- 5) For sexual assaults involving strangers, officers should focus investigative efforts on the collection of video, DNA, and other trace evidence used for analysis to identify the perpetrator (handle evidence collection per agency policy).

I. Forensic Examination and/or the Collection of Evidence from the Suspect

Note: A suspect's forensic examination and/or the collection of evidence from a suspect may be done by either an investigating officer/investigator, Forensic Medical Examiner, or the agency/county crime lab personnel.

- 1) Prior to or immediately after the preliminary suspect interview, photograph any injuries.
- 2) Determine whether a sexual assault medical forensic examination should be conducted.
- 3) Ask for the suspect's consent to collect evidence from their body and clothing. However, officers/investigators should consider obtaining a search warrant, with specific details about what evidence will be collected, and should be prepared in advance to eliminate the opportunity for the suspect to destroy or alter evidence if consent is denied.
- 4) During the suspect's sexual assault medical forensic examination, the investigator, evidence technician, or forensic examiner should do the following:
 - a. Strongly consider penile swabbing, pubic hair combings, and collection of other potential DNA evidence;
 - b. Collect biological and trace evidence from the suspect's body;
 - c. Document information about the suspect's clothing, appearance, scars, tattoos, piercings, and other identifiable marks;
 - d. Seize all clothing worn by the suspect during the assault, particularly any clothing touching the genital area;
 - e. Document the suspect's relevant medical condition and injuries.

J. Role of the Supervisor

Supervisors may do the following:

- 1) Assist officers investigating incidents of sexual assault when possible or if requested by an officer.
- 2) Provide guidance and direction as needed.
- 3) Review sexual assault reports to ensure that necessary steps were taken during initial response and investigations.

K. Case Review/Case Summary

A supervisor should ensure cases are reviewed on an on-going basis. The review process should include an analysis of:

- 1) Case dispositions
- 2) Decisions to collect evidence
- 3) Submissions of evidence for lab testing
- 4) Interviewing decisions

III. PROCEDURES

A. Initial Suitability Determination

An initial suitability determination must be conducted on any individual being considered for a role as a CI. The initial suitability determination includes the following:

1. An officer requesting use of an individual as a CI must complete an Initial Suitability Report. The report must be submitted to the appropriate individual or entity, as determined by the agency chief executive, to review for potential selection as a CI. The report must include sufficient detail regarding the risks and benefits of using the individual so that a sound determination can be made. The following information must be addressed in the report, where applicable:
 - a. Age, sex, and residence
 - b. Employment status or occupation
 - c. Affiliation with legitimate businesses and illegal or suspicious enterprises
 - d. Extent to which potential information, associations, or other assistance could benefit a present or future investigation
 - e. Relationship with the target of an investigation
 - f. Motivation in providing information or assistance
 - g. Risk of adversely affecting an existing or future investigation
 - h. Extent to which provided information can be corroborated
 - i. Prior record as a witness
 - j. Criminal history, to include whether he or she is the subject of a pending investigation, is under arrest, or has been charged with a crime
 - k. Risk to the public or as a flight risk
 - l. Consultation with the individual's probation, parole, or supervised release agent, if any
 - m. Consideration and documentation of the individual's diagnosis of mental illness, substance use disorder, traumatic brain injury, or disability; and consideration and documentation of the individual's history of mental illness, substance use disorder, traumatic brain injury or disability
 - n. Relationship to anyone in law enforcement
 - o. Risk of physical harm to the potential CI or their immediate family or relatives for cooperating with law enforcement
 - p. Prior or current service as a CI with this or another law enforcement organization
2. Prior to an individual's use as a CI, a supervisor or other designated authority must review the Initial Suitability Report and determine if the individual is authorized to serve as a CI.
3. Any prospective or current CI must be excluded from engaging in a controlled buy or sale of a controlled substance if the prospective or current CI:
 - a. is receiving in-patient treatment or partial-hospitalization treatment administered by a licensed service provider for a substance use disorder or mental illness; or
 - b. is participating in a treatment-based drug court program or treatment court; except that
 - c. the prospective or current CI may provide confidential information while receiving treatment, participating in a treatment-based drug court program or treatment court.

4. Documentation and special consideration must be made of the risks involved in engaging a prospective or current CI in the controlled buy or sale of a controlled substance if the individual is known, or has reported, to have experienced a drug overdose in the previous 12 months.
5. Any prospective or current CI who is known to abuse substances, or is at risk for abusing substances, should be provided referral to prevention or treatment services.
6. Any prospective or current CI that has a physical or mental illness that impairs the ability of the individual to understand instructions and make informed decisions should be referred to a mental health professional or other appropriate medical professional, or a case manager/social worker from the county social services agency, or other substance abuse and mental health services.
7. Each CI's suitability must be reviewed every 6 months, at a minimum, during which time the CI's overseeing agent must submit a Continuing Suitability Report addressing the foregoing issues in III.A.1.a-p, and III.A.3-6, where applicable. An initial suitability determination must be conducted on a reactivated CI regardless of the length of inactivity.
8. Any information that may negatively affect a CI's suitability during the course of their use must be documented in the CI's file and forwarded to the appropriate authorized personnel as soon as possible.
9. Supervisors must review informant files regularly with the overseeing agent and must attend debriefings of CIs periodically as part of the informant management process. If a CI is active for more than 12 months, a supervisory meeting with the CI must be conducted without the overseeing agent.
10. CI contracts must be terminated, and the CI file placed in inactive status when the CI has not been utilized for 6 months or more.

B. Exigent Confidential Informants

1. Certain circumstance arise when an individual who has been arrested is willing to immediately cooperate and perform investigative activities under the direction of an overseeing agent. In these circumstances, the initial suitability determination can be deferred and an individual may be utilized as a CI for a period not to exceed 12 hours from the time of arrest if:
 - a. The individual is not excluded from utilization as a CI under III.A(3)(a-c) of this policy; and
 - b. There is compelling public interest or exigent circumstances exist that demand immediate utilization of the individual as a CI and any delay would significantly and negatively affect any investigation; and
 - c. A supervisor has reviewed and approved the individual for utilization as a CI under these circumstances.
2. Upon the conclusion of the 12-hour window, or at any time before, an initial suitability determination must be conducted before the individual engages in any further CI activities.

C. Special CI Approval Requirements

Certain individuals who are being considered for use as a CI require special review and approval. In all instances, the agency's chief executive or their designee and the office of the prosecutor or county attorney should be consulted prior to the use of these individuals as CIs. These individuals include the following:

1. Juveniles
 - a. Use of a juvenile under the age of 18 for participating in a controlled buy or sale of a controlled substance or contraband may be undertaken only with the written authorization of the individual's parent(s) or guardian(s), except that the juvenile informant may provide confidential information.

- b. Authorization for such use should be granted only when a compelling public interest can be demonstrated, *except that*
 - c. Juveniles under the guardianship of the State may not be used as a CI.
2. Individuals obligated by legal privilege of confidentiality.
 3. Government officials.

D. General Guidelines for Overseeing CIs

General guidelines for overseeing CIs are as follows:

1. CIs must be treated as assets of the agency, not the individual overseeing agent.
2. No promises or guarantees of preferential treatment within the criminal justice system will be made to any informant without prior approval from the prosecuting authority.
3. CIs must not be used without authorization of the agency through procedures identified in this policy.
4. CIs must not be used to gather information purely of a political nature or for other information-gathering efforts that are not connected with a criminal investigation.
5. Under no circumstances must an informant be allowed access to restricted areas or investigators' work areas within a law enforcement agency.
6. All CIs must sign and abide by the provisions of the agency's CI agreement.
7. Any physical or mental illness that impairs the CI's ability to knowingly contract or otherwise protect the informant's self-interest must be taken into consideration before the CI signs the agreement.
8. The CI's overseeing agent must discuss each of the provisions of the agreement with the CI, with particular emphasis on the following:
 - a. CIs may voluntarily initiate deactivation, whereupon the protocols outlined in section E of this policy must be followed.
 - b. CIs are not law enforcement officers. They have no arrest powers, are not permitted to conduct searches and seizures, and may not carry a weapon while performing activities as a CI.
 - c. CIs found engaging in any illegal activity beyond what is authorized by the agency and conducted while under the supervision of an overseeing agent, will be subject to prosecution.
 - d. CIs are prohibited from engaging in actions or activities that could be deemed entrapment. The meaning of the term and implications of such actions must be explained to each CI.
 - e. CIs are prohibited from engaging in self-initiated information or intelligence gathering without agency direction and approval. The CI must not take any actions in furtherance of an investigation without receiving specific instruction(s) from the overseeing agent or agency.
 - f. Every reasonable effort will be taken to ensure the confidentiality of the CI but, upon judicial order, he or she may be required to testify in open court.
 - g. CIs may be directed to wear a listening and recording device.
 - h. CIs must be required to submit to a search before and after a controlled purchase.

- i. CIs who participate in unplanned or unanticipated activities or meet with a subject(s) under investigation in a location outside of the jurisdictional boundary of the handling agency must promptly report that activity or meeting to their overseeing agents.
9. CI activity outside jurisdictional boundaries:
 - a. Investigators handling CIs who engage in operational activity in locations outside the jurisdictional boundaries of the agency must coordinate with counterparts in law enforcement agencies that have jurisdiction in that location where the CI will operate before any activity occurs, or in a timely manner after unanticipated activity occurs and is brought to the attention of the overseeing agent.
 - b. Any decision to defer or delay notice to or coordinate with an outside agency having jurisdiction in the area where a CI has or may operate must be documented, reviewed, and approved by the agency's chief executive or their designee.
10. Officers must take the utmost care to avoid conveying any confidential investigative information to a CI, such as the identity of other CIs, surveillance activities, or search warrants, other than what is necessary and appropriate for operational purposes.
11. No member of this agency must knowingly maintain a social relationship with a CI, or otherwise become personally involved with a CI beyond actions required in the performance of duty.
12. Members of this agency must not solicit, accept gratuities from, or engage in any private business transaction with a CI.
13. Meetings with a CI must be conducted in private with another officer or agent present and with at least one officer or agent of the same sex, except when not practical. The meeting location should minimize the potential for discovery of the informant's cooperation and provide sufficient space to complete necessary administrative duties. The meetings must be documented and subsequently entered into the individual's CI file.
14. Overseeing agents must develop and follow a communications strategy and plan with the CI that minimizes, to the greatest extent possible, the risk of discovery or compromise of the relationship between the agency and the CI. This plan should also aim to prevent the detection, compromise, or interception of communications between the overseeing agent and the CI.
15. Procedures must be instituted to assist CIs with concealing their identity and maintaining their safety. Care should be given not to expose CIs to unnecessary safety risks.
16. Preceding or following every buy or sale of controlled substances, overseeing agents must screen the CI for any personal safety or mental health concerns, risk of substance abuse, and/or potential relapse in any substance abuse recovery.
 - a. At the request of the CI, or if the overseeing agent deems it necessary, reasonable efforts should be taken to provide the CI with referral to substance abuse and/or mental health services.
 - b. Overseeing agents must document:
 - i. the screening,
 - ii. any referral to services provided to, or requested by, the CI, and
 - iii. any refusal by the CI to participate in the screening and/or any refusal by the CI to accept referral to services. Reasons for the CI's refusal must be documented, where applicable.
 - c. No part of this subsection supersedes MN Stat. 253B.05, sub.2.

17. Reasonable protective measures must be provided for a CI when any member of this agency knows or should have known of a risk or threat of harm to a person serving as a CI and the risk or threat of harm is a result of the informant's service to this agency.
18. Overseeing agents must:
 - a. evaluate and document the criminal history and propensity for violence of target offenders; and
 - b. to the extent allowed, provide this information to the CI if there is a reasonable risk or threat of harm to the CI as a result of the CI's interaction with the target offender.
19. Reasonable efforts and precautions must be made to help protect the identity of a CI during the time the person is acting as an informant.
20. Whenever possible, officers must corroborate information provided by a CI and document efforts to do so.
21. The name of a CI must not be included in an affidavit for a warrant unless judicial authority is obtained to seal the document from the public record or the CI is a subject of the investigation upon which the affidavit is based.
22. Overseeing agents are responsible for ensuring that information of potential value to other elements of the agency is provided promptly to authorized supervisory personnel and/or other law enforcement agencies as appropriate.
23. Individuals leaving employment with the agency have a continuing obligation to maintain as confidential the identity of any CI and the information he or she provided unless obligated to reveal such identity or information by law or court order.

E. Establishment of an Informant File System

An informant file system must be established as follows:

1. The agency chief executive must designate a file supervisor who must be responsible for developing and maintaining master CI files and an indexing system.
2. A file must be maintained on each CI deemed suitable by the agency.
3. An additional Unreliable Informant File must be established for CIs deemed unsuitable during initial suitability determinations or at a later time.
4. Each file must be coded with an assigned informant control number for identification within the indexing system and must include the following information, where applicable:
 - a. Name, aliases, and date of birth

 - 6. The file supervisor must ensure that information concerning CIs is strictly controlled and distributed only to officers and other authorities who have a need and a right to such information.
 - 7. CI File Review
 - a. Sworn personnel may review an individual's CI file only upon the approval of the agency's chief executive or their designee.

 - f. No portion of an individual's CI file must be entered into any other electronic or related database without controls sufficient to exclude access to all but authorized personnel with a need and a right to know.

F. Deactivation of Confidential Informants

A CI deactivation procedure must be established as follows:

- 1. The overseeing agent must complete a deactivation form that includes, at minimum, the following:

G. Monetary Payments

Monetary payments must be managed as follows:

1. All monetary compensation paid to CIs must be commensurate with the value of the information or assistance provided to the agency.
2. All CI payments must be approved in advance by the officer in charge of confidential funds.
3. Officers must provide accounting of monies received and documentation for confidential funds expended. Any documentation of monies paid or received should not contain the true identity of the informant but should use the CI's control number.
4. Two officers must be present when making payments or providing funds to CIs.
5. The appropriate individual, as designated by the agency's chief executive, must ensure that the process for authorization, disbursement, and documentation of CI payments, as well as the accounting and reconciliation of confidential funds, is consistent with agency policy.
6. If a CI is authorized to work with another law enforcement or prosecutorial agency, financial payments must be coordinated between the agencies in a manner that is proportionate to the assistance rendered to each agency and consistent with provision III.F.1. of this policy.
7. Written records of receipts are retained, or justification for the exception is documented when a written receipt is not available.

Model Sexual Assault Investigation Policy 02.16.21.pdf

I. PURPOSE

The purpose of this policy is to provide employees with guidelines for responding to reports of sexual assault. This agency will strive:

- a) To afford maximum protection and support to victims of sexual assault or abuse through a coordinated program of law enforcement and available victim services with an emphasis on a victim centered approach;
- b) To reaffirm peace officers' authority and responsibility to conducting thorough preliminary and follow up investigations and to make arrest decisions in accordance with established probable cause standards;
- c) To increase the opportunity for prosecution and victim services.

II. POLICY

It is the policy of the _____ (law enforcement agency) to recognize sexual assault as a serious problem in society and to protect victims of sexual assault by ensuring its peace officers understand the laws governing this area. Sexual assault crimes are under-reported to law enforcement and the goal of this policy is in part to improve victim experience in reporting so that more people are encouraged to report.

All employees should take a professional, victim-centered approach to sexual assaults, protectively investigate these crimes, and coordinate with prosecution in a manner that helps restore the victim's dignity and autonomy. While doing so, it shall be this agency's goal to decrease the victim's distress, increase the victim's understanding of the criminal justice system and process, and promote public safety.

Peace officers will utilize this policy in response to sexual assault reported to this agency. This agency will aggressively enforce the laws without bias and prejudice based on race, marital status, sexual orientation, economic status, age, disability, gender, religion, creed, or national origin.

IV. PROCEDURES

A. Communications Personnel Response/Additional Actions by Responding Officers

Communications personnel and/or law enforcement officers should inform the victim of ways to ensure critical evidence is not lost, to include the following:

- 1) Suggest that the victim not bathe, or clean him or herself if the assault took place recently.
- 2) Recommend that if a victim needs to relieve themselves, they should collect urine in a clean jar for testing, and should avoid wiping after urination.
- 3) Asking the victim to collect any clothing worn during or after the assault and if possible, place in a paper bag, instructing the victim not to wash the clothing (per department policy).
- 4) Reassure the victim that other evidence may still be identified and recovered even if they have bathed or made other physical changes.

B. Initial Officer Response

When responding to a scene involving a sexual assault, officers shall follow standard incident response procedures. In addition, when interacting with victims, officers shall do the following:

- 1) Recognize that the victim experienced a traumatic incident and may not be willing or able to immediately assist with the criminal investigation.

- 2) The officer shall attempt to determine the location/jurisdiction where the assault took place.
- 3) Explain the reporting process including the roles of the first responder, investigator, and anyone else with whom the victim will likely interact during the course of the investigation.
- 4) Officers are encouraged to connect the victim with local victim advocates as soon as possible. Inform the victim that there are confidential victim advocates available to address any needs they might have and to support them through the criminal justice system process. Provide the victim with contact information for the local victim advocate. Upon victim request the officer can offer to contact local victim advocate on behalf of the victim.
- 5) Ask about and document signs and symptoms of injury, to include strangulation. Officers shall attempt to obtain a signed medical release from the victim.
- 6) Ensure that the victim knows they can go to a designated facility for a forensic medical exam. Offer to arrange for transportation for the victim.
- 7) Identify and attempt to interview potential witnesses to the sexual assault and/or anyone the victim told about the sexual assault.
- 8) Request preferred contact information for the victim for follow-up.

C. Victim Interviews

This agency recognizes that victims of sexual assault due to their age or physical, mental or emotional distress, are better served by utilizing trauma informed interviewing techniques and strategies. Such interview techniques and strategies eliminate the duplication of interviews and use a question and answer interviewing format with questioning nondirective as possible to elicit spontaneous responses.

In recognizing the need for non-traditional interviewing techniques for sexual assault victims, officers should consider the following:

- Offer to have a confidential victim advocate present (if possible) if the victim would benefit from additional support during the process
- Whenever possible, conduct victim interviews in person
- Make an effort to conduct the interview in a welcoming environment
- Let the victim share the details at their own pace
- Recognize victims of trauma may have difficulty remembering incidents in a linear fashion and may remember details in days and weeks following the assault
- After the initial interview, consider reaching out to the victim within a few days, after at least one sleep cycle to ask if they remember any additional details.

- Depending on the victim, additional interviews might be needed to gather additional information. Offer support from a victim advocate to the victim to help facilitate engagement with the investigative process and healing.
- Some victims do remember details vividly and might want to be interviewed immediately.
- During initial and subsequent victim interviews, officers should note the following information as victims share it, recognizing that a victim may not be able to recall all the details of the assault during a particular interview.
 - 1) Whether the suspect was known to the victim
 - 2) How long the victim knew the suspect
 - 3) The circumstances of their meeting and if there is any indication of the use of drugs or alcohol to facilitate the sexual assault
 - 4) The extent of their previous or current relationship
 - 5) Any behavioral changes that led the situation from one based on consent to one of submission, coercion, fear, or force
 - 6) Specific actions, statements, and/or thoughts of both victim and suspect immediately prior, during, and after assault
 - 7) Relevant communication through social media, email, text messages, or any other forms of communication

D. Special Considerations—Minors and Vulnerable Adults/Domestic Abuse Victims

1. Minors and Vulnerable Adults

This agency recognizes that certain victims, due to their age or a physical, mental, or emotional distress, are better served by utilizing interview techniques and strategies that eliminate the duplication of interviews and use a question and answer interviewing format with questioning as nondirective as possible to elicit spontaneous responses. Members of this agency will be alert for victims who would be best served by the use of these specialized interview techniques. Officers, in making this determination, should consider the victim's age, level of maturity, communication skills, intellectual capacity, emotional state, and any other observable factors that would indicate specialized interview techniques would be appropriate for a particular victim. When an officer determines that a victim requires the use of these specialized interview techniques, the officer should follow the guidance below.

- a. Officers responding to reports of sexual assaults involving these sensitive population groups shall limit their actions to the following:
 - (1) Ensuring the safety of the victim;
 - (2) Ensuring the scene is safe;
 - (3) Safeguarding evidence where appropriate;
 - (4) Collecting any information necessary to identify the suspect; and
 - (5) Addressing the immediate medical needs of individuals at the scene

- b. Initial responding officers should not attempt to interview the victim in these situations, but should instead attempt to obtain basic information and facts about the situation, including the jurisdiction where the incident occurred and that a crime most likely occurred. Officers should seek to obtain this information from parents, caregivers, the reporting party, or other adult witnesses, unless those individuals are believed to be the perpetrators.
- c. Officers responding to victims with special considerations must comply with the mandated reporting requirements of Minnesota Statute Section 260E.06 and 626.557, as applicable. Officers investigating cases involving victims with special considerations should coordinate these investigations with the appropriate local human services agency where required. Any victim or witness interviews conducted with individuals having special considerations must be audio and video recorded whenever possible. All other interviews must be audio recorded whenever possible.

Not all sexual assaults of minor victims require a mandatory report to social services. This policy recognizes that in certain cases, notifying and/or the involvement of a parent/guardian can cause harm to the minor and/or impede the investigation. Officers responding to the sexual assault of a minor victim that does not trigger a mandated report under Minnesota Statute Section 260E.22 should assess for the impact on the victim and the investigation if parents/guardians were notified before making a decision to involve them.

- d. Officers should obtain necessary contact information for the victim's caregiver, guardian or parents and where the victim may be located at a later time. Officers should advise the victim and/or any accompanying adult(s), guardians or caregivers that an investigating officer will follow up with information on a forensic interview.
 - e. The officer should advise the victim's caregiver, guardian or parent that if the victim starts to talk about the incident they should listen to them but not question them as this may influence any future statements.
2. Victims of Domestic Abuse
- Officers responding to a report of sexual assault committed against a family and household member must also follow the requirements and guidelines in this agency's domestic abuse policy and protocol, in addition to the guidelines in this policy.

E. Protecting Victim Rights

- 1) Confidentiality: Officers should explain to victims the limitations of confidentiality in a criminal investigation and that the victim's identifying information is not accessible to the public, as specified in Minn. Stat. section 13.82, subd. 17(b)
- 2) Crime Victim Rights: Officers must provide the following information to the victim:
 - a. Crime victim rights and resource information required to be provided to all victims as specified by Minn. Stat. section 611A.02, subd. 2(b)
 - b. If the suspect is a family or household member to the victim, crime victim rights and resource information required to be provided to domestic abuse victims, as specified by Minn. Stat. section 629.341, subd. 3.
 - c. The victim's right to be informed of the status of a sexual assault examination kit upon request as provided for under Minn. Stat. section 611A.27, subd. 1.
 - d. Pursuant to Minn. Stat. 611A.26, subd. 1, no law enforcement agency or prosecutor shall require that a complainant of a criminal sexual conduct or sex trafficking offense submit to a polygraph examination as part of or a condition to proceeding with the investigation, charging or prosecution of such offense.
- 3) Other information: Officers should provide to the victim the agency's crime report/ICR number, and contact information for the reporting officer and/or investigator or person handling the follow up.
- 4) Language access: All officers shall follow agency policy regarding limited English proficiency.

F. Evidence Collection

- 1) Considerations for Evidence Collection

Officers shall follow this agency's policy on crime scene response. In addition, officers may do the following:

 - a. Collect evidence regarding the environment in which the assault took place, including indications of isolation and soundproofing. The agency should consider utilizing their agency or county crime lab in obtaining or processing the scene where the assault took place. This should be in accordance to any/all other policies and procedures relating to evidence collections.
 - b. Document any evidence of threats or any communications made by the suspect, or made on behalf of the suspect, to include those made to individuals other than the victim.

- c. In situations where it is suspected that drugs or alcohol may have facilitated the assault, officers should assess the scene for evidence such as drinking glasses, alcohol bottles or cans, or other related items.
- d. If the victim has declined or a medical forensic exam will not be conducted, the officer should obtain victim consent and attempt to take photographs of visible physical injuries, including any healing or old injuries. Victim should be given directions about how to document any bruising or injury that becomes evidence later after these photographs are taken.

G. Sexual Assault Medical Forensic Examinations

- 1) Prior to the sexual assault medical forensic examination the investigating officer should do the following:
 - a. Ensure the victim understands the purpose of the sexual assault medical forensic exam and its importance to both their general health and wellness and to the investigation. Offer assurance to the victim that they will not incur any out-of-pocket expenses for forensic medical exams and provide information about evidence collection, storage and preservation in sexual assault cases.
 - b. Provide the victim with general information about the procedure, and encourage them to seek further detail and guidance from the forensic examiner, health care professional, or a victim advocate. Officers and investigators cannot deny a victim the opportunity to have an exam.
 - c. Officers should be aware and if necessary, relay to victims who do not want to undergo an exam that there might be additional treatments or medications they are entitled to even if they do not want to have an exam done or have evidence collected. Victims can seek that information from a health care provider or a victim advocate. If possible, transport or arrange transportation for the victim to the designated medical facility.
 - d. Ask the victim for a signed release for access to medical records from the exam.
- 2) Officers should not be present during any part of the exam, including during the medical history.
- 3) Following the exam, evidence collected during the exam shall be handled according to the requirements of agency policy and Minnesota Statute 299C.106.

H. Contacting and Interviewing Suspects

Prior to contacting the suspect, officers should consider the following:

- 1) Conduct a background and criminal history check specifically looking for accusations, criminal charges, and convictions for interconnected crimes, especially crimes involving violence.

- 2) Consider conducting a pretext or confrontational call or messaging depending on jurisdictional statutes. Involvement of a victim should be based on strong consideration of the victim's emotional and physical state. A victim advocate should be present whenever possible to offer support.
- 3) When possible, an attempt would be made to interview the suspect in person.
- 4) In situations where suspects do not deny that a sexual act occurred, but rather assert that it was with the consent of the victim, officers should do the following:
 - a. Collect evidence of past communication, including but not limited to all relevant interaction (including social media) between the suspect and victim.
 - b. Identify events that transpired prior to, during, and after the assault in an effort to locate additional witnesses and physical locations that might lead to additional evidence.
- 5) For sexual assaults involving strangers, officers should focus investigative efforts on the collection of video, DNA, and other trace evidence used for analysis to identify the perpetrator (handle evidence collection per agency policy).

I. Forensic Examination and/or the Collection of Evidence from the Suspect

Note: A suspect's forensic examination and/or the collection of evidence from a suspect may be done by either an investigating officer/investigator, Forensic Medical Examiner, or the agency/county crime lab personnel.

- 1) Prior to or immediately after the preliminary suspect interview, photograph any injuries.
- 2) Determine whether a sexual assault medical forensic examination should be conducted.
- 3) Ask for the suspect's consent to collect evidence from their body and clothing. However, officers/investigators should consider obtaining a search warrant, with specific details about what evidence will be collected, and should be prepared in advance to eliminate the opportunity for the suspect to destroy or alter evidence if consent is denied.
- 4) During the suspect's sexual assault medical forensic examination, the investigator, evidence technician, or forensic examiner should do the following:
 - a. Strongly consider penile swabbing, pubic hair combings, and collection of other potential DNA evidence;
 - b. Collect biological and trace evidence from the suspect's body;
 - c. Document information about the suspect's clothing, appearance, scars, tattoos, piercings, and other identifiable marks;
 - d. Seize all clothing worn by the suspect during the assault, particularly any clothing touching the genital area;
 - e. Document the suspect's relevant medical condition and injuries.

J. Role of the Supervisor

Supervisors may do the following:

- 1) Assist officers investigating incidents of sexual assault when possible or if requested by an officer.
- 2) Provide guidance and direction as needed.
- 3) Review sexual assault reports to ensure that necessary steps were taken during initial response and investigations.

K. Case Review/Case Summary

A supervisor should ensure cases are reviewed on an on-going basis. The review process should include an analysis of:

- 1) Case dispositions
- 2) Decisions to collect evidence
- 3) Submissions of evidence for lab testing
- 4) Interviewing decisions

Eyewitness Identification Procedures Model Policy.pdf

EYEWITNESS IDENTIFICATION PROCEDURES MODEL POLICY

Minn. Stat. 626.8433

POLICY:

Officers shall adhere to the procedures for conducting eyewitness identifications set forth in this policy, in order to maximize the reliability of identifications, minimize erroneous identifications, and gather evidence that conforms to contemporary eyewitness identification protocols. Photo arrays and line-ups will be conducted by displaying the suspect and fillers sequentially using a blind or blinded administration.

Purpose:

It is the purpose of this policy to establish guidelines for eyewitness identification procedures involving show-ups, photo arrays, and line-ups. Erroneous eyewitness identifications have been cited as the factor most frequently associated with wrongful convictions. Therefore, in addition to eyewitness identification, all appropriate investigative steps and methods should be employed to uncover evidence that either supports or eliminates the suspect identification.

Definitions:

Show-up: The presentation of a suspect to an eyewitness within a short time frame following the commission of a crime to either confirm or eliminate him or her as a possible perpetrator. Show-ups, sometimes referred to as field identifications, are conducted in a contemporaneous time frame and proximity to the crime.

Line-up: The process of presenting live individuals to an eyewitness for the purpose of identifying or eliminating suspects.

Photo Array: A means of presenting photographs to an eyewitness for the purpose of identifying or eliminating suspects.

Administrator: The law enforcement official conducting the identification procedure.

Blinded Presentation: The administrator may know the identity of the suspect, but does not know which photo array member is being viewed by the eyewitness at any given time.

Confidence Statement: A statement in the witness's own words taken immediately after an identification is made stating his or her level of certainty in the identification.

Filler: A live person, or a photograph of a person, included in an identification procedure who is not considered a suspect.

Sequential: Presentation of a series of photographs or individuals to a witness one at a time.

Simultaneous: Presentation of a series of photographs or individuals to a witness all at once.

Procedure:

1. Show-ups

The use of show-ups should be avoided whenever possible in preference to the use of a lineup or photo array procedure. However, when circumstances require the prompt presentation of a suspect to a witness, the following guidelines shall be followed to minimize potential suggestiveness and increase reliability.

- a. Document the witness's description of the perpetrator prior to conducting the show up.
- b. Conduct a show-up only when the suspect is detained within a reasonably time frame after the commission of the offense and within a close physical proximity to the location of the crime.
- c. Do not use a show-up procedure if probable cause to arrest the suspect has already been established.
- d. If possible, avoid conducting a show-up when the suspect is in a patrol car, handcuffed, or physically restrained by officers, unless safety concerns make this impractical.
- e. Caution the witness that the person he or she is about to see may or may not be the perpetrator—and it is equally important to clear an innocent person. The witness should also be advised that the investigation will continue regardless of the outcome of the show-up.
- f. Do not conduct the show-up with more than one witness present at a time.
- g. Separate witnesses and do not allow communication between them before or after conducting a show-up.
- h. If one witness identifies the suspect, use a line-up or photo array for remaining witnesses.
- i. Do not present the same suspect to the same witness more than once.

- j. Do not require show-up suspects to put on clothing worn by, speak words uttered by, or perform other actions of the perpetrator.
- k. Officers should scrupulously avoid words or conduct of any type that may suggest to the witness that the individual is or may be the perpetrator.
- l. Ask the witness to provide a confidence statement.
- m. Remind the witness not to talk about the show-up to other witnesses until police or prosecutors deem it permissible.
- n. Videotape the identification process using an in-car camera or other recording device when feasible.
- o. Document the time and location of the show-up, the officers present, the result of the procedure, and any other relevant information.

Line-up and Photo Array Procedures

2. Basic Procedures for Conducting a Line-up or Photo Array

- a. Line-ups will not typically be utilized for investigations, unless conducting a photo array is not possible.
- b. Whenever possible, a blind presentation shall be utilized. In cases where a blind presentation is not feasible for a photo array, a blinded presentation should be used. Live line-ups must be conducted using a blind presentation.
- c. The line-up or photo array should consist of a minimum of six individuals or photographs. Use a minimum of five fillers and only one suspect.
- d. Fillers should be reasonably similar in age, height, weight, and general appearance and be of the same sex and race, in accordance with the witness's description of the offender.
- e. Avoid the use of fillers who so closely resemble the suspect that a person familiar with the suspect might find it difficult to distinguish the suspect from the fillers.
- f. Create a consistent appearance between the suspect and the fillers with respect to any unique or unusual feature (e.g., scars, tattoos, facial hair) used to describe the perpetrator by artificially adding or concealing that feature on the fillers.
- g. If there is more than one suspect, include only one in each line-up or photo array.

- h. During a blind presentation, no one who is aware of the suspect's identity should be present during the administration of the photo array. However, during a line-up, the suspect's attorney should be present.
- i. Place suspects in different positions in each line-up or photo array, both across cases and with multiple witnesses in the same case.
- j. Witnesses should not be permitted to see or be shown any photos of the suspect prior to the line-up or photo array.
- k. The witness shall be given a copy of the following instructions prior to viewing the line-up or photo array and the administrator shall read the instructions aloud before the identification procedure.

You will be asked to look at a series of individuals.

The perpetrator may or may not be present in the identification procedure.

It is just as important to clear innocent persons from suspicion as it is to identify guilty parties.

I don't know whether the person being investigated is included in this series.

Sometimes a person may look different in a photograph than in real life because of different hair styles, facial hair, glasses, a hat or other changes in appearance. Keep in mind that how a photograph was taken or developed may make a person's complexion look lighter or darker than in real life.

You should not feel that you have to make an identification. If you do identify someone, I will ask you to describe in your own words how certain you are.

The individuals are not configured in any particular order.

If you make an identification, I will continue to show you the remaining individuals or photos in the series.

Regardless of whether you make an identification, we will continue to investigate the incident.

Since this is an ongoing investigation, you should not discuss the identification procedures or results

- l. The line-up or photo array should be shown to only one witness at a time; officers should separate witnesses so they will not be aware of the responses of other witnesses.
- m. Multiple identification procedures should not be conducted in which the same witness views the same suspect more than once.
- n. Officers should scrupulously avoid the use of statements, cues, casual comments, or providing unnecessary or irrelevant information that in any manner may influence the witnesses' decision-making process or perception.
- o. Following an identification, the administrator shall ask the witness to provide a confidence statement and document the witness's response.
- p. The administrator shall ask the witness to complete and sign an Eyewitness Identification Procedure Form.
- q. Line-up and photo array procedures should be video or audio recorded whenever possible. If a procedure is not recorded, a written record shall be created and the reason for not recording shall be documented. In the case of line-ups that are not recorded, agents shall take and preserve a still photograph of each individual in the line-up.

3. Photographic Arrays

a. Creating a Photo Array

1. Use contemporary photos.
2. Do not mix color and black and white photos.
3. Use photos of the same size and basic composition.
4. Never mix mug shots with other photos and ensure consistent appearance of photograph backgrounds and sizing.
5. Do not include more than one photo of the same suspect.
6. Cover any portions of mug shots or other photos that provide identifying information on the subject – and similarly cover other photos used in the array.
7. Where the suspect has a unique feature, such as a scar, tattoo, or mole or distinctive clothing that would make him or her stand out in the photo array, filler photographs should include that unique feature either by selecting fillers who have the same features themselves or by altering the photographs of fillers to the extent necessary to achieve a consistent appearance.
8. Fillers should not be reused in arrays for different suspects shown to the same witness.

b. Conducting the Photo Array

1. The photo array should be preserved, together with full information about the identification process as part of the case file and documented in a report.

2. If a blind administrator is not available, the administrator shall ensure that a blinded presentation is conducted using the following procedures.
 - a. Place the suspect and at least five filler photos in separate folders for a total of six (or more depending on the number of fillers used).
 - b. The administrator will take one folder containing a known filler and place it to the side. This will be the first photo in the series. The administrator should then shuffle the remaining folders (containing one suspect and the remainder of fillers) such that he or she cannot see how the line-up members are ordered. These shuffled folders will follow the first filler photo. The stack of photos is now ready to be shown to the witness.
 - c. The administrator should position himself or herself so that he or she cannot see inside the folders as they are viewed by the witness.
3. The witness should be asked if he or she recognizes the person in the photo before moving onto the next photo. If an identification is made before all of the photos are shown, the administrator should tell the witness that he or she must show the witness all of the photos and finish showing the sequence to the witness, still asking after each photo if the witness recognizes the person in the photo.
4. If possible, the array should be shown to the witness only once. If, upon viewing the entire array the witness asks to see a particular photo or the entire array again, the witness should be instructed that he or she may view the entire array only one additional time. If a second viewing is permitted, it must be documented.

4. Line-ups

- a. Conducting the Line-up
 1. Live line-ups shall be conducted using a blind administrator.
 2. Ensure that all persons in the line-up are numbered consecutively and are referred to only by number.
- b. The primary investigating officer is responsible for the following:
 1. Scheduling the line-up on a date and at a time that is convenient for all concerned parties, to include the prosecuting attorney, defense counsel, and any witnesses.
 2. Ensuring compliance with any legal requirements for transfer of the subject to the line-up location if he or she is incarcerated at a detention center.
 3. Making arrangements to have persons act as fillers.
 4. Ensuring that the suspect's right to counsel is scrupulously honored and that he or she is provided with counsel if requested. Obtaining proper documentation of any waiver of the suspect's right to counsel.
 5. Allowing counsel representing the suspect sufficient time to confer with his or her client prior to the line-up and to observe the manner in which the line-up is conducted.

Peace Officers Model Policy.pdf**

PROFESSIONAL CONDUCT OF PEACE OFFICERS MODEL POLICY
MN STAT 626.8457

I. POLICY

It is the policy of the _____ (law enforcement agency) to investigate circumstances that suggest an officer has engaged in unbecoming conduct, and impose disciplinary action when appropriate.

II. PROCEDURE

This policy applies to all officers of this agency engaged in official duties whether within or outside of the territorial jurisdiction of this agency. Unless otherwise noted this policy also applies to off duty conduct. Conduct not mentioned under a specific rule but that violates a general principle is prohibited.

A. PRINCIPLE ONE

Peace officers shall conduct themselves, whether on or off duty, in accordance with the Constitution of the United States, the Minnesota Constitution, and all applicable laws, ordinances and rules enacted or established pursuant to legal authority.

1. Rationale: Peace officers conduct their duties pursuant to a grant of limited authority from the community. Therefore, officers must understand the laws defining the scope of their enforcement powers. Peace officers may only act in accordance with the powers granted to them.

2. Rules

- a) Peace officers shall not knowingly exceed their authority in the enforcement of the law.
- b) Peace officers shall not knowingly disobey the law or rules of criminal procedure in such areas as interrogation, arrest, detention, searches, seizures, use of informants, and preservation of evidence, except where permitted in the performance of duty under proper authority.
- c) Peace officers shall not knowingly restrict the freedom of individuals, whether by arrest or detention, in violation of the Constitutions and laws of the United States and the State of Minnesota.
- d) Peace officers, whether on or off duty, shall not knowingly commit any criminal offense under any laws of the United States or any state or local jurisdiction.
- e) Peace officers will not, according to MN STAT 626.863, knowingly allow a person who is not a peace officer to make a representation of being a peace officer or perform any act, duty or responsibility reserved by law for a peace officer.

B. PRINCIPLE TWO

Peace officers shall refrain from any conduct in an official capacity that detracts from the public's faith in the integrity of the criminal justice system.

1. Rationale: Community cooperation with the police is a product of its trust that officers will act honestly and with impartiality. The peace officer, as the public's initial contact with the criminal justice system, must act in a manner that instills such trust.

2. Rules

- a) Peace officers shall carry out their duties with integrity, fairness and impartiality.

- b) Peace officers shall not knowingly make false accusations of any criminal, ordinance, traffic or other law violation. This provision shall not prohibit the use of deception during criminal investigations or interrogations as permitted under law.
- c) Peace officers shall truthfully, completely, and impartially report, testify and present evidence, including exculpatory evidence, in all matters of an official nature.
- d) Peace officers shall take no action knowing it will violate the constitutional rights of any person.
- e) Peace officers must obey lawful orders but a peace officer must refuse to obey any order the officer knows would require the officer to commit an illegal act. If in doubt as to the clarity of an order the officer shall, if feasible, request the issuing officer to clarify the order. An officer refusing to obey an order shall be required to justify his or her actions.

C. PRINCIPLE THREE

Peace officers shall perform their duties and apply the law impartially and without prejudice or discrimination.

1. **Rationale:** Law enforcement effectiveness requires public trust and confidence. Diverse communities must have faith in the fairness and impartiality of their police. Peace officers must refrain from fostering disharmony in their communities based upon diversity and perform their duties without regard to race, color, creed, religion, national origin, gender, marital status, or status with regard to public assistance, disability, sexual orientation or age.
2. **Rules**

D. PRINCIPLE FOUR

Peace officers shall not, whether on or off duty, exhibit any conduct which discredits themselves or their agency or otherwise impairs their ability or that of other officers or the agency to provide law enforcement services to the community.

1. **Rationale:** A peace officer's ability to perform his or her duties is dependent upon the respect and confidence communities have for the officer and law enforcement officers in general. Peace officers must conduct themselves in a manner consistent with the integrity and trustworthiness expected of them by the public.
2. **Rules**

When medications are prescribed, the officer shall inquire of the prescribing physician whether the medication will impair the officer in the performance of the officer's duties. The officer shall immediately notify the officer's supervisor if a prescribed medication is likely to impair the officer's performance during the officer's next scheduled shift.
- d) Peace officers, whether on or off duty, shall not engage in any conduct which the officer knows, or should reasonably know, constitutes sexual harassment as defined under Minnesota law, including but not limited to; making unwelcome sexual advances, requesting sexual favors, engaging in sexually motivated physical contact or other verbal or physical conduct or communication of a sexual nature.
- e) Peace officers shall not commit any acts which constitute sexual assault or indecent exposure as defined under Minnesota law. Sexual assault does not include a frisk or other search done in accordance with proper police procedures.
- f) Peace officers shall not commit any acts which, as defined under Minnesota law, constitute (1) domestic abuse, or (2) the violation of a court order restraining the officer from committing an act of domestic abuse or harassment, having contact with the petitioner, or excluding the peace officer from the petitioner's home or workplace.
- g) Peace officers, in the course of performing their duties, shall not engage in any sexual contact or conduct constituting lewd behavior including but not limited to, showering or receiving a massage in the nude, exposing themselves, or making physical contact with the nude or partially nude body of any person, except as pursuant to a written policy of the agency.
- h) Peace officers shall avoid regular personal associations with persons who are known to engage in criminal activity where such associations will undermine the public trust and confidence in the officer or agency. This rule does not prohibit those associations that are necessary to the performance of official duties or where such associations are unavoidable because of the officer's personal or family relationships.

E. PRINCIPLE FIVE

Peace officers shall treat all members of the public courteously and with respect.

1. **Rationale:** Peace officers are the most visible form of local government. Therefore, peace officers must make a positive impression when interacting with the public and each other.
2. **Rules**
 - a) Peace officers shall exercise reasonable courtesy in their dealings with the public, other officers, superiors and subordinates.

F. PRINCIPLE SIX

Peace officers shall not compromise their integrity nor that of their agency or profession by accepting, giving or soliciting any gratuity which could be reasonably interpreted as capable of influencing their official acts or judgments or by using their status as a peace officer for personal, commercial or political gain.

1. **Rationale:** For a community to have faith in its peace officers, officers must avoid conduct that does or could cast doubt upon the impartiality of the individual officer or the agency.

2. Rules

- a) Peace officers shall not use their official position, identification cards or badges for: (1) personal or financial gain for themselves or another person; (2) obtaining privileges not otherwise available to them except in the performance of duty; and (3) avoiding consequences of unlawful or prohibited actions.
- b) Peace officers shall not lend to another person their identification cards or badges or permit these items to be photographed or reproduced without approval of the chief law enforcement officer.
- c) Peace officers shall refuse favors or gratuities which could reasonably be interpreted as capable of influencing official acts or judgments.

 - maintain a neutral position with regard to the merits of any labor dispute, political protest, or other public demonstration while acting in an official capacity;
 - not make endorsements of political candidates while on duty or while wearing the agency's official uniform.

This section does not prohibit officers from expressing their views on existing, proposed or pending criminal justice legislation in their official capacity.

G. PRINCIPLE SEVEN

Peace officers shall not compromise their integrity, nor that of their agency or profession, by taking or attempting to influence actions when a conflict of interest exists.

1. **Rationale:** For the public to maintain its faith in the integrity and impartiality of peace officers and their agencies officers must avoid taking or influencing official actions

where those actions would or could conflict with the officer's appropriate responsibilities.

2. Rules

- a) Unless required by law or policy a peace officer shall refrain from becoming involved in official matters or influencing actions of other peace officers in official matters impacting the officer's immediate family, relatives, or persons with whom the officer has or has had a significant personal relationship.

- d) A peace officer shall not engage in any off-duty employment if the position compromises or would reasonably tend to compromise the officer's ability to impartially perform the officer's official duties.

H. PRINCIPLE EIGHT

Peace officers shall observe the confidentiality of information available to them due to their status as peace officers.

1. **Rationale:** Peace officers are entrusted with vast amounts of private and personal information or access thereto. Peace officers must maintain the confidentiality of such information to protect the privacy of the subjects of that information and to maintain public faith in the officer's and agency's commitment to preserving such confidences.

2. Rules

- a) Peace officers shall not knowingly violate any legal restriction for the release or dissemination of information.
- b) Peace officers shall not, except in the course of official duties or as required by law, publicly disclose information likely to endanger or embarrass victims, witnesses or complainants.
- c) Peace officers shall not divulge the identity of persons giving confidential information except as required by law or agency policy.

I. APPLICATION

Any disciplinary actions arising from violations of this policy shall be investigated in accordance with MN STAT 626.89, Peace Officer Discipline Procedures Act and the law enforcement agency's policy on Allegations of Misconduct as required by *MN RULES* 6700.2000 to 6700.2600.

Model Sexual Assault Investigation Policy.pdf

I. PURPOSE

The purpose of this policy is to provide employees with guidelines for responding to reports of sexual assault. This agency will strive:

- a) To afford maximum protection and support to victims of sexual assault or abuse through a coordinated program of law enforcement and available victim services with an emphasis on a victim centered approach;
- b) To reaffirm peace officers' authority and responsibility to conducting thorough preliminary and follow up investigations and to make arrest decisions in accordance with established probable cause standards;
- c) To increase the opportunity for prosecution and victim services.

II. POLICY

It is the policy of the _____ (law enforcement agency) to recognize sexual assault as a serious problem in society and to protect victims of sexual assault by ensuring its peace officers understand the laws governing this area. Sexual assault crimes are under-reported to law enforcement and the goal of this policy is in part to improve victim experience in reporting so that more people are encouraged to report.

All employees should take a professional, victim-centered approach to sexual assaults, protectively investigate these crimes, and coordinate with prosecution in a manner that helps restore the victim's dignity and autonomy. While doing so, it shall be this agency's goal to decrease the victim's distress, increase the victim's understanding of the criminal justice system and process, and promote public safety.

Peace officers will utilize this policy in response to sexual assault reported to this agency. This agency will aggressively enforce the laws without bias and prejudice based on race, marital status, sexual orientation, economic status, age, disability, gender, religion, creed, or national origin.

IV. PROCEDURES

A. Communications Personnel Response/Additional Actions by Responding Officers

Communications personnel and/or law enforcement officers should inform the victim of ways to ensure critical evidence is not lost, to include the following:

- 1) Suggest that the victim not bathe, or clean him or herself if the assault took place recently.
- 2) Recommend that if a victim needs to relieve themselves, they should collect urine in a clean jar for testing, and should avoid wiping after urination.
- 3) Asking the victim to collect any clothing worn during or after the assault and if possible, place in a paper bag, instructing the victim not to wash the clothing (per department policy).
- 4) Reassure the victim that other evidence may still be identified and recovered even if they have bathed or made other physical changes.

B. Initial Officer Response

When responding to a scene involving a sexual assault, officers shall follow standard incident response procedures. In addition, when interacting with victims, officers shall do the following:

- 1) Recognize that the victim experienced a traumatic incident and may not be willing or able to immediately assist with the criminal investigation.

- 2) The officer shall attempt to determine the location/jurisdiction where the assault took place.
- 3) Explain the reporting process including the roles of the first responder, investigator, and anyone else with whom the victim will likely interact during the course of the investigation.
- 4) Officers are encouraged to connect the victim with local victim advocates as soon as possible. Inform the victim that there are confidential victim advocates available to address any needs they might have and to support them through the criminal justice system process. Provide the victim with contact information for the local victim advocate. Upon victim request the officer can offer to contact local victim advocate on behalf of the victim.
- 5) Ask about and document signs and symptoms of injury, to include strangulation. Officers shall attempt to obtain a signed medical release from the victim.
- 6) Ensure that the victim knows they can go to a designated facility for a forensic medical exam. Offer to arrange for transportation for the victim.
- 7) Identify and attempt to interview potential witnesses to the sexual assault and/or anyone the victim told about the sexual assault.
- 8) Request preferred contact information for the victim for follow-up.

C. Victim Interviews

This agency recognizes that victims of sexual assault due to their age or physical, mental or emotional distress, are better served by utilizing trauma informed interviewing techniques and strategies. Such interview techniques and strategies eliminate the duplication of interviews and use a question and answer interviewing format with questioning nondirective as possible to elicit spontaneous responses.

In recognizing the need for non-traditional interviewing techniques for sexual assault victims, officers should consider the following:

- Offer to have a confidential victim advocate present (if possible) if the victim would benefit from additional support during the process
- Whenever possible, conduct victim interviews in person
- Make an effort to conduct the interview in a welcoming environment
- Let the victim share the details at their own pace
- Recognize victims of trauma may have difficulty remembering incidents in a linear fashion and may remember details in days and weeks following the assault
- After the initial interview, consider reaching out to the victim within a few days, after at least one sleep cycle to ask if they remember any additional details.

- Depending on the victim, additional interviews might be needed to gather additional information. Offer support from a victim advocate to the victim to help facilitate engagement with the investigative process and healing.
- Some victims do remember details vividly and might want to be interviewed immediately.
- During initial and subsequent victim interviews, officers should note the following information as victims share it, recognizing that a victim may not be able to recall all the details of the assault during a particular interview.
 - 1) Whether the suspect was known to the victim
 - 2) How long the victim knew the suspect
 - 3) The circumstances of their meeting and if there is any indication of the use of drugs or alcohol to facilitate the sexual assault
 - 4) The extent of their previous or current relationship
 - 5) Any behavioral changes that led the situation from one based on consent to one of submission, coercion, fear, or force
 - 6) Specific actions, statements, and/or thoughts of both victim and suspect immediately prior, during, and after assault
 - 7) Relevant communication through social media, email, text messages, or any other forms of communication

D. Special Considerations—Minors and Vulnerable Adults/Domestic Abuse Victims

1. Minors and Vulnerable Adults

This agency recognizes that certain victims, due to their age or a physical, mental, or emotional distress, are better served by utilizing interview techniques and strategies that eliminate the duplication of interviews and use a question and answer interviewing format with questioning as nondirective as possible to elicit spontaneous responses. Members of this agency will be alert for victims who would be best served by the use of these specialized interview techniques. Officers, in making this determination, should consider the victim's age, level of maturity, communication skills, intellectual capacity, emotional state, and any other observable factors that would indicate specialized interview techniques would be appropriate for a particular victim. When an officer determines that a victim requires the use of these specialized interview techniques, the officer should follow the guidance below.

- a. Officers responding to reports of sexual assaults involving these sensitive population groups shall limit their actions to the following:
 - (1) Ensuring the safety of the victim;
 - (2) Ensuring the scene is safe;
 - (3) Safeguarding evidence where appropriate;
 - (4) Collecting any information necessary to identify the suspect; and
 - (5) Addressing the immediate medical needs of individuals at the scene

- b. Initial responding officers should not attempt to interview the victim in these situations, but should instead attempt to obtain basic information and facts about the situation, including the jurisdiction where the incident occurred and that a crime most likely occurred. Officers should seek to obtain this information from parents, caregivers, the reporting party, or other adult witnesses, unless those individuals are believed to be the perpetrators.
- c. Officers responding to victims with special considerations must comply with the mandated reporting requirements of Minnesota Statute 626.556 and 626.557, as applicable. Officers investigating cases involving victims with special considerations should coordinate these investigations with the appropriate local human services agency where required. Any victim or witness interviews conducted with individuals having special considerations must be audio and video recorded whenever possible. All other interviews must be audio recorded whenever possible.

Not all sexual assaults of minor victims require a mandatory report to social services. This policy recognizes that in certain cases, notifying and/or the involvement of a parent/guardian can cause harm to the minor and/or impede the investigation. Officers responding to the sexual assault of a minor victim that does not trigger a mandated report under Minn. Stat. 626.556 should assess for the impact on the victim and the investigation if parents/guardians were notified before making a decision to involve them.

- d. Officers should obtain necessary contact information for the victim's caregiver, guardian or parents and where the victim may be located at a later time. Officers should advise the victim and/or any accompanying adult(s), guardians or caregivers that an investigating officer will follow up with information on a forensic interview.
 - e. The officer should advise the victim's caregiver, guardian or parent that if the victim starts to talk about the incident they should listen to them but not question them as this may influence any future statements.
2. Victims of Domestic Abuse
- Officers responding to a report of sexual assault committed against a family and household member must also follow the requirements and guidelines in this agency's domestic abuse policy and protocol, in addition to the guidelines in this policy.

E. Protecting Victim Rights

- 1) Confidentiality: Officers should explain to victims the limitations of confidentiality in a criminal investigation and that the victim's identifying information is not accessible to the public, as specified in Minn. Stat. section 13.82, subd. 17(b)
- 2) Crime Victim Rights: Officers must provide the following information to the victim:
 - a. Crime victim rights and resource information required to be provided to all victims as specified by Minn. Stat. section 611A.02, subd. 2(b)
 - b. If the suspect is a family or household member to the victim, crime victim rights and resource information required to be provided to domestic abuse victims, as specified by Minn. Stat. section 629.341, subd. 3.
 - c. The victim's right to be informed of the status of a sexual assault examination kit upon request as provided for under Minn. Stat. section 611A.27, subd. 1.
 - d. Pursuant to Minn. Stat. 611A.26, subd. 1, no law enforcement agency or prosecutor shall require that a complainant of a criminal sexual conduct or sex trafficking offense submit to a polygraph examination as part of or a condition to proceeding with the investigation, charging or prosecution of such offense.
- 3) Other information: Officers should provide to the victim the agency's crime report/ICR number, and contact information for the reporting officer and/or investigator or person handling the follow up.
- 4) Language access: All officers shall follow agency policy regarding limited English proficiency.

F. Evidence Collection

- 1) Considerations for Evidence Collection
Officers shall follow this agency's policy on crime scene response. In addition, officers may do the following:
 - a. Collect evidence regarding the environment in which the assault took place, including indications of isolation and soundproofing. The agency should consider utilizing their agency or county crime lab in obtaining or processing the scene where the assault took place. This should be in accordance to any/all other policies and procedures relating to evidence collections.
 - b. Document any evidence of threats or any communications made by the suspect, or made on behalf of the suspect, to include those made to individuals other than the victim.

- c. In situations where it is suspected that drugs or alcohol may have facilitated the assault, officers should assess the scene for evidence such as drinking glasses, alcohol bottles or cans, or other related items.
- d. If the victim has declined or a medical forensic exam will not be conducted, the officer should obtain victim consent and attempt to take photographs of visible physical injuries, including any healing or old injuries. Victim should be given directions about how to document any bruising or injury that becomes evidence later after these photographs are taken.

G. Sexual Assault Medical Forensic Examinations

- 1) Prior to the sexual assault medical forensic examination the investigating officer should do the following:
 - a. Ensure the victim understands the purpose of the sexual assault medical forensic exam and its importance to both their general health and wellness and to the investigation. Offer assurance to the victim that they will not incur any out-of-pocket expenses for forensic medical exams and provide information about evidence collection, storage and preservation in sexual assault cases.
 - b. Provide the victim with general information about the procedure, and encourage them to seek further detail and guidance from the forensic examiner, health care professional, or a victim advocate. Officers and investigators cannot deny a victim the opportunity to have an exam.
 - c. Officers should be aware and if necessary, relay to victims who do not want to undergo an exam that there might be additional treatments or medications they are entitled to even if they do not want to have an exam done or have evidence collected. Victims can seek that information from a health care provider or a victim advocate. If possible, transport or arrange transportation for the victim to the designated medical facility.
 - d. Ask the victim for a signed release for access to medical records from the exam.
- 2) Officers should not be present during any part of the exam, including during the medical history.
- 3) Following the exam, evidence collected during the exam shall be handled according to the requirements of agency policy and Minnesota Statute 299C.106.

H. Contacting and Interviewing Suspects

Prior to contacting the suspect, officers should consider the following:

- 1) Conduct a background and criminal history check specifically looking for accusations, criminal charges, and convictions for interconnected crimes, especially crimes involving violence.
- 2) Consider conducting a pretext or confrontational call or messaging depending on jurisdictional statutes. Involvement of a victim should be based on strong

consideration of the victim's emotional and physical state. A victim advocate should be present whenever possible to offer support.

- 3) When possible, an attempt would be made to interview the suspect in person.
- 4) In situations where suspects do not deny that a sexual act occurred, but rather assert that it was with the consent of the victim, officers should do the following:
 - a. Collect evidence of past communication, including but not limited to all relevant interaction (including social media) between the suspect and victim.
 - b. Identify events that transpired prior to, during, and after the assault in an effort to locate additional witnesses and physical locations that might lead to additional evidence.
- 5) For sexual assaults involving strangers, officers should focus investigative efforts on the collection of video, DNA, and other trace evidence used for analysis to identify the perpetrator (handle evidence collection per agency policy).

I. Forensic Examination and/or the Collection of Evidence from the Suspect

Note: A suspect's forensic examination and/or the collection of evidence from a suspect may be done by either an investigating officer/investigator, Forensic Medical Examiner, or the agency/county crime lab personnel.

- 1) Prior to or immediately after the preliminary suspect interview, photograph any injuries.
- 2) Determine whether a sexual assault medical forensic examination should be conducted.
- 3) Ask for the suspect's consent to collect evidence from their body and clothing. However, officers/investigators should consider obtaining a search warrant, with specific details about what evidence will be collected, and should be prepared in advance to eliminate the opportunity for the suspect to destroy or alter evidence if consent is denied.
- 4) During the suspect's sexual assault medical forensic examination, the investigator, evidence technician, or forensic examiner should do the following:
 - a. Strongly consider penile swabbing, pubic hair combings, and collection of other potential DNA evidence;
 - b. Collect biological and trace evidence from the suspect's body;
 - c. Document information about the suspect's clothing, appearance, scars, tattoos, piercings, and other identifiable marks;
 - d. Seize all clothing worn by the suspect during the assault, particularly any clothing touching the genital area;
 - e. Document the suspect's relevant medical condition and injuries.

J. Role of the Supervisor

Supervisors may do the following:

- 1) Assist officers investigating incidents of sexual assault when possible or if requested by an officer.
- 2) Provide guidance and direction as needed.
- 3) Review sexual assault reports to ensure that necessary steps were taken during initial response and investigations.

K. Case Review/Case Summary

A supervisor should ensure cases are reviewed on an on-going basis. The review process should include an analysis of:

- 1) Case dispositions
- 2) Decisions to collect evidence
- 3) Submissions of evidence for lab testing
- 4) Interviewing decisions

1) PURPOSE

The First Amendment to the Constitution of the United States of America states, "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof, or abridging the freedom of speech or of the press, or the right of the people peaceably to assemble and to petition the Government for a redress of grievances."

The Bill of Rights in Article 1 of the [Minnesota Constitution](#) addresses the rights of free speech and the liberty of the press. However, neither the state nor federal constitutions protect criminal activity or threats against citizens, businesses, or critical infrastructure.

The [\(law enforcement agency\)](#) supports all people's fundamental right to peaceably assemble and their right to freedom of speech and expression.

The purpose of this policy is to provide guidelines to the [\(law enforcement agency\)](#) personnel regarding the application and operation of acceptable law enforcement actions addressing public assemblies and First Amendment Activity.

2) POLICY

The [\(law enforcement agency\)](#) will uphold the constitutional rights of free speech and assembly while using the minimum use of physical force and authority required to address a crowd management or crowd control issue.

The policy of the [\(law enforcement agency\)](#) ("department") regarding crowd management and crowd control is to apply the appropriate level of direction and control to protect life, property, and vital facilities while maintaining public peace and order during a public assembly or First Amendment activity. Department personnel must not harass, intimidate, or discriminate against or unreasonably interfere with persons engaged in the lawful exercise of their rights.

This policy concerning crowd management, crowd control, crowd dispersal, and police responses to violence and disorder applies to spontaneous demonstrations, crowd event situations, and planned demonstration or crowd events regardless of the permit status of

the event.

This policy is to be reviewed annually.

All these activities involve the freedom of speech, association, and assembly and the right to petition the government, as guaranteed by the United States Constitution and the [Minnesota State Constitution](#).

- J. Less-lethal Impact Munitions. Impact munitions which can be fired, launched, or

otherwise propelled for the purpose of encouraging compliance, overcoming resistance or preventing serious injury without posing significant potential of causing death.

- K. **Media:** Media means any person who is an employee, agent, or independent contractor of any newspaper, magazine or other periodical, book publisher, news agency, wire service, radio or television station or network, cable or satellite station or network, or audio or audiovisual production company, or any entity that is in the regular business of news gathering and disseminating news or information to the public by any means, including, but not limited to, print, broadcast, photographic, mechanical, internet, or electronic distribution. For purposes of this policy, the following are indicia of being a member of the media: visual identification as a member of the press, such as by displaying a professional or authorized press pass or wearing a professional or authorized press badge or some distinctive clothing that identifies the wearer as a member of the press.

4) Law Enforcement Procedures

- A. **Uniform:** All officers responding to public assemblies must at all times, including when wearing protective gear, display their agency name and a unique personal identifier in compliance with this department's uniform policy. The chief law enforcement officer must maintain a record of any officer(s) at the scene who is not in compliance with this requirement due to exigent circumstances.
- B. **Officer conduct:**
1. Officers shall avoid negative verbal engagement with members of the crowd. Verbal abuse against officers does not constitute a reason for an arrest or for any use of force against such individuals.
 2. Officers must maintain professional demeanor and remain neutral in word and deed despite unlawful or anti-social behavior on the part of crowd members.
 3. Officers must not take action or fail to take action based on the opinions being expressed.
 4. Officers must not interfere with the rights of members of the public to observe and document police conduct via video, photographs, or other methods unless doing so interferes with on-going police activity.
 5. Officers must not use a weapon or munition unless the officer has been trained in the use and qualified in deployment of the weapon/munition.
 6. This policy does not preclude officers from taking appropriate action to direct crowd and vehicular movement; enforce ordinances and statutes; and to maintain the safety of the crowd, the general public, law enforcement personnel, and emergency personnel.

5. Responses to Crowd Situations

- A. **Lawful assembly.** Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest, or otherwise express their views and opinions through varying forms of communication including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills, leafleting and

loitering.

B. Unlawful assembly

1. The definition of an unlawful assembly has been set forth in Minnesota Statute [§609.705](#).
2. The mere failure to obtain a permit, such as a parade permit or sound permit, is not a sufficient basis to declare an unlawful assembly
3. The fact that some of the demonstrators or organizing groups have engaged in violent or unlawful acts on prior occasions or demonstrations is not grounds for declaring an assembly unlawful.
4. Whenever possible, the unlawful behavior of a few participants must not result in the majority of peaceful protestors being deprived of their First Amendment rights, unless other participants or officers are threatened with dangerous circumstances.
5. Unless emergency or dangerous circumstances prevent negotiation, crowd dispersal techniques must not be initiated until after attempts have been made through contacts with the police liaisons and demonstration or crowd event leaders to negotiate a resolution of the situation so that the unlawful activity will cease, and the First Amendment activity can continue.

C. Declaration of Unlawful Assembly

1. If the on-scene supervisor/incident commander has declared an unlawful assembly, the reasons for the declaration and the names of the decision maker(s) must be recorded. The declaration and dispersal order must be announced to the assembly. The name(s) of the officers announcing the declaration should be recorded, with the time(s) and date(s) documented.
2. The dispersal order must include:
 - a) Name, rank of person, and agency giving the order
 - b) Declaration of Unlawful Assembly and reason(s) for declaration
 - c) Egress or escape routes that may be used
 - d) Specific consequences of failure to comply with dispersal order
 - e) How long the group has to comply
3. Whenever possible, dispersal orders should also be given in other languages that are appropriate for the audience. Officers must recognize that not all crowd members may be fluent in the language(s) used in the dispersal order.
4. Dispersal announcements must be made in a manner that will ensure that they are audible over a sufficient area. Dispersal announcements-must be made from different locations when the demonstration is large and noisy. The dispersal announcements should be repeated after commencement of the dispersal operation so that persons not present at the original broadcast will understand that they must leave the area. The announcements must also specify adequate egress or escape routes. Whenever possible, a minimum of two escape/egress routes shall be identified and announced.

D. Crowd Dispersal

1. Crowd dispersal techniques should not be initiated until officers have made repeated announcements to the crowd, or are aware that repeated announcements

- have been made, asking members of the crowd to voluntarily disperse, and informing them that, if they do not disperse, they will be subject to arrest.
2. Unless an immediate risk to public safety exists or significant property damage is occurring, sufficient time will be allowed for a crowd to comply with officer commands before action is taken.
 3. If negotiations and verbal announcements to disperse do not result in voluntary movement of the crowd, officers may employ additional crowd dispersal tactics, but only after orders from the on-scene supervisor/incident commander. The use of these crowd dispersal tactics shall be consistent with the department policy of using the minimal officer intervention needed to address a crowd management or control issue.
 4. If, after a crowd disperses pursuant to a declaration of unlawful assembly and subsequently participants assemble at a different geographic location where the participants are engaged in non-violent and lawful First Amendment activity, such an assembly cannot be dispersed unless it has been determined that it is an unlawful assembly, and a new declaration of unlawful assembly has been made.

6. Tactics and Weapons to Disperse or Control a Non-Compliant Crowd

Nothing in this policy prohibits officers' abilities to use appropriate force options to defend themselves or others as defined in the (law enforcement agency's) Use of Force policy.

A. Use of Batons

1. Batons must not be used for crowd control, crowd containment, or crowd dispersal except as specified below.
2. Batons may be visibly displayed and held in a ready position during squad or platoon formations.
3. When reasonably necessary for protection of the officers or to disperse individuals in the crowd pursuant to the procedures of this policy, batons may be used in a pushing, pulling, or jabbing motion. Baton jabs must not be used indiscriminately against a crowd or group of persons but only against individuals who are physically aggressive or actively resisting arrest. Baton jabs should not be used in a crowd control situation against an individual who is attempting to comply but is physically unable to disperse or move because of the press of the crowd or some other fixed obstacle.
4. Officers must not strike a person with any baton to the head, neck, throat, kidneys, spine, or groin, or jab with force to the armpit unless the person has created an imminent threat of great bodily harm to another.
5. Batons shall not be used against a person who is handcuffed except when permissible under this department's Use of Force policy and state law.

B. Restrictions on Crowd Control and Crowd Dispersal

1. Canines. Canines must not be used for crowd control, crowd containment, or crowd dispersal.

3. Electronic Control Weapons (ECWs) must not be used for crowd control, crowd

containment, or crowd dispersal.

5. Skip Fired Specialty Impact Less-Lethal Munitions (Wooden Dowels and Stinger Grenades) may be used as a last resort if other crowd dispersal techniques have failed or have been deemed ineffective.
6. Direct Fired munitions may never be used indiscriminately against a crowd or group of persons even if some members of the crowd or group are violent or disruptive.
 - a) Except for exigent circumstances, the on-scene supervisor/incident commander must authorize the deployment of Direct Fired munitions. Direct Fired munitions must be used only against a specific individual who is engaging in conduct that poses an immediate threat of loss of life or serious bodily injury to them self, officers, or the general public; or is creating an imminent risk to the lives or safety of other persons through the substantial destruction of property.
 - b) Officers shall not discharge a Direct Fired munitions at a person's head, neck, throat, face, left armpit, spine, kidneys, or groin unless deadly force would be justified.
 - c) When circumstances permit, the on-scene supervisor/incident commander must make an attempt to accomplish the policing goal without the use of Direct Fired munitions as described above, and, if practical, an audible warning shall be given to the subject before deployment of the weapon.
7. Aerosol Hand-held Chemical Agents must not be used in a demonstration or crowd situation or other civil disorders without the approval of the on-scene supervisor/incident commander.
 - a) Aerosol, hand-held, pressurized, containerized chemical agents that emit a stream shall not be used for crowd management, crowd control, or crowd dispersal during demonstrations or crowd events. Aerosol hand-held chemical agents may not be used indiscriminately against a crowd or group of persons, but only against specific individuals who are engaged in specific acts of serious unlawful conduct or who are actively resisting arrest.
 - b) Officers shall use the minimum amount of the chemical agent necessary to overcome the subject's resistance.
 - c) When possible, persons should be removed quickly from any area where hand held chemical agents have been used. Officers must monitor the subject and pay particular attention to the subject's ability to breathe following the application of a chemical agent.
 - d) A subject who has been sprayed with a hand-held chemical agent shall not be left lying on their stomach once handcuffed or restrained with any device.
9. Chemical munitions use in a crowd situation is subject to the following:

 - 1) a threat of imminent harm or serious property damage is present, or

other crowd dispersal techniques have failed or did not accomplish the policing goal as determined by the incident commander,

- 2) sufficient egress to safely allow the crowd to disperse exists, and
 - 3) The use of chemical munitions is approved by the on-scene supervisor/incident commander, and
- b) When feasible, additional announcements should be made prior to the use of chemical munitions in a crowd situation warning of the imminent use of chemical munitions.
 - c) Deployment of chemical munitions into a crowd must be avoided to prevent unnecessary injuries.
 - d) CN chemical munitions are prohibited.
 - e) The use of each chemical munition must be recorded (time, location), and the following information must be made available by the department on request :
 - 1) the name of each chemical munition used in an incident,
 - 2) the location and time of use for each munition deployment,
 - 3) access to the safety data sheet (SDS) for chemical munition
 - f) Where extensive use of chemical munitions would reasonably be anticipated to impact nearby residents or businesses, agencies should consider proactively notifying impacted individuals of safety information related to the munitions use as soon as possible, even if after the event.
 - g) When chemical munitions are used, an emergency responder will be on standby at a safe distance near the target area when feasible.
 - h) Chemical munitions are subject to the same procedural requirements as outlined in the (law enforcement department)'s UOF policy.

C. Arrests

1. If the crowd has failed to disperse after the required announcements and sufficient time to disperse, officers may encircle the crowd or a portion of the crowd for purposes of making multiple simultaneous arrests.
2. Persons who make it clear (e.g., by non-violent civil disobedience) that they seek to be arrested may be arrested and must not be subjected to other dispersal techniques, such as the use of batons or chemical agents. Persons refusing to comply with arrest procedures may be subject to the reasonable use of force.
3. Arrests of non-violent persons shall be accomplished by verbal commands and persuasion, handcuffing, lifting, carrying, the use of dollies and/or stretchers, and/or the use of soft empty hand control holds.

6. Handcuffs

- A. All persons subject to arrest during a demonstration or crowd event shall be handcuffed in accordance with department policy, orders, and training bulletins.
- B. Officers should be cognizant that flex-cuffs may tighten when arrestees hands swell or move, sometimes simply in response to pain from the cuffs themselves. When arrestees complain of pain from overly tight flex cuffs, officers must examine the cuffs and ensure proper fit.
- C. Arrestees in flex-cuffs must be monitored to prevent injury.
- D. Each unit involved in detention and/or transportation of arrestees with flex-cuffs should have a flex-cuff cutter and adequate supplies of extra flex-cuffs readily available.

- C. Officers will not arrest members of the media unless they are physically obstructing lawful efforts to disperse the crowd, or efforts to arrest participants, or engaged in criminal activity.
- D. The media must not be targeted for dispersal or enforcement action because of their media status.
- E. Even after a dispersal order has been given, clearly identified media must be permitted to carry out their professional duties unless their presence would unduly interfere with the enforcement action.

8. Legal Observers

- A. Legal observers, including unaffiliated self-identified legal observers and crowd monitors, do not have the same legal status as the media, and are subject to laws and orders similar to any other person or citizen.
- B. Legal observers and monitors must comply with all dispersal orders unless the on-site supervisor/incident commander chooses to allow such an individual legal observers and monitors to remain in an area after a dispersal order.
- C. Legal observers and crowd monitors must not be targeted for dispersal or enforcement action because of their status.

9. Documentation of Public Assembly and First Amendment Activity

 - 2) Documentation to establish a visual record for the purposes of responding to citizen complaints or legal challenges, or
 - 3) Creating visual records for training purposes.

- B.
