

## September 6<sup>th</sup>, 2022: Construction Update No. 48 Brooklyn Boulevard Reconstruction Project Phase 2

The Brooklyn Boulevard Reconstruction Phase 2 Project continues work for the 2022 construction season. The contractor, Park Construction, will complete the reconstruction of the west side of Brooklyn Blvd, including the center medians and realignment of Admiral Ln at Brooklyn Blvd. Last week, the contractor planted some of the landscaping for the median planter beds.

### Construction activity for this week:

- Traffic will be switched to the inside lanes of Brooklyn Blvd on Tuesday, September 6<sup>th</sup> so that work on the outsides can take place.
- Landscaping and irrigation work will occur.
- Sod will be placed beginning Wednesday, September 7<sup>th</sup>.
- Work will continue for the new signal system.

### Construction activity for the following week:

- Landscaping and irrigation work will occur in the center median area.
- Work will continue for the new signal system.

Stage 1 – 2021 Season: Reconstruction eastside of Brooklyn Blvd 59<sup>th</sup> Ave N and 65<sup>th</sup> Ave N.

Stage 2 – 2022 Season: Reconstruct westside of Brooklyn Blvd between 59<sup>th</sup> Ave N and 65<sup>th</sup> Ave N. Realign Admiral Ln N at Brooklyn Blvd to align with 60<sup>th</sup> Ave N.

**Keep children away from the construction.** Construction activity and machinery can often attract the attention of curious children. Your assistance in directing your children away from construction areas is appreciated. Construction vehicles can move quickly and suddenly. Please stay clear of machinery and construction stockpiles and trenches.

Safety is always our highest concern during the construction of these types of projects. Please slow down through the construction zone for the safety of others, and the workers on site, as well as your own safety. Thank you for your consideration and patience.

The City has hired SRF Consulting to help oversee the construction work. For any questions or concerns you may contact the following SRF Consulting or City of Brooklyn Center Engineering Staff:
