Subject: Orchard Lane East Improvements

Dear Resident:

The City of Brooklyn Center's Capital Improvement Plan identifies a potential street improvement project in your neighborhood. A map of the proposed project area is pictured on the back of this letter. This project is tentatively scheduled for next year, 2024. A feasibility study has been completed for the project, including estimated cost of the streets and utilities improvements. The project is currently in the final design phase and preliminary plans will be presented at the meeting.

Please note that part of this project will be funded by special assessments - payments made by property owners within the project area. More information on assessment amounts will be provided at the meeting.

A Neighborhood Open House is scheduled to present the preliminary plans and provide an update on the progress of the project.

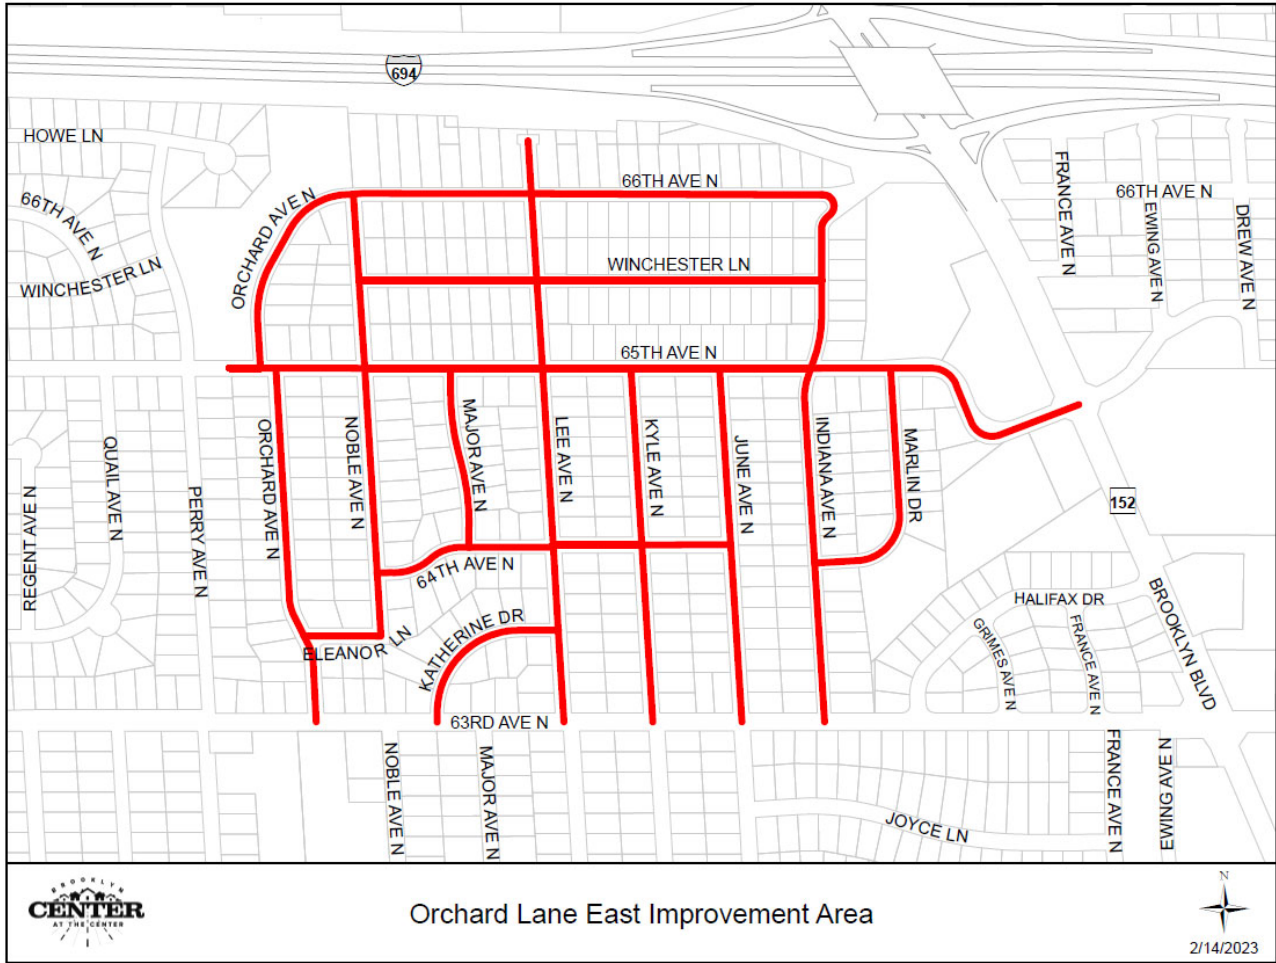

**THURSDAY, OCTOBER 19, 2023, 5:30PM – 7:30PM
COUNCIL CHAMBERS (UPPER LEVEL)
CITY OF BROOKLYN CENTER CITY HALL
6301 SHINGLE CREEK PARKWAY**

This meeting provides an opportunity for the public to receive information on the project and ask questions to the design team. The proposed project includes street rehabilitation on streets as shown on the enclosed map.

If you have any questions about the project, please contact the Engineering Division at 763-569-3340 or publicworks@ci.brooklyn-center.mn.us.

Sincerely,

Public Works Department - Engineering
City of Brooklyn Center
