Construction activity for the following week:

Stage 1 – 2021 Season: Reconstruction eastside of Brooklyn Blvd 59th Ave N and 65th Ave N.

Stage 2 – 2022 Season: Reconstruct westside of Brooklyn Blvd between 59th Ave N and 65th Ave N. Realign Admiral Ln N at Brooklyn Blvd to align with 60th Ave N.

Keep children away from the construction. Construction activity and machinery can often attract the attention of curious children. Your assistance in directing your children away from construction areas is appreciated. Construction vehicles can move quickly and suddenly. Please stay clear of machinery and construction stockpiles and trenches.

Safety is always our highest concern during the construction of these types of projects. Please slow down through the construction zone for the safety of others, and the workers on site, as well as your own safety. Thank you for your consideration and patience.
